

Nebraska

REAVIS 'SOME' CAMPAIGNER

Opponent of Maguire Making Noise in District.

GIVEN ENTHUSIASTIC WELCOME

Large Numbers of Democrats Are Promising Republican Candidate Their Votes, Coming to Him Unsolicited.

(From a Staff Correspondent.) LINCOLN, Sept. 27.—(Special.)—It is evident if Congressman Johnny Maguire doesn't soon "come marching home again," he will find that he will not be able to add very much in the future to that \$3,000 he has been able to draw in the three terms he has represented the First Nebraska district in Washington...

Mr. Reavis was the principal speaker at a meeting at College View, one of the suburbs of Lincoln, last night, and a large crowd listened to him and gave him an enthusiastic welcome. Mr. Reavis said this morning that the same welcome has been given him in every part of the district where he has spoken. Large numbers of democrats are promising him their votes and come to him unsolicited and say that they are tired of the representation this district has had in congress during the last six years.

NEWS NOTES OF NELSON AND NUCKOLLS COUNTY

NELSON, Neb., Sept. 27.—(Special.)—Mrs. Elizabeth Hanthorn, widow of the late ex-Representative James Hanthorn of this county, died yesterday morning. She was a pioneer resident of this county and was at the time of her death, in her sixty-seventh year. Her children survive, a son, the late Capt. W. H. Moore, who was a lieutenant in the Spanish-American war; Miss Emma and Miss Alice, of the Kearney State normal, and Walter of this county.

L. L. Shattuck died here Friday morning. Mr. Shattuck was deputy county clerk under E. E. Hedgcock at the time of his death. He served as county clerk of this county for four years, 1906-1912. He had been a resident of this county for many years and was highly respected by members of all political parties, and was a most efficient public officer. A wife and two children survive him.

The Nuckolls county fair, now recognized as the leading county fair of Nebraska, closed a successful four days' run Friday. More than 20,000 persons passed through the gates in the three days closing the fair. Each department was well filled, and the races and free quarter-stretch attractions were of a high class and gave the very best of satisfaction. Alta Young of Peabody, Kan.; Clatims of Atwood, Kan.; Starline of Belleville, Kan., and Hal Patch of Colierville, Okla., were the winners in the 2 1/2 m. pace, 2:37 trot, 2:17 trot and 2:14 pace, respectively. A strong feature was the agricultural exhibit made by the extension department of the agricultural school, which was in charge of W. C. Anderson and Loris Chase. In the household products and domestic manufacture departments the number of entries were equal to those at the state fair, and the stock showing was particularly strong, many state fair winners being shown. The association will pay all expenses and premiums and will have a neat surplus.

EGGS BRING TROUBLE AT SOLDIERS' HOME

(From a Staff Correspondent.) LINCOLN, Sept. 27.—(Special.)—The use of eggs of ancient date does not always have the same effect. Sometime they bring success, but at other times trouble. To Dave Rowden, commandant of the Milford soldiers' home, they have brought trouble. Dave and his cook quarrelled as to the age of certain eggs purchased of a Milford groceryman. Dave claimed they were laid about the time Congressman John Maguire began his feat of remaining silent in congress longer than any other man six years ago while the cook insisted that they were good enough for Dave to eat anyway. Dave fired the cook. Cook appealed to the groceryman. The groceryman backed up the cook.

Auburn Man Has Narrow Escape

AUBURN, Neb., Sept. 27.—(Special.)—J. W. Evans narrowly escaped death in an automobile accident yesterday. He was driving near the Keedy bridge, northwest of town, and turned out of the track to save a team, and in doing so, came near the edge of the ditch. The ground under the machine caved in and threw the machine to the bottom of the ditch, about eight feet. Evans was thrown over the windshield, far enough away that the machine, when it turned over, did not reach him. The machine was badly smashed up. Evans was only slightly hurt.

Hessian Fly In West

RAVENNA, Neb., Sept. 27.—(Special.)—Mr. Swink, representative of the Nebraska experiment station, came to Ravenna yesterday and investigated several wheat fields for hessian fly. In several fields where volunteer wheat has grown up since harvest he found evidences of the fly, and advises that all stubble ground be plowed at once.

Coast Train Via Spokane

Famous "Olympian" and Columbian trains of the Chicago, Milwaukee & St. Paul railway now run over the new line via Spokane. Low colonist fares daily to October 1; \$3 from Omaha to Spokane and the coast, \$5 to Montana. Tickets and information at city ticket office, Chicago, Milwaukee & St. Paul railway, 157 Farnam street, Omaha, Neb.

Map Showing Where Germans and Allies Are Fighting

Grand Island Has an I. T. U. Chapter

GRAND ISLAND, Neb., Sept. 27.—(Special Telegram.)—The Grand Island chapter of the International Typographical union was organized today with the election of J. P. Miller, president; O. M. Pine, vice president; L. I. Holliday, secretary-treasurer, and E. J. Ludi, sergeant-at-arms. The offices of The Independent, The Free Press, Prompt Printer and Fred Hald have signed up contracts. Several others agreeing to do so.

FRONTIER FAIR HAS MANY NEW FEATURES

STOCKVILLE, Neb., Sept. 27.—(Special.)—Frontier county twenty-eighth annual fair closed Friday evening. This proved to be one of the best fairs held to this time. The weather was ideal every day and the attendance was good. The exhibits were above the average, particularly in farm products and cattle. Among the exhibitors of pure stock were Zollars & Sons of Maywood, with a herd of seven short horns. They were awarded the championship ribbon for best short horn bulls, which was offered by the State Short Horn Breeders' association. Crossgrove & Sons of Paramo won the championship ribbon for the best short horn female. F. B. Kerr of Farnam and W. C. Reed of Stockville also had short horn cattle, each being winner of something in their class. Herefords were shown by Mousel Brothers of Cambridge and Dauchy Brothers of Stockville. Sweepstakes for best registered bull and best registered cow, any age or breed was won by the Mousel Brothers. Ott Gugelman was only one showing the black Polled Angus.

Daughters Entertain

WEEPING WATER, Neb., Sept. 27.—(Special.)—The Jonathan Casa chapter, Grand Army of the Republic of Weeping Water, entertained about fifty friends Friday afternoon, September 25, at the home of Mrs. I. W. Troegarden. A short patriotic program was given, Grand Army of the Republic history and history of the Star Spangled Banner being features of the various numbers given. After the program, the guests enjoyed looking over an interesting display of antiques, heirlooms and colonial relics.

Train Hits Automobile

SHELANDOAH, Ia., Sept. 27.—(Special.)—Dr. H. C. Johnson of Blanchard, Ia., was thrown 120 feet, knocked unconscious for several hours and his car completely demolished when he was struck by a southbound Wabash train two miles north of Coin, Ia., at 9:30 o'clock yesterday morning. Dr. Johnson, who is a veterinarian, was taken to his home in Blanchard. He was unconscious several hours, but the physicians thought that he was not seriously injured and would recover.

Fine Exhibit at Greeley Fair

GREELEY, Neb., Sept. 27.—(Special.)—The Greeley county fair closed Friday after a four days' successful run. The exhibits were exceptionally fine, but the attendance was not large, probably owing to the farmers being behind with their work. In the baby contest a son of T. C. McFadden won the first prize for boys, and the baby daughter of A. L. Davis, editor of the Leader-Independent, led the girls. The weather was ideal.

SUPREME COURT EXEMPTS MUNICIPALLY OWNED LAND

(From a Staff Correspondent.) LINCOLN, Sept. 27.—(Special Telegram.)—Property of the Water Board in Florence is held exempt from taxation by a decision of the supreme court. Judge Hamer, who writes the opinion in the case, says: "The statute seems to be as broad as the constitution, and both the constitution and the statutes would seem to be plain enough so that there should be no great doubt as to what was the purpose intended. The framers of the constitutional provisions must have intended to exempt all classes of municipally owned property. That would seem to be the only fair interpretation which can be placed upon the language used in the constitution and the statutes. We do not feel at liberty to add to the provisions of the constitution prepared by its framers and adopted by the people when the provisions support each other. There should be no payment of taxes by the public upon that which the people own through their municipalities."

Omaha Physician in France Caring for Fourteen Relatives

Responsibility of caring for fourteen persons, the families of his brother, brother-in-law and cousin, while the latter are fighting in the French army, prevented Dr. Felix J. Despatcher of Omaha from leaving St. Nazaire, France, according to a letter just received from him. He was caught abroad by the war, while visiting relatives. Duties of English interpreter for the French army are the latest addition to the local dentist's activities abroad. He writes under date of September 4, that seventeen shiploads of British soldiers have just landed at St. Nazaire, which is on a river near the Bay of Biscay. He was called upon to interpret for those allies of the French, and says he may also have to do X-ray work in the hospital there.

Kaiser Tells Crown Prince Campaign in France is a Fiasco

(Copyright, 1914, Press Publishing Co.) COPENHAGEN, Sept. 27.—(Special Telegram to New York World and Omaha Bee.)—It is reported here that a violent quarrel has broken out between the kaiser and the crown prince, details of which are unobtainable. The kaiser is said to be inconsolable and to consider that the campaign in France is a fiasco.

Peace Day in U. S. to Be Next Sunday

Next Sunday will be "Peace Day" in the churches, and in fact, throughout all of the United States, in response to President Wilson's urgent request that the nation unite in a prayer for world peace. Churches of all denominations and creeds have arranged to have a special half-hour of prayer for peace, either before or after the regular service next Sunday. The Jewish churches have joined heartily in the movement, observing Saturday as their "Peace Day." A citizens' mass meeting to further the idea will also be held next Sunday at 4 p. m. at the Young Men's Christian association. William Baird, recently returned from the seat of war and well acquainted with the horror and indescribable suffering that the war has brought about, will outline the observations of his trip, and apply it as an argument for permanent world peace. The mass meeting will then offer a common prayer for "Peace on Earth, Good Will Toward Men." An orchestra will furnish special music.

SINGLE TURPINITE SHELL KILLS SIXTEEN HUNDRED

SAN FRANCISCO, Sept. 27.—Confirmation of the deadly effect of turpinite, the most poisonous explosive, is confirmed in a letter received here by Miss Ethel Crocker from her cousin, Cashimir Ponitowski, who is fighting with the French. Sixteen hundred Germans, whose hearts had been instantly stopped by the action of a turpinite shell that fell in a trench they were holding, were found dead on their feet. M. Ponitowski writes, their rifles in their hands, in the attitude of taking aim.

SERB ANSWERS DEMAND TO YIELD WITH CANNON

NISH, Serbia (via Paris), Sept. 27.—According to reports reaching here from Belgrade, when a representative of the Austrian commander, bearing a white flag, was admitted to the presence of the Serbian commander with the demand for the surrender of the capital, the Serbian officer replied: "Return to your camp and in three hours you will receive my answer from the cannon's mouth." Three hours later a Serbian battery opened fire upon the Austrian positions across the Danube.

ROOSEVELT URGES THE ELECTION OF BEVERIDGE

INDIANAPOLIS, Ind., Sept. 27.—Theodore Roosevelt concluded his tour of Indiana here tonight with an address that was devoted largely to the election of Albert J. Beveridge, the progressive candidate for United States senator from Indiana. The colonel came here from Terre Haute, where he spoke in the afternoon. Preceding the meeting there was a parade, in which were a number of delegations from over the state.

WOMAN'S SHOT AT PROWLER FAILS TO WING THE VICTIM

"I've just killed a man in my back yard," came a hurried cry over the telephone last night to Deskman McCarty at the police station. Officer Joe Hill and Sergeant Russell boarded the emergency and hurried to the scene of the call at 2008 North Eighteenth street. There they found Mrs. W. A. Johnson, still gripping the revolver with which she thought she had killed a prowler. "The first time I shot," she said, "a man was just coming out of the barn. I fired just to scare him. The next time, I shot squarely at him as he was climbing over the fence and I heard him fall with a thud on the other side of the fence in the alley. I know I killed him." Careful search of the alley in the rear of the home failed to disclose any man mortally wounded.

License to Marry

LINCOLN, Neb., Sept. 27.—(Special.)—License to marry was issued to the following Omaha people yesterday in Lincoln: Georges P. Gregerson, aged 41, and Marie J. L. Christensen, aged 28.

TIMELY REAL ESTATE GOSSIP

Auditorium Looms Before the People of Omaha Again.

NOW OFFERED FOR \$160,000

Some Organizations of City Favor Purchase at That Price, but Believe Extra Forty Thousand Unnecessary.

Again the Auditorium is to be offered to the people at the fall election, that is, if the ordinance providing for the submission of Auditorium bonds at the election is carried. The ordinance has been introduced in the city council.

This time the Auditorium is offered to the city at \$160,000. The ordinance introduced calls for the submission of Auditorium bonds in the sum of \$200,000. The extra \$40,000 over the purchase price, it was contemplated, should be used in making improvements to the Auditorium when the city should have acquired the property.

An effort is now being made on the part of civic, commercial and labor organizations of the city to have the proposed ordinance changed so as to call for the submission of bonds in the sum of \$160,000 only. This would be the purchase price of the Auditorium alone, with no funds provided to make improvements.

Favor Acquiring Property

It was the sense of the meeting that the city should now acquire the Audi-

torium at a sum not to exceed \$160,000, which is the amount for which it is being offered to the city. It was the further sense of the meeting that the extra \$40,000 bonds for improvement of the Auditorium should not be submitted at this time. A committee was appointed to wait on the city council and convey this opinion to that body with a view to bringing about the introduction of a new ordinance calling for the submission of bonds in the sum of \$160,000 instead of \$200,000.

The Auditorium question, as it now stands, came up again at the last meeting of the Omaha Real Estate exchange. The proposed purchase of the Auditorium from the present stockholders in the auditorium company is by no means a new question. Hitherto, however, much larger bonds were proposed when a much higher price was asked for the property.

Among the most radical against the purchase of the property was W. H. Green, W. H. Gramann favored the purchase. Harry Wolf suggested that it should be purchased and that Omaha might be letting an opportunity go by for the sake of quibbling on small points in the matter. The exchange voted to favor the purchase at \$160,000, but to oppose the issue of bonds in the sum of \$200,000, as it did not think it wise to vote the extra \$40,000 bonds for the Auditorium improvement in the same breath with the voting of the purchase price.

Harry Wolf claims he once offered \$120,000 for the Auditorium, himself, and had no intention of offering it to the city if he had got it. "But," he says, "Turkey had a better stand in than I did, and so he got the option."

German Ship Taken

FALMOUTH, England (via London), Sept. 27.—The German ship Osea of 1,500 tons, bound from Portland, Ore., for Ipswich with a cargo of wheat and barley, was brought into this port today having been captured by a British warship.

Zeppelin Wrecked in Flying British Raid

(Copyright, 1914, Press Publishing Co.) BASEL, Switzerland, Sept. 27.—(Special Telegram to New York World and Omaha Bee.)—The recent raid of British aeroplanes on Düsseldorf bore splendid fruit. One big Zeppelin was put entirely out of commission, its gas envelope being badly ripped and its engines practically wrecked. The machine shops of the Zeppelin factory were also hard hit and much of the machinery demolished. One of the first results noticeable outside the city itself is that all cathedrals along the Rhine valley appear with large white flags flying from their spires.
