clean throughout."

and his action has been commended.

EIGHT tednee Flesh Disgnalified Him for Battle Which He Was Likely to Win. By RINGSIDE.

NEW YORK, Sept. 19 .- A voracious apthe powers in Organized Base Ball think petite has cost Johnny Dundes an emfavorably of the plan of Prexy Glimore broyo fortune and the attendant glorificaof the Feds relative to the punishment ifon of being a world's ring champion. of players for infraction of playing rules. We've often heard of someone being able to "eat you out of your house and home," says Gilmore. "That merely gives the but here we have an instance of a supposedly intelligent boxer eating himself discipline is by a system of fines and out of at least \$100,000 and a life of case. Ever since Dundee boxed Featherweight

Champion Johnny Kilbane a twentyround draw, the pseudo-Scotchman has fines that are to cover practically every been looked upon as associate holder of the title, although he did not gain the monetary benefits that Kilbane enjoyed. Nevertheless Dundre was considered at least the equal of Champion Klibane and

> After sixteen months of bickering a re turn match was finally arranged; all signs pointed to a Dundee victory. This is a year of upsets, and the worst year ever experienced by ring championships.

The outcome of this bout was to be another uphenval of the well-known "dope"

Tom McCarey had completed all details for the championship match, and the players and umpires. The reason is that combatants were already in training. The date set was next Tuesday. The boxers were going through their final stages of preliminary training a few are going to continue to hit him there days ago, when McCarey decided to call until he reforms, I believe he'll suddenly on the men and ascertain their condition. on the men and ascertain their condition. All went well in the Kilbane camp. The

champion was having a hard time coming down to the stipulated weight of 122 pounds ringside, the featherweight Hout, but he was gradually reaching the notch and puts the entire team into a bad hole and he said he would feel strong at the poundage.

McCarey Visits Dundee.

McCarey then visited Dundee at his quarters. He indulgently watched Dundes go through his motions and then naked him to step on the scales. The lars could get back into the game again the Braves, playing with a patched-up in-weighing machine and the metal. weighing machine and the weights were field, might have skidded too far to get adjusted.

Horrors! McCarey was taken back, for Dundee moved the beat at just 153 pounds, fining system and that is that the players eleven pounds more than what he was to must pay the fines. I don't permit the weigh at ringside for Kilbane less than club owners to pay those fines. If they two weeks hence. McCarey pondered a did, the fining rule wouldn't be worth a few tense moments and then informed snap of the finger. I intend by the new Dundee and his manager that the match

Under ordinary circumstances McCarey that the strict enforcement of this rule might have stanted Dundee a few days' will go far toward making base ball respite before cancelling the match. But

the promoter realized that Dundee had John K. Tener, president of the National been at work for over two weeks and had league, seems to have bellefs along the not been able to reduce even a few scant same lines as Gilmore. His action in fin- pounds. Dundee was "hard" at 153 pounds ing the three Boston players and Heinle and it was obvious that he could not Zimmerman, of the Cubs, for engaging in make 122 pounds in such a short time and the fist fight in Chicago came as a big do himself justice against the champion surprise. The greatest majority of fans Dundee's manager pleaded with Mo-figured Tensr, following the old custom, Carey and Jimmy Dunn, Kilbane's men-Dundee's manager pleaded with Mowould suspend the players. But he didn't tor, but to no avail. Monteith was prepared to post a forfeit that his man Had Tener exercised his power and or- would make 122 pounds at noon on the Had Tener exercised his power and or-dered this quartet out of the game for a week it would have crippled both the Cubs and the Braves. It probably would have killed Boston's chances, and deadened the interest in the National league race.

and Outs. NEW YORK, Sept. 19 .- "Willie" Hoppe, who seems unable to outgrow his diminutive cognomen, in spite of the fact that he is the American champion at billiards

Self in English Methods.

HAS ATTRACTIVE FEATURES

of all styles, has been practicing six ours or more daily for two months perfecting himself in the English game, at which he is to meet Melbourne Inman, the English champion, in a contest at the Hotel Astor, beginning September 28. Mr. Hoppe thinks he has mastered the technique of the game so well that after his games with Inman in their combination contest he will be able to perfect himself in its intricacies so that he will be able to successfully challenge the They were taken into custody at Rastatt holder for the championship of the world. In speaking of the English game, Mr. Hoppe said: "I find the game full of attractive features and interesting plays. which make it particularly interesting to a spectator. It is really a splendid game sight of for a time after the outbreak of war, and his friends began to worry after one has mastered its peculiarities, about him. It developed that he had reand gives opportunity for all the skill an expert player at the French game requires, and some added curves that he

does not get a chance at even in pocket "billiards. It requires steadiness, surety of stroke, finesse, and the eye of an eagle. There are some features that I think have not been fully developed by the English champions, and I think I may get them so that they may prove useful to me in my ambition to become the world's champion at this game. I surely would like to get that title and so, in a measure,

at least, compensate America for the loss of the polo cup, the Davis tennis cup holder, who started off with three and the lightweight boxing championship. straight wins and then added four more Has Even Chance.

"While I may not yet be able to defeat Mr. Inman at his own game, I think I have an even chance to do so. At all events, if I am beaten, it will be because I am not so clever at it as he is, for I shall try hard, and have a lot of confiopportunity this fall. Jimmy Clabby is dence in myself, so that I shall not go same with Gunsberg, while Yates dedue to arrive in California from Australia to the table a beaten man before I begin feated Viner, the Australian champion. the game. It is a whole lot to have developed that far at least. I appreciate thoroughly that I am up against a strong player, the best in the world by the records, but that was an experience I had when I began playing for the championships at the American and French other leaders were: Dr. J. Schumer, 614 games, so that it is no novel experience. to 3%; A. Louis, 6 to 3; R. H. V. Scott.

If I am beaten it will not be because I 6 to 4; I. Gunsberg, 5% to 5%; R. E. Lean have not worked hard, simply that I have and W. S. Viner, 414 to 414. not become a master of the game, as I expect to be in the end."

Back for Enlistment

PHILADELPHIA, Sept. 19.-It was re-ported recently that Vivian Nickalis. rowing coach at the University of Pennsylvania, would have to quit his job here and return to England and enlist. Nickalls denies that he is going back to

join a regiment. He says that he is past the age for enlistment. Nickal's brother. Guy, who conches at Yale, is a brigadiergeneral in the coast guards and is abroad at present and may be detained there for

Jones Views His Job.

"I didn't come back into base ball to

"I didn't come back into base ball to grind any axes. "I know too little of the Federal league to express my views of it as compared to the American league of 1868, when I hast participated. "Confisher knows the ins and out of base ball. That's why it was easy to work for him. "I was tired of base ball. That's one reason I got out of it."

George Burns is Real Terror.

George Burns is Heal Terror. Four times within the last month George Burns of the New York Glants has gone to bat to find all the bases fulled. Four times whe has swept them clear, three times with triples and once with a homer. With four belts Burns has scored thirteer runs, not to mention those he has immedir scored through the assistance of the opposing pitcher or of the succeeding batters.
