LIGHT VOTE IS CAST AT THE CITY ELECTION

MRS. W. A. ROBERTSON AND F. E. SCHLATER ELECTED TO BOARD OF EDUCATION.

From Wednesday's Daily.
The city election yesterday was one that did not lure out a great many of the voters as there were no contests to speak of and the result was that less than half of the vote was out.

The three-cornered race for members of the board of education proved the only contest of the day and resulted in the election of Mrs. William A. Robertson and Frank E. Schlater out of the three-sided field. The vote showed Mrs. Robertson taking the 1st ward with 383, Mr. Schlater 349, and E. H. Wescott 309.

In the first ward, Councilman Frank Bestor received 131 votes while the friends of E. C. Harris gave him eight votes for the position.

For councilman in the second ward there was more of a battle than in any of the wards as work by the friends of former Councilman Frank F. Buttery caused the writing in of his name on the ballot and he received 57 votes to 84 cast for Ex-Mayor John P. Sattler. Thirteen ballots on which the name of Buttery had been written but not voted for were thrown out by the board but this would not have affected the result of the election of Mr. Sattler. Councilman Ptacek had his name written in by four of the voters.

In the third ward Councilman R. W. Knorr was re-elected, receiving 93 votes while Frank B. Shopp had his name written in by 47 of the voters.

The fourth ward had a very light vote and T. B. Peterson was elected as councilman, receiving 55 votes against J. A. Edgerton.

In the fifth ward, James Henderson was elected, and makes a new figure in the municipal government as he received 45 votes against seven cast for William Kief, who had withdrawn from the race a few days before the election.

The newly elected councilmen will take over the reins of government at the last meeting in April and act as the legislative body of the city for the next year together with the hold over members.

The oldest one of the retiring councilmen will be James Ptacek of the second ward, who has occupied this position for several terms and who will in turn be succeeded by a veteran, John P. Sattler, who has served as councilman and mayor of the city for an aggregate period of twenty years, half of which time was as mayor. John A. Schulhof of the fourth ward has also served several terms in the council and will be replaced by a newcomer, T. B. Peterson.

WOMAN'S RELIEF CORPS

From Wednesday's Daily.
The Woman's Relief Corps met yesterday afternoon at the hospitable home of Mrs. George A. Dodge on South Sixth street and who was assisted in entertaining for the occasion by Mrs. Henry J. Streight.

The rooms had as decorations the American flags and during the afternoon the ladies enjoyed the singing of the old war songs of the boys in blue and it was a matter of regret that only four of the old war veterans were able to be out and enjoy the occasion prepared in their honor. There were some thirty of the ladies in attendance and they felt that they had been most royally entertained by the hostesses on this occasion. Very delicious refreshments served to complete the afternoon of pleasure.

NEHAWKA MEN URGE OPENING OF A NEW HIGHWAY

Prominent Citizens of that City Here Before County Commissioners to Urge Needed Roadway.

From Wednesday's Daily.
Yesterday afternoon a delegation, composed of former Senator A. F. Sturm, Vincent Straub, Raymond Pollard, F. L. Nutzman, D. C. West and Frank F. Sheldon, came up from Nehawka to meet with the board of county commissioners relative to a road that it is desired to have opened up and fixed for travel in the territory a mile and a half west of the town of Nehawka.

In that locality there is only one road having a bridge over the Weeping Water creek and should anything occur to damage the bridge the travel for a number of miles around would be affected as this one road is the only place of crossing. It is desired by the farmers and townspeople as well to have a new road fixed up that would be handier for the travelers and would also assure two bridges over the Weeping Water leading to Nehawka instead of the one.

The delegation pointed out the situation to the commissioners, Messrs. Straub, Pollard and Nutzman being the chief spokesmen for the party and their showing greatly impressed the board.

With a condition existing that might cause a great inconvenience to travel in case the one bridge in the Nehawka vicinity was damaged, it would seem that they should have some relief and the new road and bridge arranged for as the road will require only a short distance and would prove very convenient to that section of the county.

ST. MARY'S GUILD HAS FINE MEETING

Mrs. Frank H. Dunbar, Assisted by Mrs. C. A. Rosencrans, Entertains Ladies Yesterday.

From Wednesday's Daily.
Yesterday afternoon the charming home of Mrs. Frank H. Dunbar was the scene of a very pleasant meeting of the St. Mary's Guild and Mrs. C. A. Rosencrans assisted in the entertaining of the day.

The meeting was one of the largest held this year from the point of attendance and interest and the ladies enjoyed to the utmost the hospitality afforded them by the hostesses of the afternoon.

During the afternoon an informal program of piano selections by Mrs. Robert Reed, one of the talented musicians of the city, and vocal numbers by Mrs. T. B. Peterson served to pass the time most delightfully.

The ladies had a great deal of important business to occupy their time at the session and one of the matters of interest was the fact that the handsome silk quilt which the ladies had at their shop at Christmas time had been purchased by Mrs. W. W. Coates of Kansas City, a former member of the church organization and the ladies have a request for another quilt to be prepared for the coming season.

At the close of the day the ladies served a very dainty and delicious luncheon that was very much appreciated by the members of the party and which completed a day of the greatest pleasure.

Mrs. W. H. Young of Fremont was an out of town guest at the meeting.

COMMUNITY SALES AT NEB. CITY TO BE DISCONTINUED

Retirement of Bryan & Hall from the community sale business is foreshadowed by announcement from the bustling members of the firm that Saturday's auction is the last to be held under their management.

Neal Bryan and his family will remove to southern California, and Lute Hall has decided not to manage the sale business alone. He has made no definite arrangements for the future, he says, except that he will not continue in his present work.

Bryan & Hall sales have been a drawing card for Nebraska City and it may be a long time before they are resumed by anyone else.—Nebraska City Press.

DECLAMATORY CONTEST

From Wednesday's Daily.
Last evening the declamatory contest of the high school was held at the high school auditorium and quite largely attended by the relatives of the contestants and the friends and patrons of the school.

In addition to the various numbers of the contestants there were a few musical selections to assist in the entertaining of the audience. Edith Capen gave a very enjoyable vocal number while Damian Flynn and Harriett Peacock gave one of their always delightful vocal duets and Edgar Wescott a drum solo that showed skill and finished work.

The contest was judged by Miss Hazel Zitzons of the Wesleyan university and was one that was closely contested as every number on the list of the young people was given in a most finished manner.

After all of the numbers had been heard the result was announced with the first prize in the humorous class going to Miss Clara Johnson who gave "A Social Pariah," the first prize in the dramatic class going to Miss Hazel Clugy who gave "Ole Mistis." In the extemporaneous class Norris Cummins was the winner. The gold medals given as a reward for the work were presented by Searl S. Davis to the young people.

The winners of this contest will represent the Plattsmouth schools at the district convention to be held in Omaha on April 13th.

JOHN WINS CIGARS

While the precinct assessors were meeting here last week, County Assessor William Kummell made the offer of a fine present of the best cigars to the first assessor who would turn in the first ten schedules for the year 1923, and yesterday afternoon he was called on his offer. Assessor John G. Wunderlich of Nehawka took a few minutes off from his other work and rounded up eleven of the taxpayers, had their schedules completed and yesterday afternoon they were in the hands of Mr. Kummell and it is now up to the county assessor to deliver the cigars to John as per the offer made at the assessor's meeting. Mr. Wunderlich has made one of the best assessors in the county both in promptness and accuracy and last year was the winner of a box of smokes of the county assessor on the same kind of a proposition.

W. A. Galloway, whose home was destroyed by fire early Sunday morning, is feeling very well pleased over the prompt manner in which the insurance on the home was adjusted. Mr. Galloway was insured in the Insurance Company of North America of which A. H. and R. M. Duxbury are the local representatives and forty-eight hours after the fire the loss was settled and the policy holder received a draft for \$2,509 in settlement in full for the loss at the fire. This is prompt work and very much appreciated by Mr. Galloway.
