from Tuesday's Dally

The report of Fire Chief Dr. O. st evening was very complete and etniled the number of fires in the ast year as well as a full inventory portant part of the city government 921, and ending December 1, 1922 here were nine fires, no deaths and no injuries from the fires. The value f the buildings affected were \$23, ed; the damage to buildings, \$6. amount of insurance carried on uildings, \$8,200; amount of insurlalue of personal property affected

y fire, \$10,850; amount of damage o personal property, \$2,609.33; mount of insurance carried on peronal property, \$4,650; amount of inurance received on personal proprty, \$3,490.

The fire loss in Plattsmouth is

early one-half less than in 1921. The chief reports that in the past wo years twenty buildings have been ondemned and removed and that what the city needs is a strong ordiance covering the wiring of buildings that would reduce the insurance rate and also an ordinance for conplaces where it is deemed necessary.
