All numbers were placed in a box and twenty-five drawn out, the twenty-first one being the one to receive the prize; a method of absolute fairness.

Everybody Enjoyed Concert  
During the evening of the celebration of Ford day at Murdock the bands of both Elmwood and Weeping Water were present gave a most enjoyable concert which was highly appreciated by those present. The members of these bands are to be complimented for their kindness in furnishing the music to completely round out this perfect day. Many who had gone home before the evening and there were many who did not get to enjoy the music, we among the other, but all surely appreciate the kindness of the boys.

Almost a Surprise  
Some sixty of the friends of Mrs. J. J. Gustin met at the Gustin home on Friday and they properly celebrated the passing of the anniversary of her birth. A general good time was had and the evening most pleasantly spent. Social conversation and music were enjoyed by the elders while games were participated in by the younger portion of the crowd. Ice cream and cake was served and the occasion was concluded by a social dance.

Married Last Thursday  
At the beautiful country home of Mr. and Mrs. Henry Eikerman, east of Greenwood, occurred the marriage of their daughter, Miss Nellie Eikerman to Mr. Walter Lenz of west of Elmwood. The home has been beautifully decorated for the occasion when the two lives were joined for the life of beauty and service, which is before them. The beautiful service which was uniting their lives and hearts was conducted by the Rev. Frank Lenz of DeWitt, a brother of the groom. The young couple will make their home on the farm of the groom, a few miles west of Elmwood. The Journal with their many friends are extending congratulations and best wishes for a long happy and useful life.

The uniform success that has attended the use of Chamberlain's Colic and Diarrhoea Remedy in the relief and cure of bowel complaints, both for children and adults, has brought it into almost universal use, so that it is practically without a rival, and as everyone who has used it knows, it is without an equal. ## GOVERNOR WALTON IN A BITTER FIGHT

Oklahoma Governor Threatens Entire State With Martial Law—Klan Chief Taunts Him.

Oklahoma City, Sept. 7.—The state of Oklahoma was threatened with martial law today by Gov. J. C. Walton coincident with a challenge thrown to him that he would never be able to "break the power of the Ku Klux Klan in Oklahoma."

Charging that the drive being conducted by the executive in Tulsa county against mob floggers was inspired by Walton's desire to make himself a "national figure," N. W. Jewett, grand dragon of the Oklahoma realm of the Klan, declared that the governor "would like to drop the iron that has grown too hot for him to hold, if he could."

"Jack Walton cares nothing for the men that have been whipped; his fight is only the Klan," Jewett asserted.

Voicing his unshaken determination "to restore the supremacy of the law in this state," the governor said: "I realize that the conflict with the lawless element and lawless spirit of large groups of Oklahoma's citizens is a desperate one; that my enemies will use every weapon at their command, including the press, where they can command it, grand juries and other agencies to defeat the purpose of this administration."

In a bitter attack on the executive, Grand Dragon Jewett charged that "Jack Walton entered the kitchen of the Klan, but he never got any farther and that is one of the principal causes of his fight on the Klan."

Jewett alleged that Walton had been "obligated" in the Klan at the capital by Minor Merryweather, formerly a kleagle at Muskogee, adding "that is as far as he ever got."

The Oklahoma City organization rejected the governor, Jewett charged.
