OIL SITUATION AT NEHAWKA SEEMS VERY PROMISING

Chemical Engineers on the Ground and with Mr. O'Hara Arranging to Start Drilling.

From Wednesday's Daily.
The residents of Nehawka have been very much interested in the appearance of two well known chemical engineers there with Mr. O'Hara, who has been looking after the preliminary work before the drilling for oil in that locality. The experts will try and determine the most favorable spot for the site of the first oil well drilling and it is expected that it will be only a short time until the actual work of drilling is started on the lands now under lease by the oil company.

The entire county is deeply interested in the outcome of the work at Nehawka and the wish is that the community there may find a real gusher that will justify the fondest hopes of the promoters.

COOLIDGE VIEWS ANNOUNCED AFTER CABINET MEETING

Approves Budget System, Restricted Immigration, Payment of War Debts—No Extra Session.

Washington, Aug. 14.—Here are the policies of the Coolidge administration as announced to the press after the cabinet meetings today:
Reparations:
To respond to European calls for help, but not to become involved in Europe's private quarrels.
Immigration:
Approves a selective immigration law.
Coal strike:
Coal determined that there will be no stoppage of production in the anthracite fields on September 1, and that country will be supplied with fuel.
Cabinet:
All members will remain indefinitely, general organization remaining same as under President Harding.
Budget system:
Approved by Coolidge as now constituted and administered.
Agriculture:
Does not believe extra session of congress would solve problem of farmers, and asks Secretary Wallace to draft relief measures.
War debts:
Determined that all money owed United States will be collected as rapidly as possible.
Mexico:
Recognition practically assured and treaty already drafted.

ROW ON OVER PERU NORMAL

Delegation Asks Governor Bryan to Take Hand in State Normal School Row.

A delegation from different towns in southeastern part of Nebraska called Tuesday noon upon Governor Bryan to confer with him in regard to the state normal school at Peru. The delegation was headed by J. O. Shroyer of Humboldt, democrat and member of the farmer's union legislative committee; Representative William Moore of Brownville, farmer and democrat, and Representative C. L. Yokum of Talmadge, farmer and democrat. Several others who did not care to give their names accompanied the delegation.

Further than to express the opinion that the state normal at Peru shows a loss of enrollment and that it is not as good as it used to be, as one expressed it, the delegation declined to make public the exact nature of their mission. They said they desired the governor to do something. What action they proposed was not divulged. No one complained of Mr. Pate the newly elected principal of the normal school.

"The governor can do a lot of things," said Mr. Shroyer. "We want to see him about this Majors business at Peru."

State Superintendent J. M. Matzen, member of the board that has control of the state normal schools, said Mr. Shroyer had called upon him but had said nothing about the Peru normal. Mr. Matzen said he had heard no word in regard to the mission of the delegation waiting in the governor's office.

The governor has on direct control over normal schools. He is authorized under the constitution to appoint members of that board and can also remove appointees, but there is no specific authority for removal of normal board members.

The board was appointed by Governor McKelvie. It became the duty of Governor Bryan to fill two vacancies. He appointed E. Ruth Pyrite of Lincoln and Dan V. Stephens of Fremont. The other members are T. J. Majors of Peru, president; H. E. Reische of Chadron, secretary; Dan Morris of Kearney, Fred S. Berry of Wayne. Mr. Matzen is a member by virtue of the fact that he is superintendent of public instruction.

Con Gillespie, veteran section boss of the Burlington, departed this morning for Lincoln and Havelock where he will spend a few days visiting and looking after some matters of business.
