Those present were besides the host, Mr. Mont Shrader, Messrs. and Mesdames, Charles Cremer, Charles Wolfe and Oscar Shrader and family.

## Nehawka Properly Celebrates

The American Legion of Nehawka which is a body of young men with the necessary American pep presented a program to those who in great numbers attended the celebration of Armistice day last Saturday and which was greatly appreciated by all. The amusement was well worth the while. The first of the program was the obstacle race and was won by Louis Ross who received the ten gallons of gasoline presented by Olaf Lundberg. The second prize in this was won by George Lopp. In the boys race the first prize was won by George Waldo, and the second by Weldon Switzer. The prizes were donated by J. H. Steffens. In the girls' race the first prize was won by Miss Vera Martin, the prizes being donated by Frank P. Sheldon.

The tug of war between teams selected by Z. W. Shrader and Winfield Scott Norris caused much amusement and everybody was greatly excited over the event. With some twenty men many of the giants in the struggle it made a strong pull. The team of Mr. Shrader won by dint of hard work and all pulling together. The slow race was won by Herold Stoll while the sack of flour in the free for all race was won by Melvin Sturm.

The revenue of the legion was augmented by the court martial when the people of the town and those celebrating were found guilty of infractions of style and decorum and things against the dignity of the thriving city. J. M. Palmer was apprehended and brought before the court by the military police and fined two bits for wearing his Sunday smile on Saturday and admonished to have but one for all occasions. We think Jim intended to do this and perhaps it was only a lapse of memory on his part. Thomas Mason was

also fined and his offense was smoking in the presence of the men engaged in the tug of war. These two gentlemen and others to the number of perhaps twenty-five or thirty offenders all happily desponded with their fines and thus the cause was furthered. Withal the day was most pleasantly spent and with the picture show in the evening was made complete.

## Parent-Teachers' Ass'n Meets

The first meeting of the year of the Nehawka Parent-Teachers' association was held at the school house on Tuesday evening. Mr. Burby at the opening of the meeting stated the condition of affairs and said that he felt that the association was a good thing and should be continued. However, because of rather poor support as a whole last year it was a question whether it should be continued. Mr. Burby thought that it was more of a parents meeting than a teachers organization and that if the parents were not interested it would be better to drop the association.

The question was put to a vote and most of those present thought that it should be continued. Officers were then elected for next year the result being as follows: President, Mrs. E. M. Pollard; vice president, Mrs. J. W. Burby; secretary, Mrs. St. John; treasurer, Mr. Leo Switzer.

It was voted that the president and vice president with three others appointed by them should constitute a program committee for next year. The program for the evening consisted of reports from the teachers of some of the things which they had learned at the convention. After these reports a fine lunch was served by Mr. and Mrs. Chasmer Switzer, Mr. and Mrs. J. W. Magnay, Mr. and Mrs. R. H. Ingwerson. The next meeting will be held at the school house on the second Tuesday of December, the date being changed from the first Tuesday of the month.

Mr. Burby, Miss Scott and Miss Dickinson went to the Omaha district while the other teachers went to Lincoln. The teachers who will earnestly attend these meetings will greatly benefit the most many of the students benefit the community by such attendance.

School Notes Gail Kettlehut has been quite sick and will probably be out of school for several days. Report cards were given out in the grades on Wednesday. The high school held a short Armistice day program for convocation on Wednesday. Patriotic songs were sung and verses given. Those taking part in the program were Miss Esther St. John, Miss Isadore Stone, Miss Dorothy Sturm and Miss Helen Owen, while Miss Hazel Carper assisted at the piano. It was intended to have a legion man speak to the students.

Roy Waldo was ill and unable to play basketball Wednesday evening. The school has purchased a new basketball. One of the other valuable additions to the school is a balootican—a machine to reflect ordinary pictures and photographs on the wall.

The boys were divided into two groups for the basketball game on Wednesday evening. Marlon Stone was captain of the Cardinals while Lucian Carper was captain of the Reds. The school teachers played the girls game.

Season tickets will be out soon for the basketball games. The prices this year will be the same as last although there will be two more games, thus making the admittance a little less.

Hiking Club Organizes The girls in school decided that they would like to have a hiking club and under the leadership of Miss Dorothy Greenhalgh one was started Wednesday morning. The following officers were elected: Isadore Stone, president; Venice Griffin, secretary; Esther St. John, treasurer.

They were divided into two groups Velda Wessel being one leader and Shirley McConnell the other. A contest between the two groups is to be held. Every time a girl goes with her group it is credited with 50 points. The group which gets the most points will get a reward from the other group. Also the individual high scorer will be suitably rewarded. Short hikers will be taken at first while longer ones will be enjoyed later. It is planned to go every Thursday after school.

## EX-KAISER IS STILL EXILE IN HOLLAND

Sticking Closely to Castle at Doorn With No Indication of an Intention to Regain Throne.

Doorn, Holland, Nov. 13.—William Hohenzollern, the former German emperor, goes calmly about his customary tasks at Doorn house, notwithstanding the reports which have gone abroad that he was preparing to depart for the fatherland. It is asserted that there is no foundation for the report that he and the members of his entourage have been granted passports for a journey to Berlin or elsewhere in Germany, and those close to him declare that he has no intention of leaving Doorn.

Dr. Kan, of the Dutch ministry of the interior, who had a long conference with the former emperor yesterday, may have had something to do with the announcement that the former emperor would continue to reside in Holland, for it is believed that the purpose of his visit was to inquire into the ex-kaaiser's position and to reiterate in view of the crown prince's hasty departure the difficulties that might face Holland at the hands of the allies if the head of the house of Doorn followed in his son's footsteps.

Des Moines, Ia., Nov. 13.—Clifford Thorne, economic expert and counsel in many notable railway tax cases, died today in London, according to a cablegram received by his father, the Rev. William Thorne of North Liberty, Ia. Mr. Thorne was on a trip around the world with his wife and daughter in an effort to regain his health. Death was due to pneumonia. Mr. Thorne had practiced law in Chicago since 1917, but he also maintained a residence at Washington, Ia., and he was a candidate last year for the republican nomination to the United States senate to succeed W. S. Kenyon. He finished second in the primary, behind his fellow townsman, Smith W. Brookhart.

Also he was only forty-five years old. Mr. Thorne was nationally known as an authority in matters of taxation and economic legislation. He was a member of the Iowa railroad commission from 1910 to 1917 and the author of two notable pieces of Iowa legislation—a law creating the office of state commerce council and another against unfair competition in prices of commodities for the purpose of destroying competition. The former was the first law of the sort in the United States.
