

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Make the Farming Pay!

Keen competition in farming, as well as in business, requires the best machinery, best thought and best practice.

The Advance Rumley machinery embodies all this. I am handling a full line of this. "The Last Word" in power farming machinery.

The Oil Pull tractor in four sizes. The two ton Rumley truck. The Advance Rumley Steamer in three sizes. Come in and see them.

ALL KINDS OF BELTING MATERIALS

The Grand Detour tractor plow in five sizes, from two-bottom to six-bottom plows.

In the thresher line, we also have separators of five different sizes.

ED. GUILSTORFF,
MURDOCK -- -- -- NEBRASKA

Miss Elsie Delekman has accepted a position in Ashland, where she will work for the coming summer.

Fred Stock and wife were visiting for the day in Ashland last Tuesday, making the trip in their auto.

Diller Utt, who is working at Havenlock, was a visitor at home for over Sunday, driving over in his auto.

Wm. Bourke shipped a mixed car of hogs and cattle to the Omaha markets last Thursday afternoon.

Emil Kuehn of Lincoln was a visitor in Murdock one day last week, looking after some business matters.

John Bornemeier has been delivering wheat for the past few days from his last year's crop which he has stored at home.

Henry Schlaphoff shelled and delivered his corn at the elevators in Murdock last week, the shelling being done by W. H. Rush.

Gust Newman of South Bend was a visitor in Murdock last Thursday, coming to look after some business matters for a short time.

The business which is coming to the garage of E. W. Thimgan is keeping that gentleman and his assistants working pretty steadily these days.

Miss Hilda Peters was a passenger to Lincoln one day last week, where she has accepted a position and will make her home there for the present.

W. H. Rush has been kept pretty busy of late as he shelled corn at H. G. Gakemeier's, W. A. Schutz's, Walter Thimgan's, Albert Zierot's, and Wm. Lau's.

Wm. Lau shelled and delivered corn to the Murdock elevators one day last week and enjoyed the good prices which this grain has been selling at.

E. W. Taylor, of Minneapolis, who was a university student and chum at school of O. J. Pothast, was a visitor with him for a short time one day last week.

You can insure your grain against the hazard of hail for 3 1/2% at the Farmers & Merchants Bank, Murdock, Nebraska.

A. J. Bauer, who has been assisting in the unloading of a number of cars of coal, strained his back so that he was compelled to take a lay off from his work for a time.

Edward Briggs, of Omaha, who has been working for Max Dusterhoff was a passenger to Omaha last Thursday, where he was looking after some business matters for a short time.

Harry V. McDonald was a visitor at Tecumseh for over Sunday where he went to visit his old time friends and attend Memorial services, he having formerly resided there.

A general picnic for the schools of Murdock was held last Saturday that was attended by the scholars, teachers and many of the patrons, all enjoying the occasion very much.

J. W. Reasner and wife of Ashland were visiting with former friends and relatives and looking after some business matters in Murdock on last

Thursday, driving over in their auto. Mrs. Eddie Craig and the children, who have been visiting for some time with relatives at their former home at Liberty, where they have enjoyed the time very nicely, returned home on Sunday.

Mrs. O. J. Pothast, who with their little daughter, Helen, have been visiting with relatives in Sioux City, Iowa, for some time past, returned home last Sunday, after having enjoyed a good time.

Did you see the windows of the Mercantile company since they were dressed last week? Take a peep at the effect and find out that this store carries a complete line of all goods needed in the home.

Mrs. Gale McDonald and children were visiting in Murdock during last week from their home at Hampton, and were guests at the home of Mr. and Mrs. H. V. McDonald, parents of Mr. Gale McDonald.

Miss Ida Wilkins, the county home agent met with the ladies of the Murdock sewing club last week and assisted them in getting a better understanding of their work in the making of children's clothes.

Henry A. Tool of the Bank of Murdock was looking after some business matters at Lincoln last Thursday and also attending the state convention of bankers of Nebraska, who are in session there this week.

L. B. Gortley is getting nearly done with the best results in putting in order of the home after moving. Herman R. Schmidt is assisting in the carpenter work incidental to the moving of the house and other buildings.

Lacey McDonald, Harry Gillespie and J. E. McHugh spent a couple of days at the Pawnee lodge near the Platte river west of South Bend, where they enjoyed a fishing party and also had an excellent outing as well.

Henry C. Backemeyer, living some five miles northwest of Murdock, shelled and delivered his last year's crop of corn last Friday and Saturday, the same being delivered to the Farmers Elevator and Grain company of Murdock.

Max Dusterhoff has just purchased through the agency of E. W. Thimgan a new Ford truck which he will use in his business, needing something to haul his tools and materials in. He will have it fixed up to suit his business.

A. D. Zaar is working under some difficulties at this time, having one of his feet not working just the best, while he mashed one of his thumbs while at work, but just the same he is keeping up the lick in farm work just the same.

Mrs. Wash Bullis, of Weeping Water, Mrs. James Strang of Neenah, Wisconsin, and Miss Rhena Towle, of Lincoln, were spending a few days at the home of Mr. and Mrs. J. E. McHugh last week, they all being sisters of Mrs. McHugh.

Maxon Mellinger of Murray, who is nephew of Mr. and Mrs. O. E. McDonald, was a visitor in Murdock from last Thursday until Sunday, when Mr. McDonald and family went to Murray for the day and were accompanied by Mr. Mellinger.

Farm Loans made at the rate of 5%. Option to pay at any time. If you desire a farm loan see O. J. Pothast at Farmers & Merchants Bank, Murdock, Nebraska.

Miss Martha Schmidt, of Hastings, who has been visiting for some time at the home of friends at Fort Dodge, Iowa, stopped on her return for a visit at the home of friends and relatives here. H. R. Schmidt and family and C. L. Miller and family.

Fred Naben, who lives northeast of Wabash was a visitor in Murdock last Thursday, looking after some business matters and while in town had the Journal man put his name on our subscription list and he will receive the paper in the future.

Grandma M. J. Crawford, while attempting to drive the chickens from the yard, slipped and fell, bruising her hips very badly and has been kept to her bed on that account since the accident. Fortunately it was that no bones were fractured at the time of the fall.

H. S. Tool, presiding elder of the Evangelical Association, located at Billings, Montana, has been visiting for a short time at the home of his twin brothers, Messrs. A. J. Tool and H. W. Tool and his step-mother, Mrs. E. Tool of Murdock and Mrs. McKinnon of Alvo and Mrs. Gorder of Weeping Water.

The state convention of the Evangelical association, which has just concluded its work at Hastings sent the Rev. Israel Lippitt, who has been at Murdock for some time, to Sutton, while the Rev. A. Staus has been assigned to work in Murdock. The Rev. Staus has been located in Stanton in the northern part of the state during the past year.

Just as a bear can be trained to climb a tree, so too has Bud Amweg trained his new Ford coupe to do the same thing. He had it out for a little drilling in that direction the other evening and on first attempt it did remarkably well. In fact it started up the tree all right, but slipped with no damage except a slightly scratched fender. He expects to have it trained by time the fair comes in the fall.

H. A. Guthmann, cashier of the Bank of Murdock, who underwent an operation some time since for the removal of a mastoid abscess from behind his left ear has since been troubled with one just behind the right ear, and one day last week went to the hospital again to have this one removed. His many friends are waiting with much concern the result of this second operation and trusting it may be with the best results.

Guthman is held in very high esteem by his host of friends, not alone here but elsewhere and all are desirous that he may soon be well again.

Have Some Nice Stock
Matthew and Victor Thimgan, besides being excellent carpenters and builders, have a fancy to something in the pure bred as well and have a warren filled with some excellent pure bred New Zealand hares, which are sure fine looking specimens of this genus. They have many who weigh a pound for every month of their age, up to and including eight months.

Everybody Happy Sure
The stork brought joy and sunshine to the home of Mr. and Mrs. James Mills last week when this inconspicuous bird left a little son to gladden the home of this excellent couple. The mother and the young gentleman are getting along very nicely and the father is doing as well as could be expected under the circumstances.

Solution of School Problem
Since the visit of the state fair marshal, C. E. Hartford, of Lincoln, and his positive declaration that the buildings which have been used for school purposes in Murdock are unsafe and cannot be used for this purpose again, a movement is on foot to provide a suitable building for the purpose. Gus Ruge, a member of the board of education has circulated a petition securing the necessary signatures for the calling of an election for the voting of bonds for the erection of a building and its equipment. The petition calls for the voting of \$35,000 on bonds not to bear in excess of 5 1/2% and not to run longer than thirty years. At this time the election has not been called, but it is expected that it will be in a short time.

Celebrate Passing of Birthday
Mr. and Mrs. Jess Landholm and Alex Landholm gave a very enjoyable birthday celebration to Mrs. John W. Krueger on last Sunday and in the afternoon all went including Mr. J. W. Krueger, to Lincoln, where they spent the time at Capitol Beach. The cake which was presented by Mr. Alex Landholm contained some 22 candles designating the age of the guest of honor.

Parents, Take Notice
Keep your children away from my pasture. I have stock there and a bull that is cross and I do not care to be responsible for injuries that may come to those who trespass there. Also damage has been done the property by trespassers tearing down the fences and otherwise. Keep out of the pasture.
ALBERT THEILE.

Kensington Meets Last Week
The members of the Royal Neighbors Kensington club met last Thursday at the home of Mr. and Mrs. C. E. Kupke, where they had a most

pleasant afternoon and were entertained by Mesdames C. E. Kupke and W. A. Schutz. A most pleasant time was had and cordiality and good feeling reigned supreme. The matters of business which were to be looked after at the meeting were first attended to and then the social side with its worthwhile program was enjoyed, followed by a most delightful luncheon which was served by the two genial hostesses, Mesdames C. E. Kupke and W. A. Schutz.

School Entertainment
The closing exercises and class play of the Murdock schools have attracted much attention and the class play of the Senior class was of such a character that the play had to be given two nights, the capacity of the hall being such that all who wanted to go could not find admittance at one time. The play was held on Thursday and Friday and large sized crowds were in attendance on both evenings.

With the closing of the schools here, the patrons are well pleased with the good work which has been done, although under not the best conditions as regards the matter of buildings in which to hold the school sessions.

Herman Schweppe has been very busy lately assisting Clarence Schaller in erecting a new chicken coop on the former's farm east of town. Herman is also busy selling medicine and says that if one bottle fails to cure all his, he will gladly bill the patient another at the same price.

IN SERIOUS CONDITION
Henry A. Guthmann, the Murdock banker, who was operated on at the Methodist hospital in Omaha on Thursday for the second time for a very severe mastoid abscess, is reported as being in the most serious condition and for the next few days it will be very hard to determine the outcome of the case. This is the second time that Mr. Guthmann has undergone an operation of this kind, the first being several weeks ago when he was affected with a mastoid on the left side of the head and this time the mastoid has formed on the right side.

EVER WATCHFUL!
A Little Care May Save Many Readers of The Journal Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharge not excessive or infrequent. It contains no "brick dust like" sediment.

Doan's Kidney Pills are especially for weak kidneys.

Let a Plattsmouth citizen tell you how they work.

E. M. Buttery, Tenth and Walnut streets, says: "A pain caught me through my hips so that I could hardly raise shovel of coal. There was at times a lameness across my loins. I had reason to believe that these troubles were caused from a disordered condition of the kidneys and hearing Doan's Kidney Pills spoken of, I got some. They gave me quick relief, which wearisome in speaking of the remedy in the most favorable terms."

Mr. Buttery gave the above statement June 11, 1906, and on May 12, 1920, he added: "My cure is a permanent one and I still think Doan's Kidney Pills are fine and I am glad to recommend them to others."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Buttery had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

AN INVITATION TO CAMP SHELDON THIS SUMMER

Boys of This Community Are Invited to Come and Enjoy an Outing Amid Best Surroundings

To the boys of Plattsmouth and vicinity:

As a member of the State Advisory committee of the Young Men's Christian association, I am in receipt of information regarding Camp Sheldon, at Columbus, Nebraska.

Camp Sheldon is owned and directed by the Nebraska State Y. M. C. A. Its purpose is to afford summer recreation for the boys of Nebraska and to build character through camping.

All normal boys between 12 and 18 years are eligible for enrollment. The cost is \$1 registration fee, plus \$10 to cover board, lodging and all privileges of the camp for the camp period. The camp is equipped for canoeing, hiking, fishing, swimming and all forms of athletics.

Camp Sheldon is ready to serve the boys of Plattsmouth and vicinity this summer, and I would be glad to advise with any boy or organization that desire to avail themselves of its privileges.

If enough desire to go to form a Plattsmouth camp, doubtless we can secure volunteer auto owners to convey them to and from the camp.

The following dates have already been assigned: June 4-11, Epworth League Institute; June 11-20, State Wide Boys' camp, ages 12 to 15; June 20-30, Omaha Boys' camp; July 1-4, one period; July 1-14, Boy Scout camp; Aug. 21-29, State H. Y. camp; Sept. 7-8, Employed officers' conference.

JAMES T. BEGLEY.

FROM OUT OF THE ETHER

Radio News Broadcasted each Saturday by Station ETAO.

How about that lightning arrestor? Don't wait too long.

Now that the golf course is nearing completion all the golfers should provide themselves with portable receiving sets so they can get the Sunday morning sermon and enjoy their favorite sport at the same time.

One of ETAO's esteemed "listeners-in" complained he couldn't get us so well on the new 6-point wave we tried out last week. Do we come in any better on this 10-point wave, Searl?

Station WQAW has been asked to measure up on their large radio map, the mileage of the Edmonton, Alberta, listener, together with that of several in Washington and Oregon, who seem to be running him a close race for the \$5 prize. As soon as this is certified, the \$5 will be forwarded and the winner in the local candy guessing contest announced.

The surprising thing about the Plattsmouth night program is the fact of its low price reception in the west Canadian, Washington and Oregon points 200 miles more distant than any in the east are very close in the contest. Usually, the reverse is true, as it should be, considering that the earlier numbers on this program traveled right into daylight in their western journey, while to the eastward they had all the advantage of the night. Pacific time, it was 7 p. m. when the program began, 9 at the time of signing off, none of which could be classed as nighttime. One Alberta listener writes the sun had not gone down when they heard the voice of WQAW. Which moves us to repeat that the western range of this program was truly phenomenal.

Too Long to Wait
She—You boob, why do you turn down the rheostats when it was announced Miss Ersplit would sing "Tomorrow."

He—You don't think I'm fool enuf to wait here all night, do you?

Don't Expect Too Much
There are numerous complaints among receiving set owners that they are not able to get stuff in nearly so good as last winter—which is very natural. Summer time is far from ideal radio time. One has but to go back to last summer to realize how improved conditions are compared with then. We recall an attempt to give a public concert broadcast from Omaha that resulted in failure. Now, after a successful winter all are satisfied if they can't tune in Fort Worth, Atlanta, Detroit, Los Angeles and a few other DX stations every night. Don't expect too much from your set.

A Radio Night
I was seated alone by my tube set, weary from loss of sleep. My fingers over the dials wandered. The stations were hard to keep. The constant whistle and howling, shrieked through my throbbing head, I tried to tune in till disgusted. I thought of my cozy bed.

But the lure of the game was upon me and an ardent Radiophan.

When you once get the bug, you can't shake it—

Try as hard as ever you can. So I staid with my set and I coaxed it, I'm a Radioknut—you guessed right. At last it worked fine and I listened While the Night Hawk Club signed off "Goodnight." —Grid Leak.

Glenwood to Broadcast
The third community broadcasting date goes to artists from Glenwood, Iowa, some time the middle of June. In granting their application, the Woodmen of the World advised them a varied program was essential and mailed a copy of the Plattsmouth ideal program as an example to go by in making up their own. All of which is highly gratifying to those connected in any way with the giving of the Plattsmouth concert.

The next Plattsmouth radio program will be given in July—the exact date to be announced in this department next week. The Plattsmouth band and a few soloists will furnish the entertainment this time.

Don't Come in Good Here Now
Station WOC at Davenport, one of the favorites among local radio fans, is not being heard here much any more, we learn from inquiry among receiving set owners. The early hour of their evening broadcast, 7 to 8 p. m., gives them a great disadvantage compared with those stations broadcasting after dark when radio waves travel much more efficiently. For this reason, and until we hear more favorably on their reception by local fans, we will discontinue for a while the publication of their regular weekly program, and give to our readers only exceptional features from time to time, including the Wednesday night late program from 10 to 11. The Saturday night dance program from 9:30 to 10:30 is dropped out here by WQAW's wave, so very few have opportunity of hearing it.

Since typing the above, we have received advice from WOC that beginning tomorrow they are going on summer schedule and will not have as many concerts as heretofore. The educational lectures will be given at 7, instead of 8, the orchestra program on Sunday night, from 8 to 10, instead of 7 to 9; all week night programs, except Wednesday, 8 to 9 and 10 to 11, and Saturday (dance music) 9:30 to 10:30 being curtailed. This arrangement for the summer months only and the regular schedule will be resumed again in September.

This coming Wednesday night, the Ward Trio of Sterling, Ill., will be on the 10 to 11 program.

Hard Coal!

I have a car of hard coal, just one, and all that will be gotten. Better get your supply now before it is gone. The coal is excellent in quality, and the price is right and delivery can be made now.

Tool-Nauman Lumber Co.
Murdock, Nebraska

ESSAYS ON MAKING THE HIGHWAYS SAFE

Prizes Announced by the Office of State Superintendent—Contest Proves a Big Success.

The winners of the state prizes in the second national essay contest on making the highways safe for travel, conducted by the department of Public Instruction under the authority of the National Highway Education Board, Washington, D. C., are as follows:

1st prize—Leona Buckley, Norfolk Junior High school, medal and \$15.

2nd prize—Emmett Galloway, Oakdale public school, medal and \$10.

3rd prizes—Arthur Grossman, Omaha, Long school, medal and \$5; Duane Martin, Kearney, Whittier school, medal and \$5; Ernest Bendekovic, Omaha, St. Wenceslaus school, medal and \$5; Dorothy Bancroft, Lincoln, Whittier school, medal and \$5; Marion Gretzinger, Scottsbluff Junior High school, medal and \$5.

Teacher's lesson—Miss Lyllis Wetmore, school address, McCook, Nebraska, home address, Shenandoah, Iowa.

The essay by Leona Buckley, who was awarded first prize, will be entered in the national competition and the safety lesson by Miss Lyllis Wetmore, teacher in the McCook schools, will be entered as the best lesson from Nebraska.

The Judges were R. J. Boyd, of the Department of Public Works, Lincoln, Nebraska; N. A. Bengston, professor of Geography, University of Nebraska, and Keayneth Forward, professor of English, University of Nebraska.

This activity has no doubt contributed immeasurably to the reduction in the percentage of automobile

fatalities and accidents. This campaign will be renewed next autumn.

Lumbago

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches." Weyrich & Hadraba.

DRAWS DOWN FINE

From Saturday's Daily. Last evening, Officer William Heinrich ran onto three stragglers from Omaha who were decidedly under the weather owing to an over accumulation of the drink that cheers as well as illuminates. They were taken to the city bastle where they were charged with being drunk. One of the men, John Ingersoll, put up a cash bond of \$13.50 to cover the fine and costs in a case of this kind. This morning Merle Brown and John Gallop were brought before Judge Weber and given a fine of \$10 and costs which Brown paid but Gallop is still galloping around at the city prison.

When your letterheads, envelopes, statements or other printed forms begin to run low, call us up. We will have more ready for you promptly.

Business is Good, Thank You!

The Landholm Garage is kept busy these days with the work which comes to us, and the reason is the best service, the best goods and the best work.

We carry Lee Tires and they are puncture proof. Better get your order in early.

We Are Furnishing 24-Hour Service!

The Landholm Garage
Murdock, Nebraska

Call Up "Charley!"

Don't lose your temper and abuse your wife and kids because the "Flivver" refuses to start. Put "Trunk-bolz Gasoline" in your tank and make a quick "Get away."

Our pure Pennsylvania Motor and Tractor oils are the cheapest because they wear longer.

Call Up "Charley"

Save Money on Tires!

SPRING TIME IS NOW HERE WITH ITS HARD WEAR ON TIRES

During the past few weeks the prices of tires have advanced some 15 per cent. Fabric and rubber are going up every day and the manufacturers promise another sharp advance in a short time.

Fortunately we have a large stock of first class guaranteed tires, including Goodyear, United States and Goodrich, which we will sell at the old prices. Buy now and save the difference.

SMALL MOTORS FOR POWER

I am carrying a quarter horse electric motor for driving your washing machine and similar other light work. Come and see me about your wants in this line.
