GUNPLAY IN MOVIES

The police commission in Victoria, B. C., (Canada) wants crime films suppressed, claiming that gunplay in the movies is largely responsible for crime waves among boys.
One thing about the writers of the old time melodramas and Nick Carters, they always have the villain come to trial and picture him so that the audience hates. It was against professional ethics to idealize any form of crookedness or even give it an element of alluring romance. NOTICE OF THE ANNUAL SCHOOL DISTRICT MEETING

The annual meeting of the legal voters of school district No. 102, of Cass county, Nebraska, will be held at the school house on Monday, the 11th day of June, 1923, at 8 o'clock p. m. for the purpose of transacting such business as may lawfully come before it and to vote \$15,000 for general school purposes, which is in excess of thirty-five mills on last completed assessed valuation of the district.

LIGHT BONDS CARRY AT WEeping WATER

Voters There Empower Issuance of \$15,000—Turn Down Proposal to Buy Outside Juice.

The special election to issue \$15,000 in bonds was held on Monday, May 21st, and with a very few voters taking part in this important question. The vote stood as follows:
"Shall the city be allowed to issue bonds," carried with 132 votes "yes" and 61 votes "no."
"Shall the city buy power of the O. & L. Ry. and L. Co.," lost with 75 votes "yes" and 119 votes "no."
It seems that the voters wanted to give the council their support and money to carry on the light system, but them seem to think that they should "figure a little" before they decide on just what system will be the best for all concerned.
One idea that prevailed that \$15,000 would be sufficient to install wiring system and connect up with outside "juice," but if the city wires, buys new engines, etc., it will take considerably more money and taxes to complete an up-to-date system.—Weeping Water Republican.

FRIENDSHIP

Friendship is the sweetest gift that mankind ever knew.
A friendship that will stand the test of hate, and still be true.
With a loyalty that helps you on and shows you how to go.
Is the grandest gift that God's dear love can on this world bestow.
A friendship that will sweep away the clouds from eyes so blind.
A friendship that will lift the cares and worries from your mind.
When you stand for Truth and Righteousness—not counting loss or gain.
Such friendship is a boon from God. A glimpse of Heaven's reign.
—D. Aurelia Hilton.

NOW REACHES 1,350 MILES

With letters still coming in on the Plattsmouth night radio program, the present long distance record is that of a listener at Edmonton, Alberta, Canada, approximately 1,350 miles from Omaha, although he had no walkaway, with reports from The Dalles, Oregon, Wenatchee, Washington and Yakima, Washington all running him a close race. It is possible some of the great distances may yet slip through the wire, before the closing of the contest and walk off with the \$5, but it is our guess it will go to the Edmonton listener.

MANLEY SCHOOLS CLOSE
Last week was the last of the school year for Manley and with the closing of the school year a very worthwhile program was given at the school and a great many interested crowd was in attendance.
The Manley schools have been well cared for during the past year, and all who have attended have made good progress in the matter of improvement.
Last Thursday the teachers, scholars and patrons of the school gathered for a general picnic, which was held in the Manley hall and which was celebrated by a picnic dinner.
The fine eats and warm congeniality of those present vied with each other for supremacy.
Cordiality and good feeling were the outstanding features and everyone enjoying the occasion to the utmost, affording as it did an opportunity for friends and neighbors to get together for a royal good time. The eats were furnished in generous quantities by the various cooks of the community and demonstrated beyond doubt the prowess of Manley housewives when it comes to culinary accomplishment.
When the people of Manley and vicinity get together for a good time, they have it, and the present instance

was certainly no exception to the rule.
