A PRETTY HOME WEDDING AT NEHAWKA SUNDAY

Miss Christina Steffens United in Marriage to Mr. Albert Anderson—Go to Chicago.

One of the pretty weddings of the spring season occurred at the home of Mr. and Mrs. J. H. Steffens at Nehawka Sunday when Miss Christina Steffens, sister of Mr. J. H. Steffens, was united in marriage to Mr. Albert Anderson, one of the prominent young men of that locality.

The home was very prettily decorated in a color scheme of pink, white and green, pink flowers and the green foliage predominating in the decorations of the rooms.

The ceremony took place promptly at a o'clock in the evening, when the bride and groom, unattended, took their stations beneath a beautiful arch of green, which had been arranged with baskets of pink roses.

The marriage lines were read by the Rev. E. O. Johnson of the Methodist church, the double ring service being used and the golden wedding rings were carried by LaVern Steffens, a member of the bride, in a beautiful pink basket.

Following the marriage, which was witnessed by only the immediate relatives of the young people, the bridal couple departed by auto for Omaha and the shower of well wishes from the relatives, and from Omaha departed for Chicago.

Both of the contracting parties are members of prominent and well known families of Nehawka and vicinity and possess a large circle of friends there who are joining in the well wishes to this estimable couple.

The bride has been assisting in the mercantile establishment of her brother, J. H. Steffens, for a number of years and the groom has been engaged in farming. In the future the young people will reside in the residence of Charles Christwiser and the groom will be engaged with Mr. Steffens in the store.

Cooks the Food — Not the Cook

The flame of a Nesco Perfect Oil Cook Stove is right where you want it to be—close under the utensil. This clean blue flame spreads under the entire cooking surface of the utensil. This insures quick cooking.

You needn't poke up a big fire if you want some hot water—simply light one burner. When done, turn it out. No need to keep the kitchen hot all day.

There is no reason why you should be uncomfortable with an overheated kitchen. You won't be if you have a NESCO PERFECT OIL COOK STOVE
