**LEGION AUXILIARY HAS VERY PLEASANT MEETING**

From Saturday's Daily—  
Yesterday afternoon the American Legion Auxiliary was very pleasantly entertained at the home of their president, Mrs. F. R. Gobelman, on South Fifth street. The ladies enjoyed a very full and complete report of the recent state convention of the Auxiliary at Hastings, given by Mrs. A. H. Duxbury, one of the delegates, and who had transcribed the proceedings of the convention in shorthand.

The ladies of the Auxiliary also decided to sponsor an essay contest in the sixth, seventh and eighth grades on the subject of the placing of a limit of five years on immigration to the United States and during which time there should be no immigrants permitted to land here. The ladies will give a gold medal and four other suitable prizes for the contest. At a suitable hour, Mrs. Gobelman, assisted by Mrs. George Privett served very dainty and delicious refreshments that were very much enjoyed.

**CASS COUNTY BANKERS HAVE A FINE TIME**

**HOLD MEETING AT THE MASONIC TEMPLE AT GREENWOOD YESTERDAY.**

**OFFICERS FOR YEAR NAMED**

Phil Hall, Greenwood, President; W. G. Boedeker, Murray, V. P.; Frank Cloidt, Secretary.

From Saturday's Daily—  
The Bankers association of Cass county and their ladies auxiliary, composed of the wives of the members and the ladies employed in the various banks, held their semi-annual meeting at the Masonic temple in Greenwood where they were the guests of the bankers of that city for the day.

The members of the association from this city speak in the very highest terms of the delightful hospitality that was accorded them by the members of the banking fraternity of Greenwood and they will always remember with pleasure their gathering at the attractive little western Cass county city.

The ladies held a session in the afternoon at which they adopted a resolution urging the bankers of the county to start a campaign among the children for thrift and for a whole-hearted co-operation with the bankers in the work of instructing the children in the cultivation of thrift among the young people.

The formal meeting of the association was marked by the address of welcome by Col. Phil L. Hall of the First National bank of Greenwood and to which Mrs. Henry Guthmann of Murdock responded very effectively.

The afternoon session of the association was addressed by W. P. Ryons of the First National bank of Lincoln on "The Financial Outlook" and "What We Are Doing," by E. J. Dempster of Geneva, a member of the Guaranty fund commission and also by K. C. Knudson, secretary of the department of commerce and trade, who has charge of the matters in which the bankers of the state are interested as this department has supervision of the various state banks.

At 6:30 the bankers and the ladies were invited to the parlors of the First Methodist church where the ladies of the church had prepared a fine fried chicken dinner and which was voted one of the finest that the bankers have ever enjoyed at any of their gatherings.

The parlors were suitably arranged with fall flowers and candles on the tables that made a pleasing feature to the decorative scheme.

H. K. Frantz of the Bank of Eagle and former president of the association, presided over the banquet and in his very clever and genial manner introduced the various speakers on the toast list. "The Ladies Auxiliary of the Cass County Bankers' Association," was responded to by G. S. Aldrich of the American State bank of Elmwood in the usual pleasing manner of Mr. Aldrich, "Our Path of Roses," by Carl Ganz, cashier of the Farmers and Merchants' bank of Alvo, "New Decisions on Par Checks," by C. E. Butler, cashier of the Nebraska State Bank of Weeping Water, "The Meditations of a Conscience Banker," by Henry Guthmann of the Bank of Murdock. The formal address of the evening was made by A. G. Cole of Plattsmouth, vice president of the First National bank, who had as his subject "Yes, We Have 'No Fund' Checks." Mr. Cole, however, did not confine himself to the discussion of the "no

**NEW TRAIN SCHEDULES AFFECTING CITY ANNOUNCED**

**Both Missouri Pacific and Burlington Make Changes in Running Time of Trains Here.**

From Saturday's Daily—  
The Plattsmouth citizens will be interested to learn of a number of changes to be made by the Missouri Pacific and the Burlington railroads in the running time of their trains which will affect this city.

The Missouri Pacific announces a change in train time effective Sunday and which in some trains will make quite a difference in time. Northbound train changes are as follows:

No. 105, now due here at 6:13 a. m., will reach here at 6:20 a. m.; No. 103, due at 3:20 p. m., will be here at 3:19 p. m.; No. 107, now due at 7:39 p. m., will reach here at 7:35 p. m. Southbound trains:

No. 104, now due at 8:52 a. m., will be here at 8:35 a. m. This train will make some difference in the southbound mail, which will leave the postoffice here at 8:15 a. m. each morning. No. 108 will leave at 2:35 p. m. and No. 106 will reach here at 12:15 a. m. instead of 12:13 a. m. as in the past.

On the Burlington changes have been some very radical departures from long established schedules, which, while they are probably more to the advantage of the railroad company as eliminating cost, will not be as acceptable to the traveling public as at present.

No. 24, now leaving Omaha at 12:30 p. m. which arrives at Plattsmouth at 1:15 p. m., will be placed an hour later on the new schedule and leave Omaha at 1:30 p. m., arriving at Plattsmouth at 2:15 p. m. and Pacific Junction at 2:30 p. m. No. 23, northbound to Omaha, which now leaves Plattsmouth at 1:58 p. m., will not leave here until 3:05 p. m. and will reach Omaha at 3:50 instead of 2:45 as at present.

Changes in the connections with the Schuyler and No. 3 at Pacific Junction will be cared for by the regular train schedule and the "stub" which Charley Johnson has operated for years between Pacific Junction and Oreadopolis, will be taken off at present.

Trains No. 1 and 10 between Chicago and Denver, will be discontinued on October 27th in keeping with the usual winter schedule of the Burlington.

All changes will be effective on October 28th.

**W. C. T. U. IN CONVENTION**

**Sheriff C. D. Quinton Tells Body There is Less Booze in Cass County and the State.**

From Saturday's Daily—  
The Cass county W. C. T. U. met at the Eagle school house Saturday morning October 6. The convention was well attended by delegates from all the unions in the county except Louisville, which sent greetings. After attending to routine business in the morning, dinner was served in the sewing room, where three large tables were set to accommodate sixty-two persons.

The afternoon session was given over to Sheriff Quinton, State Enforcement Officer Carrol of Lincoln, both of these gentlemen saying there is less booze in the county and state than a year ago. The outlook is encouraging; we are beginning to win our fight; but that this is not the time to lay down on the job.

There also was a good talk by Rev. Evans of the Congregational church of Weeping Water on the use of narcotics by boys in the grades. He holds that the greatest menace to the physical welfare of our future citizens is the cigarette.

Mrs. Guy Lake of Wabash and Mrs. Leffel gave interesting talks. Among other good things that the convention did was to vote for one of our members, an elderly lady who lost everything except her life in the Louisville flood.

The work shows a steady growth in all branches, and we hope the day is not far distant when the educational lines along which we are working shall bring forth an abundant harvest in a better man and womanhood, both physically and spiritually.—Eagle Beacon.

**RUNAWAY BOY RETURNED**

From Saturday's Daily—  
Sheriff C. D. Quinton yesterday was at Blair where he took Meredith Follen, a fourteen year old boy who was picked up here Wednesday evening by Chief of Police Jones and turned over to the sheriff. The boy had run away from his home in Blair and his absence had been causing his mother a great deal of worry in the few days that he had been absent. The message from the sheriff to the authorities at Blair and the mother of the boy quieted the anxiety felt at his home for the safety of young Follen and a ticket was telegraphed here for his return, but the sheriff wisely decided to take no chances on the boy following up the wanderlust and accordingly accompanied him to Blair and saw that he was safely delivered to the anxious mother.

**HELPFUL WORDS!**

From a Plattsmouth Citizen Who Has Had Experience  
Is your back lame and painful? Does it ache, especially after exertion? Is there a soreness in the kidney region? These symptoms suggest weak kidneys. If so there is danger in delay. Weak kidneys get weaker fast. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys. Your neighbors use and recommend them. Ask your neighbor. Read this Plattsmouth testimony.

G. T. Archer, formerly a painter, and now one of the proprietors of the soft drink parlor at Sixth and Main streets, says: "As a rule all painters are bothered with disordered kidneys because of the fumes of the turpentine. This always affected my kidneys when I have had inside work to do. I have had to get up as often as every hour of the night to pass the secretions. Sometimes when going up or down the ladder I had sharp stitches take me in my kidneys that felt like needles. I have always found Doan's Kidney Pills a reliable medicine. A few have always given relief and kept my kidneys in good and active condition. I wouldn't be without Doan's." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Archer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**MARION H. CHANCELLOR CALLED TO HIS REWARD**

**Passed Away at Home in the South Part of the City Yesterday as a Result of Cancer.**

From Saturday's Daily—  
Yesterday at his home in the south part of the city, Marion H. Chancellor, aged 58 years, passed away following an illness of some duration from cancer of the stomach. Mr. Chancellor, who has made his home here for only a short time, leaves to mourn his death, the widow and several children.

Marion H. Chancellor was born in Spencer county, Indiana, on the 1st day of December, 1865. On the forenoon of October 12th he entered into his reward and eternal rest being 57 years, 10 months and 11 days old.

In the year 1906 he moved to Lilbourn, Mo., where he made his home until 1916, when he removed to New Port, Arkansas, remaining there six years. A little over two years ago the family came to Nebraska, locating in the neighborhood of Nehawka.

About the 1st of February this year he took down with severe stomach trouble which developed into cancer. He was taken to the hospital two different times, where he received the best of medical attention and where an operation was attempted, but without success. About a month ago he was brought to the home of his daughter, Mrs. Finnefrock on South Lincoln avenue, where he was carefully and lovingly cared for till the final summons called him home.

Mr. Chancellor was a member of the Methodist Episcopal church, being converted and joining that church when about 19 years of age. During the time he has belonged to the church, he has served as superintendent of the Sunday school for six years, has always worked in the choir and held other offices of trust as a good layman. Just a few hours before going, he enjoyed the rare privilege of a few moments of spiritual exaltation in which he was assured of the rewards of the service he had rendered to the Heavenly Father.

On September 22, 1890, he was married to Birdie Bash. Nine children came to bless their home. The two oldest, Ray and Florence, have preceded their father into rest. Those left to mourn with their mother are Jesse, of Newport, Arkansas; Sadie Finnefrock, of Plattsmouth; Helen Lanum, of Nehawka, and Johnnie Meredith, Eugene and Mary Ina at home. Besides these of the family there is one brother, Joshua, of Huntington, Ind., three sisters, Mrs. J. H. Benedict, of Sturgis, Ky., Mrs. G. C. Hancock of Owensburg, Ky., who has been privileged to spend the last few weeks with her brother, and Mrs. W. R. Roetzel, of Russell, Arkansas.

Funeral services from the home of the daughter, Mrs. Finnefrock, on South Lincoln avenue, Sunday afternoon at 2 o'clock.

**WOULD DO TO FARM NO GOOD BUT HARM**

**Fixed Price for Wheat an Aggravation to Producers' Burdens, Sec'y Wallace Declares**

Kansas City, Mo., Oct. 11.—A fixed price by the government on wheat would only aggravate the farmers' burdens, Henry C. Wallace, secretary of the United States department of agriculture, said in an address today to delegates of the seventeenth annual sessions of the international farm congress in progress here.

"Any fair price that might be fixed," Mr. Wallace said, "would be a stimulated price and would do more harm than good. For three thousand years, governments have tried to adjust prices and, in an exhaustive study of their methods and the ends attained, I failed to find a single success."

To buy and hold the surplus grain would be harder on the specialized grain farmer than the price condition that now exists, for next year and every year there would be a surplus. Hence, to buy the surplus one year only postpones the situation the farmer will have to face later."

Mr. Wallace made a prediction that a solution of the farmers' problem soon would be forthcoming from the United States government.
