A Good Feeder
H. F. Gansmer had a two car shipment of cattle on the market at Omaha last Thursday. These cattle were young yearlings and weighed 1,100 pounds and sold for \$10.60 per hundred pounds, only four head of cattle selling that day at a higher figure. These cattle were extra good quality and showed a good job of feeding, and made a gain of 500 pounds.

Program at Murray
A program will be given by the Missionary society in the United Presbyterian church Saturday evening, June 30, 1923, at 8:30 o'clock. Admission 25 cents. Among the attractions will be a "Tom Thumb Wedding" with Bobby Long as the groom and Grace Louise Wiles as the bride. Musical readings by Helene Perry. A two part women's chorus will sing several numbers. The program in full will be given in next week's paper. Also before, during and after this program refreshments will be served. Mrs. Smith is chairman of this table. A market specializing in dressed chickens and cakes has Mrs. Herman Wolfarth as chairman. Anyone with a sweet tooth can have it satisfied at the candy table with Mrs. O. A. Davis as chairman. Don't forget the date, June 30, rain or shine.

Are Making Enjoyable Trip
Dr. O. E. Brendel of Zionsville, Ind., where he has been practicing medicine for a number of years has decided to locate in Los Angeles and accordingly shipped his goods to that place and with his auto a Hudson coach, came to Murray where they visited for a short time at the home of B. the shores of the Pacific ocean. They will make the trip by easy stages and will enjoy the occasion very much. Dr. J. W. Brendel and wife will spend some time in the west and will return to their home at Avoca to again take up the practice which he has there.

Will Care For the Lettering
Under the order requiring all the mail boxes on rural routes to be made white and uniform many have already conformed to the order and Carrier Kniss has agreed to place the name of the owner of the box in black letters one inch high. This will make the boxes all uniform and look fine. We think it a kindly act of Mr. Kniss' to thus agree to do this work.

Will Celebrate Golden Wedding
The Rev. J. B. Jackson and wife formerly were representatives of the Presbyterian church in Murray and from here went to Omaha where they make their home at this time will celebrate the fiftieth anniversary of their wedding which occurred on June 26, 1873, in Pennsylvania. They have many children who will be at the home in Omaha for the celebration. The many churches or rather members of churches where he has ministered are sending a greeting which is to arrive a few days before the event and which invitations are to be used as a portion of the decoration of the home for the occasion. Those wishing to know about this will see Mrs. Will Smith at the postoffice for address and other matters regarding the celebration of the anniversary.

A Few Homes Made Happy
The meadow lark, bobolink or canary are none of them in it when it comes to whistling or singing a merry song with Lloyd Lewis living northwest of town. This is on account of the arrival of a son known as Elijah Jedderson Lewis who greeted his parents Mr. and Mrs. Lloyd Lewis at the home of Grandpa E. M. Godwin last Sunday. Happy sure they are all happy and why not and we do not blame Lloyd for his whistling of merry tunes or singing like a nightingale. Go to it, Lloyd, we are glad the pleasure is yours.

Spend Day in Omaha
Last Sunday a number of the people of Murray and vicinity and Plattsmouth made up a party who enjoyed a visit in Omaha and its many beautiful parks. Among those there were Mr. and Mrs. Perry Nickles, E. J. Hill and wife, Miss Margaret Moore and Maxon Melling-er with a number of people from Plattsmouth.

A Move For Safety
There is some good work being done at the corner east of Murray known as the "Ran Minford Corner" in the widening out of the culvert and the cutting off of the corners that one may see the road before he turns. A few trees are yet in the way to it in a manner obscuring the vision. Now if the people driving will act with as much judgment this place which has been the scene of many accidents will not be fraught with so much harmful conditions. Right here it would not be out of order to say be sure all you auto drivers that your brakes are working and that all your lights are working according to schedule. There is enough danger as the world goes at this time from the things which the fellow does and so we cannot be too careful. Keep your eye on the road and your mind on the rules of the road.

A Real Achievement in Dollar-for-dollar Value

The thousands of Studebaker Light-Sixes in daily use are the best possible assurance of what may be expected next year—or several years hence—of the Light-Six you buy today.

For after all, the best way to judge a new motor car is by what it has done—how it has stood up in service—the satisfaction it has delivered.

We sincerely believe that the Light-Six Touring Car, with its improved all-steel body, is the sturdiest, handsomest, most comfortable, most dependable and economical low-priced car built.

The machining of all surfaces of the crankshaft and connecting rods, to which is largely due its practical absence of vibration, is a practice used by Studebaker exclusively on cars at this price and is found only on a few other

cars whose selling prices are from three to ten times as high as the Light-Six. The one-piece, rain-proof windshield with parking lights set in the base, is a joy to the driver—nothing to mar his view of the road ahead. Deep, fat cushions are upholstered in genuine leather. Curtains, bound on three sides by steel rods, open with the doors and provide closed car coziness in bad weather.

The most seasoned driver will find a new thrill in the smooth, quiet, steady performance of the Light-Six—and in its ease of handling, and in the way it performs in high gear at low speeds—eliminating constant gear shifting.

The name Studebaker has stood for high grade transportation, quality, value and integrity for 71 years.

Enjoyed Dinner Very Much
Oscar Nailor is a very busy man and many is the time when he has not time to enjoy his dinner and only gets his hunger appeased by snatching a bite between jobs. Last Sunday he had a fine dinner which was prepared by Mrs. Eleanor Lancaster and shared by the Lancaster family, Uncle B. A. Root and Howard Ryder of Nebraska City.

CELEBRATES BIRTHDAY
Mrs. George Park very pleasantly entertained at her home in Murray on Monday afternoon in honor of the seventy-seventh birthday of her mother, Mrs. Mary Wiley. The afternoon was spent in visiting until 5 o'clock when the hostess assisted by her daughter, Miss Mary, served very dainty refreshments, among which was a cake baked and sent by Mrs. Wiley's daughter, Mrs. Ed Hesser of Los Angeles, California. The cake was a beautiful creation and bore the word "Mother" and the dates 1846-1923 in pink and white frosting on the top of the cake. The color scheme of the occasion was in pink and white and was carried out in the decorations of the dining room.

Mrs. Wiley is one of the oldest residents of Nebraska coming here in the year 1860 and was married here in 1863 and moved to the home where she has resided ever since. At a late hour the guests departed wishing Mrs. Wiley many more such happy events and years of life. Those attending were: R. R. Nickles, Mrs. J. A. Walker, Mrs. Mira-McDonald, Mrs. W. F. Moore, Mrs. John Hendricks, Mrs. Melling-er, Mrs. Annabell Evans, Los Angeles; Mrs. Perry Nickles, Misses Bertha Nickles, Margie Walker, Margaret Moore, Margaret Melling-er. A number of others were prevented from attending by the rain storm in the morning.
