The Rev. John Cimpkins, who has been in the northwest returned home last Sunday evening and tells of a very remarkable experience in the tornado which last Saturday visited that section. To Celebrate Armistice Day

The Nehawka American Legion post has arranged to properly celebrate Armistice day, which comes on Saturday of this week. They have arranged a very pretty program that will be given as a pageant by the children of the Nehawka schools and later in the evening Attorney W. G.

Kieck, of Plattsmouth, who is a member of the Legion post there and an orator of no mean ability, will make an address on the things touching the interests of the American Legion boys. Refreshments have been arranged for, following the address of Mr. Kieck, and which will be one of the pleasing features of the occasion. The Legion members will appear in uniform at the evening ceremonies, and although the Nehawka post isn't the largest one in the country, its members are imbued with pep and a determination that counts for a lot in this old world.

During the forenoon Legion notables, including the national commander, are to have a prominent part in the laying of the corner stone of the new capitol building at Lincoln. It has been announced that this impressive ceremony will be broadcast by radio and all devotees of the wireless fad are urged to "tune in" and take in this program during the forenoon.

Nehawka School Notes

The Juniors are working up a short play for their next convocation period.

Miss Erma Graff, Miss Nuernberger and Miss Wright went to Lincoln for the week end.

In connection with the Eighth grade Civics the class has drawn some maps of Nebraska.

County tests are being given in the grades this week. The grade report cards will be given out on next Monday.

The Seniors had charge of the program for convocation Thursday. Music, speeches by the boys who represented themselves to be politicians and readings were given.

The First grade is learning a poem by Robert Louis Stevenson, "The Land of the Counterpane." The primary children had a Halloween party that they all enjoyed.

The Parent-Teachers' association will meet next Tuesday evening at the school house. The program is to be put on by the grades, during which time some of the classes will be taught as during the regular school hours. The patrons should not miss this program.

The pupils of the Fifth and Sixth grades had a popcorn ball treat on Halloween. Fortunes were told and they all enjoyed listening to the future of their classmates. Original Halloween stories were written and read for language on that day.

Mary Pollard invited the Sunny Side girls to her home on October 21st, the event being her eleventh birthday. The old witch received the guests at the door with her broom. After many games delicious refreshments were served and the guests departed wishing Mary many more happy birthdays.

A letter has been sent out to all patrons who have children bringing lunch to school, stating the idea of a school lunch in the form of one hot dish to be served by the Home Economics girls. If enough patrons want this service it will be started.

It is believed that it should be valuable, especially for the smaller children, through the cold winter season.

The High school Halloween party was a great success. There were many unique and pretty costumes worn. The Freshmen present were then given a chance to make speeches and were also feasted on many delicious forms of food. Later in the evening all partook of elder, apples and pumpkin pie. Everyone had a fine time and the party closed at ten thirty.

The Eighth grade Grammar class has organized a "Better Speech" club with Frank Pollard as president and Ruth Palmer as secretary. They appointed standing committees on "Posture," (both sitting and standing) "Grammar and Correct Use of Words" and "Pronunciation and Enunciation." These committees will report from time to time the progress in better speech noted.
