Toledo Firm Will Fulfill Contract to Buy City Bonds.

LOCAL COUNCILMEN GRATIFIED

Order of Police Authorities to Clear Town of Loafers and Saloon Hangers-on Does Not Bid Places of Unrest.

In order to expedite public improvement work, the city council held a meeting last night to attend to some business left over from last week. City Clerk Wheeler announced he had received notice from Spitzer-Horick of Toledo, O., that they would take up the rest of last year's bond issue, aggregating some \$100,000.

For some time the city officials and the public improvement men have been nervous because of the money stringency, and while Spitzer-Horick had contracted for the whole bond issue of \$250,000, it was feared the financial conditions would affect the delivery of money from the bonds. The news given by Wheeler was highly satisfactory.

Charles Corrigan Held.

Investigation is said to have shown that Corrigan did not have the funds to meet the check in the bank. He paid \$10 down on the horse.

Rheumatism Advice
Here is a prescription for rheumatism used all over the U. S. for many years and said to be the surest known remedy: "One ounce of Toris compound and one ounce syrup Sarsaparilla. Put these two ingredients in half pint of whiskey. Use a tablespoonful before each meal and at bed time." Put the sarsaparilla in the whiskey and let stand for two hours before adding the Toris. So it is better to mix at home. Get ingredients at any drug store. Genuine Toris comes in sealed yellow packages put up by Globe Pharmaceutical, Dayton, Ohio.

Local Bankers May Send Money to Gold Pool Middle October

It will likely be the middle of October before the bankers of Omaha and South Omaha send their first quota of the money to the federal government for the preservation of American credit in Europe. This will be one-fourth of the \$50,000 asked for from Omaha. While the Clearing House association has decided to comply with the request of the Federal Reserve board in this matter, it still remains for the individual banks to take separate action on the matter of their respective quotas.
