Heavy Rain and Hail Storm Visits County

Rain Very Heavy in and Near City While Much Hail in Central Parts

From Thursday's Daily—
After a hot and sultry day Wednesday this locality was visited by a very heavy electric and rain storm that came up from the southwest being the tail end of the windstorm that earlier in the day had reached tornado-like proportions at Wymore and vicinity.

The storm here in the city was marked by a very heavy electric display and much wind that drove the rain in sheets for over half an hour and then passed to the east little damage being done in this city save in several places where the lightning struck trees. The rain which was the first real summer storm of the season was soon taken up by the ground which was quite dry on the surface and there was little surface water save on the paved streets in the city.

The storm was more severe in the country districts and where a great deal of hail was reported to have accompanied the storm but in this city there was so little hail that it was hardly noticeable.

West of Wynard and some ten to twelve miles west of this city, the hail was reported as being very severe and wheat as well as the corn which was just getting a start was badly damaged and in the belt where the hail was so severe the loss to fruit will be very heavy. The wheat is reported to have been damaged heavily in the territory south and east of Louisville where the storm was the most severe.

In the vicinity of Murray there was a very heavy and beating rain reported east and south of that city but which did no serious damage to the growing crops.

In the vicinity of the Eight Mile Grove Lutheran church and east to the Becker school on the north side of the Louisville road there was considerable hail damage reported as well as the very heavy rainfall and which damaged the crops and gardens very much but no estimate of the amount of the damage could be placed by the resident of that locality.

FARM HOME DESTROYED

From Thursday's Daily—
Last evening at 6:30 the farm home of Mr. and Mrs. Phillip Lepert just south of this city was completely destroyed by fire and the family were unable to even save their wearing apparel from the burning building.

The cause of the fire is supposed to have been an oil stove. Mrs. Lepert having returned home from a community club meeting shortly before six o'clock and had lit the stove preparatory to starting to cook the evening meal. The rain storm coming up she had gone out into the yard to look after the housing of some chickens and had left the house and when Mrs. Lepert reached the house it was a roaring mass of flames.

It was impossible for the family and neighbors to remove anything from the house and all the furniture and wearing apparel of the members of the family were burned.

It was only with the utmost difficulty that the granary and other outbuildings were saved from the effects of the fire and the house was soon reduced to a smoldering mass of ashes.

SEEK LOCAL FIGHTER

George Schmader, Plattsmouth boxer, who has had two fast and furious fights with Mickey Durane, well known Omaha welter, has attracted a great deal of attention in the boxing circles of the west as was shown by a message that was received here by Edward Brantner, the manager of Schmader.

The promoters of a boxing festival at Milwaukee wired last evening to secure the services of Schmader as the opponent of Harry Kahn, one of the well known boxers of Milwaukee, offering a fine purse for the local boxer to come to the city that Schlitz made famous, as the first opponent of Kahn, a welter from Roanoke, Virginia, was unable to come. George was unable to accept the offer for next Monday night owing to the fact that he suffered an injury to his hand in the match here with Durane Monday and which will require several days more to get back into shape for boxing. Efforts to secure Durane were also fruitless for the Milwaukee promoters as Mickey is fighting this week at Alliance.

CARD OF THANKS

We wish to thank the many kind friends and neighbors who were so kind to us in the recent misfortune of losing our home by fire and for the splendid work that they did in saving the remaining buildings at our farm—Mr. and Mrs. Phillip Lepert and Family. d&w

The songs of the present day heard on the program were "Weary River" and "Mean to Me."

There were quite a large number from the country districts present to enjoy the concert and remaining until the fast approaching storm warned them of the necessity of hastening homeward.

Weeping Water Swept by Wind and Hail Storm

Many Barns Blown Over in Vicinity—Large Elevator Struck by Lightning Burns.

From Saturday's Daily—
Last night Weeping Water and immediate vicinity was visited by one of the heaviest storms in recent years and which did much damage both in that attractive little city and in the surrounding farming community.

The first storm came at 9 o'clock and was featured by heavy wind that caused much property damage in and near the city, there being a large number of barns blown down and trees broken and torn up by the intense wind.

A barn at the home of Carl E. Day in the extreme north portion of the city was blown down, causing a severe loss to the owner.

One of the heaviest losses of the storm was at the Lee Brown farm east of Weeping Water, where a large barn filled with alfalfa hay was blown down and in the collapse of the large hay stacks were killed, being caught under the falling building and crushed to death and which will mean a very heavy loss to the owner.

West of Weeping Water barns at the George Towle and Charles Ward farms were blown over and destroyed by the force of the wind, as was also the barn at the Charles Harmer farm, but not causing the death or injury of any of the stock.

The second storm at midnight was a heavy electrical one and followed by an intense rain and during this storm the large elevator of E. F. Marshall was struck by lightning and burned to the ground. At the time of the fire there was 3,400 bushels of ear corn and 3,400 bushels of shelled corn as well as 900 bushels of wheat and despite all efforts to check the flames the structure was burned down. The loss was largely covered by insurance, it was stated at Weeping Water today.

All over the city of Weeping Water the trees were stripped by the hail and heavy rain that accompanied the storm and gardens and fruit suffered a very heavy loss.

Between Weeping Water and Nebraska portion of the railroad track of the Missouri Pacific was washed out and softened by the rain and service over the railroad was checked for several hours.

The many friends over Cass county of Mrs. T. A. Delightful Musicale at the Masonic Home

Mrs. Marguerite Johnstone and Assisting Artists Entertain Home Residents

From Friday's Daily—
Last evening one of the most delightful musical events of the summer was enjoyed at the Nebraska Masonic Home where Mrs. Marguerite Johnstone of Sheridan, Wyoming, a nationally known contralto soloist, was heard in a recital and with a very fine program of supporting artists comprising Mrs. Joseph Capwell, pianist, Frank A. Cloit, tenor, Oliver Johnstone, cellist and Mrs. William Baird, reader.

The occasion was one of great leisure to the music lovers of the city as it afforded the opportunity of the local people to meet this gracious lady, a former Plattsmouth girl, who has advanced far in her musical career and whose voice is one of the greatest strength and beauty and has won acclaim where she has appeared in concert work.

Being home for a visit with her parents, Mr. and Mrs. Emil Walters, Mrs. Johnstone took the opportunity of offering a real treat in the musical line to the aged residents of the Home in which the talented local artists joined.

Mrs. Johnstone and Mr. Cloit presented two duet numbers, the delightful "Out of the Dusk to You" by Lee, and "My Faith to Thee" by Collei and the closing number of the program, "Aloha Oa," the Hawaiian song of farewell.

As solo selections on the program Mrs. Johnstone gave the famous "La Paloma" in its own Spanish rendition that was very beautiful while for her remaining numbers some of the old and loved American favorites, "Carry Me Back to Old Virginia," "Long, Long Ago" were especially pleasing to the aged residents of the Home. Mrs. Johnstone also gave "The Scotch Love Song" by Thayer, in her gracious and charming manner.

Mr. Cloit whose delightful tenor voice has often delighted Plattsmouth audiences very kindly gave several solo selections, "The Old Reel" by Kreisler, "Danny Boy" by Weatherly, both brilliant contributions to the exceptionally strong program.

Mrs. J. A. Capwell, who added to the beauty of the program of the evening by her artistic accompaniment of the vocal selections, was heard in a very fine concert arrangement of the old time favorite, "Turkey in the Straw" by Guron and as an encore gave the "Chopin Waltz."

Mrs. William Baird, one of the talented ladies of this city, gave a dramatic monologue, "A Handful of Clay" the musical setting being given by E. H. Wescott in his usual pleasing manner.

Oliver Johnstone, son of Mrs. Johnstone, and a very clever young musician was heard in a group of cornet numbers that were most enjoyable and which embraced the best known of the popular and standard numbers "Dear Little Boy of Mine" by Ball, "Aurora Polka" by Davis, "I Love You Truly" by Bond, "La Sevillana" by De Yradier, "Ah Sweet Mystery of Life" by Herbert, and "My Irish Rose" by Burr.

The program was enjoyed by a very large number of the friends over the city as well as the Home residents and was one of the most brilliant musical events of the season in this city.

Road to Bridge May be Started in Short Time

Agreement of Burlington to Plans Will Mean That Work Can Be Pushed

From Friday's Daily—
The highway that will lead from this city to the new bridge over the Missouri river was outlined some time ago at the conference of the city and county officials and the state engineer, seems to be very satisfactory to all parties and the Burlington railroad along whose right-of-way the highway will travel for some distance, is acceptable to the plans and it only remains to complete the details of getting the roadway definitely surveyed and securing the route along the Happy Hollow and over the hill and in which some property will have to be acquired, but which is cut down in the route proposed by the city and county as well as a few other things.

The new road will require a great deal of work as it will be necessary to have cuts made on the large hill leading to the bridge to get the road to the grade as required by the state for highway purposes and this dirt removal can be used very nicely in the making of the fill that will be necessary across Happy Hollow, but the route has been one that it is estimated will be the one requiring the least expenditure of funds.

MAKES VOCAL RECORDS

Mrs. Marguerite Johnstone of Sheridan, Wyoming, who with her son, Oliver, is visiting in this city at the home of Mr. and Mrs. Emil Walters, parents of Mrs. Johnstone, has just returned from Chicago where they have spent some time. While at Chicago Mrs. Johnstone spent the greater part of the time in making records for the Columbia company, who have had her beautiful contralto voice preserved for the future on the records, she making a number and which will be released later by the Columbia company. Mrs. Johnstone has been heard in a large number of the most popular of the standard selections over the radio and the records will now make it possible for the friends and admirers of this talented lady to have her voice at their call by means of the records.

Mrs. Johnstone is to leave in a few days for the west as she is expecting to be at Denver to fill a recital engagement at that place Sunday.

CELEBRATES BIRTHDAY

The tenth birthday anniversary of little Miss Jacqueline Grassman was celebrated very pleasantly at her home on Marble street on Thursday afternoon when a group of the school friends and playmates were invited in to spend the afternoon.

The time was spent in games of the childhood days and at which a great deal of enjoyment was derived and all felt very happy at the delightful time and when the two-course luncheon was ready, all were in the proper spirit to enjoy it to the utmost. The refreshments were featured by the large and handsome birthday cake.

In honor of the occasion the guest of honor received many attractive gifts.

The home was very attractively arranged with decorations of the summer flowers that added very much to the charm of the occasion.

In entertaining Mrs. Grassman was assisted by Mrs. R. A. Bates and Miss Laura Grassman, Mrs. Charles Hill.

MAKING AN IMPROVEMENT

The sidewalk along the upper portion of Main street, in the vicinity of one of the old landmarks of the town, the one time skating rink and later livery stable, where there is being a new concrete driveway made into the building and also the walk in front of the place relaid and which while not an extensive piece of work is one that helps a lot in the looks of the locality.

Town and Country Gather at Fine Joint Meeting

Omaha Stockman-Journal Has Interesting Comment of Recent Event at Lewiston.

From Friday's Daily—
Town and country co-operation was never better illustrated than last night at the Lewiston community club meeting in Cass county, Nebraska last night when the Rotary club of Plattsmouth were the guests of the Lewiston folks. The Lewiston community club building is located about four miles from the town of Murray.

Headed by Fred Rae president of their organization, the Rotarians heartily accepted the invitation and were on deck at 7 p. m. to partake of a bounteous supper, served only as the women of the Lewiston community club can serve it. There was more than enough for everyone and the way that Rotarians did justice to the occasion, deserves special comment.

The Lewiston community club has been organized about three months. As a home for their club meetings they purchased a former Methodist church which has not been used for several years. The purchase was financed by selling shares of stock at \$10 each. From the grounds, one can look out over the surrounding country and see the hills of Iowa. Mrs. Albert Young is the president of the club, Mr. Gayer, vice-president and Miss Margery Moore is secretary and treasurer.

Following the eats, Albert Young presiding as chairman, introduced the various numbers on the program. The Rotarians furnished the pianist in the person of Mr. Wescott and also furnished several of the musical numbers. One of the hits of the program was a duet sung by the Hall children, who first presented a home-made number featuring different folks present. They received a hearty encore. Mrs. L. R. Snipes gave a reading in her usual excellent fashion. L. R. Snipes, who for 11 years has been the efficient county agricultural agent of Cass county, gave a heart-to-heart talk on facts relating to agriculture and praised the idea of business men and farmers co-operating. He stated that in one sense of the word, all of us are farmers.

H. Howard Biggar of the Journal Stockman gave a talk on "The New Day in Agriculture." Mr. Biggar contrasted the pioneer days with modern times but emphasized the fact that pioneering is not yet over. The men who started growing sweet clover or hog-lot sanitation or any other new farm project is in a sense a pioneer. Closing the program, Earl Davis of the Rotary club gave a splendid talk on the pleasures the Rotarians derived from this heart-to-heart contact with the men and their women of the farms. Two of the members of the Rotary club are progressive farmers of the county—Art Troop and Albert Wiles. Both were present last night and both are very progressive Rotarians. On behalf of the club, Mr. Davis presented the secretary-treasurer, Miss Moore, with \$10 as payment of a share of stock in the community building and also made the presentation of a large flag to hang in the building.

SING OF THE HOMELAND

M. S. Briggs received a letter from Isadore Waintroub from Los Angeles where the Waintroub's are making their home, and after speaking of the business which called for the communication he said that the family had just attended a picnic of Cass county people held at Long Beach and that there they had met many people from Cass county and had enjoyed an excellent time. He enclosed a copy of a song which they dedicated to Nebraska and was hooked up with the air of America. Here it is, showing that those people who leave here always think of Nebraska and Cass county with pleasure:

Nebraska, 'tis of thee,
Great State so famed and free;
Of thee we sing;
Land where the pioneers,
Braved all their foes and fears;
How of those early years,
Let praises ring.

Our dear Nebraska thee,
Land of true liberty,
Thy name we love;
We love thy broad domain;
They glory ne'er to wane;
Like that above.

How loud our plaudits rise,
And mount them to the skies,
In praise of thee,
Let all they vailes awake;
Thy hills their silence break
And all Nebraska wake
Glad Jubilee!

Our Father's God, to Thee
Author of Liberty,
To thee we sing;
Long may our State be white,
Her star be ever bright;
Her children waig in light,
With Thee, our King.
