ARMISTICE DAY **BRINGS MEMORIES**

American Arms on Foreign Soil and the Nation's Service.

From Monday's Daily-

which marked the close of the hos- terms, tilities between the allied nations and the central empires of Germany, Austria and Turkey, the nation stops to ponder for a moment of the sacrifices of the great war and the need peace. for a move to make for world peace that will banish war.

those who were in the most intimate touch with the great world struggle came back from the battlefields of Europe inspired by the hope of the great struggle being the last war of the nations and the dawn of a lasting peace. This was the hope of the stricken peoples of the old world, of Frenchman and the Austrian, but the sacrifices of the men of the armies, of the men and women at the home firesides have been buffeted by the political forces of the world so that the advantages that had been From Monday's Daily-
