NORTH CAROLINA COP GETS 2 GOVERNORS IN ONE HAUL

Raleigh, N. C., July 12.—A motorcycle cop on the lookout for speeders along a Henderson county road, bagged two governors in one haul. Over-taking the Humaine of Governor Morrison, who was showing Governor Peay of Tennessee, some of North Carolina's highways, the officer, to whom high sounding titles meant

THE Vacation Thrill of a Lifetime

Glacier National Park The Low Cost of the Trip Will Surprise You

Up there in the Northern Rockies there are fifteen hundred square miles of breathing room — loafing space; great forests, sparkling streams, filmy waterfalls, exquisite mountain lakes, slow-moving glaciers, cloud-swept mountain peaks and myriads of many-hued wild flowers.

Go this summer and refresh your soul! To breathe the breezes, quickened by the glaciers, flavored by the mountains and streams and perfumed by the pines and flowers is an experience you never will forget. Where mountain sheep pose on the edge of space you will find mammoth rustic inns. Where the Black-foot Indians pitch their tepees among the pointed peaks you'll find cozy Alpine chalets.

If you are a fisherman, there are trout to battle with. If you are a hiker, there are sky-line trails to follow. If you love to ride, mountain ponies will carry you along the Continental Divide, the Backbone of this Continent. If you like to row, there are waters to explore. If you prefer to camp, there are scores of ideal spots on the shores of glistening lakes. The chalets (little hotel villages in the mountains) are delightful tarrying places. More elaborate accommodations are provided at the inns.

The whole service scheme in Glacier blends completely with the outdoor idea. Follow the dictates of your fancy. Better go this summer. 'Twill do you a world of good!

Burlington service takes you direct. You can continue on to the Pacific Northwest and return via Yellowstone and Colorado if you wish.

As this is National Travel-West Year, I suggest that you make reservations early and avoid the possibility of disappointment.

nothing, demanded a ten dollar forfeit. "Lend me ten dollars," said the governor of North Carolina to the governor of Tennessee. "With pleasure," said the governor of Tennessee to the governor of North Carolina, and the money was handed over to the officer. The incident occurred Sunday but it did not become generally known until now.

RELIGIOUS SCHOOLS AT STATE COLLEGES

University of Michigan to Inaugurate Innovation with Support of All Denominations.

Ann Arbor, July 12.—A school of religion supported by protestants, Roman Catholics and Jews, one of a number of similar institutions to be established at state universities where state laws do not permit religious instruction as a part of the curriculum will open at the University of Michigan next year.

This school was projected by the national council of schools of religion and financed by volunteer contributions. Alexis C. Angell of Detroit is temporary president of the Michigan school whose executive committee in a statement covering the aims of the new institutions says:

"The plan has the sympathy and support of protestants, Roman Catholics and Jews. The result is the result of a growing belief that there is a serious gap in our modern educational system. Our forefathers, who identified religion with sectarianism, wishing to insure freedom of conscience, placed a constitutional barrier, not unwisely, in nearly all the states on the teaching of religion in tax-supported schools, colleges and universities. As a result the study of religion and ethics has been too much neglected; education has become increasingly utilitarian and materialistic. The graduates of our tax-supported institutions are more and more becoming neither religious nor irreligious, but simply non-religious."

LINING UP FOR NEXT BATTLE

Republican Leaders Hold a Meeting at Chicago, Which is Favored as Convention City.

Chicago, July 12.—Chicago will be the scene of the 1924 republican convention if Fred W. Upham, national treasurer, asks the national executive committee to send it here, republican leaders here for a conference of national committeemen, state chairmen and party leaders said today. The conference, presided over by John T. Adams of Iowa, national chairman, was one of the several held in various parts of the country as a preliminary to state campaigns and the next national campaign.

The selection of a 1924 convention city did not come before the meeting, and republicans who expressed the opinion that it should be held in Chicago, if the national treasurer, who lives here, so requested, gave only their personal views. J. L. Babler, national committeeman from Missouri, and William Sacks of St. Louis, chairman of the Missouri republican ways and means committee, were among those who expressed the opinion that the convention, if Mr. Upham requests, will be held here.

Committeemen, state chairmen and leaders from Illinois, Nebraska, Kansas, Michigan, Missouri, Iowa and Oklahoma attended today's meeting. Indiana was also represented, but participated officially in a conference at Cincinnati recently.

George W. Lockwood, national secretary, said one of the principal battles of the next campaign would be the fight against factional groups and bloc activities within the party itself.

Mrs. Harriett Taylor Upton, vice chairman of the national organization, made an appeal for wider representation in republican councils of her sex and asked particularly that they be given a large representation at the next convention.

The program of the language department in the committee's work among the foreign born was outlined, as was that of the publicity department and state affairs. A side light on the selection of C. H. Houston of Tennessee, chairman of the committee on ways and means on the national committee, was disclosed in Mr. Adams' opening remarks: "He was given the undertaking of raising \$10,000 in his states at the last election and the returns totalled \$60,000," he said.

RICKARD IS PLANNING DEMPSEY-FIRPO MATCH

Ringside, Jersey City, N. J., Tex Rickard tonight said he probably would begin negotiations as soon as possible to match Luis Angel Firpo with Jack Dempsey for a title match, either in September or October.

Rickard has Firpo under contract to meet Dempsey and will confer with Jack Kearns, the title holder's manager, in the near future. General opinion is that Rickard will choose the site of tonight's fight for his next championship venture.

Kearns was at the ringside tonight and declared his readiness to sign for a Firpo match if his terms are met. Just what these are he did not reveal.

Frank M. Herold, of Minneapolis, who is traveling for one of the large wholesale jewelry houses of that city, came in last evening to call on his trade here.

Mrs. Harry Seal was in Omaha today for a few hours visiting with friends.

HESSIAN FLY IN THE WHEAT

Infestation is Spreading But Loss Not So Threatening as at First, Says Entomologist.

In his report on insect conditions in Nebraska, Myron H. Sween, entomologist, Nebraska agricultural college and state entomologist, says: "During the last two weeks in June it developed that the Hessian fly infestation was somewhat more general than had been realized over the portion of southeastern Nebraska lying west of Cass, Otoe, Nemaha, Richardson, Johnson and Pawnee counties. Saunders, Dodge and Butler counties seem to be quite generally infested, a tensity west to Dawson county, in the general region of the lower Platte valley. Westward along the Kansas border the infestation extends to Red Willow county, Furnas county being quite generally infested. However, owing to the excellent growing conditions for the wheat the loss is apparently going to be much less than it threatened to be.

There has been considerable comment concerning the rather large number of whitened heads of wheat destroyed by the greater wheat-stem maggot in some eastern Nebraska counties. This has been particularly true in Saunders county, where a large number of fields are reported as more or less infested. One case of infestation in that county estimated 50 per cent of the heads of wheat in the field whitened, but as a rule the damage is small. Lancaster county and Colfax county report frequent but scattering infestation with this pest. The reports were received from June 16 to June 28.

Not since 1899 have there been so many complaints of an abundance of the English grain aphid on the wheat heads in southeastern Nebraska as there have been this spring. Such reports were first received June 18, and have come from Cass, Otoe, Nemaha, Johnson, Lancaster, Gage and Saline counties. Although the aphids are very abundant on the heads there has been such an abundance of moisture and such excellent growing conditions for the wheat that no serious injury to the already ripening crop is expected because of their presence.

ENTERTAINED HIKERS' CLUB

Mrs. R. H. Hastain entertained the Hikers' club of Plattsmouth at a supper last Saturday evening in honor of the approaching marriage of Miss Margaret Donelan. The affair was especially enjoyable as this was the first time Mrs. Hastain had entertained her club since her residence in Louisville. About twelve ladies were present.

Other recent visitors at the Hastain home were Mr. and Mrs. Henry Guthman and children of Murdock who were here Sunday for a picnic supper and Mr. Pollock Parmelee and two children Calvin and Polly Ann of Omaha, who left the first of the week after several days' visit here.—Louisville Courier.

JACK JOHNSON A MODEST MAN

Indianapolis, Ind., July 13.—Jack Johnson, negro pugilist and former heavyweight champion, discussed the ring sport with county officials today while attempting to obtain the release of his automobile, which was attached by the sheriff while he was appearing here in Vanderhill in 1921. "There are three people in the world who can knock out Dempsey," the former champion asserted. "They are Firpo, Harry Wills and Jack Johnson."

CASS CO. FARM BUREAU NOTES

The farm bureau office placed 101 men during the first 12 days of July. Men were from the following states: Alabama, Tennessee, New York, Kansas, Missouri, etc. The class of men was better than usual.

Eat for nourishment and pleasure. Foods should nourish as well as satisfy your appetite. To nourish the body properly one needs to be eating the right kind of food. Expensive foods are not more nourishing than cheaper ones. Cheap and wholesome foods will save you money. Here are some that give you the most nourishment for what you spend, include them in your diet, advises the agricultural college, Lincoln: Milk, cheese, cheaper cuts of meat, potatoes, yellow turnips, carrots, tomatoes, cabbage, spinach, and other greens, dried fruits, cereals, especially rolled oats, rice, corn meal, molasses, cocoa.

Feed for finishing fowls. This is the season for culling out the non-producing and low producing hens as well as disposing of surplus cockerels. No bird intended for eating should be sold without finishing. The logical place to do this is on the farm or the poultry plant where they are grown. The birds intended for market should be confined to a crate and set for ten days to 2 weeks on a ration of 10 parts of cracked corn and wheat bran in equal parts with a small quantity of middlings or ground oats added. This should be mixed to a third mortar consistency with buttermilk or sour skim milk. Feed lightly the first day but after that feed all the birds will clean up in 20 minutes, three times daily.

We now have ten summer clubs in Cass county doing clothing work. All clubs are alive and doing good work. Several of the clubs are already working on their team demonstration and are getting ready to exhibit at the state and county fairs. Here is a list of the clubs: Jolly Farm Girls; leader, Mrs. Mary Ranney; address, Weeping Water; enrollment, 10. Happy Workers, Mrs. Lorine Ulrich, Cedar Creek. S. Redael, Mrs. Philip Kehne, Plattsmouth, 10. Elmer Johnson, 23. Louise Hill, 6. Rosebud, Mrs. Lene Brown, Weeping Water, 11. Merry Sitchers, Mrs. R. E. Foster, Union, 11. Sunshine Band, Mrs. John Davis, Murray, 9. Priscilla, Miss Myrtle Olson, Weeping Water, 5. K. K. A., Miss Stella Spangler, Weeping Water, 8. Miss Mary Parks, Murray, 23.

A very interesting meeting was held Monday, July 9, at the home of Mrs. E. A. Nutzman near Nehawka. The women all made samples of the decorative stitches, which they expect to use on their own and children's clothing in the near future. Several dresses were also cut at the meeting.

Eagle club meeting. What? Soap demonstration. Where? Mrs. Sam Westlake. Time? All day meeting, Tuesday July 10. Sixteen ladies met at the home of Mrs. Sam Westlake where 40 pounds of cracklings and fat were converted into soap. Botted soap using the salting out process was made. Also soap from lard using the cold method was shown. Some interesting toilet soap was made using the mutton and beef tallow. These ladies want to hold a canning demonstration later in the summer.

The Redae club met at the home of Mabel Rummell, Wednesday, July 11, but owing to the busy season several of the girls were unable to be present. The girls are working on the Neilmara towel. Louise Rummell gave a paper on silk culture which was very instructive. Plans are also made for the underwear problem. An interesting business meeting was held.

Another interesting club meeting was held at the Lewiston church. The girls drafted patterns for the clothes pin bag and planned just how to cut and make the bag. The next meeting the girls are to bring the clothes pin bags all completed.

Salad demonstration. At the home of Mrs. Barnard of Mynard on Thursday afternoon about twenty dainty salads were on display. Each lady made a salad according to a recipe given her. Mayonnaise and thousand island dressing was also demonstrated and used in concocting some of the salads. Recipes of all the salads were given each lady and they expect to use these later in the meal serving. The next meeting will be in September at the home of Mrs. Opal Cole Wiles. "Table Setting and Meal Service" will be the subject of the next meeting.

CASS COUNTY CLUB IS ORGANIZED AT PERU NORMAL

WEAVER RENAMED TO STATE PARK BOARD

Plans for Receiving Arbor Lodge to be Announced Soon—No Silk Hats, Says Bryan.

Lincoln, July 13.—A. J. Weaver, of Falls City, was today reappointed a member of the state park board by Governor Bryan. Mr. Weaver resigned some time ago, explaining that he was willing to step down should the governor wish it. Governor Bryan insisted, however, that he consent to being re-appointed.

The governor also announced that no definite program for the formal presentation of Arbor Lodge, former home of J. Sterling Morton, to the state had yet been decided upon but would be outlined soon.

"Will there be high silk hats there?" the governor was asked.

"I think this will be a democratic occasion," the governor answered.

High silk hats were a feature of the laying of the cornerstone of the new state capitol.
