WAR LOSSES

It has been suggested that it was really Great Britain who gained the nost from the war, inasmuch as she extended the boundaries of her farflung empire. She emerged from the conflict with the German colonies as tangible evidence of her success. Yet British publicist, casting gloomy and critical eyes over the condition of the empire asserts that his country really lost the war.

The new colonial possessions make heavy demands on England's flattened purse an drequire increased co-Arrested on the charge of having lonial armies.
