

Nehawka Department!

Prepared in the interests of the People of Nehawka and Surrounding Vicinity Especially for the Journal Readers.

There's a Reason!

Why It was Possible for the Nehawka Farmers Oil Company

with the issuance of their annual statement, which was put out on New Years day, to accompany the same with a TEN PER CENT DIVIDEND to all patrons, based on the amount of their purchases for 1929, and as well a SIX PER CENT DIVIDEND on all stock held by the members of the company. Good goods and courteous treatment are the foundation of all business. See this space for one good reason for our success, the coming week.

Nehawka Farmers Oil Company

R. C. Pollard, Manager

R. Kettlehut put up his ice on last Saturday and found the ice some 16 inches in thickness, and heavy enough for any purpose.

Miss Laura Bowne was the guest of Miss Gladys Wolfe for the day on last Monday, the young ladies enjoying the visit very much.

M. R. Carr and family were over to Nehawka on last Tuesday morning where they were looking after some business matters and also consulting with the family physician.

Mr. and Mrs. Verne Harding and their little son, of Omaha, were visiting for the day on last Sunday at the home of Mr. and Mrs. T. E. Fulton, the folks being friends for years.

Fred Ahrens who has been visiting in Cass county since before Christmas, departed Monday morning for Gordon, in Cherry county, where he is engaged in farming, where he has a large tract of land. Fred is liking the country in the northwest very well.

Clarence, the little six months old son of Mr. and Mrs. Martin Ross, who was taken to the Hospital at Lincoln on account of a severe case of pneumonia, is getting along nicely and will be able to return home in a short time. This is pleasant news for their many friends.

The man who was taken with the small pox when he went to work for Earnest Ahrens, has been getting along nicely with his malady and no one else has taken the disease, and it is hoped this will end the small pox, and its about time to turn the man loose as he is about well.

A. R. Dowler of Weeping Water was a visitor in Nehawka for a portion of the day on last Tuesday and was looking after some business matters, he looking after the interest of the sale of the celebrated Chevrolet cars of which he and brother are the dealers in Weeping Water.

Arthur Wolph of Los Angeles, arrived in Nehawka on Tuesday in response to a telegram telling of the very serious illness of the father, Mr. B. Wolph, who was stricken on last Friday and still remains in a serious condition. Mr. Wolph will remain for a time and assist in the care of the father.

Mrs. John Opp who has been at the hospital at Lincoln for some weeks has been showing good im-

provement since her operation and was so far advanced towards recovery that she was able to return to her home on last Friday, and is getting along nicely at home and hopes to be restored to her former health again soon.

Ira Clarke of Union was a visitor in Nehawka on last Monday morning when he came to receive treatment from Dr. David E. Wynegar, who is giving treatment to Mr. Clarke to get him in condition, that it may be determined just what procedure to take regarding his health, and who is giving the patient observation during the time.

Last Sunday as Mr. and Mrs. Stewart Roush were quietly enjoying the evening at home, they were surprised by the arrival of Mr. and Mrs. Harold J. Dane and their little son, Harold, Jr., who had driven from Iowa City that day, arriving in time to enjoy the evening at the home of Mrs. Dane's parents. They are enjoying a visit here for a week and also will visit at Crete with Mr. Wilson and family, Mesdames Wilson and Dane being sisters, and daughters of Mr. and Mrs. Roush.

Grover Hoback and the wife were over to Weeping Water last Saturday where they were in attendance at the funeral of the late John Swindle, who is a niece of Mrs. Hoback.

The funeral being in the afternoon and by the time the interment was made it began to grow late. Starting home near dark, Grover encountered the mist which was falling and being driven by a south wind, which coated the windshields of all cars going south and east, making the driving very bad. We know for we had the same experience.

During the cold weather when the traveling would be bad, Harold Kimlon of Wayside, Nebraska, who has been visiting here for some time, is remaining, not wishing to attempt so long a trip while it is so extremely cold, and so during the time he is waiting for better weather, he has been assisting Mr. Fulton in the blacksmith shop, and has been driving shoes for Tommy. This has helped for it is with some difficulty that Mr. Fulton, with his more than three score of year and ten, continues to shoe horses. Mr. Fulton dresses the shoes and fits them and Harold

drives them, and they make an excellent pair.

On last Monday, Mr. R. B. Stone and Mrs. James Stone and the little daughter, departed for Tucson, Arizona, where they have gone to proceed the arrival of J. M. Stone, who is being released from the hospital at Lincoln, where he has been for some time, and who will depart during the last of the week or early next week for Tucson. Mr. R. B. Stone and Mrs. J. M. Stone have proceeded the others for the purpose of securing a place there where Mr. and Mrs. J. M. Stone will make their home, hoping that the ideal climate there will meet the recovery of Mr. J. M. Stone easier following the serious operation through which he went a few weeks since.

Had a Good Sale.

On last Monday occurred the sale of the farming implements of Carl Wessell, and also some of the livestock and other things which appertained to the outfit for farming. Notwithstanding the weather was not the best, there was a goodly crowd present and the bidding was spirited, making the sale a very good one.

Hold Annual Meeting.

The Farmers Grain Company of Nehawka held their annual meeting on last Tuesday evening at the auditorium, and which was well attended by the stockholders. The business has been very good during the past year and with the excellent crop of corn which has been raised this year, it looks like they should do a good business the coming year.

Many Harvest Ice.

During the latter portion of last week and the early part of this week many of the people in and about Nehawka have been busy putting up ice for the coming summer. The ice is of a good quality and averaging much over a foot in thickness, and in some instances as high as sixteen inches. Louis and Martin Ross, Eugene Nutzman, George Holmes and R. Kettlehut were among those who have completed their ice harvest.

B. Wolph Stricken.

Bucephalus Wolph, one of the very prominent citizens living southwest of Nehawka, was stricken last Friday with apoplexy, the left hemisphere of the brain being affected, and a rupture of the brain causing a partial paralysis, the speech being suspended and the use of the right portion of the body also being stayed. The very best medical services has been secured and everything done, still the patient, while slightly better, remains about in the same condition.

Lived Here Forty-Two Years.

Forty-two years ago last Sunday, Henry M. Pollard arrived in Nebraska, and the vicinity of Nehawka from Vermont, and found one of the very coldest days he has ever experienced, for it was the day of the celebrated blizzard of 1888 and which froze many people to death. Mr. Pollard well remembers that eventful day, and had he not found some excellent weather following that he would have been making for the shelter of the green mountains of Vermont in a short time. During the forty and two years which Mr. Pollard has resided in Nehawka and vicinity, he has been well satisfied with the weather here and also the way this state and county has treated him.

Fame of Sargon Spreading Over Entire World

People in This Country Sending Famous Medicine to Relatives and Friends in England, Scotland, Ireland, France, Canal Zone, Norway, Sweden, Cuba and Many Other Distant Lands.

If you had found a medicine that was of such benefit to you that you would go to the trouble of sending it to relatives and friends in distant countries, you would have to be convinced in your own mind that it possessed real merit, wouldn't you?

That's just what thousands of people throughout the United States have been doing with Sargon. From all over America and wherever Sargon has been introduced, thousands of letters have been received from grateful users telling of the gratifying results that have been accomplished by this celebrated medicine.

THOUSANDS EXPRESS GRATITUDE

On November 7th, a letter dated November 23rd, was received at the Sargon offices advising that in one week one drug firm alone had received orders for Sargon to be shipped to Cavite, Philippine Islands; Coca-Solo, Canal Zone; Belebroke, Ireland, and Paris, France.

Only recently a well-known resident of Denver, Colorado, who had been restored to health by Sargon, sent a full treatment to London, England, to his sister, who is the wife of an executive of one of the greatest retail drug firms in the British Empire.

During the past month there appeared in the Toronto papers the statement of a well-known World War veteran whose health had been greatly impaired while in the service, who stated, among other things, that he owed his restoration to health to two bottles of Sargon sent him by a friend in Minneapolis.

LETTERS RECEIVED FROM THE NORTHWEST

From the Northwest, many letters of this kind have been received, advising that users of Sargon are sending it to relatives back in their old countries of Norway and Sweden.

Many such letters and endorsements have been received from men of prominence, including former governors, business and professional men, mayors, state and county officials, and even Ministers of the Gospel have deemed it their duty to come forward and tell what Sargon has done for them.

These are only a few of thousands of such cases and not a day nor a week passes that does not bring hundreds of statements from the people concerning the good this medicine is doing, and reciting case after case that would convince the most skeptical.

Sargon's fame is built on actual results—not empty promises, and only those who have put it to the test know its real powers. Sargon's aim is not mere temporary relief, but new and abundant health. No wonder it is now called the medicine with a million friends. Weyrich & Hadraha, Agents.

CARD OF THANKS

We wish to express our most heartfelt appreciation of the many acts of kindness and words of sympathy given us at the time of our bereavement in the death of our loved husband and father, also for the aid and help of the kind friends and neighbors that will be so long remembered. We also wish to thank those who sent the beautiful flowers and assisted in the funeral services.—Mrs. Martin Steppat and Family.

WEEPING WATER

The Binger Lumber company was unloading three cars of coal on Tuesday of this week.

Miss Jessie Baldwin was a visitor at Elmwood on last Tuesday where she was conducting a project meeting for the ladies of that place.

Al Ralston was a visitor in Omaha for the day on Tuesday of this week, being called there to look after some matters of business for the day.

Spencer J. Marshall was a visitor with friends as well as looking after some business matters in Nebraska City on Tuesday afternoon of this week.

The contractors of the new home for John Knabe were in Weeping Water on last Tuesday getting a load of finishing lumber for the completion of the new residence.

A. R. Dowler was a business visitor in Nehawka for the day on last Tuesday where he was looking after the sale of some cars, and also attending to other business matters.

G. R. Binger was feeling quite poorly for a number of days extending over the week and but was at the work again early Monday but was not feeling just tip top.

Miss Elizabeth Gibbs of Eagle was the purchaser of one of the new Chevrolet sixes, getting a coach, which she is liking very well, she having purchased the new car early last week.

John Swindle of Haddon, Mont., was called here by the death of his father, John Swindle, sr., the burial of whom occurred last Saturday. John Jr., has been visiting here with friends since.

Harold Dodson, living north of Nehawka made the purchase of one of the latest style coupes of the Chevrolet make, and is well satisfied with the purchase, knowing he has a fine car and one that will last.

George Sheesley of south of Alvo, was the purchaser of one of the bigger and better Chevrolets from the Dowler Brothers distributing station at Weeping Water, the car being sold by the efficient salesman, Frank Plymale.

H. E. Brookings was a visitor in Plattsmouth last Saturday where he was looking after some business matters and at the same time was securing disease plates for his auto, which he recently purchased of the Dowler Brothers.

Pete Miller has a boil on his left hand on the back, and for the first time realizes that there is no good place where a man can have a boil on his anatomy. He will be compelled to have the boil on the back of some other persons neck to completely enjoy it.

Carl Warlick of near Murray was a visitor in Weeping Water on last Tuesday after having attended the sale at Mr. Beattie's, he also taking the wife and kiddies past their folks at Nehawka, where they visited during the time while Mr. Warlick was at the sale.

T. J. Jamison who has been working in and about Weeping Water for some time past though he resides in Lincoln, went from Weeping Water on last Saturday night to Murray, where he spent the week end at the home of his daughter, Mrs. J. F. Brendel of that place.

A. L. Hensiksen, living north of Eagle, wanting one of the best of cars made the purchase of one of the latest models of the Chevrolet, buying it from the Dowler Brothers, and picked a coach, which will make an excellent means of transportation of this gentleman and his family.

Mrs. Nellie Stoner has been very ill at her home in Weeping Water with an aggravated attack of the flu, and while she is much better at this time has been compelled to remain at her home thus far. Her many friends are hoping that she may soon be able to get down town again and be entirely well of the malady.

H. H. Bailey who has made his home for a number of years near Ord in Valley county and where he has been engaged in the cattle business discontinued the business a few years ago and has since been making his home there, was a visitor for a time at the home of his son and family at Kansas City, arrived in Weeping Water last week and has been visiting with his brother, Frank Bailey during his stay here.

Has Sinus Trouble. Mrs. Rasmus Lauritzen, who has been rather poorly for some time on account of attacks of sinus trouble, and who has suffered much from the trouble was compelled to go to Lincoln on last Saturday for treatment and gain on Tuesday of this week. She seems to get some help from the treatments and is hoping that she may soon be restored to her usual health.

Finds Cold in South. E. A. Marshall, son of Mr. and Mrs. E. F. Marshall of this place, and having made his home at Fort Lupton, Colorado, drove last week from his home town to the lower part of Oklahoma, to a town called Pauls Valley. Mr. Marshall said the drive for the first portion of the trip was very pleasant, but the weather grew stormy and was so very bad that it was not possible to get any conclusive view of the country through which he was driving. He is expecting to work there during the remainder of the winter.

Will Have Talks Next Week. H. E. Brookings, the proprietor of the Liberty theatre, was busy during the week making changes and alterations at the theatre and installing the new machine for talkie movies, which requires a different machine and is adding much to the outlay for furnishing what the people desire. With the beginning of next week he will have the new pictures which

A New Bus Line. With the beginning of this week there was inaugurated a new bus line with a schedule of two round trips daily between Weeping Water and Omaha, for week days and for Saturday and Sunday they are having three round trips, thus affording good service to and from Omaha.

A Queer Dish. A young bride asked her husband to copy off a radio recipe she wanted. He did his best, but got two stations at once, one of which was broadcasting the morning exercises and the other the recipe. This is what he took down:

"Hands on hips, place one cup of flour on the shoulders, raise knees and depress toes and mix thoroughly in one-half cup of milk. Repeat six times. Inhale quickly one-half teaspoon of baking powder, lower the legs and mash two boiled eggs in the sieve. Exhale, breathe naturally, and sit into a bowl. Attention: Lie flat on the floor and roll the white of an egg backward and forward until it comes to a ball. In 10 minutes remove from the fire and rub smartly with a rough towel. Breathe naturally, dress in warm flannels and serve with soup."

GOLDENROD CLUB MEETS. The Goldenrod Study club of Myrard held its December meeting on the 12th at the home of Mrs. Ita Cole who was assisted by Mrs. Virgil Perry and Mrs. C. C. Barnard. In spite of the gloomy, foggy weather outside, the home was cheerful and gay with its Christmas decorations.

A number of the beautiful Christmas carols were sung by the members of the club and their guests, led by Mrs. Sherman Cole. Appropriate scriptural selections were given by Mrs. W. T. Richardson. After the parliamentary drill under Mrs. E. H. Spangler's capable leadership and the business of the meeting was finished, the study hour was spent with Mrs. C. L. Wiles, presiding, assisted by Mrs. Wallace Warner. The subject of study was "Spending the Home-maker's Hours," and proved very interesting to this group of "home-makers."

Just before lunch was served, the gifts from the Christmas tree were distributed. The ladies departed for their homes with another jewel added to their collection of happy memories. The first meeting of the New Year was held on Jan. 9 at the home of Mrs. E. H. Spangler. In spite of the snowy weather a goodly number of

the members gathered about the cheerful wood fire in the big living room to discuss the usual problems arising in an organization of this sort, to receive more of the parliamentary training and to study, "Let Us Forget." This subject dealt with the niceties and courtesies of living, such as the proper method of making introductions, setting the table properly, serving a meal, etc. Mrs. Myron Wiles was the leader for the afternoon. Mrs. B. W. Livingston read about careless guests who "do not mean to" but do abuse a hostess' hospitality by their carelessness and also people (generally relatives) who make cutting remarks that hurt although they "do not mean to." Miss Grace Livingston read about a good way to teach good manners to children without arousing resentment. The music for the day consisted of that fine old hymn, beloved by President McKinley, "Lead Kindly Light" which was sung by the club and a beautiful piano duet, "March Militaire" by Schubert, played by Mrs. Roy Cole and Mrs. Elbert Wiles. Mrs. Spangler was assisted in the serving of the refreshments by Mrs. S. W. Cole and Mrs. A. L. Huffer.

COMMUNITY MEETING. There will be a community meeting held at the Pleasant Ridge school house on Friday evening, January 17th. Everyone cordially invited to attend.
