OHIO MAN IS HAD IN MIND

Washington—The name of Haveth Mau, federal attorney for the southern Ohio district, was mentioned at the capitol on Tuesday in informal discussions over the selection of a successor to Mrs. Mabel Walker Wilebrandt as assistant attorney general in charge of prohibition enforcement. President Hoover has not discussed Mau's possible appointment with the Ohio senators, however, Senator Fess has not recommended him, but has indicated a willingness to endorse him if asked by the administration.

There was nothing forthcoming from the white house. The last information from that quarter was that President Hoover had been giving serious consideration to Hugh A. Corn, state's attorney of Connecticut.

NO SENATE JOB FOR SIMMONS

Lincoln, Sept. 17.—Congressman Bob Simmons of Scottsbluff, representing the Sixth district, "does not choose to run" for United States senator.

"I like the job I have pretty well," said Congressman Simmons. "I expect to file for re-nomination at the primary election."

It has been current political gossip that Mr. Simmons might try for the senatorship if Senator Norris steps out of the race. Mr. Simmons and his family were guests of Governor and Mrs. Weaver and Mrs. Ernster and Mrs. Weaver at the governor's mansion to luncheon.

Judge Begley Talks on the Constitution

Speaks to Lions Club at Nebraska City on the Observation of Constitution Week.

From Wednesday's Daily—Yesterday Judge James T. Begley of the district court was the speaker at the constitution week observance of the Lions club at Nebraska City and where there were present a number of the newly naturalized citizens as guests of honor of the club.

Judge Begley in opening his address stated that it was 142 years ago, that the constitution of the United States was adopted by delegates of the 13 colonies at Philadelphia, with George Washington as chairman.

He said the constitution was the result of a condition that existed at the time of its formation in the 13 colonies and was the work of the greatest minds of that time. The constitutional convention was in session for four months.

He gave in detail the work ratified by the majority of the delegates to the convention and said that three delegates had refused to subscribe to it but that within two years the colonies had ratified and signed the measure.

The constitutional convention was held in secret, Judge Begley said, and the only historical data was that given out later by Alexander Hamilton, a delegate. Before the constitution had been ratified by all of the 13 states, delegates were sent out to educate the people and secure their signatures for ratification.

Judge Begley said that the constitution had stood up at all times and is the oldest constitution in the world today. Everyone has equal rights under its provisions, which makes it a majestic document.

Changes of conditions occur which make it necessary to amend certain sections of the constitution, he said. It gives the people individual liberty in free speech and religious rights and the people of the country are protected under this constitution, he said.

MARRIED AT SOUTH OMAHA

A very pretty wedding took place at the Wheeler Memorial church parsonage at South Omaha, Saturday, Sept. 14 when Helen A. Hirz became the bride of Carl H. Willoughby. The Rev. Leon C. Hills read the marriage lines. Mrs. Nellie Schultz of Fort Crook, an aunt of the bride, and Alton L. Coleman were attendants. The groom is in the quartermasters department of Fort Crook.

The bride is a sister of Miss Dorothy Hirz of this city and a daughter of the late Henry Hirz, who was killed in the A. E. F. in 1918. She has since the death of the father made her home with her aunt near South Bend and later at the farm near Fort Crook.

Chas. Bestor Suffers Broken Leg in Fall

While Painting at Country Club Ladder Slips and Mr. Bestor Fractures Bone in Leg

From Wednesday's Daily—Charles K. Bestor, while engaged in painting the exterior of the Country Club building yesterday afternoon, fell from the ladder on which he was working and as a result sustained a severe fracture of the left leg and which has necessitated his being taken to the Immanuel hospital at Omaha to have the member cared for.

Mr. Bestor was standing on a ladder painting the upper portion of the building when the ladder of which he was standing slipped and started to fall and in so doing turned, the result being that Mr. Bestor was thrown from the ladder and alighted on the ground feet first. In alighting Mr. Bestor struck with his full force on the left leg which was injured a number of years ago and the bone in the lower portion of the leg was badly fractured.

The injured man was given temporary relief here and then taken into Omaha where the leg was set and Mr. Bestor given such relief as was possible under the circumstances.

HAVE A FINE MEETING

From Wednesday's Daily—Yesterday afternoon the members of the Women's Relief Corps held a very delightful social meeting at the home of Miss Jessie Robertson and who was assisted for the occasion by Mrs. Robert Troop and Mrs. Jessie W. Hall.

The ladies had arranged a very clever program and which included a most charming vocal number by Miss Jean Hayes, one of the talented musicians of the city. Miss Marjorie Arn being the accompanist. Readings were given by Mrs. Robert Troop and little Miss Janet Westover, all being very clever and most charmingly presented. Piano numbers on the program were given by Miss Vestetta Robertson and Miss Edna May Peterson.

During the afternoon the ladies served very dainty and delicious refreshments that added very much to the enjoyment of the occasion.

Mrs. Catherine Flynn of Omaha was an out of town guest at the social meeting.

HASTINGS FOR NEW BRIDGE

The Hastings Chamber of Commerce has notified the local Chamber of Commerce that they are watching with interest the progress of the new Missouri river bridge at this city and are anticipating it will be of the greatest value to all parts of the state as the means of handling the east and west lines of travel and that Hastings is anticipating that it will bring much additional travel through the highways leading to that city. The Hastings Chamber of Commerce will assist in the advertising of the new bridge and the direction of the travel through this important gateway of the states of Iowa and Nebraska. This interest of the towns both east and west of this point shows that the bridge will be a great addition to the general program of highways as well as making the distance between the various points in the west a great deal less.

GIVE KFAB LONGER TIME

To enable radio listeners of Nebraska to hear more of the "blue" National Broadcasting Co. network features, radio station KFAB at Lincoln Monday announced it has arranged a new time schedule with WBBM, Chicago, which station now shares time with KFAB.

Beginning Sept. 29, KFAB will be on the air all day every day until 8 p. m., under the new plan, and from 10 p. m. until midnight, except Tuesdays and Thursdays.

Under the present arrangement KFAB is silent between 6 and 8 each evening.

LOOKING OVER CITY

From Tuesday's Daily—Ray E. Eaton of Lincoln, deputy state fire marshal, is here to look over the city and check up on the various places where there might be any fire danger lurking. Mr. Eaton is one of the very efficient officers of the state and his work has been of a very high standard and did much to reduce the fire dangers in all parts of the state.

Social Circle Club Has a Fine Service Record

Ladies Organization in This County Starts Fourth Year of Extension Work This Fall.

As the fall of the year approaches, it finds the Social Circle club ready for their fourth year of extension work. Although just entering into the important part of their program, the club has not by any means been idle during the summer months. Numerous meetings were held during this time, all of which were very beneficial to the club and its members. The first of these meetings was held at the home of Mrs. A. L. Vernon, where plans for the summer's work and Mothers' Vacation camp were discussed. As the club belongs to the state federation, the meeting at the Lewiston Community Center for the month of June was devoted to state federation. The guest of honor was Mrs. Nelson Berger of Nehawka, who gave an interesting talk on "Why Federate." Several visitors from surrounding communities were also present.

The July meeting was held at the home of Mrs. Rose Kindell. Here business was put aside for pleasure, as plans were made for the annual picnic which was held at Larch's pond last July.

The August meeting was held at the home of Mrs. Chas. Wolf and was under the leadership of the new president, Mrs. Albin; the retiring president, Mrs. Klimm, having gone to vacation camp.

The last meeting of the season was at the home of Mrs. Will Cook. An interesting talk by Mrs. Klimm on three days at Vacation Camp were enjoyed by all. Mrs. Young, Margaret Moore and Mrs. Vernon attended the business meeting at Mrs. Nelson Berger's home. Plans for the county federated club convention which is held at Eagle in October, were discussed.

The club has an enrollment of 27 members, and with the beginning of the project work this month, it is hoped that all members may be present and throughout the coming year be 100 per cent in attendance. The next meeting will be held at the home of Mrs. Fred Bell, Oct. 8th.

A MUSICAL OPPORTUNITY

One of the leading workers in the musical circles of the city is Mrs. James T. Begley, chairman of the music department of the Plattsmouth Women's club, who is active in the formation of the Choral Union in this city.

"This movement is one of the greatest opportunities that we have for a larger part in musical activities," Mrs. Begley stated to the Journal today. "I wish that we could secure from eighty to one hundred voices here in this organization, as it is really a wonderful chance to develop musical talent along a very high standard and the chance is one that we should take the fullest advantage," continuing Mrs. Begley urged that all who could, come and participate in the meetings of the Choral Union which organization is just getting a start here. "You know, Plattsmouth has such a wonderful amount of musical talent that we should easily reach the goal of membership if only the music lovers would come out," Mrs. Begley stated. "The Choral Union meets this evening and I hope that we can have a very large number out for the meeting and to join in the work which will include the presentation of 'The Messiah' in Omaha in December, urge through the Journal that everyone who enjoys music come into the Choral Union and give Plattsmouth a splendid chorus organization."

W. C. T. U. MEETS

The W. C. T. U. met Monday afternoon at the home of the president, Mrs. Julia Troop.

After the regular business had been disposed of Mrs. Troop gave a very interesting account of her visit to Colorado and she told of the vigorous and successful attempts of the sheriff to enforce the eighteenth amendment, in the county where she visited. At the time of her visit he had about 20 bootleggers in jail.

Miss Grace Shawhan, who has spent five years in China as a missionary, gave a most interesting talk on the subject of the use of tobacco in China, especially the habit of cigarette smoking, which introduced by America, was spreading more rapidly than it could be stamped out. A fine musical program was then given which was enjoyed by all. Piano solos were given by Leona Meisinger and June Keil and piano duets by James and Cecil Comstock.

Refreshments were then served by Mrs. Troop and the assistant hostesses, Mrs. Will Smith and brought to a close an afternoon of pleasure and profit.

RESUMES NURSE TRAINING

Miss Delores Wiles returned to Omaha to resume her studies and training at the Methodist school of nursing, after spending a very enjoyable vacation at the home of her parents, Mr. and Mrs. C. L. Wiles, west of this city.

Miss Wiles is in her senior year, and is entering into the fall term with the same enthusiasm with which she entered nurse-training after completing her high school course at the Plattsmouth high school.

FOR SALE OR RENT

Modern 6-room house on paving at 716 N. 6th street.—H. J. Hough. a29-Saw

Steers for Sale

Having just purchased quite a large herd of Guernsey dairy cattle, we have for sale 2 miles east of Murray, 43 head light yearling Short Horn Steers.

These Steers were bought by us last January, have been in our pastures all summer and are good quality, healthy and double vaccinated.

Need of Proper Athletic Field for School Events

Football and Track Activities Demand Some Adequate Place to Hold Events Needed.

With the first football game of the season only a short time away, as Creighton Prep of Omaha opens the season here on Friday, October 4th, the athletic department of the high school finds that they are up against a real problem in the way of finding a proper place to stage the games and as well as to hold their track events in the spring.

It was suggested early in the spring that some steps be taken to convert the tourist park on Washington avenue into an athletic field for the school, the location, a short distance north of the school making an ideal spot, but this matter was not acted on and now the playing season is here and the team finds that they are up against it in having the proper kind of a place to stage their games.

The baseball park east of the Burlington station is in such shape that to use it for football or baseball would entail a great deal of expense and with the prospects that the efforts and money expended would be swept away after a heavy rain in the spring. This location also is far from the school and makes necessary long trips to and from the field each night in practice time, which would be eliminated in the creation of a park on Washington avenue.

Several of the residents of the city in urging a better place to stage the school athletics have agreed that on case the tourist park can be made available that they would donate one day's labor or hire some one to assist in the work of grading or what ever was necessary to place the grounds in shape where they could be used as a football field as well as for the use of track sports in the spring. It was this spirit that made this park in the first place, as the American Legion and citizens by their donated labor cleared out several of the large clay hills and banks that stood on this site of a one time brick yard and made it possible to have a park there. The need of a place to properly carry on the athletic activities of the school is now at hand and those who are interested should get in touch with the school authorities and see if it is not possible to have this park converted into an athletic field for the school and there is no doubt that a large number would gladly help in the boosting of the field by giving their time and energy for a day or two in making the park a realization.

The park is hardly adequate for a modern tourist park and one of which will probably be constructed here next year in private parties.

IN MEMORY

of Herman Gansemmer, who Died Sept. 4, 1929.

Farewell husband and gentle father, we shall see thy face no more 'till our trials, all our sorrows and temptations will be o'er. He has gone to meet our Savior with no sorrow and no care, we again hope to meet him in that home so bright and fair. Safe in the arms of Jesus, safe on His gentle breast, with our loved ones shielded, sweetly his soul shall rest.

He shall sleep, but not forever, in the lone and silent grave. Blessed be the Lord that taketh; blessed be the Lord that gave. In the bright Eternal City death can never, never come. In his own good time he'll call us from our rest to home sweet home.

By a cousin, ELIZABETH GANSEMMER, Englewood, Colo.

CHEERRY TREE GREETS SPRING

Lincoln, Sept. 16.—Spring's here, if you can believe the story of a cherry tree in Mrs. Edward Rosser's back yard. New foliage and blossoms have appeared on it. Mrs. Rosser thinks she may be able to gather a second crop of fruit this year, if fine weather holds.
