

LEAGUE ABANDONS GREECE AND YIELDS TO ITALIAN TERMS

Council of Ambassadors Backed by France and Opposed by Britain, To Settle the Dispute.

Rome, Sept. 7.—The news from Belgrade is causing uneasiness here. The Italian government fears that Belgrade is seriously considering whether the new Balkan imbroglio does not give Jugoslavians a chance to throw the whole arrangement overboard and pull something more valuable from the fire.

Paris, Sept. 7.—Caesar Mussolini and Napoleon Poincare consolidated their positions as rulers of Europe today when despite lively opposition from England, the council of ambassadors contemptuously ignored the league of nations, and dictated terms to Greece almost as severe as those of Italy's ultimatum.

According to the decision of the council, Greece must first send a handsome apology to Italy and must solemnly salute the Italian squadron which, with one British and one French warship, will be sent to Piraeus. In addition to this Greece must hold a solemn service in the Athens cathedral for the slain members of the Italian commission on the Albanian boundary and this service must be attended by all members of the Greek government.

Then, and only then, will the council of ambassadors "sail away after paying one small tribute to Greece's damaged dignity by firing a salute.

Meanwhile the council appoints a commission to consider the indemnity clauses and Greece's capitulation. Pending such decision Greece must deposit 50,000,000 lire as an evidence of good faith. Italy will only leave Greece when Greece has paid England's demand that a neutral country sit on the commission of inquiry was not accepted to, but the chairman will be a Japanese.

Thus ends the Greco-Italian crisis but diplomats are more and more alarmed over the strained relations between Italy and Jugoslavians. According to reports, the latter is seeking an alliance with the soviets.

LOCAL NEWS

From Thursday's Daily.

Sheriff C. D. Quinton and wife drove to Lincoln today to visit there as well as to accompany a patient there to the state hospital.

Joe Vanek departed last evening for Chicago after a visit here for a few days with his parents, being in attendance at the wedding of his sister, Miss Josephine Vanek.

Mrs. J. M. Leyda departed this afternoon for Weeping Water where she will visit for a short time at the home of her sister, Mrs. G. H. Olive, who was severely injured yesterday.

Mrs. Mollie Lyons, of Wyoming, who has been here visiting with Mrs. Minnie Hlatt and other friends, departed this morning for Lincoln and from there will go to her home in the west.

Nicholas Halmes, formerly one of the well known residents of Weeping Water but who is now living in Omaha, came down this morning and spent a few hours looking after some business matters and while here called at the Journal office and renewed his subscription for another year.

Miss Gail Johnson of Aurora, Nebraska, who has been visiting at points in Missouri and Iowa, was here Monday visiting with Miss Gertrude L. Morgan over night, returning yesterday to her home. Miss Johnson will be remembered here where she was engaged in work at one of the local banks for some time.

From Friday's Daily.

Frank Kozak, one of the former Plattsmouth residents now living at St. Louis, is here to enjoy a few days visit with relatives and friends.

Rev. W. A. Taylor and wife, Dan Lynn and wife and Joseph Hastings of Geneva were in this city today looking after some matters of business.

Sam Beverage departed this afternoon for York taking with him his little niece, who is to enter the Mothers' Jewels home at that place which is under the supervision of Rev. and Mrs. John Carter, formerly of this city, as Mrs. Ethel Pine, mother of the little girl is in very poor health and must be cared for at the hospital.

MRS. T. C. MC CARTY Hemstitching and Picot Edging N. 4th St., Plattsmouth PHONE 100-J

here today for a few hours attending to some matters of business and visiting with his many friends here.

Henry Schoemaker and wife of near Nehawka were among the visitors in the city today attending to some matters of business and visiting with friends.

L. G. Larson departed this afternoon for Omaha where he will visit with his son-in-law, R. E. Foster of Union, who is at the Presbyterian hospital recovering from an operation.

Mrs. C. J. Rhylander and children of Minneapolis, Minnesota, who have been here visiting her parents, Mr. and Mrs. Dave Wallengren, returned to their home this afternoon.

Gerald Fleming was among those going to Omaha this morning to spend the day looking after some matters of business.

Henry A. Guthmann and wife of Murdock, who were here over night visiting at the home of Mr. Guthmann's mother, Mrs. F. R. Guthmann departed this morning for Omaha to spend a few hours.

Mrs. M. S. Briggs, who has been at Lincoln attending the state fair is visiting at the homes of E. G. Osborne, Chester Deyer and Paul Stangenberg and their families, returned home last evening.

Mr. and Mrs. W. E. Swartzlander of Sidney, Nebraska, who have been in Omaha visiting with their daughter, Mrs. Henry Herold, Jr., were here yesterday for a few hours staying at the home of the Herold family here.

Henry Horn, wife and family and Mrs. Mary Becker, sister of Mr. Horn, departed this morning by auto for Creighton, Nebraska, where they will visit for a few days at the home of Jacob Horn and family and while there will attend the observance of the birthday of Mr. Horn.

Mr. and Mrs. Albert Clabaugh, who have been here for the past two weeks visiting at the home of Mrs. Clabaugh's parents, Col. and Mrs. M. A. Bates, as well as with R. A. and T. B. Bates and families, returned this afternoon to their home at St. Louis, where Mr. Clabaugh is interested in one of the large public service corporations.

Will Holmes, a pioneer resident of Cass county, accompanied by Mr. and Mrs. Will Noel, motored in today from their home at Beaver City, Nebraska, to visit the old scenes of the early life of Mr. Holmes. Mrs. Noel is a daughter of Mr. Holmes. The aged pioneer is an uncle of Mrs. C. A. Rawls, and J. W. Holmes of this city and Mrs. W. S. Smith of Murray.

FULL AGREEMENT ON COAL STRIKE SEEMS IMMINENT

Harrisburg, Pa., Sept. 7.—Complete agreement upon the main points at issue between anthracite operators and miners, on the basis of Governor Pinchot's peace proposals, was reached here today. Joint negotiations to make the agreement effective in a new wage contract and to clear up outstanding differences of lesser importance between the two sides were called for 7 o'clock tonight.

All participants in the negotiations believe that a settlement will be effective and that the anthracite mines now shut down by union orders, will be re-opened within ten days. The miners and operators' representatives adjourned at 11:04 tonight to meet again at 11 a. m. tomorrow without having come to any agreement. Governor Pinchot, in a statement, said excellent progress had been made and "both sides were showing a strong disposition to reach an agreement."

RETURN TO THEIR HOME

The Misses Harriett and Florence Peacock of University Place, who have been here visiting with their relatives and many friends in this city and vicinity, have returned to their home. Miss Harriett, who was one of the graduates of the Plattsmouth high school in the class of 1923, will enter on her work as a student of Wesleyan university Monday and Miss Florence is to finish her high school work at University Place.

Mrs. W. H. Mason departed this morning for Afton, Iowa, accompanying Mr. Mason to that city where he is to play baseball today and tomorrow.

IT IS SERIOUS

Some Plattsmouth People Fail to realize the Seriousness of a Bad Back.

The constant aching of a bad back. The weariness, the tired feeling. The pains and aches of kidney illness may result seriously if neglected. Dangerous urinary troubles often follow.

A Plattsmouth citizen shows you what to do. A. J. McFarland, 306 Third street, Plattsmouth, says: "I was doing some heavy lifting which strained my back and kidneys. This put me in such shape I had to walk with a cane for a number of weeks and I couldn't straighten. It felt as though there were a heavy weight across my back that was holding me down. I couldn't sleep nights and it felt as though I had been struck in the back with a sharp knife. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I was told to try Doan's Kidney Pills and after the first box my condition was much improved and I was able to walk straight. I used four boxes from Fricke & Co.'s drug store. My back and kidneys have never bothered me since and I believe Doan's will do the same for kidney people if they will give them a fair trial."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McFarland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Radio News Broadcast each Saturday by Station ETAO

Summer days are passing. There's one gentleman seems disposed to "linger longer."

Yes, you guessed his name, Gridleak It's "Old Man Static."

But soon, he too, will be "on his way." And then, ideal reception.

Our new antenna is still weathering the fall winds without mishap.

Did you hear Shenandoah's program Monday evening? And, wasn't it a good one?

Well deserved were the many congratulatory messages that poured in from all parts of the country.

The radio chapel services were received satisfactorily at the Methodist church last Sunday night after the regular service.

The boys are hoping for even better results tomorrow night, when they will have a larger non-metallic horn on the Magnavox.

Two more community programs are on WAOV's offering for the coming week, including Norfolk, Nebraska, on next Saturday night.

Station WOC, Davenport, will return to winter schedule next Sunday Sept. 16th, broadcasting nightly except Tuesday after that date.

The WLAG, "Call of the North" official station band is now on tour and will play from some of the leading stations over the country during the next few weeks.

Henry Field, of Shenandoah, run Plattsmouth's champion radio speaker a mighty close race last Monday night when he put his "story" across big. Come again, Henry.

If we'd save up our heterodyning to say one certain night of the week, there is no question but that "radio-graphically" speaking the fans of this vicinity could make that night a "howling success."

WJAZ, Chicago, is offering some mighty fine programs nightly and always come in much better than KYW, the pioneer Chicago station operated by the Radio Corporation for some unaccountable reason.

Another station that is back in the air making itself heard nightly is WOS—Jefferson City, Mo. This station featured weekly concerts by the Missouri prison band last winter that were worth hearing.

WNAL's test program last Saturday night developed into somewhat of a lawn or "cellar" party, according to admission of our announcer and operator friends—and then it became necessary for ETAO to express regrets at not being numbered among those "present and accounted for."

After many tries at uniqueness, WAOV has now resorted to telegraphic signals of its call letters at the beginning and close of its broadcasting periods. Slugs, cow bells, musical chimes, sirens, steamboat whistles and a score of other attempts at originality are sent out nightly by

OIL PROSPECTS NEAR MURRAY ATTRACT ATTENTION

Acting on Findings of State University Experts, Company May Lease Land There.

From Saturday's Daily. From the present prospects Nehawka and vicinity are not the only sections of Cass county that will enjoy all of the thrills of prospecting for oil, the modern way to fortune, as Murray and the surrounding territory is about to experience the same excitement and hopes that if successful will make that locality one of the richest in the state.

Based on the findings made by the authorities at the state university who have studied the soil and rock formations of that portion of Cass county, there is a possibility of oil, according to the experts and to give this a work out there will shortly be started a campaign to secure oil leases from the residents of the countryside there.

A representative of one of the large oil companies was here this week looking over the territory and while here in Plattsmouth called on a number of the prominent citizens bearing with him the letters from the heads of the soil research department of the state university and while here he stated that it was not the intention of his company to seek to sell stock in any oil company but merely to secure oil leases on as much land as possible from east of Union to a point several miles south-west of that place and where the drilling for oil would be taken up at the most favorable spot.

The representative of the oil company stated that there would be no expense to the residents of the territory as the oil company would do all the prospecting at their own expense.

GOLF CLUB TO PRESENT A FREE FILM OF GAME

Gene Sarazen, Open Champion of United States in Action Before Movies Here Tomorrow.

From Saturday's Daily. The Plattsmouth golf club has arranged for the presentation of a very interesting film showing of Gene Sarazen, open champion of this country, which will be shown at the Par-mele theatre Sunday afternoon at 2:45 for all those who may be interested and the members of the club.

It may be stated that the film will show Mr. Sarazen in all of his famous drives and will be shown by the slow motion camera so that the golfers may see the manner in which he makes his strokes and drives.

The showing will be free to the members of the club and those who are interested. As ninety per cent of all education is secured through the eye, even in such intricate matters as golf strokes, it can be assumed that this visual education will be greatly enhanced by the use of the slow motion camera, which slows down action to one eighth normal speed.

Sarazen's form has been declared the most perfect combination of time tried principle and the modern innovations known to golf. His stance, grip and follow through are perfect and have carried this twenty-two-year-old boy to the highest honors in the ancient Scottish game. Analyzed and slowed down by the miracle of slow motion photography, his methods can be studied from the screen and in a few moments the golfer, whether duffer or professional, can learn more than would be possible from weeks of hard study on the course.

CONTEST CLAIM OF RECEIVER FOR HIS SERVICES

Members of Firm of E. G. Dovey & Son and Certain of Creditors Raise an Objection.

From Saturday's Daily. This morning Judge Begley was engaged in hearing the objections filed in the district court to the allowance of John F. Gorder, for \$4,400 for fees alleged to be due as receiver of the firm of E. G. Dovey & Son, from March 13, 1922, to June, 1923, he having received the sum of \$500 already in part payment.

The objections of H. N. Dovey, through his attorney A. L. Tidd, and in which George E. Dovey as well as the McCord-Brady company are included, were presented to the court and charge that certain items listed in the accounts of the receiver were for his gain and should not be allowed, including the cost of trips to Neosho county, Kansas, and other items. The plaintiffs also allege that the receiver sold certain lands in Neosho county, Kansas, for the sum of \$2,800 and that these lands were later transferred to the receiver by quit claim deed from the purchaser and which transaction they allege was made with intent to defraud the creditors of the firm. It is also alleged that the receiver failed to give a complete report of the amount of notes collected and daily interest on balances on accounts carried.

The receiver in answer states that there was no report made of all the notes, as a number of the larger ones were yet to be settled and collected and which would add to the resources of the firm and that for the same reason that the receivership was not settled, the interest reports on the bank accounts had not been filed. The sale of the land in Kansas was made, it is claimed, in the interest of the settlement of the affairs of the firm and not with any intent to defraud or deceive the firm or the creditors thereof.

UNCLAIMED MAIL. The following letters and postal cards remain unclaimed for at the Plattsmouth post office for the week ending Saturday, September 8th:

Mr. Ruh Fanver, Fred E. Dubay, Mr. Clyde Jones, Mr. Charles Cline, Mrs. P. E. Brown (post card), Mrs. H. M. Smith (post card), Mrs. Harry Wilson.

The above named will be sent to the dead letter office September 24, 1923, unless called for before that time.

J. W. HOLMES, Postmaster.

TOURISTS FROM A DISTANCE

From Saturday's Daily. The tourist season brings hundreds of tourists from all sections of the country through this city every day and to stand and watch the passing cars is to realize just how great has become this mode of travel and the enormous number of automobiles that are owned and operated in the United States. To show the wide range of travel, there was a car in the city yesterday from Butte, Montana, as well as one from Port Arthur, Texas, about as far apart in the country as could be found, one in the extreme north of the nation and the other lying along the Gulf of Mexico. Other states represented by cars were Utah, Illinois, Missouri, New York and Oregon which also is representative of the Atlantic and Pacific coast states, the extreme of the far west and the eastern coast states. Most of the tourists are now engaged in the homeward trek after a summer of gypsy life along the highways of the nation.

Senator Purcell attributed heavy grandstand attendance chiefly to the quality of the night attraction. The staging of Ernie Young's great musical revue each evening was an experiment. It is the most costly entertainment ever obtained for the fair.

"We have certainly proven amply to ourselves the wisdom of this investment," Senator Purcell said.

Sam G. Stone departed this morning for Omaha where he will spend a few hours consulting a specialist in that city.

The Ideal Purgative. As a purgative, Chamberlain's Tablets are the exact thing required. Strong enough for the most robust, mild enough for children. They cause an agreeable movement of the bowels without any of that terrible griping. They are easy and pleasant to take and agreeable in effect. Weyrich & Hadraba.

AUTO RACES HOLD UP ATTENDANCE AT STATE FAIR

Total Only Slightly Below that of Greatest Year on Record—Managers are Elated.

Lincoln, Sept. 7.—The auto races were the big factor in holding up the attendance at the fair today. Managers of the state fair board were convinced this evening that as a drawing card the gas buggies have it all over old dobbin.

This afternoon, after the judging had been completed, the mammoth "parade of the kings and queens," always a feature of the last day of the fair was staged along all the principal streets of the fair grounds. Their chests out with new-won honors, all the gentlemen and ladies of highest quality in the worlds of cat-fodder, pig-don, sheep-don and every other kind of 'dom lined up and marched behind the amalgamated bands, now and then casting a wicked royal eye or shaking a nasty regal foot as the hit of "You Got to See 'em" Mammy Every Night," tickled their ears.

Only one pickpocket case was reported today. A Lincoln man told police that a wallet containing \$200 was taken from his pocket while he stood in front of the moving picture theatre on the grounds.

"The board of managers is elated," said Senator E. R. Purcell, of Broken Bow, a member of the board. "I think it is easily the most successful fair ever held in the state. The total attendance exceeds every other year but one, and is under that year only slightly."

CASH PRICES. Heavy hens, per lb. 20c. Heavy Springs, per lb. 20c. Old Cox, per lb. 7c. Ducks, per lb. 15c. Leghorn Poultry 3c lb. less.

Farmers, Notice. WEDNESDAY is our regular buying day in Plattsmouth and we will be there on Sept. 12th, prepared to take care of all poultry offered us at the above prices.

W. E. KEENEY.
