Garfield Park Seems Choice of Concert Fans

Ballots Cast on Location of Concerts by Band Favor the Park Location Two to One

The question of where to hold the weekly concerts given by the Elks band this season has been before the residents of the city as there were several different locations mentioned for the concert chief among which was the court house lawn and Garfield park.

This was a matter in which the Chamber of Commerce decided to allow the general public to determine and for this reason a ballot was printed in the Journal for several days and the citizens urged to make their choice, the votes being taken up and counted this morning on the question of band location.

Local People Have Thrilling Experience

Fred Rabb and Sister, Mrs. Margaret Rucker, Witness Drowning of Friend, in Omaha.

Fred Rabb, of this city, and his sister, Mrs. Margaret Rucker, of 1917 South 19th streets, Omaha, were members of a pleasure party of some sixteen Sunday afternoon and whose pleasure was marred by the fact that one of the party was the first Omaha drowning fatality of the 1929 season.

Mr. Rabb and his sister and Mrs. Ross Roberts had secured a row boat and were enjoying the boating on Carter Lake for the afternoon and while the party were rowing back to the shore, at a point about 150 feet from Sandy Beach, Roberts announced to his wife that he was tired of rowing and would swim out into the beach.

A squad of the Omaha police, aided by lifeguards at Carter Lake and volunteer workers from among the bathers along the beach worked for two and a half hours before the body of Roberts was finally located and brought to the surface. Efforts to revive the man with a pulmonary were fruitless and the body was then removed to the undertaking parlors to await the funeral arrangements while the wife, who was prostrated with the tragedy, was taken home by the friends.

The unfortunate man was formerly of Hamburg, Iowa, and was a son of Mr. and Mrs. E. E. Roberts, of that place. He is survived by his wife and one daughter, aged six, by a previous marriage.

Schmader is Victor Over Mick Durane

Joe Roper Wins Decision Over Tuffy Langford in Bloody Battle On Great Fight Card

The customers at the Eagles boxing festival last evening had a good show handed them for several weeks and the various events that had been arranged proved real entertaining features for the fight fans with plenty of fighting and hard fought and bloody contests to mark the various events.

In the first event George Schmader, 142, of this city, won a well deserved decision over Mickey Durane, 145, of Omaha, George shading the Omaha fighter all of the way through and displaying a cooler and better ring generalship than in the first match several weeks ago when Durane was the victor.

In the ten round bout Schmader opened with smashing blows to the head of Durane and interspersed these with some jarring body blows as the fight progressed and forcing Durane to clinch all through the battle to escape the rain of blows that were shaking him and while Schmader received some stiff body punches he was practically unmarked while Durane was bleeding freely from punches in the nose that he received early in the battle.

The bout was a real event and showed very strikingly the improvement in the ring work of Schmader and his generalship in disposing of the Omaha boxer effectively.

Will Detour Auto Travel While Paving

Highway Traffic Will Be Diverted Four Miles West of City and South to Nehawka

While the work of paving highway No. 75 from the Douglas county line to Union is in progress the state department of public works is facing the problem of handling the traffic with as least inconvenience as possible and also to avoid any delays in the work of paving the highway which will follow the present highway through this city and south to Union.

The state engineers have outlined the proposed route for the detour of the highway as at present the detour will be to the west and through the town of Nehawka and thence north to the old blacksmith corner on the Red Ball highway west of Murray and here the detour will run east two and a half miles to the O. A. Davis corner and thence north to the Phillip Kehne farm west of Plattsmouth, the route being laid as straight as possible.

It is also thought that the state department will be willing to have the gravel extended east one mile from the Murray detour into that town also from this city to the detour west of the city.

Truck Overturns Near the Spangler Corner Last Nite

Beezley Truck Overturns and Injures Drivers—Stock Rescued With Much Difficulty

Late last night one of the large Beezley truck line of Syracuse, was overturned on highway No. 75, near the intersection of this highway and the Mynard gravel road.

The truck loaded with cattle was enroute to Omaha and at the time was in charge of one of the older drivers and a new driver who was making one of his first trips over the highway and unfamiliar with the road, the more experienced driver was taking a sleep as the truck came onto the corner and the younger driver not being familiar with the road, instead of making the turn had started on north until more than half way across the highway and then attempted to turn, the result being that the truck ran into the bank and the upper part being heavily loaded with the stock was turned over.

The two men in the cab of the truck were able to extricate themselves and the driver, who is a resident of this city, was brought on into this city by Harry Edminston and taken to the offices of the Dr. Livingston where their injuries were dressed. Both men suffered scalp wounds as well as cuts on the face and hands and the injuries on the head required several stitches to close before the men were able to return to their homes.
