What Shall I Give Her
for CHRISTMAS?**

A man told us he greatly enjoyed our Shopper's Guide, published in earlier ads, and incidentally he bought several gift items for the women folks in his home. If you are perplexed about what to give "her," let us show you—not one—but dozens of items she'd appreciate—and then help you to select the one she'd like best of all.

**Tax Cut Reso-
lution is Signed
by President**

Signs Joint Congressional Resolution Providing for Slash of Total of \$160,000,000.

Washington—Income tax reduction of \$160,000,000 was enacted into law Monday when President Hoover signed the joint congressional resolution providing for the slash. The chief executive affixed his signature in the presence only of two of his secretaries, George Akerson and Lawrence Richey, using the pen with which he transacts routine business. Thus, the American income tax-paying public was assured a reduction of 1 per cent upon normal personal and corporation levies to be paid next year. The measure had been sent to the treasury department where Secretary Mellon gave his approval. A document to the white house and the president signed it immediately after it was laid upon his desk.

Enactment of the legislation, which was the first to complete the congressional circuit in the regular session, was finished all but for Mr. Hoover's signature when the senate gave its approval by a vote of 63 to 14. The tax cut was advocated by the administration early this fall and won speedy approval from both republican and democratic leaders, many of whom believed it would help to give assurance that business conditions were sound. In the senate, however, a number of western republican independents voted against the measure after assailing it as a gift to the rich—State Journal.

QUEEN ESTHERS MEET

From Wednesday's Daily—The Queen Esthers class of the Methodist church held a very pleasant meeting last evening at the home of Mrs. L. R. Sprecher on high school hill, they being entertained by Mrs. Sprecher and her niece, Miss Germaine Mason.

The home was very pleasantly arranged for the occasion and here the young ladies spent the time in games and contests following the devotional service which was in charge of Mrs. Mildred Newton.

Miss Dorothy Persinger had the lesson of the evening and led in the discussion of the study period.

During the evening the young ladies of the class joined in presenting the teacher of the class, Mrs. C. C. Wescott, with a very pleasing gift as a Christmas remembrance from the members of the class of which she has been the leader for the past several years.

At the close of the evening dainty and delicious refreshments were served by the hostesses.

AN APPRECIATION

The Social Workers of the Methodist church wish to take this means of thanking the public for their patronage at the chicken pie supper and bazaar held on Saturday and which patronage made this one of the most successful events that the society has held in recent years.

**Nemaha Area
Scout Work to
be Districted**

Plans Made at Meeting Monday to Hold Annual Meeting First Week in January

The members of the executive board of the Nemaha area of the Boy Scouts of America at a meeting held at Nebraska City on Monday evening laid their plans for the coming year of work in the area and taking up the question of the districting of the area for the betterment of the work.

The annual meeting, to be attended by officers, committee members and scoutmasters of Nemaha Council Area, will be held in Auburn on the night of January 7. It was unanimously decided. A banquet, followed by a business meeting, was decided upon.

The proposition for dividing the area into districts was introduced by Cecil Herzberger, scout executive of the area, and was unanimously approved. Work will start on organization of five districts at once and will be completed for the start of the scout year in the area after the annual meeting next month.

Five districts have been set as follows:

1. Nebraska City headquarters for Nebraska City, Louisville, Alvo, Weeping Water, Avoca, Nehawka, Syracuse, Dunbar and Burr.
2. Auburn headquarters for Auburn, Julian, Peru, Brownville, Stella and Brock.
3. Tecumseh headquarters for Tecumseh, Johnson, Sterling, Cook and Pawnee City.
4. Falls City headquarters for Falls City.
5. Plattsmouth headquarters for Plattsmouth and Murray.

It was pointed out that it is impossible for the executive to visit 25 towns often enough to maintain permanent contacts. Under the district system, which has the endorsement of the national organization and is being used elsewhere, five organizations will be set up directly under the executive, and it will be the duty of these district organizations to carry the work directly to the towns in that territory.

Anniversary Week Talked

Plans also were laid for observance of Anniversary Week, February 7-13, which is the 20th anniversary of scouting. It was decided to foster troop competition in the area, awarding points for various activities during a set period, and to award prizes to the winning troops. The idea of the competition will be to arouse enthusiasm in scout work and to advertise the movement during the national observance week.

W. C. T. U. MEETS

The members of the W. C. T. U. held a very delightful meeting on Monday afternoon at the charming home of Mrs. John F. Gorder, this being in the nature of a Christmas party which was enjoyed by a very large number of the ladies.

The time was very artistically arranged in the Christmas decorations and which featured a large tree with its glowing lights while as a center piece of the table, a snow white chimney had been arranged and in which gifts were placed which the ladies drew out and later replaced to be used in remembering the children of the city at Christmas time.

The active business was opened with the singing of "Cheering Someone Else." Mrs. Gorder presiding at the piano and all joining in the singing which was followed by the scripture lesson which was that of the story of Joseph and Mary and the nativity.

The roll call was responded to by the ladies with Christmas references in the lives of Joseph and Mary.

The ladies enjoyed a fine program given by the little folks of the city which was opened by a violin duet by Wallace Terryberry and Billy Evers, with Catherine Terryberry at the piano and which was very much enjoyed by everyone.

With a piano number as well as a reading, "Mother's Secret," little Miss Mary Katherine Wiles proved a very pleasing entertainer and little Elizabeth Ann Wiles was also heard in two very cleverly given readings.

A vocal duet was offered by Charlotte and Betty Jasper, "The Christmas Hymn" which was most appropriate while Charlotte Jasper was also heard in a charming little German Christmas hymn.

Mrs. John M. Leiby was heard in a delightful reading, "The First Christmas" that carried in a fitting manner the lesson of the day.

The afternoon was closed with the serving of dainty and delicious refreshments by the hostesses.

PLEASANT RIDGE ELECTS

The Pleasant Ridge community club met on Friday evening Nov. 29th, when election of officers took place, Earl Iske, president; Charles Brinkman, vice president; Mrs. J. B. Kauffenberger, secretary-treasurer.

After the business meeting games were played and all there enjoyed themselves very much. Lunch was served by the club and all are looking forward to the next meeting which will be held the 3rd Friday of next month.

**Fliers Attempt
Nonstop Flight
Across Atlantic**

Covered Nearly Three Hundred Miles in First Three Hours; Good Weather Ahead.

Seville, Spain, Dec. 15.—Two aviators tonight were embarked on the great adventure of an attempted nonstop flight to South America over a route where five successful expeditions preceded them, but where several have failed.

Major Tadeo Larre-Borges was seeking to fulfill a long-held dream of linking Montevideo, capital of his native Uruguay, to the Spanish motherland by a single flight. His copilot was Lieutenant Charles, a Frenchman with a distinguished record of other long distance flights.

They left here at 12:40 p. m. (7:40 a. m. E. S. T.) today and at 3:35 p. m. flew over Casa Plana, Morocco, and two and a half hours later over Rio de Oro. In the first three hours of their flight they had covered nearly three hundred miles. They were favored with fine weather over the first stage of their flight, and tonight had a moon nearly full to light their way down the tropical coast.

The aviators intended to skirt the western shores of Africa as far as Cape Jubi in southern Morocco and then head out across the Atlantic, perhaps passing the Canary and Cape Verde islands, toward Brazil. They expected to pick up the Southern American continent in the vicinity of Natal, Brazil, and would then follow the coast line to Montevideo, if their fuel lasts. There was even talk of pushing on farther, if conditions were favorable, in an effort to set a new world distance record.

The last successful flight from Europe to South America was that of Captain Arturo Ferrarin and Major B. Del Prete in July, 1928.
