

# Alvo News

Ed Weideman has gotten his wheat sown and has it looking nice, and now is ready for the other work on the farm.

Joseph Vickers was a visitor in Omaha last week, accompanying a load of stock which he had on the South Omaha market.

Messrs S. C. Boyles and Carl Ganz were in attendance at the convention of the bankers at Cass county, which was held at Greenwood last Friday.

The ladies of the congregation of the Methodist church met last week and put the church building in excellent shape for the year's work just beginning.

M. Mannors is busy these time putting up his last cutting of alfalfa and getting ready for the gathering of his corn, which he expects to get at in a short time.

Miss Marie Stromer, who is attending the state university at Lincoln is spending last Sunday at the home here, and returned to her studies early Monday morning.

Al Stromer, who is the electrician of Alvo, is at this time concluding the wiring of one of the houses of C. C. Buckness and will have the lights installed in a short time.

John W. Banning, the new lumberman, with the assistance of Expressman Scott and Simon Rehmeier, unloaded a car of lumber last Thursday, it being one of a number which Mr. Banning is receiving to replenish the stock at his yards.

These are busy times for Roy Coatsman and Johnnie Skinner, as they are kept busy hauling stock and other goods to Omaha and Lincoln. Last week they did not miss one day in making a trip to Omaha with live stock with the single exception of Saturday.

Dr. Thomas Stout, who returned from a trip to the north which included Canada, was greatly impressed with that country and thinks highly of it, but thinks it cannot compare with the county of Cass in the state of Nebraska, and especially around Alvo.

See the ad of Arthur Dinges, of the Alvo garage, and drop into the garage and hear something of what is going on over the country, over the radio. Mr. Dinges handles the well known Crossley line of receiving sets and which are hard to beat, yet sell at a very moderate price.

Joseph Pilkington, who has been at the hospital in Lincoln for some time past, is now visiting at the home of his brother, James Pilkington for a while, and about Alvo, as his operation. Mr. Joseph Pilkington, whose home is at Arapahoe, will visit here for a short time before returning to his home in the west.

Mrs. Frank E. Cook and family have the sympathy of their numerous friends in Alvo about Alvo, as well as other places in this time of their grief at the loss of her mother, Mrs. W. A. Davis, who passed this life last week. Mrs. Davis was an excellent woman and her fine qualities are reflected in the life of her daughter, Mrs. Cook, whom to know is to love.

The old corn is just about gone in this vicinity. Simon Rehmeier, the elevator man, is shipping the last of his stock some 300 bushels, and had to make a bulk head in the end of a car of wheat for it. Of course he could have held it until he received some of the new crop, but the falling off in the price during that time would have amounted to considerable, even on 300 bushels.

Carl Johnson and the family departed last Wednesday for Iowa, where they will spend some time, and were accompanied by his mother, Mrs. Paul Johnson, better known as Grandmother Johnson, who will visit there for a number of months with relatives, having a son, Robert Johnson there with whom she will visit. Carl Johnson and the family will return after a short visit.

## Home Again After Vacation

The five young men who went to the northwest last week to hunt and fish are home again and feeling pretty good, thank you, they having had an excellent time while away. They would have liked to stay another week, but business at home was pressing a little too hard to be neglected. Arthur Dinges, one of the party said he had to work like a hen with one duck beforehand in order to get the business out of the way to go, and since he has been back, he has hardly had time to look over his mail, but is getting caught up in a way, though still very busy.

## Provide a Merry Evening

The Holly Neighbors, a social institution of Alvo, made a most pleasant evening last Wednesday at the home of Mr. and Mrs. Carl Ganz when they surprised the popular couple and celebrated at the same time, the passing of the fifth anniversary of their wedding. A large crowd was present and a most pleasant time was had. They had not neglected to provide some very delightful eats for the occasion which added much to the enjoyment. They remembered the couple with a beautiful electric grill as a remembrance of the occasion.

## Presents School with Bell

S. G. Kellogg, who is having the former Alvo school building, which he purchased when the new building was completed, made into a dwelling, has presented the board of education of the consolidated district which comprises the Alvo school, with the bell which did service at the old building in the other days. The board of education and the patrons of the school are highly appreciative of this useful donation and express their thanks to the donor, Mr. Kellogg.

## PLAN DECORATING SCHEME

Following the visit here yesterday of representatives of the Shenandoah (Iowa) Flag and Decorating company, the American Legion post here has become interested in a plan of uniform decoration for the business section of the city and which is being earnestly advocated by a large part of the business men of the city to add to the appearance of the city on special occasions.

The plan is to have a metal housing set in the sidewalk in front of each of the business houses. These flag poles are removed and by means of this system the street could in a few moments be made ready for any special occasion requiring decorations and present a real attractive appearance.

A number have urged that the system be extended as far west as high school hill where the uniform rows of fluttering flags would make a very fine appearance.

This plan of uniform decoration is in use in Hastings, York and Superior and also at Nebraska City and was one of the attractive decorative schemes used by the Hastings people during the recent state Legion convention.

## A Remarkable Record

Chamberlain's Cough Remedy has a remarkable record. It has been in use for almost half a century, and has constantly grown in favor and popularity as its good qualities became better known. It is the standard and main reliance for these diseases in thousands of homes. The fact that it can always be depended upon and is safe and pleasant to take are greatly in its favor when it is wanted for children.

## MAN WANTED

Wanted: Man in western part of Cass county, married man preferred, over 25 years of age with car who likes clean outdoor work and wants a steady and permanent job that will earn him \$2,000 per year and up. Write if interested. 301 So. 7th St., Nebraska City, Nebr.

## Alvo Gets World Series

Two places in Alvo have been receiving the games of the world series between the Giants and the Yanks just as they were played in New York via radio from Station WJAW, Omaha, and which were furnished through courtesy of the Omaha Bee. One of the places was the garage of Arthur Dinges and the other the office of Simon Rehmeier and J. W. Banning who office together. The fans, and there are a good number in Alvo and vicinity, were listening in on the game when the Journal man was there last Thursday and were much interested and especially when Babe Ruth made the two homers.

## Give Pastor a Reception

The people of the Methodist church and of Alvo in general on last Friday evening gave to the Rev. Norlin, the new minister of the Methodist church, a welcome reception at the church which was one of frank openness in their welcoming of this gentleman to this community, where

# HENRY FORD IS CANDIDATE IN NEBRASKA

NAME ON PRIMARY BALLOT IN APRIL TO STAND, SAYS SECRETARY POOL.

## FINANCIER SEEMS TO ACCEPT

Letter from Secretary Indicate Willingness of Auto Magnate to Permit of Voting.

Lincoln, Oct. 11.—Henry Ford today virtually accepted the filing of his name as a candidate for president on the progressive party primary ballot.

Ford's secretary wrote to Secretary of State Pool, replying to a letter from Pool, relative to the petition. Pool informed Ford that unless he filed a formal withdrawal his name would go on the progressive party ballot next spring as a candidate for president.

"I interpret Mr. Ford's answer to mean in effect that he is willing for his name to go on the ballot next spring," said Secretary Pool. "I will regard him as a primary candidate unless he files his formal withdrawal."

## Must File Withdrawal

Petitions to put Ford's name on the ballot were filed several weeks ago by Roy Harrop, Omaha, secretary of the progressive party.

According to the Nebraska law, when a legal petition to place a candidate's name on the primary ballot for president is filed with the secretary of state, that candidate's name goes on the primary ballot unless he files formal withdrawal.

In the letter received today by Secretary Pool from E. G. Leibold, Detroit, Mich., Ford's private secretary, there is no indication that Ford is opposed to the filing or that he will not be a candidate.

## The Letter

The letter indicates he is in a receptive mood. It follows:

"On behalf of Mr. Ford, the writer desires to acknowledge receipt of your letter of September 15, and to thank you for the information it contained.

"We have had some previous news relative to the filing of this petition, but thank you nevertheless.

"We have been very much interested in knowing the figures received, showing the November, 1922, vote in Nebraska."

Secretary Pool said the statement about the election figures referred to statistics he sent in his letter to Ford.

## FAIRVIEW NEWS ITEMS

Philip Tritsch is able to be around again after having quite a tussle with neuritis.

Mr. and Mrs. Ray Mayfield have had as their guest the past few days, Mrs. Neadall Omaha, a sister-in-law of Mrs. Mayfield.

Bernice Horn is spending her vacation from business college in Omaha at the home of her parents, Mr. and Mrs. Philip Horn.

Mr. and Mrs. Geo. Privett had as guests Sunday, Mr. and Mrs. P. A. McCarty and family of Plattsmouth and Marshall Miller, a cousin from Admire, Kansas.

A number of the farmers are taking precaution against hog cholera by vaccinating. While there is no disease in the immediate community they believe in safety first.

The community paper will still be edited this year, the editorial staff being Herman Hennings, Miss Brady, Earl Becker and Bernice Horn, with Mrs. Privett and Ray Mayfield as reporters for local papers.

An impromptu musical program was given of both vocal and instrumental numbers. The meeting was closed by refreshments being served by Mrs. Fritz Henni and the Misses Annie, Minnie and Helen Otterstein and Mrs. Will Kelly.

What sewing is in progress by all farmers in this community. Owing to the wet weather and Hessian fly they are later than usual, but all report a fine seed bed. So that, with a few warm days, the country will be like a green blanket.

Fairview has had its school re-painted inside and out and new black boards as well as sanitary towels have been furnished. This and the fine musical equipment of the school makes it a social center of the community. The county may well feel proud of it as a rural school.

Last Thursday evening Mr. and Mrs. Philip Horn entertained a large number of friends in honor of their son, John's birthday, some fifty being present. The jolly crowd spent the evening in the singing of songs and dancing until a late hour, when delicious refreshments were served by the hostess. At a late hour all wended their way homeward declaring Mr. Horn and family to be royal entertainers and wishing John many more happy birthdays.

The Fairview community club held its first meeting of the year last evening with a record attendance to elect officers and various committees for the ensuing year. Philip Tritsch was re-elected as president and Philip Horn as vice president. Vera Rhodanz was made secretary, succeeding Bernice Horn, who has been secretary for the past year. Mrs. Privett was elected chairman of the program committee. Several were heard

from in 3 minute talks on the good roads of our community and a committee of Henry Heil, Earl Terryberry and George Privett was appointed to look after them and bring the attention of the county commissioners to them.

Jacob Tritsch of Lincoln was a visitor in the Fairview neighborhood Saturday driving down in his car to spend the day with his relatives and many friends in this locality.

Ray Mayfield and wife are rejoicing over the arrival at their home of a fine bouncing baby boy. All concerned are going nicely and receiving the congratulations of their friends.

Miss Brady, teacher in the Fairview school was a visitor over Sunday at Lincoln with her relatives.

Miss Marie Horn is spending a few days in Omaha with friends and enjoying the sights of the state metropolis.

Ray Mayfield had a very close call from very serious injury this week. He was riding in a wagon when the endgate of the wagon suddenly came loose and caused him to fall out of the wagon, alighting on his head and badly bruising and shaking him up but very fortunately there were no dangerous injuries.

## OWEN'S ATHLETES HEAD FOR LINCOLN

Football Squad and Cross Country Team to Compete With Cornhuskers Saturday.

Norman, Okla., Oct. 11.—Thirty Sooner athletes and three coaches left Norman Thursday in a special car for Lincoln where both the Husker cross country and football teams will be met Saturday in the first intercollegiate athletic contest of the season for the Sooners.

Twenty-four of the men are football players and six are cross country runners. Owen made no change in his probable lineup for the Saturday game and added but one man to the list to make the trip. He is King Price, end.

Coach John Jacobs' six cross country men are Captain Joe Scott, Ruthertford, McElyea, Starr, Denby and Kimball.

Ruthertford has the best time of the six with a record of twenty-nine minutes, thirty seconds over the seven and a half mile course. McElyea is five seconds slower than that time and Starr and Denby are the slowest of the six with thirty-one minutes.

The Sooners will arrive in Lincoln at noon Friday and will have a light snappy signal drill Friday afternoon Owen said.

## LESS STUDENTS NOW SPURN HIGH SCHOOL

Statistics Show Increased Attendance at End of Seventh and Eighth Grade Preliminary.

Chicago, Oct. 11.—If the boy or girl who formerly "quit school" at the seventh or eighth grade is not actually becoming extinct his ranks are being decimated annually, according to reports covering an average ten year period compiled from the offices of public instruction in ten central states.

While the figures do not unqualifiedly represent the increased proportion of grade school students entering high schools—the factor of increasing population applying largely in newer states—they do indicate that the former gulf existing between the eighth grade and high school tendence for the period was taken as the medium for estimate. The average increase figure for the decade was found to be 95.4 per cent, with extremes ranging between 1,000 per cent, the figure reported by Oklahoma, to 40 per cent, that of Iowa.

Very little increase in the number of graduates from 11,856 in 1913, to 36,000 in 1923—an advance of 203 per cent, while in South Dakota the total number of high school students in 1922, 19,683, represented a jump of 162 per cent from the 7,509 enrolled in 1912.

Vernon Reigel, state director of education for Ohio, gave the increase in that state as 120 per cent, an advance from 80,609, the figure for 1912, to 178,705, that for 1922.

Voicing the belief that the showing in his state was particularly

## PUBLIC AUCTION!

The undersigned will sell at public auction on the old Harmon Bestor farm, six miles west of Plattsmouth, on the Louisville road, sale starting at 1:00 p. m. sharp, on—

# BEER AND WINE FAVORED BY THE LABORING MEN

AMERICAN FEDERATION IN CONVENTION REAFFIRMS ITS STAND ON MATTER.

## IS BETTER THAN MOONSHINE

Bootleg Whiskey Scored by Delegates as well as Zealous Enforcement Tactics.

Portland, Ore., Oct. 10.—More whiskey glasses are being made now than in prohibition days, "and they are not for ornaments," said William P. Clark of the Flint Glass Workers' union in a debate today at the convention of the American Federation of Labor, preceding action reaffirming the federation's former declaration for modification of the Volstead act. Clark said that when prohibition went into effect, the manufacture of beer glasses dropped off, but that whiskey glass making increased by leaps and bounds.

Steve Sumner, of the Chicago Milk Wagon Drivers' union declared, "Now, he added, "I learn the reason why they are making whiskey glasses instead of milk bottles."

Delegate John J. Kearney of Boston interrupted Sumner to ask: "Is it because a man gets drunk that he is no good, or because he's no good that he gets drunk?"

Sumner failed to answer.

C. Dominick d'Alessandro of Quincy, Mass., general president of the International Hod Carriers, Building and Common Laborers' union, asserted the whole question was one of business. "The bootleggers and the soft drink people are in favor of prohibition and so are the milkmen," he said.

## UNFORTUNATE INCIDENT DURING SCHOOL PARTY

Last Friday evening while the Juniors of our High school were holding a class party at the home of Mr. and Mrs. R. L. Panska, a very unfortunate incident occurred. During the course of the evening five young men who are in no way connected with the school, proceeded to tamper with the automobiles there, endeavoring to put them out of commission. Being detected in the act, they proceeded to cast missiles of various sorts at the assembled Juniors. One of these missiles struck Miss Mary Wade in the eye, causing a serious injury. Hearing her scream the young men jumped into their auto and sped away in the dark. Miss Wade was brought to town and has been under the doctor's care since and has had to consult a specialist. At this writing the extent of her injury cannot be stated.

During the same evening these same young men tampered with autos of the Seniors at the High school and also broke into the school house and in some way demolished a glass in a transept. At the Ralph Green home where the Sophomores were gathered a door was broken open and some food and dishes were pilfered.

The boys who perpetrated these acts are known. They are not bad young men but for the time being seemed to be possessed of the mob spirit. They did not stop to think that they were committing crimes and they have no intention of harming anyone. Aside from the injury to Miss Wade, the infractions of the law are trivial.

We are expecting these young men to make good, as far as possible, the damage they have committed.—Elmwood Leader-Echo.

## How Better Than Pills?

The question has been asked, "In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills?" Our answer is, they are easier and more pleasant to take and their effect is so gentle that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.

## SEVENTY LIFE TERMERS IN THE STATE PRISON

One-Eighth of the Total Population of Warden Fenton's Charges Doomed to Die There.

Seventy inmates of the Nebraska state penitentiary are there for life. This represents approximately one-eighth of the total population of 575. In addition, there are three murderers fighting against a trip to the electric chair to which they were sentenced. Their appeals are pending. Leroy Malron and Sol Wesley, both of Omaha, are listed for electrocution, along with Walter R. Simmonds, Boyd county.

Frank Marshall, convicted of murder in Lancaster county and received April 21, 1902, is dean of the life termers. He has served nearly twenty-two years and is now in his sixty-third year. Marshall has six years on the next oldest life man in point of service, John G. Hamblin, Hall county murderer, was received in 1908.

That major crime has been on the increase during the past few years, is indicated from a glimpse at the records. Seven life termers have been received to date during the present year. Seven were received in 1922 and eight in 1921. This shows an average for a three year period of better than seven convictions a year for murder and does not include those who have paid the supreme penalty.

Warden Fenton, himself a supreme court, each day hears a score or more requests and petty grievances. He gives a sure and certain verdict. At times this is accompanied by a lecture. He holds court until every man who desires a hearing has been satisfied. His word is final and his rulings are not questioned.

He carries in the back of his head the standing of every inmate. The man who grades low in conduct gets little or no consideration.

## Schafer Brothers' Boar and Gilt Sale!

To be held at the Otto Schafer farm, nine miles northwest of Nehawka, and nine miles northwest of Weeping Water, on

**Friday, October 19th,**  
commencing at one o'clock, with free lunch at noon.

35 boars and 15 gilts will be sold, all sired by such boars as "Walt's King of All," "A High Sensation," "High Colonel," "Smooth Orion Sensation." Our grand champion boar at the county fair this season will sell, also his litter brother.
