THANKSGIVING DAY ONE THAT WAS REAL TREAT

WEATHER IS LIKE SPRINGTIME AND ENJOYED BY HUNDREDS OF VISITORS

From Friday's Daily.

The Thanksgiving day of 1922 will be one long remembered by the residents of the city for its pleasantness and springlike weather that prevailed for the entire day. The condition of the weather was ideal for the many home gatherings that marked the day and was appreciated to the utmost by the citizens of the community.

As usual the day itself was given over to the family reunions and visits and the hospitality of the Plattsmouth homes enjoyed by many guests in keeping with the spirit of the day.

The union services of the churches of the city were held Wednesday night at 7:30 at the Christian church and a large congregation was present to enjoy the excellent service arranged by the churches of the city. The prayer offered by the Rev. H. G. McClusky of the Presbyterian church and the scripture lesson read by Rev. W. S. Leate of the St. Luke's Episcopal church.

The sermon was given by Rev. F. E. Ploutz, pastor of the Methodist church, who took as his subject the parable of the prodigal son and his wanderings and return to the home. The service was very much enjoyed and brought forth many worthy lessons for the benefit of the congregation.

During the services several of the Thanksgiving hymns were sung and much enjoyed.

The collection of the meeting will be devoted to the Union college fund that is being raised by the Protestant churches for the foundation of a Christian college at Constantinople and which John D. Rockefeller has offered to endow with a sum equal to that raised by the churches of the nation to get the institution launched.

Yesterday there were Thanksgiving services at the St. Paul's Evangelical church and at St. Luke's church.

ELMWOOD GETS TWENTY-FOUR HOUR SERVICE NOW

On Sunday evening about 4 o'clock the electric current from Omaha was turned on the lines at Elmwood. A number who were not aware of the fact and getting up in the night by force of habit turned on the light and were surprised.

The women folk had it for their washing machines Monday morning and others who had motors for other purposes were able to use them and found it to be satisfactory in every way.

The people have not come to a full appreciation of the 24-hour service yet. It will mean a lot to the community in many ways. Light and power at any time for those who want to use it. Many uses can and will be made of it. In the summer time fans can be installed where they are needed, and there are many places where small motors can be used.

Surely the coming of the 24-hour service ought to be appreciated to the fullest extent for it is a mighty convenient and essential thing to any town in these modern times and it should be gratefully welcomed by all.

—Leader-Echo.

RECEIVES SAD NEWS

From Friday's Daily.

Andy Thomsen, well known resident of Cedar Creek this morning received the sad news of the death of his father, at Red Cloud, Nebraska, which occurred last night at 11:30 at the family home.

Mr. Thomsen will probably leave this afternoon for the west to attend the funeral services. Mr. and Mrs. W. H. Seybert and daughter, Miss Hester and Mrs. George Skyles and son, George, Jr., and Mrs. Major I. Hall all motored out to Cedar Creek today to aid the Thomsen family in their bereavement.

GOES TO GIBSON

From Friday's Daily.

This morning Fred J. Warren, who has been employed in the local offices of the Burlington supply department, departed for Gibson where he enters on the duty of stockman for the company. Mr. Warren will remain at Gibson for several months and with his long experience in this line of work will make a valuable man for the position.

MARRIED AT COURT HOUSE

County Judge Beeson was called upon late Wednesday afternoon to join in the bonds of wedlock Mr. Chester Proctor and Miss Gertrude Miller, both of Neligh, Nebraska.

The marriage ceremony was witnessed by Attorney A. L. Tidd and Mrs. Lillian White, deputy in the office of the judge.

COLD BRINGS THEM IN

The cold nights are beginning to bring in many wanderers at night to seek shelter at the city jail and each evening the police force round up a considerable number of floaters who have no shelter and whom it is considered best to keep track of during their stay in the city and accordingly they are given the hospitality and shelter of the jail for the night and in the morning sent on their way toward warmer climes where they desire to winter. Among the men who have been picked up are quite a number of negroes who are factually informed that this city is not abounding in hospitality for the colored brethren.

BARGAIN WEDNESDAY COMING A WEEK EARLIER

Merchants Follow Custom of Last Year of Advancing December Sale Day One Week.

The nineteenth Bargain Wednesday, the community sales day, will be held one week earlier than the coming monthly occurring on December 13th, in order to clear the way for the glad Christmas season. This is in line with the precedent set last year of holding the December sales event on the second instead of the usual third Wednesday of the month.

The Plattsmouth stores are placing on the shelves for this Bargain day many of the choicest lines of winter staples that will be found a real buying opportunity for the residents of Cass and adjoining counties and for those who are looking for a practical Christmas present they may find them loading the stores of Plattsmouth during this sale festival.

The monthly sales day has grown in popularity each month since it was first held by the Plattsmouth Ad club and the merchants of the city and that it has the real merit is shown in the increasing numbers coming from a distance to do their trading here. Once the shopper visits the Plattsmouth stores they rarely see the reason for the growing interest in the sales days in the wonderful array of the best goods on the market at the best prices made possible through a community movement of this kind.

SHIP SUBSIDY BILL PASSES THE HOUSE

Harding Able to Force Pet Measure Thru Lower House—May be Different in Senate.

Washington, Nov. 29.—The ship subsidy bill which passed the house today, won by a vote of 208 to 184, after a week of stormy debate.

The measure now goes to the senate, where it will encounter the strong opposition of democrats and republican insurgents, making its passage before the end of congress doubtful.

Sixty-nine republicans, however, bolted the president's leadership and voted against the bill.

Four democrats deserted their party and voted for it.

In forcing the measure thru the house after a fight that made the measure a no-holds-barred fight, the president achieved what no other executive has ever been able to accomplish. At least two other presidents have advocated subsidies, but heretofore neither branch of congress was willing to pass such a measure. The final vote was one of Mr. Harding's greatest victories, because it was only at his continued insistence that the measure was brought on the floor.

House democrats had attacked the measure from every conceivable angle and had the support of some republican insurgents.

The bill provides for direct aid from the treasury to the extent of about \$20,000,000 a year with various forms of indirect subsidy.

A week ago yesterday the president appeared before congress and devoted an entire message to the advocacy of the subsidy.

UNIVERSITY FANS TAKE BIG VICTORY QUIETLY

Lincoln, Nov. 30.—University of Nebraska students took their victory over Notre Dame very quietly tonight. A mammoth parade down the main streets was staged immediately following the game. Tonight everything was quiet and serene.

Rumors were about during the day that in event of victory Cornhusker enthusiasts planned to make a large bonfire out of the bleachers on Nebraska field which will be taken down next week to make way for the new stadium. A guard was thrown about the field inasmuch as it is planned to save the material for construction purposes.

Your ad will carry punch if you write it as a plain "selling talk" instead of trying to fuss it up with frills and exaggerations.

MEETING OF STOCKHOLDERS WEDNESDAY

Livingston Loan and Building Association Votes to Make a Transfer of Stock.

The meeting of the stockholders of the Livingston Loan and Building Association at the court house Wednesday evening was very largely attended and the meeting took action for the best interests of the stockholders in the association and to provide a great safe and sound institution.

The meeting voted to allow their association to be turned over to the Plattsmouth Loan and Building Association and their action was such that should result in a much better solution of the troubles of the Livingston association than any proposed before.

The change will not, however, do away with the necessity of clearing up the financial difficulties that have been felt by the Livingston Loan and Building Association as the result of shortages in the office of the secretary and the stockholders will have to stand their loss as members of the old association before their stock is transferred, but the change will be one that will lessen the amount that each member will have to lose as the greatly increased volume of business that will be handled by the Plattsmouth association will undoubtedly be able to pay the Livingston stockholders some loss as it is thought it will probably be able to increase the earnings and make a greater profit for everyone and at one half of the present expense of the two associations.

The Plattsmouth Loan and Building Association at their last report had resources of \$408,132.18 and are in the best of shape and with the business that comes from the Livingston association should make one of the largest and strongest building and loan associations in the state and one that will return a handsome investment for the stockholders.

Other prize winners of the happy gathering were Miss Olive Quinn, Mesdames Edna Marshall Eaton, Nora Egenberger, Waldemar Soemnickson and Mrs. Sherman Taylor, Jr., of Wymore.

During the musical program of the evening Mrs. Eaton gave a few of her delightful vocal numbers.

At an appropriate hour dainty and delicious refreshments were served by the hostesses which served to add to the pleasure of the occasion.

The invited guests were: Mesdames Christine Coughlin, Edna Eaton, Bruce Rosenkrans, R. P. Westover, Muri Lanning, Eagle, Neb.; Sherman Taylor, Jr., Wymore, Neb.; Roy Egenberger, Mary Egenberger, Olive Quinn, Florence White, Omaha; Morris Fitzgerald, Bayard, Nebraska; Margaret Scott, Zora Smith, Mathilde Soemnickson, Jessie Robertson, Helen Hunter, Mary Clark, Madeline Minor.

NEBRASKA CITY YOUNG MEN GET IN TROUBLE HERE

Lester Sears and William C. Chison, Claiming Otoe County Seat as Home, Face His Honor.

From Friday's Daily.

Last evening two young men giving the names of Lester Sears and William C. Chison, were apprehended at the outskirts of the city by William Grebe, state deputy, and Alvin Jones, and a search of their car revealed the fact that they had a small quantity of contraband liquor on board and the Thanksgiving celebration planned was nipped in the bud and the Ford car and its occupants brought on down to the county jail where they were kept until the hearing this morning.

Complaint was filed by County Attorney A. G. Cole against Sears for transportation of booze and Chison for possession and each of the party drew \$100 and costs from Judge Beeson for their fracture of the law.

The men stated they were from Nebraska City and were returning from Omaha when stopped by the deputy sheriff.

ENTERTAINS AT DINNER

From Friday's Daily.

Yesterday the home of Mr. and Mrs. T. L. Short was the scene of a very pleasant Thanksgiving dinner. Mr. and Mrs. Ed Stoner, Mrs. Florence DeLoof and Paul Grassman of Omaha being entertained by Mr. and Mrs. Short and Mr. and Mrs. Hillard Grassman. The event was one of much pleasure and brought all of the family together for the day in a delightful reunion.

ADDITION TO FAMILY

Street Commissioner J. N. Elliott and wife are rejoicing over the Thanksgiving season over the arrival of a fine new granddaughter, who was born on Wednesday to Mr. and Mrs. Alfred Dooley, formerly of this city, but who are now living in Omaha. The many friends of the family here will join in well wishes for the future of the little lady. Mrs. Dooley is well known here, having been formerly Miss Velma Elliott.

SUPPER IS A SUCCESS

From Friday's Daily.

The chicken pie supper given by the ladies of the Christian church at Odd Fellows hall proved one of the very pleasant events of the season. There was a very large crowd and the ladies served a most appetizing repast that was enjoyed to the utmost. The delicious coffee for the occasion was donated by the Lorenz Bros' meat market and grocery store.

ENTERTAINS AT DINNER

From Friday's Daily.

Yesterday the home of Mr. and Mrs. George A. Dodge enjoyed a very pleasant home gathering at their home on South 6th street and the two children, Dr. Roy A. Dodge and Miss Violet of Omaha as well as Mr. and Mrs. J. B. Leitz of that city were guests. The day was a delightful hospitality of the day. The Dodge family had a very agreeable surprise as well when Mr. Jack Simms of Harrisburg, Pa., arrived to enjoy the day with them and this visitor from the old home was most heartily welcomed. Mr. Simms was passing through the city and was a decided stop and spend a few hours with his friends of many years standing.

A VERY PLEASANT THANKSGIVING PARTY

Miss Helen Egenberger and Mrs. L. W. Egenberger Entertain a Party of Young Ladies.

The pleasant home of Mr. and Mrs. L. W. Egenberger on Lower Main street was the scene of a very delightful gathering of young people on Wednesday evening when Miss Helen Egenberger and Mrs. L. W. Egenberger entertained at a Thanksgiving party, assisted by Mrs. L. B. Egenberger and Mrs. John Bauer, Sr.

The handsomely arranged rooms were tastefully decorated in the colors of the season and the tables were brightly lighted and covered in yellow that added a very pleasing touch to the scene.

During the evening there were several delightful musical numbers given by members of the party and a number of games enjoyed that proved the greatest of amusements. One of the pleasing diversions of the evening was the turkey contest in which Miss Jessie Robertson proved the most skillful in answering the questions and was awarded the prize.

Other prize winners of the happy gathering were Miss Olive Quinn, Mesdames Edna Marshall Eaton, Nora Egenberger, Waldemar Soemnickson and Mrs. Sherman Taylor, Jr., of Wymore.

WINDS DO DAMAGE

Omaha News Radio Service.

Omaha, Dec. 1.—High winds swept over the entire eastern portion of Nebraska Thursday morning, resulting in \$5,000 damages in Omaha alone and great inconvenience to motorists and pedestrians. On the highway between Omaha and Lincoln the high winds wrecked auto tops to shreds. Motorists found it extremely difficult to keep their cars on the road.

In down town Omaha wind of 28 mile per hour velocity blew out large plate glass windows in the Haines Drug Co. and Bowen. Furniture stores signs and chimneys were also blown down in many places.

At Sioux City, Iowa, wind reached 56 miles per hour velocity; at Cheyenne, Wyoming, 42 miles per hour, and at Des Moines the wind registered 52 miles per hour.

SAYS CAN'T STOP BOOTLEGGING.

Omaha News Radio Service.

Omaha, Dec. 1.—After nearly 100 arrests made from raids, seventy of whom resulted in convictions on charges of illegal possession of liquor in police court, Police Sergeant Frank Williams declared today that "there is no chance to stop bootlegging in Omaha."

United States District Attorney James C. Kinsler declared today he had received no word from Washington to confirm reports that all district attorneys will be called upon for more diligent prosecution of liquor law violators.

UNDERGOES AN OPERATION

Miss Elsie O'Brien was operated on for appendicitis at a Lincoln hospital last week and at last reports was getting along nicely and will likely be able to return home in a few days. Miss Elsie has been having more than her share of trouble, having been bereft of both of her parents recently, her father dying August 12, 1922, and her mother following him to the Great Beyond on November 19, 1922. Elsie is deserving of the tender sympathy of every person in this community.—Weeping Water Republican.

PASSING OF A POPULAR CASS CO. LADY LAST WEEK

Obituary of Mrs. L. W. Staton, Formerly Miss Mildred W. Dennis of Weeping Water.

Mildred Nellie Dennis was born in Weeping Water on April 6, 1886, and died at Lincoln on Wednesday, November 22, 1922.

On June 25, 1919, she was married to L. W. Staton and they have made their home in Weeping Water since, until a short time ago, when they moved to Lincoln.

Nellie, as everyone knew her, was loved by a large circle of friends. She was always cheery and glad to see you.

After graduating from our high school she went into the Republican office and was very efficient as reporter, bookkeeper and machine operator. During the war she won a place for herself in the hearts of the soldier boys and her friends. She wrote under the non des plume of "Zibby" the happiest, most clever stories to the boys in camp. Everybody read them with the keenest interest. When the war ended she dropped that feature of her work. Everybody missed them. Along that line she would have made a decided success if she had developed the talent she possessed to a marked degree.

Another place where she was greatly beloved was when she was principal of the Manassan Campfire girls. She organized the girls and did so much to develop the organization, entering into the spirit of what it stood for and led the girls up to the success they made.

She was an active worker in the Woodlawn Rebekah lodge, the Bide-A-Wee and Royal Neighbors. She was a member of the Christian Science church, where for years she acted as organist.

Her early death was pathetic—just when she was stepping out into life. The baby boy she leaves needed her tender love and care, and the home without her presence is broken up.

She leaves her husband, father, mother, three sisters and three brothers only pleasant memories of a life that was so closely intertwined in their hearts and lives.

A profusion of beautiful flowers were sent by friends, showing in a tender way the love they bore for her.

The funeral services were held at the home of her parents on Friday afternoon and were conducted by T. L. Davis. The body was laid to rest in Oakwood cemetery.

"We now see through a glass darkly" but some time will understand why these great sorrows come.—Weeping Water Republican.

ENJOY FINE TIME

From Friday's Daily.

Yesterday the home of Mr. and Mrs. L. G. Larson was the scene of a very pleasant home gathering when a number of the children gathered to celebrate Thanksgiving day with the parents and to enjoy the fine dining prepared for the occasion. Mr. and Mrs. E. W. Franzen, of Omaha, Mr. and Mrs. Frank Barkus and little daughter of Bellevue, Ralph Larson and wife of Louisville, and Mr. and Mrs. Fred Skidboham and Raymond Larson of this city being present at the dinner.

INCREASED PRODUCTION REPORTED IN INDUSTRY

Reserve Board Sees General Improvement in American Business—More Labor Employed.

Washington, Nov. 30.—Virtually all basic industries in the United States are showing increased production activity, according to the Federal Reserve board which, in a review of business and trade conditions made public today, reported a generally improved situation in the American business world.

The improved conditions, according to the review, are reflected first in a greatly increased employment of labor in industrial establishments and, second, in an unprecedented demand for freight cars. Reports showed that on November 1 the greatest shortage of freight cars ever developed was recorded, while immediately before and after that date the car loadings were maintained almost at the maximum.

Mill consumption of textiles was heavy, the review stated, and added that the mill requirements of cotton continued on an increase which late in October and early in November reached the heaviest in the last two years. Silk and woolen mills, the review disclosed, were near capacity operation in the face of a virtually unchanged wholesale market and seasonal declines in some lines of dry goods.

The increased production, the industry summarized, has been accompanied by a continued increase in the volume of employment in industrial establishments. The average pay per worker also was larger, but this was due in many cases to increased hours of labor. Railroad repair shops and equipment factories made the largest additions to their forces, and shortage of skilled labor was reported in steel mills and metal mines and by building contractors.

Despite the increased business activity, the board noted no increase in loans and discounts by banks in the leading cities which are members of the federal reserve system. In fact, according to the review, loans and discounts by banks reporting showed a small decrease between October 18 and November 15. There were, however, small increases in loans recorded in the southern and western districts and in New England, but these increases were more than offset by reductions in loans in the other sections, particularly in New York and Chicago.

The 16,000 fans who were fortunate enough to secure admission, were treated to one of the most brilliant and sensational games recorded in the annals of Cornhusker football. The huge crowd saw the Nebraska Hemen hurl back the renowned Notre Dame ground-gaining machine for losses and cheered. It saw the Nebraska juggernaut crush the Irish forward wall as so much paper and drive to a touchdown by terrific, catapult-like plunges which carried all before it—and howled with delight.

As the climax it saw Hartley shoot a forward pass to Dave Noble and the big Nebraska back bowl over and sidestep tackles in a thirty-eight yard run across the Notre Dame goal—and reared its approval.

The Nebraska team was a fighting eleven. With a "Beat Notre Dame" chant dining in its ear, the Husker eleven immediately set to work, retrieving the defeat sustained at Syracuse early this month.
