

**ANNOUNCEMENT!**

There are periods in our individual and business lives when we have to call for HELP and CO-OPERATION and that period has come to me.

I have decided to incorporate my business under a State Charter. In order to do this, I must close all my outstanding bills and start anew. And it is now that I announce to my friends that I will certainly appreciate their immediate assistance in this matter and ask them to call at the store and arrange a full settlement of their old accounts in order that I may fulfill the requirements to obtain a State Charter.

This announcement does not mean that we will not grant credit under the new firm, but it is simply to arrange a settlement of the old and start a new.

Assuring you all that the same service and accommodations will be granted in the future that has been in the past, I am

Very Truly Yours,

**BURLINGTON EMPLOYEES IN TRIBUTE TO PRES. HARDING**

Fifteen Minute Service at Shops Yesterday Afternoon One Full of Impresiveness.

From Saturday's Daily. Yesterday afternoon at 2 o'clock every machine in the Burlington shops here ceased their activity for a fifteen minute period and every employe joined in a tribute to the memory of President Warren G. Harding. The exercises were held just east of the mill where there is a large open yard space and here the seven hundred employes of the shops were assembled a few minutes after 2 o'clock and a very impressive service held.

The Masonic quartet that sang at the city services in Garfield park also was present at this service and gave "Leadly Kindly Light," the song selected by Mrs. Harding for the funeral services of her husband.

Rev. H. G. McClusky was asked to give a few remarks on the life of the late president and his clearness and concise manner of paying tribute to the qualities of the deceased executive were much appreciated and showed a deep thought on the part of the speaker of the problems that have been with the late president since his induction into office.

The services were of a nature that are seldom given a national figure and was the laboring man's tribute to the life and services of Warren G. Harding both as a statesman and a man.

**FORMER CASS COUNTY PEOPLE MARRIED 50 YEARS**

From Saturday's Daily. Mr. and Mrs. James Carey of 1718 Q street, Lincoln, celebrated their 50th wedding anniversary in July. A group of relatives and friends gathered at the home with well filled baskets and with the bride and groom of 50 years motored to Antelope Park and spent the day.

Mr. Carey was born in 1849, coming to Nebraska in 1857. His father homesteaded the farm one mile east of Weeping Water now owned by Mr. Young, and for a number of years farmed and operated a blacksmith shop at that place. For a number of years he, James Carey, freighted from the Missouri river to Denver, and in 1873 he and Mrs. Carey were married at Weeping Water. Mrs. Carey was born in 1855. The couple have made their home in Cass county until the last few years and have many friends in and around Weeping Water. Their daughter, Mrs. Robert Mickle, lives near Avoca.

Two grandchildren and three great grandchildren were present at the golden wedding celebration.

**TAKEN TO HOSPITAL AGAIN**

From Saturday's Daily. Yesterday H. N. Dovey, president of the First National Bank was again taken to the Immanuel hospital in Omaha as the result of the auto accident here some two months ago and in which he sustained a broken limb.

Mr. Dovey was at the hospital for several weeks while the broken leg was healing and was brought home two weeks ago, it being thought that he was in the best of shape, but the injured leg does not seem to have healed as rapidly as might be wished for and after an X-ray picture of the leg it was decided to have him returned to the hospital for treatment and consultation as to the injured leg.

It is to be hoped that Mr. Dovey may have a short stay at the hospital and once more be able to return to the family circle here and resume his place in the activities of the community where he has lived for so many years.

**VISITS OLD SCENES**

From Saturday's Daily. James H. Herold, one of the members of a pioneer Plattsmouth family, but who has for the past twenty years been residing in Lincoln and Minneapolis was here today visiting with his relatives and old time friends and viewing the city where he spent his boyhood and younger years. Mr. Herold is looking fine and shows little the progress of time and in fact is holding his years fine, which was a great pleasure to the old friends here to see.

**LAID UP BY MUD**

From Saturday's Daily. William A. Robertson, wife and children, who a few days ago started on a vacation trip and auto tour to Minnesota, have been experiencing more or less trouble with the muddy roads in the northern portion of Nebraska and western Iowa, they write friends here. They are now at Sioux City and will spend a few days there until the roads get in better shape and then drive on to Sioux Falls, S. D., to visit for a time there and from there go to Minnesota.

**FORMER NEBRASKA RESIDENT MEETS ACCIDENTAL DEATH**

James Williams, Once Resident Near Louisville, Found Dead from Shotgun Explosion.

From Saturday's Daily. In our issue of last week we announced the sudden death of James Williams at his home in Renfrew, Oklahoma, but the message which was received by his brother, M. L. Williams of this place, did not state any of the particulars. His death occurred on Tuesday of last week, July 31, 1923.

His brother left at once for Oklahoma to attend the funeral and returned home last Sunday. He states that his brother had been in his usual health which was not the best, but much improved in later months. He had milked the cows that morning and had exchanged conversation with his wife and son Floyd, who was there to help with putting some hay in the barn. He himself was not able to help with the hay and he had expressed some doubt in a joking way about their ability to get all of the load in the barn. Mrs. Williams had helped her son to put in the hay and they came on to the house to get a drink and to tell Mr. Williams they had succeeded and to have a laugh over their doing what he had said they could not do.

His wife entered the kitchen and walked through to a hall adjoining where her husband was lying on his face on the floor with a small caliber shot gun beside his body. The bullet had entered his mouth and death had been instantaneous. Because of no motive, the coroner's jury did not find it a case of suicide but merely found that he had come to his death by the explosion of the gun. It was suggested that he might have tried to blow into it without realizing it was loaded and in some way pulled the trigger. This occurred between eight and nine in the morning.

It was a great shock to his wife and family from which they will not recover very soon. The funeral occurred on last Thursday and was attended by all the brothers and one sister. The elder sister, Mrs. Florence Powell, of Fairmont, West Virginia, was not able to attend. This is the first death in a family of seven grown children, the youngest, Charles, being 49 years old. Deceased was 58 years, 9 months and 17 days old.

Mr. Williams' wife was a former Cass county lady and her maiden name was Lena Shelhorn, daughter of Mrs. Anna Shelhorn of Louisville. Both he and his wife come from two of the oldest and most highly respected pioneer families of this vicinity. They moved to Oklahoma over twenty years ago, their three children all being born in Nebraska.

He leaves, besides his widow, one son and two daughters. They are Floyd, who farms about twenty miles from the home place, Mrs. Charles Cole of Wellington, Kansas, and Miss Marie Williams, living at home. Besides the immediate family, he is survived by two sisters and four brothers. They are Mrs. Florence Powell of Fairmont, West Virginia, the old home state, and Mrs. Leattie Ward of near Weeping Water and Avoca; Thomas a prominent merchant of Carlsbad, New Mexico; W. D. of Eddyville, Nebraska; Charles, of Renfrew, and M. L. of Louisville. He also leaves six grandchildren.—Louisville Courier.

**IN THE DISTRICT COURT**

From Saturday's Daily. In the office of Clerk of the District Court James M. Robertson there has been filed application by R. C. Hitchman, guardian of Ruth A. C. Beverage, asking permission to sell real estate in this county. The petition of Mr. Hitchman recites that the said Ruth A. C. Beverage has a life interest in the land and that there are two mortgages on the land and in order to safeguard the interests of his ward the guardian must have the permission of the court to make sale of the land. The court has set September 17th as the date of hearing the application and at which time objection, if any, are to be filed.

**ACCUMULATES TOO MUCH OF THE SPARK-LING CORN JUICE**

Night Police Force Gather in Geo. Shumard Last Evening For Being Slightly Inebriate.

From Saturday's Daily. Last night when the residents of the city as a whole were wrapped in their slumbers, Officers William Heinrichson and Frank Detlef noticed a stranger who was apparently having a hard task to make his way along the street and from the outward appearance was suffering from too large accumulation of the well known brand of "corn." The police rounded the man up and placed him in the city lockup for the night to meditate on his folly and to recover from the effects of the overdose of "hooch."

The bearer of the white man's burden stated to the police that his name was George Shumard and that he had been engaged in bridge work out of this city for a short time and growing lonesome had decided to go to Omaha and visit his friends there and in doing so fell into evil ways as the friends proceeded to treat him often and too well with the distilled spirits of the corn and the result was that when he boarded the Missouri Pacific train for his home he was decidedly under the weather and not very certain in his walk and action.

The man was left in jail over night and will be given a round in the court of Judge Weber this afternoon.

**RETURNS FROM HOSPITAL**

From Saturday's Daily. This morning, August W. Cloidt motored to Omaha where he visited with his brother-in-law, A. O. Moore with the Immanuel hospital and found Mr. Moore ready to return home and he was accordingly loaded into the car and is now back home to recuperate here with the home folks. Andy has been very fortunate in his case as he has been at the hospital only a very short time.

**Cause of Appendicitis**  
When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis. Weyrich & Hadraba.
