RATE RAISE TO BE DISCUSSED

Railway Commissioners Confer in Kansas City Over Next Move.

WESTERN STATES WILL JOIN IN

St. Elizabeth's Hospital in Lincoln Celebrates Twenty-Fifth Anniversary, Revealing Remarkable Growth.

(From a Staff Correspondent.) LINCOLN, Oct. 5.—(Special.)—Railway Commissioner H. G. Taylor and Rate Expert U. G. Powell of the Railway Commission were in Kansas City Saturday conferring with members of the state commissions of western states relative to the opposition to be made by the state commissions.

The matter is being looked after by Mr. Thorne of the Iowa commission, and it is expected that all western states will join in the effort to keep down the proposed rates which will include service.

Food Fee Report. The report of the food, drug, dairy and oil department of the state for September made by Commissioner Harman today shows that the receipts of the department for the month were \$11,302.56. The items are: Oil and gasoline inspection, \$9,861.62; permits issued, \$1,019; taxes sold, \$310; seed analysis, \$6; and miscellaneous collections \$4.78. There were 2,114 inspections made during the month, the largest being grocery stores, 383; hotels and cafes, 468; ice cream and confectionery places, 230; cream stations, 215; and cold storage places, 159.

Hospital Anniversary

St. Elizabeth hospital celebrated its twenty-fifth anniversary yesterday, and over 1,000 people visited the institution, which in that time has grown from a small institution with a capital of \$24 to start with. Additions have been built since that time on the grounds owned by the institution amounting to over \$100,000. In addition to this a new addition has been completed costing \$125,000, and an effort will begin this week to raise \$100,000 to complete the payment on this building. While the institution is Catholic, there has been no disposition to keep out any person no matter what his creed, and large numbers of charity patients have been taken to the hospital in the past. A large committee of Lincoln citizens, composed of business men of the city, has taken hold of the matter of raising the \$100,000 and the work will begin this week.

Veterinarians to Confer

State Veterinarian L. C. Kigin is sending out today letters to members of state veterinarian associations in the different states and those who are not connected with state associations and also to veterinarians in states which have no associations or boards, asking that they attend a conference of veterinarians which will meet in Omaha on Thursday, October 29, for the purpose of devising some uniform method for the shipment of cattle from one state to another and for the regulation of the same. The meeting will be held in the Live Stock Exchange building.

Auto Registrations

Registrations of automobiles have reached the number of 42,368. Today 139 applications came into the office of the secretary of state, which is one of the largest registrations made for any one day this year.

AVOCA WOMAN'S CLUB ENTERTAINS PIONEERS

AVOCA, Neb., Oct. 5.—(Special.)—The Avoca Woman's club entertained the women of the vicinity who had helped in settling Nebraska in early days. Mrs. Cecil Copes, at whose home the entertainment was held, was hostess for the afternoon. Among the relics exhibited were candle molds and snuffers, homespun linen and Indian scalp. Mrs. E. B. Quinton was the oldest pioneer present, coming to Nebraska as a bride in 1858 and settling in the community which has been her home up to the present time. Mrs. P. P. Pegham came a little later as a bride and her husband and his brother built the first block of buildings in Lincoln. Mrs. Samuel Johnson, nee Lucy Wright, was the oldest woman present who was born in Nebraska. Her father, Cyrus Wright, was the first sheriff of Johnson county.

PRIZE BOAR DIES TWO DAYS BEFORE AUCTION SALE

TECUMSEH, Neb., Oct. 5.—(Special.)—In a sale of thoroughbred Durco-Jersey swine, put on here Thursday by Lamb Brothers and W. M. Putnam & Son, local breeders, an average price for a large offering of \$2.50 per head was secured. Considering the fact that much of the stuff was young, this is good. They had expected to sell the champion boar, Echo's Crimson Wonder, the hog which took first premium and sweepstakes at the last Nebraska State fair, but the animal died a day or two before the sale. The owners of the hog had refused \$1,000 for him at the time of the fair, and the man who made the offer came to the sale with the avowed purpose of getting the boar. It was expected the hog would bring at least \$1,500 on the block.

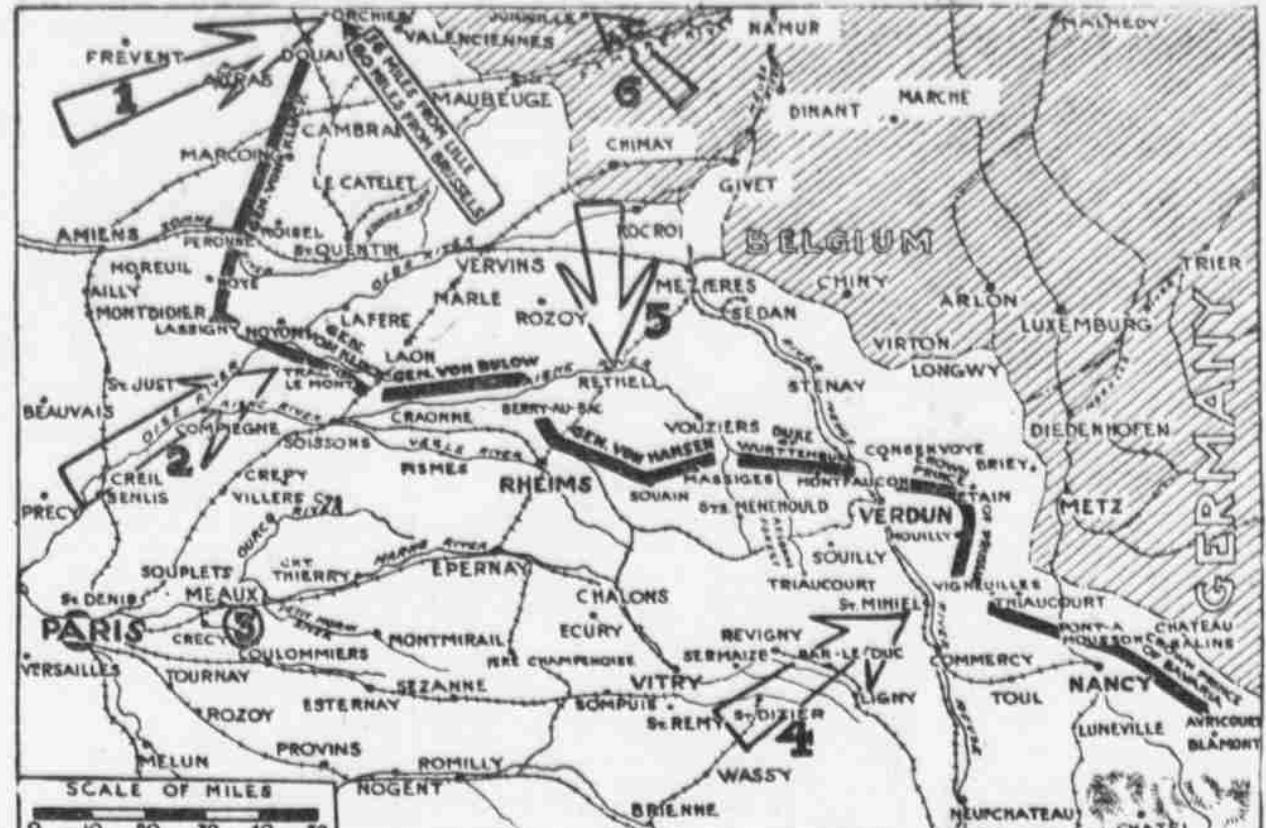

REPUBLICAN CANDIDATES TOUR JEFFERSON COUNTY

FAIRBURY, Neb., Oct. 5.—(Special.)—One of the largest political rallies held in Jefferson county in years took place on Saturday, when the Fairbury Concert band and a score of automobiles met the republican candidates at Plymouth at 9 a. m. and made a tour of the entire county, touching Daykin, Reynolds, Endicott, Steele City, Diller and winding up with a big open-air meeting on the north side of the courthouse at 3 p. m. The campaign through the county was made in a cloud of dust. The candidates included R. B. Howell, Walter V. Hoagland, Addison Watt, Charles W. Sears, F. C. Hamer, W. L. Miner, Thomas Hall and a number of the county candidates.

SUFFRAGISTS TOUR BURT COUNTY IN AUTOMOBILES

LYONS, Neb., Oct. 5.—(Special.)—The equal suffrage automobile tour of Burt county Saturday was a great success. More than 1,000 people turned out to hear the speakers at Lyons, Oakland, Craig, Tekamah and Decatur. Mrs. Will S. Jay of Lincoln and the Rev. C. W. Ray, Methodist minister of this place, were the principal speakers, each making five speeches during the day. Other speakers were W. Stewart of Craig, E. C. Enyart,

German Official Statement Tells of Capture of Outer Forts at Antwerp

BERLIN, Oct. 5.—(By Wireless to Saxville.)—An official report from the German army headquarters says that in the siege of Antwerp the forts of Lieze, Wassehem and Koningshoek and the intermediate redoubts with thirty guns have been taken. "Thus a breach has been made in the outer circle of forts," the report adds, "rendering an attack on the inner circle of forts and the town itself possible."

Near Augustowo the Third Siberian and parts of the Twenty-second Russian army corps, composing the left wing of the Russian army, on crossing the Sienon river were defeated after a furious battle lasting two days. More than 2,000 wounded Russians were made prisoners and a large quantity of guns and machine guns were captured.

CLAYTON REPORT AGREED TO

Senate Rejects Motion to Recommit the Bill.

TRUST PROGRAM COMPLETED

Measure Forbids Price Discrimination, Limits Interlocking Directorates and Bars Holding Companies.

WASHINGTON, Oct. 5.—The administration anti-trust program was completed in the senate late today when the conference report on the Clayton anti-trust bill was agreed to by a vote of 35 to 14. The senate voted today a motion by Senator Reed of Missouri to recommit the bill to conference.

Senator Reed's motion contemplated the reinstatement of criminal penalties for violations of sections specifying methods of competition declared unlawful. The conference report will now go to the house, where its adoption, with brief debate, is expected.

Three democrats voted against the report, Senator Lane, Martine and Reed. Six democrats voted for the Reed motion to recommit. They were Senators Lane, Martine, Reed, Thomas, Cardaman and Williams.

Senator Root was the only republican who voted against the motion. Senator Poindeexter, progressive, voted against both the Reed motion and the motion to agree.

As finally agreed to, the bill forbids price discrimination, limits interlocking directorates and prohibits holding companies where the effect is to "destroy or substantially lessen competition."

The bill also declares that "the labor of a human being is not a commodity or an article of commerce," and exempts labor and farmers' organizations from the operation of the Sherman anti-trust law. It revises the law regulating contempt of court and the use of injunctions in labor disputes, making reforms long demanded by organized labor.

LINCOLN BEACHEY THROWS THRILLS INTO SPECTATORS

(Continued from Page One.) afternoon at 1:30 and 4:30 o'clock, and at 11:30 a. m. and 2 p. m. on Wednesday. At his second appearance each day, he stages his engagement between an aeroplane and a battleship, and drops bombs onto the latter from a dizzy height. The bombs are simply paper bags containing flour, and Beachey breaks a hole in the paper as he hurls them, so that the "captive" flour looks like the smoke from a fuse as the missile drops onto the ship. In spite of the wind yesterday and the height from which he worked, he placed his first bomb within a few feet of the miniature warship, showing the effectiveness of aircraft in destructive work.

Senate Democrats Call Caucus on New Revenue Measure

WASHINGTON, Oct. 5.—Caucus action to expedite the passage of the war revenue bill through the senate was practically agreed on today by democratic leaders after democratic of the finance committee had completed their revision of the measure as it passed the house.

Perfecting the stamp tax features, the committee determined to eliminate the proposed tax on casualty insurance, life insurance taxes having been stricken from the bill Saturday.

As completed, the measure provides for the tax of \$1.50 per barrel on beer, 9 cents per gallon on sweet wine, 5 cents on dry wines, 1 cent a gallon on gasoline, 60 cents per horsepower on automobile sales, \$3 per \$1,000 on bank capital, and surplus, the special taxes on brokers, tobacco manufacturers and dealers, and the old Spanish war stamp taxes. Some administration amendments have been made.

"It is deemed desirable to have a democratic caucus on the measure," said Senator Simmons, chairman of the committee. "Not that there is any particular issue, but caucus approval of the bill will cut down amendments and expedite the consideration of the bill."

SOMEONE MAY GET 'PINCHED'

Lincoln Highway Association After Those Who Violate Copyrights.

COMMERCIALIZING THE SIGN

Ambitious Trademark Seek to Direct Business to Their Doors by Marking Fake Roads Through Country.

Someone is going to get "pinched," if the copyright is further violated, name, device and markers of the Lincoln Highway association, for A. R. Fardington has just written a letter to National Consul H. E. Fredrickson calling attention to the fact that besides a federal copyright the Highway association has now protected its name, device and markers by registry in the state of Nebraska, and that prosecutions can be brought both under the federal copyright laws and the state laws of Nebraska.

"You have in your files, said the letter, 'cases that could be prosecuted now, but I believe that proper publicity will make it unnecessary to prosecute unless there are further violations.'"

When the red, white and blue pole markers were decided upon many who wanted the Lincoln highway and could not have it, began to paint poles with the official colors anyway. This is one of the violations against which complaint is made. Some garages, anxious to do repair work and sell gasoline to trans-

continental tourists, pointed the sign on their doors. By a ruling immediately made on this matter, only those garages fronting on the Lincoln highway are permitted to do this.

Notes made by Mr. Williams in a French dictionary for a sermon on the horrors of war fell into the hands of the Germans, when he was arrested. A German lieutenant thought they constituted code messages because of the abbreviated form in which they had been put down. Mr. Williams was arrested at the Metropole hotel in Brussels, and taken to the German military headquarters. He was held along with thirty other prisoners, mostly Belgians, and put through a very drastic examination. He was not permitted to communicate with Brand Whitlock, the American minister in Brussels. Finally he persuaded a German student that he was not a spy and he managed to get a letter to Mr. Whitlock, who brought about his release.

Member of Army. He is a member of the aerial reserve of the United States army, and says he is ready to fly for the government as a result, if the country ever goes to war.

His observations of military work by aeroplanes led him to believe that such work is an important factor in modern warfare, although so far mostly limited to reconnoitering and bomb throwing.

According to Beachey, the aeroplanes of the allies should have no trouble in destroying the German Zeppelins by dropping bombs onto them. He says the planes are much easier handled than dirigible aircraft, and, therefore, more valuable in warfare.

George Yaezer, Omaha flyer, is acquainted with the famous daredevil, as both have flown at the same aerial meets in past years.

Before his flight Beachey was the guest of Randall K. Brown and other Ak-Sar-Ben governors for luncheon at the Country club.

Suit for Big Sum Filed by Heirs of Man Dead 75 Years

NEW YORK, Oct. 5.—As administrators of the estate of John H. Beach, who died more than seventy-five years ago, Edyth I. Magee has filed suit in the supreme court against Calvin B. Beach, Elizabeth Ten Eyck Beach and Emily Beach Condon, trustees of the estate of E. Kellogg Beach, who died in Chicago in 1897. The suit is for \$600,000 and interest for more than twenty-four years.

Bringing the total amount sought up to more than \$1,500,000, less certain credits. The suit was transferred here today from Cayuga county, New York.

It is charged that E. Kellogg Beach appropriated amounts of \$400,000 and \$400,000, realized on the sale in 1890 of two parcels of real estate in Cook county, Illinois, which had been conveyed to him in trust, although nominally conveyed to him as the youngest son of John H. Beach. No accounting has ever been made, the suit alleges, by E. Kellogg Beach or his heirs.

Boston Minister Arrested as Spy by Germans Released

LONDON, Oct. 5.—(Special.)—Rev. Albert A. Williams of Boston has reached London after arrest and imprisonment in Brussels, at the hands of the Germans on charges of being an English spy and with trying to buy information concerning the movement of German troops.

To Darken Hair Apply Sage Tea

A few applications of Sage Tea and Sulphur brings back its vigor, color, gloss and thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol, added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is falling, gray or dry, scraggly and thin. Mix the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur, you can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.
