WHEAT VS TIRES

Wheat has come down in price and so have my tires to you. While the cost to me on tires is the same, for a short time I am going to sell them at from 25 to 50 per cent reduction from the present standard list price. This includes all standard makes of tires and tubes. Here is a wonderful opportunity to secure first class tires and tubes at wholesale prices, and eliminate sending your money away from home for them.

We also have some real values in used tires and tubes, and we will trade for yours.

OILS AND GREASE

A sensational price on lubricants. A real quality product at a real bargain. You have tried the rest, now try the best.

We are endeavoring to meet the present conditions, and we ask that you come in and get our prices before sending your money away for anything in our line. We carry only standard goods, so there is no guesswork about the quality.

Thanking you for past favors.
