Depositors to Wait for Pay from State

Fund of \$260,111 for Aid in Bank Failures Not to be Distributed Until 1930.

Lincoln, July 12.—Though the legislature appropriated \$260,111.34 for repayment to depositors of banks operated by the guaranty fund commission, it will be several months before any of this amount is forthcoming. Secretary Bliss of the department of trade and commerce announced Friday.

His statement, he said, was prompted by a constantly increasing flow of mail from anxious depositors who are seeking repayment.

Delay in payment, Mr. Bliss explained, was due to the inability of the state treasury to meet the appropriation before a levy is made and the amount taken in tax collections some time in December.

TWO MORE BANKS CLOSED
 Daytona Beach, Fla.—The Merchants' Bank and Trust company and the Atlantic Bank and Trust company here closed Friday. Runs also were closed on the Daytona Beach Bank and Trust company and the First National bank, the other two financial institutions here but they were able to meet the demands of depositors' withdrawals.

The two bank failures here brought to five the number of banks that have closed in Florida within the past two days. The Volusia County Bank and Trust company and the First National bank in Leland and the Colonial Bank and Trust company of Miami closed Thursday.

Four banks in central Florida closed on May 15. President John Fouts of all four has been arrested on charges of illegal handling of funds in connection with the May 15 failures.

Notices posted on the doors of the defunct Daytona Beach institutions stated that they had been closed by the state examiner for protection of the depositors pending reorganization.

RODMAN DEBATE ON GUARANTY ACT
 Lincoln, July 12.—State Senator James A. Rodman of Omaha is still of the same opinion relative to the unsoundness of the state bank guaranty fund.

He said that much here Friday, and to prove he has not altered his stand, he accepted an invitation to take the negative side of a debate on the question of retaining the system at Columbus Sept. 11.

Who his opponent will be is still undetermined, he said, though the names of Governor Weaver, Attorney General Sorenson, A. C. Shallenberger, chief of the bank audit, and former Governor Bryan have been suggested.

BUSINESS WOMAN ELECTED
 Mackinac Island, Mich.—Miss Marion H. McClench of Ann Harbor, Mich., was elected president of the National Business and Professional Women's clubs at the annual meeting here Friday.

Mrs. J. K. Bowman of Richmond, Va., was re-elected first vice-president and Miss Daisy H. Leake of Temple, Tex., was named second vice president.

THE ETIQUETTE OF GOLF

1. At the start of the game take the honor without consulting your opponents. Should they speak for it first, select the best spot on the tee and set your ball up, indicating your enthusiasm to get started.

2. After making a poor drive, register surprise and examine your club carefully.

3. Cooperate with the Grounds' Committee by glaring at your caddy each time you tear up turf—it probably was his fault anyway.

4. Be sure to express sympathy for an opponent on his poor play by saying casually at every opportunity, "So sorry."

5. Should his drive trickle into a bunker, remark consolingly, "I am afraid you are in the bunker, I hope."

6. When you come to a water hole, try to remember you are playing golf and not pool.

7. Before pocketing a ball lost by another player, it is well to wait until it has stopped rolling.

8. A good way to test your opponent's power of concentration is to whistle "How Dry I Am" while he is trying to putt. Copies of the tune may be secured at any music store.

9. Remain on the green until the scores are all counted and agreed upon. If the course is crowded, this will teach self-control to the following foursome.

10. Never argue with your opponent over his score—ask him first, and you have every advantage.

11. When some one says "Fore"—Look Out—they may not be checking your count.

12. After your best drive of the season, turn around disgustedly and say, "No distance."

13. At the nineteenth hole—keep eye on your highball and swallow the shot.

14. Don't forget to say, "The shower is the best part of the game."

Dispensing the New Money.
 The Greenwood State bank received a quantity of the new currency which was issued on July 1st and is dispensing it, through the ordinary avenues of the business of the bank. The money in bills are much smaller and will afford a great saving to the government as the paper is finer and being of a special make with silk fibre in it, making it very high in price and the savings will be in the millions when the issue is out and the larger currency and a higher cost of issued by the government is called in as all paper money must be, as there is always a large percentage of fraud in all money and especially currency.

Will Speak at Meeting.
 State Commander of the American Legion, Wade Martin, will speak on the Soldiers day at the Greenwood Carnival on August 10th, where the American Legion has their day.

Married at Council Bluffs.

The Journal, with the many friends of the newly married couple are extending best wishes for their happiness, health and prosperity.
