EAGLES TO HOLD ANNUAL PICNIC SUNDAY

Sunday, August 18th, is the date set for the Plattsmouth and North Omaha Eagles Joint Picnic, and it promises to be the biggest ever held. When Eagles congregate, there is something doing every moment, and this affair is full to the brim and running over with gala events.

There are flags in the Eagle Home at Plattsmouth a large banner, done in the lodges colors and bearing the Eagle Crest. This coveted banner symbolizes the friendly rivalry between the two neighboring Aeries and each year becomes the property of the Aerie winning the championship baseball game played at the annual picnic. This game alone will be worth the try to the camp grounds.

When it comes to barnyard golf, Plattsmouth Eagles have some real exponents of that scientific art. The game is scheduled for 9:00 a. m. This is going to be good, so don't fail to be on time.

And then—the nine Platts Huskies fall into line, brace their bodies and await the drop of the handkerchief to begin the tug 'o' war which will eventually draw the leader of the Omaha team across the line. An extra heavy rope has been provided for Lester Burrows, for last year he not only dug a hole for a swimming pool, but frayed a kind farmers' hay-mow rope.

The basket luncheon is to be the chief event; at least more hard work is expected at that time. Families and parties will gather all over the camp—and there's free lemonade on the grounds.

Games, races and sports for sisters and junior up to Granddad—substantial and useful prizes for the main events. The Eagle business men of Plattsmouth have very generously contributed to these prizes—twenty-eight in all.

Platform dancing begins at six p. m. to the music of a red hot Omaha orchestra. Come prepared to stay late and finish off a perfect day in the cool of the evening.

Free transportation to and from the grounds will be provided for those who are not going with others. All who wish a way to go must get in touch with the committee not later than Friday p. m. Let's all go and have a big time.

MEETS WITH ACCIDENT

While A. G. Long, who is a whole-souled scout, was hauling grain to his ranch north of the field on his Monday evening and was passing out of the field under a telephone wire, the uprights of the hay rack caught on a low swinging wire and catching fast, the wagon which was going down hill could not be stopped, pulled the wire off. Mr. Long seeing the situation threw himself flat on the load of sheaves and endeavored to avoid injury but the wire came off with a jerk as the wagon lunged forward, the wire catching Mr. Long in the mouth, ripping out a number of teeth and lacerating the upper lip to the extent that it required four stitches on one side and five on the other. Mr. Long is getting along as well as could be looked for, but it will be some time before the face is well again. He was indeed most fortunate in that he was not killed for had the wire caught under his chin, it could as well have broken his neck as he was down as flat on the load as possible at that.

Are You Satisfied with Yourself?

Is there any noticeable improvement in your financial condition in the past year—or are you still in the same old rut—buying, charging, paying—BUYING, CHARGING—and so on right over again thru the same cycle of expensive living.

Two years ago we started in Plattsmouth a store that was revolutionary in character—founded on the principle that a sufficient number of people would prefer to buy for cash at real money-saving prices to support that kind of a business.

Right from the start our contention was more than justified and an ever-increasing number of customers—not only in Plattsmouth, but over a wide trade territory are finding it pays to trade here regularly—day in and day out—for every day is Bargain day.

And those who have been our customers throughout these two years can look with pride upon the nest-egg of accumulated savings—something put away for a rainy day—because they had foresight and stamina—and did get out of the rut.

If you have never traded here a walk through our store, with but casual observation of the plain-figured price tags will be a revelation to you and most convincing proof of the claim that we save you money on every purchase.
