

# Nehawka

A. B. Rutledge was looking after some business matters in Omaha for the day on last Tuesday.

The two sons of Mr. and Mrs. Merritt Pollard have been quite ill with colds and grippe, but are reported as being some better at this time.

A. C. Munn of near Avoca was a visitor in Nehawka for a time on last Tuesday, and was having some machine work done at the George C. Sheldon factory.

While Mrs. John Opp is at the hospital Grandfather Peter Opp has been the cook and is making an excellent one at that, providing a fine cuisine and excellent eats for all.

Troy Shrader has been feeling quite poorly for some time and went to Omaha on last Wednesday to take a clinic, and to ascertain the cause of the distress which he has been suffering for some time.

Henry Wessell and John G. Wunderlich have completed their extra job of invoicing, and are smiling, we wonder why, because the year has been a good one and that which they have the work of their hands.

Mr. and Mrs. Earl Kirkpatrick of Clayborne, Texas, who were here for the past ten days visiting with the mother, Mrs. E. A. Kirkpatrick, and where they enjoyed an excellent time, departed on last Tuesday morning for their home in the south.

Henry Schumaker who went to the hospital about three weeks since and underwent a major operation who came home some time since, was so far improved that he was able to be down town early this week, and looking after some trading.

Henry Ludwig, residing a number of miles west of Avoca, was a visitor in Nehawka on Tuesday of this week, making an extensive purchase of Geo. C. Sheldon Henry M. Pollard of hedge posts which he will use in building fence on his lands.

Charles F. Hitt and the family were called to Plattsmouth early this week by the death of the father of Mr. Hitt, which occurred on last Sunday evening. The funeral being on Tuesday afternoon from the Sattler funeral home and interment at the Oak Hill cemetery.

Mr. and Mrs. Frank Lemon who were not able to get away for Christmas selected last Sunday as an appropriate day to enjoy the Christmas cheer and hitching up the gas wagon went over to North Bend where they properly celebrated the occasion with a sister of Mrs. Lemon.

John G. Wunderlich and the good wife were over to Plattsmouth on last Wednesday, Christmas day, and enjoyed a very fine visit with their daughter, Mrs. C. A. Rosencrans and husband, also they visited the new bridge, which is now completed, and the road which is being hurried forward as well.

Robert D. Taylor who has been engaged in trucking, and like many others has met with the proposition of having just a little more to deliver than the capacity of the truck, and have either to make an additional trip or lose the hauling, was over to Omaha on last Monday and while there purchased a large truck, which this time is a three-ton Reo Speed Wagon, and has a possibility of load capacity of from four and a half ton to five ton loadage. He had to invest more money, but it is counted well invested, as he will be able to do much more work.

Return from Trip to Iowa. Mr. and Mrs. Stewart J. Rough who have been visiting the past ten days at Iowa city where they have been guests at the home of their daughters, Mesdames Harold J. Dane and family and L. R. Benson and family, returned on Monday of this week from their trip, and were glad to get back to the good old town of Nehawka, but report an excellent time and a very fine visit with their daughters and families in Iowa.

Depart for Their Home. Ben Shrader, son of Mrs. Joseph Shrader who with the wife has been visiting in Nehawka and vicinity with mother and brother for the past two months, departed on Wednesday of this week for their home in Ia.

west, at Ft. Collins, Colorado. They are driving home in their car.

## Makes Good Showing.

The Nehawka Farmers Oil company, which is managed by Raymond C. Pollard and as is shown by the year's business he has made an excellent success of the business. By a statement which was issued January first, this year, The institution has been in business about a year, and began with one hundred and fifty one stockholders, and with the closing up of the year has numbered on their list three hundred and eleven patrons. During the year they handled 146,825 gallons of gasoline, and 61,188 gallons of kerosene, 6,609 gallons of lubrication oil, with the total sales amounting to \$42,288.42. The company does not owe a cent for anything, and had to their credit on the first day of January \$3,661.25 in the bank, while their inventories totalled \$3,061.52. The real estate and improvements amount to \$2,421.25. At a meeting which was held by the board of directors a ten per cent dividend was allowed to all patrons, and an interest dividend of six per cent for all shares held.

This makes a good showing when the institution which sells its goods at a lower price than others, are able to give a rebate or patron dividend of ten per cent and the interest dividend besides amounting to as much money can well be loaned besides. It looks like it is well to belong to such an institution when shares are selling at the low figure which they are. Much credit is due to the careful management of Mr. R. C. Pollard for the very fine showing which the company is able to make.

## Undergoes Seventh Operation.

Mrs. John Opp who has been very ill for some time was taken to the Lincoln General hospital at Lincoln, last week where on Friday she underwent the seventh operation for the restoration of her health. Mr. Opp was up to see the patient on Sunday and found her doing as well as could be looked for under the circumstances. It is hoped she will be able to return home in due time with her health entirely restored.

## Mr. J. M. Stone Better.

Mr. J. M. Stone who some time since underwent a very severe operation, and who for some time was in a very precarious condition, is at this time reported as being much improved, and all concerned are hoping for his complete recovery. His mother, Mrs. R. B. Stone was over to see him on last Sunday and again Lester Stone, his brother was out to visit him on Monday of this week. They all found him doing nicely when the seriousness of the matter was considered.

## Deferred Christmas Dinner.

There was a very happy time on last Sunday when the deferred Christmas gathering of the Anderson family was held at the home of Mr. and Mrs. Louis Ross. A turkey was sent from Imperial in the western portion of the state, by Henry Meyers, who could not get here for the dinner. The dinner was sure a good one and also greatly enjoyed by all present. Those to enjoy the gathering were Louis Ross and family, Albert Anderson and family of Nehawka, Andrew Anderson and family, Mrs. Dedella Stander and two daughters, Misses Bernice and Gertrude of Louisville. The dinner was made the more enjoyable by some canned fruits sent from California by a sister, Mrs. Wolph.

They will expect to remain for about a month.

## Obituary.

Nathaniel Everhart was born in Johnstown, Penn., Dec. 16th, 1843, and passed away December 29th, 1929, at Sunshine hospice, Weeping Water, Nebr. One child was born to this union, Alvia Everhart who passed away Oct. 1st, 1902. His wife Susan Everhart passed away August 18th, 1916.

Mr. Everhart was not a member of any church in Weeping Water, but he was a member of the Lutheran church, where he received his religious training.

Mr. Everhart was among the early settlers in Weeping Water. The Methodist church stands out as a monument to his labors, and skill. He cut all the stone to fit the present building, and his work was well done. The public library owes much of its beauty to this good man, while he has ceased to be, truly, "His works do follow him."

He was well known by the elder citizens of this city, and much regret is expressed that he was gradually declined, until last Sunday at noon he made his ascent to the Eternities above.

He leaves to mourn his demise, two sisters one 83 years of age the other 95 years. Three nieces and two nephews, two step-daughters, Mrs. Graham of Lincoln, and Miss Lina Linebeck, with whom he made his home, and a good number of friends.

No man is born into the world whose work is not born with him; there is always work. And it is to work withal, for those who will. And blessed are the horny hand of toil.

The services were held in the Hobson funeral home at 10 a. m. Wednesday, the pastor of the Methodist church officiating. Music by Mrs. Henry Rubga, Mrs. Herbert Ratmoun, R. L. Hoback and Roy Haslam. Mrs. Haslam organist. Interment was made in the Oakwood cemetery.

## Obituary.

John Lester Wise was born at Lake Port, Michigan, on the 27th day of October 1855 and departed this life on 26th day of December 1929.

He was united in marriage to Rosa C. Irons in the year 1885 at Stuart, Nebr. To this union was born nine children, one having preceded the parents to the better land.

Mr. Wise spent a number of years in Michigan, Illinois, and Missouri, also in Stuart, Nebr. He has lived in and around Weeping Water for the past forty-one years, the last ten years he made his home with his son Lawrence and wife and Mary Imman his daughter. His son, John, helped to care for his father.

Mr. Wise was a well known man by the older residents of this city, for a number of years he has been suffering much and was a great care to his loved ones. He passed away on the 26th day of December. He leaves to mourn his loss his children, his wife having preceded, ten years ago at the age of 56 years. Many relatives and a goodly number of friends.

God be thanked for our departed! And God make us too—bravehearted.

In that land of "No more pain!" We shall find our own again.

Funeral services were held in the First Methodist church at Weeping Water, Nebraska, Tuesday, December 30th, at 10:30 a. m. The pastor of the church, officiating. The body bearers were Emerson Dowler, Harry Doty, Frank Roty, Theo. Davis, Wm Ash, John Fitzpatrick, Sr. Misses Beatrice and Rosa Kimery, Evelyn and Thelma Cole sang "We are going down the Valley," "Doss Jesus Cars," "In the Sweet By and By." Mrs. Roy Haslam, organist.

Interment was made in the Elmwood cemetery, William Hobson and son, undertakers.

## Grain Farmers Hail Choice of Trading Expert

William S. Kellogg Started as Office Boy — Won Success in Northwest

Minneapolis, Minn. — Starting as an office boy in a grain office 25 years ago, William S. Kellogg of Minneapolis steps into a post of national importance on Jan. 1, when he officially assumes duties as general manager of the Farmers' National Grain Corporation, the co-operative selling agency set up by the Federal Farm Board.

He has perhaps the most difficult post in the entire co-operative program launched by the Farm Board. With the world for his field of operations in a business backed by millions of bushels of the United States Government, the merchandising expert will become a factor in the Federal Board's endeavor to place the grain farmer on a higher economic level. Mr. Kellogg's headquarters will be in Chicago. From there he will direct the buying and selling of millions of bushels of grain.

Long and thorough experience in the buying and selling of grain including exporting, served to bring Mr. Kellogg to the attention of the Federal Farm Board. He entered the grain business in Milwaukee, rising to partnership in the firm of Stocks & Kellogg. For the last 11 years he has lived in Minneapolis. For a few years he served as president of the Delmar Grain Company, a subsidiary of the Armour Grain Company. Then he entered the service of the Archer-Dankels-Midland Company, when it took over the Minneapolis elevators of the Armour subsidiary.

Silence is a valuable asset for a man taking office for the first time, the new grain corporation manager holds. Indeed, that is one of his characteristics. As one who has own counsel, but he makes friends easily.

During the 11 years of his association with the Armour Company, Mr. Kellogg traveled considerably and developed a wide acquaintance among grain buyers of the United States, accumulating a large first-hand knowledge of the primary grain markets. His main operations, however, have been in the Northwest.

Under his direction regional offices will be established in the primary grain markets. A Minneapolis group, recently organized under the name of the Northwest Grain Co-operative, already is outlining plans for enlisting Northwest elevators in the work of selling directly to the national corporation.

These regional organizations will facilitate the marketing operations of the national corporation. Mr. Kellogg said. A complete grain operation policy will be developed as the work of the National organization progresses, he explained. The corporation will proceed cautiously, he said, emphasizing the need of laying a sound basis for future action.

## FARM BUREAU NOTES

Copy for this Department furnished by County Agent

### Farm Records Being Summarized.

The 142 co-operators in farm accounts are having their books summarized by Ralph Cole and Art George of the Rural Economics department, Lincoln and D. D. Wainwright, county agent.

### The meetings were held at the

The meetings were held at the Eagle school on Saturday, Dec. 28; King's school on Monday, December 30; Alvo on Tuesday, December 31; Weeping Water January 2 and 3; Union on Saturday, January 4th.

### The Rural Economics Department is putting out a new farm account book for 1930.

Mr. Cole says, "This book is much simpler than the old one." Anyone wishing to keep an account book this year may make an appointment through the farm bureau office, while Mr. Cole is in the county.

### Nebraska Organized Agriculture, Jan. 7-9-9

G. S. Stone, a member of the Federal Farm Board will be on the program of the 25th annual organized agriculture meetings, at 3 p. m. Tuesday, January 7th. Some other features of the program will be experience of farmers who have produced the goods in 1929. Winners of corn yield contests and pig crop contests will tell how they did it. Men in charge of the contest are figuring up the results now. They may notify the individual winners so they can be in Lincoln to take part in the programs, but the official announcement of winners will not be made until Wednesday and Thursday of Organized Agriculture week. In the corn yield contests the bushels per acre and the cost of production have been the important points considered in determining the winners. In the pig crop contests the number of pounds of pork per brood sow on the farm and the cost of production are the two main factors. The pig crop is weighed up when the pigs average six months of age.

### Farm Slaughter of Hogs.

Extension Circular 228 on farm slaughter of hogs and handling and marketing of hogs will be obtained from the farm bureau office.

### The Nebraska Farm Outlook.

Higher wheat prices, a steady to firm trend in the corn market, high hog prices, a weak fat cattle market, steady to lower prices for butter, seasonally lower egg prices, and about steady prices for poultry seem most probably for the next 30-day period. Weather will be an important factor in the corn and produce markets.

### The index of farm prices stood at 136 per cent of pre-war levels in November. This was 4 points below October and 1 point below November, 1928.

### Height of Kitchen Stool Important.

For convenience and comfort it is important that a housewife measure the height of her kitchen work stool by the height of her work table. The table is of correct height when the housewife standing with arms bent at right angles has her elbows eight inches above the level of the table.

### When the worker is seated her arms should have the same relation to the height of the table. This calls for a higher stool than a large number of women have been using. It is desirable to have the space below the table top free so that the worker will have room for her knees under the table. An additional factor of comfort is obtained by having a stool with a swivel seat and a firm support for the back. A foot rest bracketed to the table or to the wall back of the table does away with the discomfort of cramped knees which result when the worker supports her feet on the rounds of the stool.—D. D. Wainwright, County Extension Agent, Jessie H. Baldwin, Asst. County Ext. Agent.

### ATTACKS INMATES OF HOME

Mansfield, O.—John Brumenschenkel, seventy-five, shot and wounded his son, Dan, forty-two, slugged three of his own infant children with a gas pipe, and then tried to commit suicide at his home here Tuesday. Police said he had become suddenly mentally deranged. The aged man shot Dan in the chest. Then he slugged Albert and Alberta, thirteen month old twins, and Marie, a two and a half year old. Finally he ran out into the yard and shot himself twice near the hear. He did not attempt to harm his wife.

### VERY QUIET FOR POLICE

From Wednesday's Daily—  
The police last evening had a very quiet time and the celebrators were not of the boisterous type that required the strong arm of the law to subdue. One arrest for violation of the traffic regulations was the sum total of the new year eve drag net, although the city jail was filled with a large number of wanderers who sought refuge from the rigors of the winter evening.
