Creighton Prep Wins a Hard Fought Game

Platters Are Turned Back by Omaha Prep School by Score of 26 to 16 in Hard Game

From Wednesday's Daily—
The annual clash between the Plattsmouth high school and the Creighton Prep team of Omaha, last night at the local arena, resulted in the visitors annexing the game by the score of 26 to 16, in a contest that was hard fought on both sides until the last few moments when the lead of the visitors mounted to a margin that permitted them to stall the last few moments.

The game was spirited and marked with some fast floor work on the part of both teams and plenty of action throughout. Galloway of the Platters playing a very strenuous game throughout both in his offensive and defensive phases of the game. The guarding of Creighton was very close despite the fact the Platters repeatedly broke through their lines for shots at the basket that missed by the narrowest margins. For the visitors, Boyle, right guard and Mullen, center, were the chief scorers with eight and ten points to their credit while for the Platters Galloway and Bob Hartford each had two baskets to their credit and Mumm and Captain Turner one each.

In the opening quarter the two teams sawed the lead between them and almost the whole time Boyle dropped in a basket to make the count 8 to 6 for Creighton at the close of the period.

The second quarter saw Hartford the only local able to ring one although there were many chances taken, this basket with the free tosses of Galloway and Hartford holding the Plattsmouth score to 11 while the visitors pushed up to 16.

In the last half of the game, Mullen, Creighton center, commenced to get hot and proceeded to annex three field goals with Boyle and Murray each taking one to their credit, while for Plattsmouth, Turner and Mumm were the only ones able to annex a basket, and Wiles tossed in a free offering.

In the curtain raiser of the game the Creighton Seconds and the Plattsmouth Reserves staged a battle with a 29 to 19 victory for the visitors.

The tabulated score of the main game was as follows:

	FG	FT	PP	T
Galloway, rf	2	2	1	6
Dew, Hersh, rf	0	0	0	0
McCleary, lf	0	0	0	0
Mumm, c	1	0	1	2
Hartford, c	2	2	2	2
Turner, rg (C)	1	0	0	2
Wiles, lg	0	1	0	1

	FG	FT	PP	T
Creighton Prep—	6	4	4	16
Pratt, rf	0	0	1	0
Walsh, rf	6	0	0	0
McClary, lf	2	0	1	4
Mullen, c	4	0	1	8
Boyle, rg	3	4	0	10
Murray, lg (C)	2	0	1	4

MINISTERIAL ASSOCIATION

The ministers of the Cass County Ministerial association met in the Evangelical church at Elmwood on Monday, January 13th, at 10:30 a. m. to conduct their regular monthly meeting. On account of the inclemency of the weather, Rev. H. E. Sorter, chairman, and Rev. O. G. Wichmann, who was to read an essay were absent. Rev. G. A. Morrey, pastor of the M. E. church at Weeping Water was elected temporary chairman. Rev. B. Pinkham of Weeping Water started the ball rolling and the meeting was turned into an impromptu meeting. This became an inspiration to every one present. A unanimous motion prevailed that the association undertake to conduct Union Gospel services at strategic points.

MOVING TO PLATTSMOUTH

Mr. and Mrs. E. P. Stewart, who since disposing of their restaurant business at Louisville, have been on their farm near Farnam, Nebraska, arrived here Tuesday and are now engaged in arranging to become more settled in this city, their former home. Mr. Stewart served as sheriff from 1923 to 1925 and his many old friends over the county will be interested in learning that he is expecting to make his home here in the future.

"Florida's Best," 10 pieces—a real dance band that many of you have heard over WAAW. Special entertainment feature by Miss Eleanor Wolfe, acclaimed "Miss Omaha" in 1928-1929.

All at Regular Admission \$1 Couple

Shenandoah Homes Suffer from Explosion

Window Lights in 200 Homes Crash When Gas Plant Explodes Tuesday Morning.

Windows in 200 homes at Shenandoah, Iowa, were boarded up there Tuesday night as the result of an explosion in the city gas plant which killed one man, injured another, destroyed the plant, and shattered windows in homes and business houses for blocks around.

Emergency cooking apparatus was being installed in 680 homes left without means of preparing food. Oil burners, coal stoves and furnaces were placed into service by housewives forced to discard their gas ranges when the supply of fuel was cut off.

Officials of the Iowa Light and Power Co., owners of the plant, estimated it would take from six weeks to six months to replace the plant.

They indicated they would stand the expense of repairing homes and business houses, and placed an estimate of \$60,000 as the loss of the plant itself.

Virgil Bettis, 35, was killed, and Hugh Shaddock, the only other man in the plant at the time of the blast, is recovering from injuries. Bettis is survived by his widow and two small boys, 7 and 9 years old.

Rush orders were sent to surrounding towns for various types of electrical apparatus and oil stoves, which might be used in lieu of the gas ranges. Restaurants said they expected to be equipped with electrical devices by Wednesday.

The supply of glass for replacing broken windows was exhausted and city employees were put to work boarding up broken windows or putting in glass cloth to keep out the cold.

The explosion occurred about 8 a. m. from a cause as yet undetermined. It tore out the entire east wall of the two-story plant and so damaged the remainder of the building and plant that attempts to repair them were believed futile.

Residents of the entire city were thrown into a near panic, so terrific was the blast.

ANNUAL MEETING MANLEY CO-OPERATIVE ELEVATOR CO.

The annual meeting of the Manley Co-operative Elevator Co., will be held on Monday, January 20th, 1936. All stockholders are requested to be here.

FARM BUREAU NOTES

Copy for this Department furnished by County Agent

Dairy Herd Improvement Ass'n.

G. Earl Mansfield of Ashland has the high herd in the Cass County D. H. L. A. in the group of five to fifteen cows. Mr. Mansfield's eight cows averaged 983 pounds of milk, 33.6 pounds butterfat for the month of December.

W. T. Fager had the high herd in the 16 or more group. Mr. Fager's purchased Jerseys averaged 317 pounds milk, 25.8 pounds fat per cow.

The next receipts from the 19 cows was \$117.12 above feed cost and the next was one of the cows dry during the month.

Paul Murrick of Nehawka had the high producing cow. This cow produced 1519 pounds of milk, 75.15 pounds butterfat with a test of 5 per cent.

C. D. Geary of Mynard had the second high cow, which is a grade short-horn. She produced 711 pound butterfat with 4.5 per cent test.

One member in the association, with 18 cows received \$2.00 for every dollar expended for feed.

John Livingston of Ashland, has a herd of 29 Holsteins and Jerseys and has recently installed a new international milking machine on trial. The International Harvester Company has recently placed on the market their first milking machine.

There are only three out on trial from the Omaha branch.

The association had 288 cows on test in December and 56 of these were dry. The cows averaged 478 pounds of milk and 19.7 pounds butterfat. Three were sold at the block and three cows made over 60 pounds butterfat for the month.

Due to the present price of dairy products it is a good time to weed out the herd and save a heavy feed bill from now on until spring.

If every person in the U. S. ate 1/2 pound of butter this month, the butter surplus would be automatically reversed to several million pounds shortage.

How to Receive Help From the Federal Farm Board.

We are being asked most every day by both individual farmers and representatives of co-operative marketing associations as to what they will have to do to get aid or assistance from the Federal Farm Board.

"It is impossible for the Board to deal direct with the individual farmer. Under the terms of the Agricultural Marketing Act, the Board may, with exceptions not here important, lend only to co-operative associations which are qualified under the Capper-Volstead Act of 1922.

"To qualify under the Capper-Volstead Act, the cooperative must be composed of persons engaged in the production of agricultural products as farmers, planters, ranchmen, dairymen, nut or fruit growers, acting together in associations, corporations or otherwise, with or without capital stock, in collectively processing, preparing for market, handling and marketing in interstate and foreign commerce, such products of production so engaged. Such associations may have marketing agencies in common; such associations and their members may make the necessary contracts and agreements effecting such purposes.

Under the provisions of the Act, however, such associations shall be operated for the mutual benefit of their members and conform to one or both of the following requirements:

(1) that no member of the association is allowed more than one vote because of the amount of stock or membership capital he may own therein; or

(2) that the association does not pay dividends on stock or membership capital in excess of eight per cent per annum.

Another requirement of the Act is that the Board has already assisted in the formation of several national cooperatives representing particular commodities. Others will be formed in the future. If and when such national cooperatives are formed, it is the policy of the Board to require that local, state, or regional cooperatives shall affiliate with the national and receive the benefits of the Agricultural Marketing Act through this national affiliation.

It is the desire of the Board that proper reserves be set up by the cooperatives to meet their own peculiar conditions. In such cases, provision should be made for the ultimate distribution of such reserves and for the distribution of all other earnings, except the limited dividend requirements of capital stock cooperatives, upon a patronage basis.

Any such associations as above described will be eligible to do business with the Federal Board without the necessity of coming through or joining with any other organization.

Recreational Training Meeting.

Forty members representing many of the project clubs over the county, spent Friday, January 10th at Weeping Water, receiving instruction on how to lead games at community gatherings. Motion songs, progressive table games and indoor active games were played.

Miss Ella Gardner, a recreational specialist from the Labor Department of Washington, D. C. had charge of the recreational work. Miss Mary Ellen Brown from the State Office was present at this meeting.

If at any time you desire assistance in mixing or putting on community programs the County Extension agents will be glad to help you.

4-H Club Members Win Medals and Trip to Club Work.

Fifteen 4-H club members of 1929, won state trips to 1930 club work

Volume Buying Bargains Typical Values

The various items we have mentioned under this heading are typical of the values we are able to give you through our volume buying. The response to these little adlets convinces us it's only a matter of getting the facts to the people. We list here the items already mentioned.

Look Elsewhere in This Paper for New Ones
Men's Suits, \$13.75; all wool Sweaters, \$2.75; Broadcloth Shirts, 95c; Horsehide Gloves, lined, 98c; Boys' Fleece Union Suits, 69c.

Wescott's

which is to be held at Lincoln June 2-6. Following is a list of the winners, the project they represent and the name of the firm giving the trip.

Lois Giles, Nehawka, Clothing, Omaha Chamber of Commerce.

Alice Leona Ambler, Weeping Water, Girls Room, Meredith Publishing Co., Des Moines.

Herald Kearney, Eagle, Swine, Union Stock Yards, Omaha.

William Brandt, Nehawka, Calif., Nebraska Farmer.

Milford Smith, Weeping Water, Poultry, Nebraska Poultry Assn., Ellsworth, Bodrill, Eagle, Corn, Union Stock Yards, Omaha.

Lloyd Vance, Eagle, Poultry Leader, Burlington Railroad.

Ruth Aronson, Eagle, Poultry, Crete Mills.

Vincent Rehmeier, Weeping Water, Swine, Crete Mills.

Terry Mixers Club, Union, Cooking, Crete Mills, \$20.00.

Louise Foster, Cooking, Northwestern Yeast Co. \$25.00.

Helen Watkins, Bess Watkins, Dorothy Foster, Katherine McCarroll, Daisy Mead, Cooking.

Jesse Livingston of Weeping Water was crowned the champion Junior corn producer of Nebraska last week at Organized Agriculture. He grew 50 bushels per acre on a ten acre field. Lester Snyder of Waverly was a close second with 78 bushels per acre, and Clarence Kintner of Weeping Water was third with 75 bushels per acre.

Nebraska Crop Growers Association sponsors the contest in which the boys competed for high production honors. Cost of production was considered as well as yield per acre in deciding the winners.

Pig Crop Contest.

W. P. Nolte, Mynard, Fred Remmeier, Weeping Water, Hall and Orren Pollard of Nehawka placed among the 25 farmers, who raised above 1000 pounds per litter in the 1929 pig crop contest. Following:

W. P. Nolte, Mynard, 6th, Breed H. No. Sows 7, Pigs Farrowed 57, Pigs Raised 51, Ave. Litter Weight 1546, Cost per cwt. 7.77.

Fred Rehmeier, Weeping Water, 8th, Breed C. W. No. Sows 11, Pigs Farrowed 128, Pigs Raised 87, Ave. Litter 1424, Cost per cwt. 8.01.

Hall Pollard, Nehawka, 16th, Breed H. No. Sows 9, Pigs Farrowed 101, Pigs Raised 65, Ave. Litter 1156, Cost per cwt. 9.17.

Oren Pollard, Nehawka, 24th, Breed H. No. Sows 10, Pigs Farrowed 90, Pigs Raised 83, Ave. Litter 1235.

The rations used by these men include corn, pig meal, alfalfa, alfalfa pasture, oats, shorts, tankage, sweet clover, blue grass pasture.—D. D. Wainwright, County Extension Agent, J. H. Baldwin, Asst. County Extension Agent.

FARM FOR SALE

160 acres, six miles south of Cedar Creek, Cass county. Good improvements. All under plow except ten acres in pasture. Good running water. Priced right. Terms reasonable. Can give possession March 1st.

JAMES TERRYBERRY.

Sl. Corn Yield Contests.

Carl Day & Son of Weeping Water received the high honors for growing the most corn on ten acres in the eastern Nebraska region. The field averaged 107.4 bushels per acre which was also the second highest producing field in the state. Mr. Day

Report on Prohibition Assailed by Butler

Says Washington, Like Nero, "Fiddles While Rome is Burning." Liberties Are Reduced.

New York, Jan. 14.—Nicholas Murray Butler, president of Columbia university, issued a statement attacking the report of the Hoover law enforcement commission. He said it is "new and pathetic evidence that Washington, like the emperor Nero, fiddles while Rome is burning." Dr. Butler is an opponent of prohibition.

"Faced by the greatest and most dangerous emergency which has confronted our people and our government since the civil war," his statement said, "all that is now proposed is more laws. Even some of these appear to be directed at reducing still further the protection once afforded to civil liberties by the bill of rights."

The statement said "the first practical and constructive step toward restoring our government to its original and well-tested form will be to clear out of the house of representatives in November next, those wretched creatures who sit there to cheer and laugh when murder is extolled in their presence, and to bring to a quick end those constant exhibitions of government-made lawlessness which outweigh a hundred times over all breaches by individuals of any law whatsoever."

"When the government ceases from lawlessness," Dr. Butler continued, "it will be easier, as well as more

FAIRVIEW WOMAN'S CLUB

The Fairview Workers, the county club of ladies in Fairview district, held their December meeting at the home of Mrs. Philip Tritsch with only one visitor, Mrs. George Privett. Because of the stormy weather and bad roads, some of the members were unavoidably absent.

The project leaders, Mrs. Jesse Terryberry and Mrs. Joe Rhodes presented the lesson in an interesting and helpful manner. Among other things under discussion, plans were made for an all day meeting on January 30th at the home of Mrs. A. Alexen. The assistant county agent, Miss Jessie M. Baldwin, will be present and a good attendance is requested. This will be a social occasion and is sure to be very enjoyable.

The hostesses for the afternoon were Mrs. Jesse Terryberry and Mrs. Albert Murray.—Mrs. Philip Tritsch, reporter.

TRAFFIC CENSUS IS OPENED AT LINCOLN

Lincoln, Jan. 14.—A traffic census on highways leading to Lincoln was started Tuesday by the state department of public works. Ten men hired from the city labor bureau and 10 regular employees will count the cars for 24 hours, in accordance with a system inaugurated by the state and federal governments last June. The censuses are taken periodically.
