

### FALLS CITY WOMEN FOR MOREHEAD

#### Neighbors of Congressional Candidate Among His Staunch Boosters

To the Voters of the First Congressional District of Nebraska: We, the following named women, have been neighbors of and personally acquainted with Ex-Governor John H. Morehead and his family for more than a third of a century. We know him as a successful business man engaged in many different lines of business, making every undertaking a success. No family in Richardson county is more admitted than the Morehead family.

Mr. Morehead has helped more deserving people than any other person in the county. He has always given to deserving enterprises, such as churches, Red Cross, Y. M. C. A. and Y. W. C. A. He stands for the highest things in morals and last hour reports circulated for campaign purposes should be disregarded, as they will be by the people of Richardson county who best know him.

The women voters of the First Congressional District need have no hesitancy in giving Mr. Morehead their whole-hearted support, as he is too loyal a citizen to vote contrary to his positive statement and the wishes of the majority of the people of Nebraska.

We who sign this statement are some of the earliest and most persistent workers in the W. C. T. U. cause and we appeal to the women voters of the district to give no heed to the cheap ward politicians, who forget their loyalty to their government and adopt methods to defeat a candidate.

Mr. Morehead's statement that he will be governed by the present liquor laws of Nebraska and will vote to strengthen the Volstead law rather than weaken it, will be adhered to by him. If the people are not satisfied with the present status of the liquor laws of Nebraska they can change the same by referendum vote, and that is the only method, if they make a change.

(Signed) MRS. A. E. HILL, MISS ANNIE E. HUTCHINGS, MRS. P. H. JESSEN, MRS. LAWRENCE WHEELER, MRS. FRANCES SHAFER, MRS. W. R. BOOSE, MRS. W. E. JENNE, MISS MARY HUTCHINGS, MRS. T. L. HIMMELRICH, MRS. L. C. PRICHARD, MRS. JENNIE S. EWALT.

Who the Signers Are Mrs. Hill is the widow of Major Hill, a Civil war veteran, and is active in Presbyterian church work. Mrs. Jennie is one of the pioneer W. C. T. U. workers. Miss Annie Hutchings is the city librarian, which position she has filled for a number of years. Miss Mary Hutchings is an active worker in the Episcopal church. Mrs. Jessen is an early settler and

the wife of a prominent banker. Mrs. Himmelrich is active in Episcopal church work. Mrs. Wheeler is active in church work.

Mrs. Prichard is a member of the W. C. T. U. and active in the M. E. church. Mrs. Shaffer is a church and W. C. T. U. worker.

Mrs. Ewalt is active in the W. C. T. U. and M. E. church. Mrs. Boose is a member of the board of education and a Presbyterian church worker.

**Morehead's Home Vote** Governor Morehead has always received a strong vote in his home county, his home city and his home ward, which is the most pronounced recommendation that can be given a candidate.

In 1920, at the time of the republican landslide, he carried Richardson county by 680 majority over his republican opponent for governor, while Harding carried the county by 1,821 for president on the republican ticket.

At the last primary election in the precinct where he formerly conducted a country store he received 95 votes to 11 for his opponent, while Richardson county gave him 1,034 votes to 283 for his opponent.

#### CLOSE OF CHICKEN SEASON

Tuesday is the last day of the one month's open season for the killing of prairie chickens and grouse. Secretary Leo Stuhr of the department of agriculture who is in charge of the enforcement of game laws, has called attention to the ten days limit for disposing of chickens and grouse that may be in store or in the family ice box. Ten days after October 31 are allowed for possession of these game birds. After that possession is unlawful and lays one liable to a fine of \$50 for each offense. It is unlawful to kill more than ten of these birds in one day or to have more than ten in one's possession at any time.

From Wednesday's Daily. Carl D. Ganz, the Alvo banker and attorney, was here today for a few hours looking after some matters of business.

Attorney C. H. Taylor was a visitor in this city today for a few hours looking after some matters of business at the court house.

Mrs. Edward Olive, a former resident of this county, and now living at Los Angeles, is enjoying a visit at Cedar Creek with her brother, Lew Myers and old time friends. Mrs. Olive is enroute to Boston where she expects to spend a short time.

William H. Stohlman, democratic candidate for county commissioner in the second district, is making his campaign in an earnest and thoughtful effort to give the taxpayers of the county the fullest value for their money expended in the conduct of the affairs of the county.

One of the features of the plan of Mr. Stohlman to give the people greater service for their expenditures, is that of having the county do all of its culvert and bridge work wherever possible and the trials of this plan made in various localities have proven that the stand taken four years ago by Mr. Stohlman is right in every way.

To show the forcefulness of the argument of Mr. Stohlman the taxpayers can look at the work in Salt Creek precinct. Here there was need for a large concrete culvert and the estimate made for its construction was \$1,400 and which sum seemed too large to Commissioner Gorder and he had the work contracted for by the county the men being hired and material bought and paid for by the county, and the result was that the culvert cost \$700 and thereby saved the county half of the expense it would have been to otherwise.

This is the policy that Mr. Stohlman advocates—seeing that every possible saving is made in public works and the result of which will be that a greater efficiency can be secured for the taxpayers.

Mr. Stohlman has been a resident of Cass county for fifty-nine years and has been a heavy taxpayer and knows the value of saving that can be made to the taxpayers and is making this his platform: "A full 100 cents value for every dollar expended," and the voters can depend that this policy will be strictly carried out if they vote for Mr. Stohlman at the election on November 7th, and if elected Mr. Stohlman will fill the office of commissioner with honor to himself and to every taxpayer in Cass county.

### REPORT OF THE CRIMES PUNISHED IN THIS COUNTY

#### Violation of Liquor Law the Main Offense, With Burglary Second According to Report.

The office of the attorney general of Nebraska has requested of the different counties a report as to the number of criminal cases filed in the four year period from 1919 to date and which shows from the figures compiled in the office of County Attorney Cole that the county has made an excellent showing as to the law abiding quality of its citizenship.

In the period named were 240 informations and complaints filed and of these there were 236 convictions, the fines and forfeitures amounting to \$17,429.50.

Of the crimes on which complaints were based the violation of the liquor law seems the most numerous there being 137 of these cases, but these seem on the decrease as they have dwindled from 74 in 1919 to 16 this year. The next crime that has any considerable showing is that of burglary, there being 19 complaints on this charge and on petty larceny 14, while for assault and battery there were seventeen complaints.

Among other crimes for which charges were filed there were the following: Auto stealing, four; carrying concealed weapons, nine; speeding, six; one culprit had the hardihood to commit bigamy; three were indicted for gambling; abandonment of wife and child, five; adultery, three; contributing to delinquency of minor, four; forgery, two; operating motor vehicles without license, five.

From this it can be seen that the county is not such a bad place as far as keeping the law is concerned or at least in cases that have come to the attention of the county authorities.

As a part of the evening entertainment a delightfully informal program was given and one of the most enjoyed features of which were the xylophone solos by Mr. Anton Bajcek, given in a very artistic manner and the accompaniment on the piano being played by Miss Minnie Klinger, one of the talented young musicians of the city. Miss Helen Perry, who has a remarkable dramatic talent, gave two very enjoyable readings, while Don C. York, one of the leading workers in the musical department of the church, gave two vocal numbers that were much enjoyed by everyone.

The address of welcome to the new pastor and his estimable wife was delivered by E. H. Wescott, who expressed for the congregation the feeling of pleasure at the selection of Rev. Pfoutz and to this address the pastor and Mrs. Pfoutz responded

very pleasingly and expressed their gladness at being assigned to the work of the church here and their desire to have the earnest co-operation of the membership of the church in making a success of the work in the new field.

### The Legislative Ticket

Senator Andrew F. Sturm has represented Otoe and Cass counties ably in the legislature. He is not a blusterer, a spell-binder, nor a "Big I" statesman. He is closely identified with business and agriculture in his district, has shown rare intelligence in handling legislation entrusted to his care and deserves re-election. Mr. Sturm is a firm believer in modern transportation and the road program of Nebraska will not be crippled if he is re-elected. The Press is proud to support a man of such high caliber ability as the Nehawka legislator. It knows, too, that its opinion is voiced by the thousands of men and women in the district who believe in quiet performance of duty rather than blustery and inane promises.—Nebraska City Daily Press.
