HAVE PLEASANT SURPRISE

From Saturday's Daily

Last evening a very pleasant surprise was given to Mr. and Mrs. Harry W. Smith at their home on North Fifth street on the occasion of the twentieth wedding anniversary of the guests of honor.

The friends had gained access to the home and arranged beautiful decorations of cherry blossoms in a color scheme of pink and white that made the home one of the greatest beauty and it was not until the party arrived on the scene that Mr. Smith was aware of what was awaiting him, although the wife had been taken into the "conspiracy" in order that they might fully carry out their plans.

The evening was spent in games and cards, and in the card contests Mrs. R. W. Knorr and Will Krecklow were awarded the chief prizes, while the consolation prize was won by James Bulin. A real surprise was sprung on the party when the bride party, composed of Will Krecklow as the bride, Lawrence Sprecker as the groom and E. C. Harris as the minister entered the parlors to the tune of the wedding march and other settings of a regular wedding.

One of the pleasing features of the evening was the contest for the best description of the first month of wedded life and all the answers were so good that no prize was awarded. Those attending the pleasing event were Messrs and Mesdames F. M. Bestor, J. V. Hatt, W. K. Krecklow, J. F. Warga, Lawrence Sprecker, R. W. Knorr, James Bulin and J. F. Wolf.

Preventative Medicine

The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle. Weyrich & Hadraba.

A WORTHY CITIZEN CALLED BY DEATH

Martin L. Hursh, Long a Resident of Eagle, Passes Away at Ripe Age—Buried at Alvo.

Brief mention was made last week of the death of Martin L. Hursh, which occurred just previous to our going to press. Mr. Hursh was an old resident of Eagle and known and highly respected by a large number of our people. While he had been falling through most of the winter his final illness was brief—he was confined to his bed for only about a week. The funeral was held Saturday, a short service being held at the home and the remains taken to Alvo, where services were held in the Dunkard church and the remains laid to rest.

Martin Luther Hursh, oldest son of John and Catherine Hursh, was born in the town of Eagle, Nebraska, June 25, 1839, and died at his home in Eagle, Nebraska, April 19, 1923, aged 84 years, 2 months and 23 days. He grew to manhood in Franklin county and was united in marriage to Mary E. Angie, November 8, 1860.

To this union were born three sons and four daughters. His wife and two sons and two daughters preceded him in death many years. He moved from Pennsylvania to Platt county, Illinois, in 1871, and came to Nebraska in 1888, where he has since resided.

There are left to mourn his going two daughters, Mrs. Elvah Allen and Miss Edyth Hursh, and one son, David, all residing at Eagle; six grandchildren and eight great-grandchildren; four brothers and one sister.—Eagle Beacon.

MAKES RAPID HEADWAY

Kidney disease often advances so rapidly that many a person is firmly in its grasp before he is aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Plattsmouth citizen.

J. B. Partridge, Eighth and Locust streets, says: "I was bothered a great deal on account of the bad condition of my kidneys caused by hard work on the farm in my younger days. My kidneys acted freely at times causing me to get up a great deal during the night. At these times I was so bad I could hardly straighten. I had to walk with the aid of two canes. Not long after I commenced using Doan's Kidney Pills I was well and I have not needed to take them any more. My kidneys were strengthened and acted regularly. I give Doan's the credit for the healthy condition of my kidneys today. I got Doan's at Maury's drug store."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Partridge had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

YE SHADES OF RADIO

"Thirty years ago I lost the potato off the gallon can of kerosene and all the oil was wasted. It made me hot and I had two sixteen candle-power carbon electric lights put into my house, one in the kitchen and one in the dining room. They cost a dollar a month each. They hung by long cords so we could read by their fire-fly light. Look at the illumination in the modern home today. Do our children appreciate it? No, nor do we of the passing generation unless we pause to make comparisons."
