

SUPERINTENDENT AND SCHOOL SYSTEM HONORED

George E. De Wolf of This City, Superintendent of Schools, Ranks High as Educator.

The Plattsmouth public schools have ranked as among the best in the state and the patrons have felt in the last few years that they were fortunate in having at the head as able an executive as George E. De Wolf, the present superintendent and that Mr. DeWolf is an educator of repute and high standing was shown a few weeks ago.

The superintendent was among fifty prominent school men called upon by the board of education of Mt. Claire, New Jersey, a city of 30,000 people, as a prospective candidate for the position of superintendent of the public schools of that city. Mr. DeWolf has a teaching force of 250 teachers and is one of the most important educational centers in the towns near New York and the consideration given to the applicant for the superintendency was the most rigid.

In response to the request of the board of education Mr. DeWolf visited that city when the list had been eliminated down to six men and who were requested to make personal application. After going to Mt. Claire the list was narrowed to Mr. DeWolf and Frank G. Pickell, assistant superintendent of the Cleveland, Ohio, public schools and it was only due to the fact that Mr. Pickell had an experience of some seven years more than Mr. DeWolf that he was selected for the position.

This recognition of the ability of Mr. DeWolf should be a source of pride to this city and speaks well for our public schools that have at their head so able a leader in the educational work. Mr. DeWolf has been a student at Harvard in post graduate work and this summer is taking a special course at the great Columbia university in New York and the Plattsmouth schools will have the advantages of his experience and learning in the coming season.

Appreciating the splendid work of Mr. DeWolf that entitles him to the highest honors in the school work of the country, the Plattsmouth people will feel a rather selfish satisfaction in the fact that our genial and able superintendent is to remain here and the New Jersey city will be the loser in our good fortune.

NATIONAL ADJUTANT OF LEGION VISITS OMAHA

Lemuel H. Bolles, national adjutant of the American Legion, with headquarters in Indianapolis, spent two hours in Omaha yesterday with eight officers and members of the Douglas county post of the Legion. "The adjusted compensation bill is certain of passage by congress at the next session," he declared. "The Legion's poll shows that enough senators and representatives are determined to pass the measure to overcome a possible veto by President Harding."

REDAIL CLOTHING CLUB

The Redail Clothing club girls will meet July 13th at the home of Miss Louise Rummell at 9 o'clock a. m. All members are requested to attend.

EDITH TODD, President.

R. H. Christwiser and family have moved into the George Koberger home on high school hill and are now getting settled nicely.

See F. G. Egenberger for real estate and insurance. Office 7th and Vine street. Tel. 372. m9-tfd

George Small, the highway grade man, was here today for a short visit with County Commissioner Farley relative to road work.

GOLFERS ARE BUSY

The call of these fine summer mornings find the members of the Plattsmouth Golf club out bright and early and motoring out to the course at the Luke Wiles farm. The local followers of the game are becoming real enthusiasts and there is nothing that pleases them better than to arise early in the morning and hasten out for a round over the links before the breakfast hour, and this continued playing is developing some very good scores among those who were but a few weeks ago wholly unacquainted with the game.

The ladies, too, are becoming affected with the golf bug and a number have been out practicing and from the interest they are taking they will develop into as great a following of the sport as their husbands and brothers and so far they have showed some pleasing scores for the time that they have been interested in the game.

GRAND JURY WILL BE CALLED IF NECESSITY EXISTS

Sentiment of Commissioners is That Matter is Not For Their Judgment But a Public Need.

Whether or not a grand jury would be called in Cass county has among the residents of the county since the recent communication of District Judge James T. Begley to the board of county commissioners and the matter has been receiving the best consideration of the county board.

The proposition of calling the grand jury is not a function of the members of the board of county commissioners as this is a part of the duties of the district court, but they were consulted as to the matter of the expense of the body if it should be called to make investigations as to what might be properly brought before the jury for its consideration.

The general sentiment of the board has been that if the needs of justice can be best served by calling the jury the other questions would be of minor importance as the citizens are entitled to have justice given to them for any injuries that they may have suffered through violations of the law.

One of the matters considered was that of whether the cases that might be called before the grand jury would result in convictions that would warrant the convening of the body and the matter will up for the consideration of Judge Begley.

GUARD OFFICERS PLAN FOR AUGUST CAMP

Field and staff officers of the One Hundred and Thirty-fourth infantry, Nebraska National guard, conferred yesterday with Colonel Amos Thomas, regimental commander, to make final arrangements for the four days of camp training camp and fifteen day guard encampment next month. Adjutant General Paul, Captain John Crisay and Captain J. L. Meyer, regular army instructors, also attended the conference. Others present were Lieutenant Colonel R. G. Douglas of Lincoln; Major Clyde McCormick, Omaha; Major Earl Cline, Nebraska City; Major Lawrence E. Jones, Hastings; Captain Earle B. Smiley, Seward; Captain Virgil J. Haggart, Omaha; Captain W. G. Utterback, Nebraska City; Captain Thomas Q. Thornton, Omaha.

HAS ACCOUNT OF SUNDAY'S GAME

Afton Paper Says Both Teams Played Air-Tight Ball Excepting for Our Bobble in Ninth.

The Tigers have another victory to their credit, when they won over the fast Plattsmouth team, with a 1 to 0 score. It was one of the fastest and best games that we have played this season.

The credit for winning the game can be given to Barney Zahller, pitcher for the Tigers, for he was compelled to pull out of a bad hole on several occasions, which he did by superb pitching. But it was a ball game. Each team was playing all the time to win. The Tigers were pounding the Plattsmouth pitcher, but the excellent fielding saved the game for them. In the seventh inning they put "Cary, second basemen in the box, he changing places with Conner.

But Plattsmouth has a real ball team. This is the second time they have been defeated this season, and they have no reason to regret this defeat, for they played a real ball game. It wasn't anybody's game until the finish. A three base hit by Frank Zahller, followed by a single by H. Zahller brought in the score in the last half of the ninth. Two men already out when the play was made, and a score would not have been made had it not been for an error on the right fielder in dropping the ball—the only error made by their team.—After (Iowa) Star-Enterprise.

CASS CO. FARM BUREAU NOTES

The Girls Clothing club of Eagle held a meeting at the consolidated school building Monday, June 25, for the purpose of checking up on the finish up of this club. It was found that an exhibit had been held, several judging demonstrations given, team demonstration given and the five problems completed by most of the girls. The final reports had not been sent in and as the girls can not earn the certificates of service until the final reports are filed at the farm bureau office at Weeping Water every member was called and promised to send in all reports. From the reports which have come in this week it looks as if twelve or fifteen girls are going to earn their certificates.

The ladies of Alvo community met at the M. E. church Monday, June 25, and learned to make useful and interesting decorative stitches. The women plan to use these stitches on their summer and fall dresses. This club will take a vacation during July and August, but early in the fall expect to take up millinery.

The ladies of the Trilinger club, north of Nebraska, met at the home of Mrs. Marler June 26 and discussed the vegetable and fruit budget. A very interesting and profitable hour was spent filling out the food habits score cards. These women expect to check up on their food habits and fill out another card at the end of the month. There is an improvement in the cores? After the talk on value of fruits, vegetables, milk and greens in the diet there probably will be. We are all anxious to see the second score.

Wednesday June 27 the ladies of Lewiston community held an all day meeting. Dresses were fit and attractive finishes planned for same. The afternoon was spent making decorative stitches which were new to some of the women and took some hard work to master. The next meeting will be in July. Watch the papers for further notice.

Eight club girls and their leader, Mrs. Lorine Irish, met at the home of Mrs. Meisinger Thursday, June 28. Each girl brought two garments which had been made during the club year. The purpose of the meeting was to plan for an achievement day, which will be held in the near future. Verna and Margaret Meisinger are on the team for a demonstration. The club also plans an exhibit of all garments made during the year on achievement day and there will be competent judges on hand to judge the girls' work.

The home of Mrs. F. H. Faverman, Sr., was the meeting place of the housekeepers union Thursday afternoon, June 28. About thirty ladies answered to roll call and the subject of "How to Dress Attractively" was discussed. Becoming styles for the stout and slender women aroused a great deal of interest and the don'ts for each type were discussed. These women have just completed their dress fairs. A commercial pattern was tested out on the form and alterations made. Several collar patterns were drafted.

Harvest labor. If you secure a man for harvest, better keep him for both wheat and oats, as it now looks as though we will have a few days between cutting these. Men will be scarce, so keep them.

Should cut sweet clover for hay when it is from 18 to 24 inches high, says Ruben Grosser of Weeping Water. Mr. Grosser cut his this spring when it was 34 inches high, then it rained and it laid on the ground for ten days. This killed the plants so that it will have to be plowed up.

Now is the time to plan to build the brush dams after harvest. Visit some of the following and see what fields they have made: Leslie Wiles, P. Spangler, Frank Spangler, Weeping Water; Ivan Balfour, Union, and F. H. Goodfellow and Tom Welton, Greenwood.

The Cass county farm bureau have decided to make soil erosion a major project. To prevent soil erosion you must rotate crops and feed livestock, so they will also be important projects. A soil survey of Cass county in regard to soil terracing and brush

A Special Invitation

When you come in—and surely you will come—you should sort of make a tour of the store. We can't begin to tell you in this circular of the numerous underpricings that await you.

Come as early and as often as you can.

STORE WIDE CLEANUP

ORDER OF HEARING AND NOTICE OF PROBATE OF WILL In the County Court of Cass county, Nebraska.

State of Nebraska, County of Cass, ss.

To all persons interested in the estate of George R. South, deceased: On reading the petition of Ina H. South, praying that the instrument filed in this court on the 6th day of July, 1923, and purporting to be the last will and testament of the said deceased, may be proved and allowed, and recorded as the last will and testament of George R. South, deceased; that said instrument be admitted to probate, and the administration of said estate be granted to Ina H. South, as executrix;

It is hereby ordered that you, and all persons interested in said matter, do appear at the County Court to be held in and for said county, on the 4th day of August, A. D. 1923, at ten o'clock a. m., to show cause, if any there be, why the prayer of the petitioner should not be granted, and that notice of the hearing thereof be given to all persons interested in said matter by publishing a copy of this Order in the Plattsmouth Journal, a semi-weekly newspaper printed in said county, for three successive weeks prior to said day of hearing.

Witness my hand, and seal of said court, this 6th day of July, A. D. 1923.

ALLEN J. BEESON, County Judge.

Those who are desiring to take a course of instruction in the Dennison art paper work, including baskets, flowers and all paper novelties, will be accommodated at the Bates Stationery store, 5th and Main.

SHERIFF'S SALE

State of Nebraska, County of Cass, ss.

By virtue of an Order of Sale issued by James Robertson, Clerk of the District Court within and for Cass county, Nebraska, and to me directed, I will on the 13th day of August, A. D. 1923, at 10 o'clock a. m. of said day, at the south door of the Court House in Plattsmouth, in said county, sell at public auction to the highest bidder for cash the following property, to-wit:

Lots twelve, (12) thirteen, (13) and fourteen (14) in Long's Addition to the Village of Mynard, Cass county, Nebraska, and Lot nine (9) in Ida A. Long's Addition to the Village of Mynard, Cass county, Nebraska.

The same being levied upon and taken as the property of William B. Porter and Alva A. Porter, defendants, to satisfy a judgment of said Court recovered by Fred E. Bodie, Receiver of The Bank of Cass County, plaintiff against said defendants.

Plattsmouth, Nebraska, July 9th, A. D. 1923.

C. D. QUINTON, Sheriff Cass County, Nebraska.

C. A. RAWLS, Att'y.

dams will be made during August. If you are interested in these write or phone the F. B. office.

Persevering club meets. Fifteen ladies met at the home of Mrs. Steve Barker Friday June 29 and spent the afternoon with short cuts in sewing and sewing machine attachments. Ladies are planning to make samples of all things demonstrated. The next meeting will be some time in August. Watch the papers for further notice.

Murray girls organize 4 H club. The girls of Murray and community met at the home of Mrs. John Davis and organized a clothing club with Mrs. Davis as local leader. Officers elected were: President, Helen Graham; vice president, Florence Meisinger; secretary, Mary Graham. The second meeting was planned for Saturday July 7 at the home of Mrs. John Davis.

K. K. A. club met at the home of Mary Ellen Wiles and held a judging contest. The girls decided that it was real work to act in the capacity of judge. The following received honorable mention: Marjory Joyce, first; Mary Ellen Wiles, second, and Margaret Lau, third.

Priscilla club meeting. The Priscilla club met at the home of Alma Lund Tuesday July 3rd. Judging of the child's dress was the subject taken up at the meeting. A score card was worked out as a standard of judging. Miss Myrtle Olson is leader of this club and the club is sure to do good work under such efficient leadership.

July 5th the Clover club met at the home of Mrs. Chas. Earls and spent the day making soap. Boiled

soap using the salting process was demonstrated; also some very interesting toilet soap was made. Anyone interested in a soap demonstration, call the Farm Bureau office at Weeping Water.

The Union club met at the home of Mrs. J. C. Hansel and spent the day fitting dresses and putting on the final touches. The fruit and vegetable budget was taken up, each lady making out a food card. All the women were interested in the use of fruits and vegetables in the diet.

120,000 MEALS TO BE FED TO STUDENTS AT TRAINING CAMP

Omaha, July 6.—Realizing that "an army fights on its belly," the United States government is making preparations to feed the 1,250 young men who will attend the citizens' military training camp at Fort Des Moines, Iowa, August 1 to 30, according to a statement made public from the headquarters of the seventh corps area here.

There will be 120,000 meals prepared at this camp for the men from Nebraska and Iowa, and it is planned to make these meals such as to properly nourish the students who are required to work hard and play hard.

According to the government's compilation it will require more than twenty tons of beef, more than twenty tons of potatoes or other fresh vegetables, and more than twenty tons of bread to feed these young men during the month of training.
