### CARNEGIE STEEL CO. BOOSTS PRICE LIST

New York, July 10.—The Carnegie Steel Co., a subsidiary of the United States Steel corporation, has issued a new list with upward revision in the prices of various sizes of bars and small shapes.

Independent steel companies are expected to follow the advance, it was said. Bars and small shapes previously have been turned out on a below cost basis. The advance will not be much over two per cent, officials said.

### REFUND TO PROSECUTOR AFTER OIL INDICTMENT

Fort Worth, Tex., July 10.—Federal District Attorney Zweifel today received a \$23,298 check in a letter which requested that this amount be returned to a certain group of stockholders who purchased stock in the Outchita Smackover Oil Co.

The letter was signed by J. R. Yett, under indictment in connection with reported illegal operations and Dr. G. B. Miller, who at one time was interested in the company.

The League of Nations is dead, says Harding, but he's afraid to leave the wake without somebody else along.
