

The Plattsmouth Journal

County W. C. T. U. Meeting is Well Attended

Mrs. Fred Gordier Selected as President for Year—Ten Unions in County Report.

The Cass county W. C. T. U. convention was held at Eagle in the M. E. church on Thursday, Oct. 3rd. The meeting was started at 10 o'clock with the county president, Mrs. Joe E. Wiles of Plattsmouth, presiding. "America" was sung by all. Devotionals were conducted by Mrs. J. H. Adee of Eagle. Mrs. Orville Allen of Eagle very cordially greeted their guests in the address of welcome, which was graciously responded to by Mrs. Ole Olson of Weeping Water. Committees were appointed. The minutes of the previous meeting were read by the secretary, Mrs. Ivan Balfour of Union. All county officers were present. There are 10 unions in the county and all were represented and all gave very interesting and inspirational reports. There were 87 members and a number of guests present among them. Mrs. Clayton, the state president, and Mrs. Sheldon, county president of Clinton county, New York. Mrs. Cross and Mrs. Moushey of Union gave a very pretty vocal duet—"Always Time for Prayer." Noonday prayer was offered by Mrs. Chamberlain.

Election of officers were: Mrs. Fred Gordier of Weeping Water, president; Mrs. Oleesen of Weeping Water, vice president; Mrs. Ivan Balfour of Union, secretary, and Mrs. McFall of Eagle treasurer.

A delicious luncheon was served by the Eagle ladies in the basement of the church.

The afternoon session began with singing the crusade hymn, with Mrs. Kruse of Eagle as leader. Mrs. C. C. Wescott of Plattsmouth conducted the afternoon devotionals, dwelling chiefly on the story of Jeremiah. Many splendid thoughts were brought out. Due respect was given such prominent men as Lindbergh, Walter Johnson and Bryan for their attitude toward prohibition. The salute to the flag was given by all.

The ladies quartette of Eagle sang a beautiful selection—then two very stirring readings by Mrs. Robert Troop of Plattsmouth, "The Soul of the Violin" and "America." Memorial services were conducted by Mrs. Clayton.

Cass county had only two departed members, Mrs. Ranhorde of Eagle and Mrs. Mary Sullivan of Plattsmouth. The directors who gave reports were Mrs. Hayes, Scientific Temperance Instruction—Mrs. Fred Gordier, Sunday School Temperance—Mrs. Harmon, Publicity; Flower Mission, Mrs. Julia Troop; Institutes, Mrs. Elinger. Mrs. Clayton gave an interesting address. She told of the national convention at Indianapolis, Indiana, of the unveiling of a beautiful tablet of Frances E. Willard, which was placed in the state capitol of Indiana. \$10,000 worth of flowers were dropped from airplanes over the building—4,750 children were present, all of which showed a wonderful tribute to her life. Many other things were told about—especially should be congratulation State Supt. of Schools Taylor for his co-operation with prohibition.

Resolutions were read and adopted—bills allowed and the meeting adjourned to meet in 1930 at Weeping Water.

NORTH HIGH COMING

The Vikings from the North high school of Omaha are to be here on next Saturday afternoon to do battle with the Plattmers in what should be a good fast game.

This is the third contest that the locals have had with Omaha teams, having had a scrimmage game with South and the opening of the season conflict with Creighton Prep.

Coach Jackson has a very effective machine this season. This is shown by the manner in which the Vikings swept victory from the Abraham Lincoln high of Council Bluffs the past week.

This game being on Saturday afternoon should permit the attendance of a large number of fans from the country, many of whom are former Plattsmouth students and who can be in to cheer on the blue and white to victory over the blue and gold of North.

SUFFERS BROKEN ARM

From Tuesday's Daily—Ralph Jacks, who has been employed on some of the road construction work in this locality as a truck driver, was so unfortunate yesterday as to suffer the fracture of his right forearm. The accident occurred while Ralph was engaged in trying to crank a car, the crank flying back and striking him a severe blow just above the wrist and with the result that a fracture was sustained. The young man, however, is continuing his work and was back on the work today after suffering a great deal of inconvenience from the injured arm.

VISITING FROM MEXICO

Mrs. J. S. Peterson of Pauchuca Hidalgo, Mexico, is in this city as a guest at the home of her uncle and aunt, Mr. and Mrs. F. G. Corryell. The Peterson family have resided in Mexico for the past three years, where Mr. Peterson is employed as a mining engineer for the United States Smelting & Refining Co., one of the large foreign companies operating in Mexico. Pauchuca is located some sixty-five miles northeast of Mexico City and is the largest produce of silver in the entire world.

Will Boost Scout Work for the Fall and Winter Season

Two Full Strength Troops to Be Built Up in This City to Carry on the Scout Work

The fall and winter program of scouting in the Nemaha area of the Boy Scouts of America is to be started at once and the first large general feature of the fall and winter season will be the "Fall Roundup" to be held on Sunday, October 20th at Camp Wilson at Nebraska City. The "Roundup" will include representatives from all of the various scout groups in the southeastern section of the state and in which it is hoped the Plattsmouth scouts will be able to attend in a very large number. Special features are being arranged by Area Scoutmaster Cecil Herzberg and at the event there will be the conferring of various merits and advanced degrees for the boys in recognition of their work in the various scout activities.

Locally it is planned to have the scout troops confined to two large and full strength organizations rather than three as was the case last year and which did not allow the troops to be at full strength. The troops that will be used in the new plan of organization will be troop No. 1, sponsored by the Methodist church and troop No. 2, which is sponsored by the American Legion. These two troops taking over the boys who were formerly in the third troop.

The meetings of the Scouts are held on Monday nights at 7:30, the first of the Methodist church in the Y. M. B. C. room and the second troop at the American Legion community building.

All boys who have passed their twelfth birthday are urged to enter the Scout work which is both interesting and of untold value to the boy in his teens as it gives him profitable recreation and occupies his spare time.

The local scout organization comprises the executive committee composed of E. H. Wescott, T. H. Pollock, F. I. Rea, W. G. Kieck, Dr. P. T. Heinemann, and in addition each troop has an advisory committee of members of the organization that is sponsoring the troops. In the active personal work with the Scouts Roy Perkins and Raymond Larson are the scoutmasters with Russell Reeder of the high school faculty as the deputy area officer and Carl Cunningham as assistant.

The local work has been largely sponsored by the board of education which has permitted the use of the high school gym to the scouts for their fall and winter physical culture games and joint meetings.

CELEBRATES BIRTHDAY

From Tuesday's Daily—Last evening William Patrick O'Donnell, one of the well known young men of the city and very active in the Eagle lodge, was called to the Eagle hall at Sixth and Pearl street supposedly on some important street business and on his arrival there was very greatly surprised to find that he was the important business, a large group of the friends having gathered there to celebrate his birthday.

The anniversary was the thirty-fourth birthday of Mr. O'Donnell and it was most fittingly observed by the friends and will long be most pleasantly remembered by all who were fortunate enough to be in attendance.

The evening was spent in dancing to the excellent music that the Lancaster old fashioned orchestra of Murray furnished and which served as the time passes very pleasantly for the lovers of the dance. Cards also served as a diversion of the evening and in which the members were given the opportunity of showing their skill in the various games.

A dainty and delicious luncheon was served at an appropriate hour that added very much to the enjoyment of the large crowd that was in attendance.

TAKEN TO HOSPITAL

From Monday's Daily—The many friends here of the Rummel family will regret to learn that Mrs. Harry B. Hall of Beaver City, formerly Miss Florence Rummel, has been taken to the hospital at Holdrege, Nebraska, where she is undergoing treatment and may have to be operated upon to secure any permanent relief.

Prominent Families are United by Marriage

Miss Edna Heil of Louisville is Married to Roy Meisinger of Near Cedar Creek

The wedding of two of the popular and well known young people of the vicinity of Louisville and Cedar Creek occurred on Thursday, October 2nd at the parsonage of the Evangelical Lutheran church just west of Louisville when Miss Edna Heil was united in marriage to Mr. Roy Meisinger of near Cedar Creek. The wedding ceremony was performed by the Rev. T. Hartman, pastor of the church, who used the impressive Lutheran service in the joining of the lives of the two estimable young people.

The bridal couple were attended by Miss Verna Meisinger, sister of the groom and Mr. Glen Heil, brother of the bride, these being the only witnesses of the wedding. The bride wore a becoming gown of navy blue georgette with velvet trimmings of the same shade and with blue shoes, hose and picture hat to match. She carried a corsage of the Ophelia roses. Miss Meisinger wore a gown of the blue crepe and both ladies were most charming in their modish costumes.

After the wedding ceremony the bridal party drove to the home of the bride's parents, Mr. and Mrs. Henry Heil, Jr., where a very fine wedding dinner was served, the guests of the occasion including the parents of the young people, Mr. and Mrs. Henry Heil and Mr. and Mrs. J. C. Meisinger, Rev. and Mrs. T. Hartman, the bride's grandparents, Mr. and Mrs. Wendell Heil and Miss Leda Jochim, a cousin, the announcement of whose forthcoming marriage to Reuben Meisinger, brother of the groom, has been made, the wedding to occur in the early spring.

The wedding dinner was prepared by the mother of the bride and was most exquisite, a most delicious food, while the centerpiece of the table was the huge wedding cake prepared by Miss Leda Jochim and which was ornamented with a tiny bride and groom and was cut and distributed by the bride to the guests of the dinner party.

The Heil home was very charmingly arranged in the bright hued asters, roses and dahlias and a large bouquet of the Ophelia roses decorated the wedding table.

The bride is the only daughter of Mr. and Mrs. Heil and is a young lady who is one of the most loved among the very large circle of friends and is a lady of the rarest charm of personality, while the groom is the fourth son of Mr. and Mrs. Meisinger and has grown to manhood in the portion of the county where he now makes his home. He is one of the splendid and industrious young men of his community and has been farming on the farm of his uncle, Philip Meisinger, who has moved to Plattsmouth. This is the old farm home of the groom's grandfather, the late Conrad Meisinger. The home on the farm has been refurbished and the young people will make their home there in the future.

The many friends will join in their best wishes to these two fine young people on their starting life together on the farm.

PIONEER HERE DIES

One of the earliest residents of Nebraska, Mrs. Viola Wittstruck, 79, died Monday evening at her home, 3503 R street, Lincoln. She had resided in the state seventy-four years.

Orphaned at Plattsmouth when a small child, Mrs. Wittstruck lived in this city until 1859, when at the age of nine she was adopted by Mr. and Mrs. Adam Meyer, who homesteaded that year at what was known as the Stevens creek settlement, seven miles east of Lincoln.

In 1867 she was married to Chas. M. Wittstruck and they took land twelve miles southwest of Lincoln. They moved to a farm near Firth in 1871 and two years later made their home in that village. There Mr. Wittstruck was at various times shoemaker, owner of the general store and justice of the peace.

The couple moved to Lincoln in 1912 and Mrs. Wittstruck had since lived there. Her husband died there some eleven years ago. Surviving are four sons, Moses H., Carl F., Robert A., and Otto H., all of Lincoln, and one daughter, Mrs. C. C. Gladfelter, of Long Beach, California. Funeral services will be held at 1:30 p. m. Wednesday at the home. Burial will be at Firth.

VISIT AT SHENANDOAH

From Monday's Daily—Mr. and Mrs. John Rhoades and Mrs. Hamilton Mark motored to Shenandoah yesterday where they spent the day at the May and Field broadcasting stations. The "Dixie Girls" and "Gypsy John" put on a very pleasing program as Earl May's which was enjoyed immensely by the parties.

Large size maps of Cass county on sale at Journal office, 90c each.

RUSHING ROAD WORK

The construction of the new highway from the new Missouri river bridge to this city is being pushed very rapidly, the grading for the roadway which is being carried out by the P. L. Busche Co., of Omaha, being rushed to get the road ready by the time the bridge is opened for travel. The tractors and grading and ditching machines are at work in the Happy Hollow section of the road and it is expected that Mr. Busche with his force will be able to get their part of the work out of the way in at least a month and which will permit the other portions of the contract such as graveling and placing of guard rail to be placed. The work on the viaduct has not as yet started, this part of the construction program being handled by the Burlington, but it is expected that this will soon be underway as the construction of the roadway in the fast order by Mr. Busche will make it necessary to get the viaduct under way soon.

Sheriff's Force Has Busy Night with Many Alarms

Residents of Near Murray and Nehawka Have Alarms as to Chicken Thieves

From Tuesday's Daily—Sheriff Ben Reed and Deputy Sheriff Rex Young were kept on the highways the greater part of the time from 10 o'clock last night to 4 this morning by reports from various localities near Nehawka and Murray of supposed chicken thieves. The sheriff and deputy visited the various places from which the alarms had been sent but the residents who had their roosts alarmed by some night raiders, and in each case fortunately the would be robbers were scared away before they could commit any depredations or get away with any of the chickens.

In a number of cases the chicken owners had prepared for the occasion with loaded shotguns and were ready to give the man or men that attempted to steal their chickens a reception that they would long remember and which would probably necessitate the services of a surgeon to pick out shot.

NEW PAVING VERY SMOOTH

From Monday's Daily—A large number from this vicinity drove down to Murray yesterday to view paving operations on highway No. 75, but were disappointed inasmuch as the paving gang did not work, as they were caught up to the graders and had to wait on them to get the roadway ready. This is the first Sunday of good weather since work was begun that the paving gang has failed to work. They are on the job today, however, completing the stretch to the Murray corner and will then move their machinery a couple of miles north and work back south from that point, continuing to make Murray their unloading base.

The paving is open to travel from a point two miles south of the Murray corner on south to the Union corner and a number drove over it yesterday, finding it very smooth and free from waves or bumps, even at a high rate of speed. The paving is along the south end, throwing up the six-foot dirt shoulders on each side of the road and getting it ready for the guardrail along the numerous dills. The hills have been cut down and some places fills of 18 to 20 feet made, giving the new road only slight dips. Just south of the Murray corner, where paving is being done today, the roadway is almost on a level with the telephone lines, showing the way the hills have been cut down and the low places graded up. A slight curb is added to the paving on the hills and other places where there is danger of washing out the dirt shoulders unless the water is retained until it reaches a box culvert to get away without damage.

It will take at least two months to bring the pavement on into Plattsmouth from the south and it is doubtful if the grading of the shoulders, placing guard rail, etc., can be completed this fall, although the road may be thrown open to traffic with certain restrictions and warning signs to guard against accidents.

HOLD STUDY QUIZ

From Tuesday's Daily—Last evening the members of Plattsmouth lodge No. 6 A. F. & A. M. held a very interesting session at their lodge room in the review of a quiz and study dealing with the history of Masonry in the world and the United States and several of the members was given some question to answer, these making some very interesting lights on the history of ancient and modern Masonry as the members are given questions that they study and give the result of their study at the lodge at the next meeting. The attendance was very large and a great deal of interest was taken in the results of the answers.

Parties Try to Catch Train; Have Two Auto Wrecks

Chris Murray, Henry Andres and Clarence Nesson Have Startling Experiences

From Tuesday's Daily—Last night Henry Andrews of Plattsmouth desired to reach Plattsmouth to catch a train and enlisted the services of Chris Murray, a friend, to take him on into this city and the two parties before they reached this city had the experience of two auto wrecks before Andrews finally reached this city.

Mr. Andrews and Mr. Murray started out in the new Ford of Mr. Murray and all had progressed nicely until they reached the vicinity of the Frank Salsburg farm near where there is some road work in progress and the condition of the highway was unknown to the parties in the car and they stated that no sign or lights were displayed to indicate that the road was not in traveling order. At this point in the highway a new culvert is being placed which is four feet deep and several feet wide had been constructed and into this ditch Mr. Murray drove with his car, the machine being left standing rear end up in the ditch when the parties were able to extricate themselves from the wreck.

Mr. Murray and Mr. Andrews then secured the assistance of Clarence Nesson, who resides near the scene of the accident and he took the parties on toward Plattsmouth in his new Chevrolet car.

The second wreck occurred at the junction of the Louisville road and the detour near the Taylor school-house west of this city when the Nesson car was struck by the large Reo car of Willard Beesley of Syracuse and practically demolished by the force of the impact.

Mr. Nesson and Mr. Murray stated that they had stopped at the stop sign on the west side of the detour road and had just started up when the car of Mr. Beesley came from the north and at a very good rate of speed and struck the Nesson car with great force. The Beesley car passed some fifty feet to the south before it was stopped and beyond having the running board and fenders damaged, the car was not seriously affected by the wreck and Mr. Beesley and wife were able to continue on home.

None of the occupants of either car were dangerously injured although Mr. Nesson suffered a strain or injury to the left shoulder and Mr. Murray was shaken up quite a great deal.

Mr. Andrews called a car from this city that came out and brought him on into this city where he caught his train after the very startling and trying trip from Louisville.

ANNOUNCES MARRIAGE

From Monday's Daily—The many friends of the Hafke and Schmader families in this city were very much surprised today by the announcement made of the marriage of Miss Jeanette Hafke and Mr. Edward Schmader, which occurred on September 20th, at Logan, Iowa.

The young people had kept the wedding a secret until today, when the announcement was made of the happy event and the bride and groom are now busy receiving the well wishes of their many friends.

Miss Hafke is a daughter of Mr. and Mrs. Fred Hafke and was born and reared in this city, where she is numbered among the popular young ladies of the community. The groom is a member of one of the old time families of near Louisville and has been for the past few years employed in this city with the Burlington.

On this new found happiness the young people will receive the well wishes of a very large circle of friends.

WILL RECUPERATE HERE

From Tuesday's Daily—Mrs. James Hanna of Omaha, who was just recently operated on at the Methodist hospital at Omaha, has so far recovered that she was able to come to this city last evening and will spend some time here at the home of her parents, Mr. and Mrs. A. B. Smith and recuperate here amid the familiar surroundings of her childhood home. Mrs. Hanna is feeling fine and her return from the hospital in such splendid shape has been most pleasing to the members of the family and the host of friends.

BOOSTING CHILDREN'S HOME

From Tuesday's Daily—This morning George M. Porter of Lincoln, representing the Nebraska Children's Home Society, was in the city to interest those who felt able to render assistance in this worthy cause. The society has done a great deal in the state in caring for the unfortunate children and those who are able to help in the case are doing a great deal to advance the making of better children by giving them a chance and to see that they are placed in suitable homes.

BREX CHANGES HOURS

From Tuesday's Daily—The Burlington Refrigerator Express Co., shops at this place have changed their working hours to the same schedule as that of the Burlington railroad shops and starting this morning will set the working day from 8 a. m. to 5 p. m. for Bill Distell and his force of workmen who are busily engaged in making new and better refrigerator cars out of the bad orders that come into the local shops.

Foster Patterson is Named as New Principal

Temporary Assignment of History Teacher Also Made Permanent by Board of Education

From Tuesday's Daily—The board of education at their meeting last evening at the high school voted to make permanent a number of temporary changes that have been made in the school in the last few weeks and chief among which was the naming of R. Foster Patterson to the principalship of the Plattsmouth high school which he has been filling temporarily since the resignation of J. V. Simons just after the opening of the school term.

Mr. Patterson has heretofore served as the history instructor and was one of the most successful teachers of the high school and as the vacancy occurred in the principalship of the school he was asked by the board to take over this important position of active head of the high school work and has been very efficient in the office in the weeks that he has held down the position.

The many friends of Mr. Patterson are pleased to see him receive this promotion in his school work and the selection should be very pleasing to the members of the faculty as well as the pupils of the high school, as Mr. Patterson is a very pleasant gentleman personally and an excellent school man in every way and one who is eminently fitted for the work of principal.

The board also elected Gerald Kvasnicka of Lincoln as the teacher in the history department of the high school and in which work he will be continued as he has been looking after this work since the change in principalship several weeks ago and his work has been very pleasing to the members of the board of education.

Miss Wilhelmina Henriksen, one of the high school alumni, has been named as secretary in the office of Superintendent R. E. Bailey, she having been looking after this work for a short time and succeeding Miss Fern Jahris in this position.

GIVE DELIGHTFUL CONCERT

Sunday afternoon the Elks band entertained in a very fine concert on the east lawn of the Nebraska Masonic Home, the concert being arranged and presented as a compliment to the members of the Home family and was an event that proved weeks ago and his work has been very pleasing to the members of the board of education.

The concert was staged on the east side of the main building in order that the aged residents of the Home who were gathered on the large porches as well as the ailing ones at the infirmary building might have the opportunity of enjoying the varied numbers that Director Holly and his associates presented.

The program was arranged with a variation of the standard numbers and the popular selections from the songs hits of today, the beautiful "Lust-Spell" overture and the "Songs of the Old Folks" especially drawing the applause of the auditors and in the old familiar songs, "Beans" O'Haver, popular bandman and vocalist, who has been heard often with the 17th Infantry band, gave a vocal rendition of several of the old songs which was especially enjoyed.

Mr. O'Haver gave also the vocal chorus from "I'm Just a Vagabond Lover" during the course of the concert.

One of the most enjoyable features to the old folks was the appearance of the American Legion junior band, which is also under the direction of Mr. Holly. The boys gave two numbers and their playing was a revelation to those who have not heard them recently and shows the boys making progress in their work and the boys received a hearty hand for their offering.

The concert was enjoyed by a number of the residents of the city who came out for the occasion and who also visited with the old folks at the Home for a short time.

At the close of the concert, W. F. Evers, superintendent of the Home, expressed the appreciation of the members of the Home and the staff for the concert and invited the band members to the dining room of the main building where refreshments served to the band by the employees of the Home.

Poultry Show to be Held Here in December

Tri-County Show Will Be One of the Most Important Events of Season for This Section

The Tri-County poultry show which is to be held in this city on December 10-11-12 and 13th will be one of the most important events of its kind that is to be held in this section of the state and is one of the big poultry shows of the state. The event is held under the auspices of the Tri-County Poultry and Pet Stock Association and the officers of this association comprise the following:

President—Watson Howard, Greenwood.
Vice-President—Herman Mattison, Ashland.
Secretary-Treasurer—R. N. Houser, Wahou.

Directors—S. Ray Smith, Weeping Water; Harry V. Bricker, Greenwood; Leon Haney, Springfield; Frank McCamley, Richfield; E. S. Schiefelbein, Wahou; Fred Noremberg, Ithaca.

The superintendents for the show will comprise D. D. Waincoat, Weeping Water; J. W. Reed, Papillion; George Martin, Ashland. The show here will be held at the American Legion building where there is ample floor space and the best of facilities for caring for the showing of the many fine exhibits of poultry which will without a doubt be offered at the show.

This is the first time that this show has been held in this part of the district and will give a great opportunity for the residents of the eastern sections of the district. Cass and Sary county to get in large exhibits while the poultry raisers of Saunders county will be found with many fine showings, they having some of the best lines that has been offered at these shows in the past.

The entries will close on December 7th and from all indications the show will be one of the largest that has been held.

The show will be sponsored here by the agricultural committee of the Chamber of Commerce of which T. H. Pollock is the chairman and this committee will look after the securing of the prizes to be offered at this fine poultry exposition and show.

SOCIAL CIRCLE CLUB MEETS

The Social Circle club met at the home of Mrs. Fred Bell with Mrs. Greeley Bell as assistant hostess. There were twenty-five ladies present.

The meeting was called to order by the president, Mrs. Albin. Two songs were sung by the club. A short business meeting was held and plans were made to attend the county convention at Eagle Oct. 10th. Mrs. Klamm's paper on Mother's Vacation Camp was read by Mrs. Grace Bell. The first lesson of the year was given by the project leaders, Margaret Moore and Mrs. Vernon. A test was held, the members naming some 18 samples of dress materials, the leaders had for their meeting. The lesson was very helpful to the members in their selecting judging the quality of materials. Dainty and delicious refreshments were served by the hostesses. The next meeting will be held the second Tuesday in November at the home of Mrs. Martin Sporer.

SPECIAL FLOUR TRAIN

The Burlington is to operate a special train loaded with Omar flour from Omaha to Chicago, on Thursday, October 10th. The train will leave Omaha in the early morning and will reach Plattsmouth at 7:30 on Thursday morning and a stop will be made here of this large all flour train.

The train will have a carload of the Omar flour that is consigned to A. G. Bach of this city and which will be switched off the special train at this point for the use of Mr. Bach in his Main street and South Park stores. The train is attracting a great deal of attention at points along the Burlington and many will be anxious to see this special train as it speeds on its way to Chicago and the east.

WILL TAKE NEW POSITION

From Wednesday's Daily—Paul Henderson, who has for the past two years has served as the baggage man at the local Burlington station, is leaving this line of work to take up that of the line-man for the Western Union Telegraph Co., and is expecting to be located at Arlington, Nebraska, in the future. Mr. Henderson is a son of Mrs. and Mrs. J. B. Hendon of this city and is a fine young man and very popular among a large circle of friends in the city and who will be glad to learn of his advancement in his chosen line of work although regretting that he is leaving the city.
