LEGION MEMBERS HAVE SMOKER AND 'FEED' LAST NIGHT

Meeting and General Social Time Enjoyed by Many of Members at the Club Rooms.

From Tuesday's Daily—
Members of the American Legion and former service men were entertained last evening at the club rooms in the Leonard building very pleasantly and a goodly number of ex-gobs and doughboys were on hand to enjoy the "smokes" and visit with each other while the handsome and attractive refreshment committee was providing the entertainment for the latter part of the evening.

At the business session it was decided to have the club rooms provided with a number of pieces of new furniture that will make them more attractive for the members in the long winter evenings when they are in the club base burner they may recall the days of '17 and '18 and find in the Legion rooms the place of common accord and enjoyment.

The membership of the post will be divided into two sides for the membership campaign. Robert Reed was selected as the leader of one side while Fred Lugsch was named as the leader of the other side and the contest will be carried on with vigor and with the goal in view that the losing side must provide a "feed" for the winners and the 1924 members.

Resolutions were adopted by the post thanking the public for their generous help and patronage at the indoor carnival and especially those who assisted in their personal work and entertaining at the event as well as the committee of the post that had charge of the affair.

Following the business session the members were invited to the mess hall where a regulation "feed" of sandwiches, coffee and wafers was served. It was a late hour when the party disbanded and wended their way homeward.

GLENWOOD BAND CONCERT PROVED VERY PLEASING

From Tuesday's Daily—
Those who tuned in on the Glenwood radio band concert last night were not disappointed. This concert was of particular interest to Plattsmouth listeners because of the fact that Ed Schulhof, of this city, is director of the Glenwood band. The different numbers rendered were all very pleasing and the duet, "Carcheta" in which Mrs. J. D. Ironmonger, also well known here, took part, was exceptionally good. This is the Glenwood band's second appearance before the microphone in Station WOAW, and Director Schulhof's third as he was present with the Plattsmouth band, which he also directs, several months ago.

The 17th Infantry band will be on the 9 to 11 concert hour tonight, and among the high class selections they will play is "Atlantis," the four-part number which is filled with pretty solo parts and runs.

WHO WILL GET THE BABY?

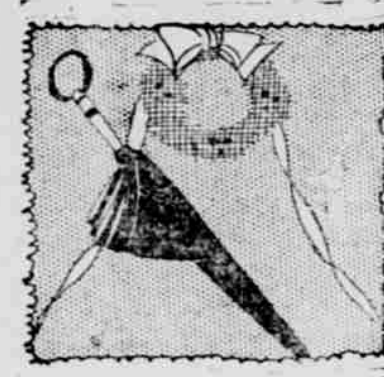

The People's Market is being deluged with the interested contestants for the live, white baby that will be given away Saturday evening and the interest shown is stirring up Louis Ackerman, one of the members of the firm, so that he is having to keep up and going in looking after the rush of votes that are coming in the store every day.
