#### BRIGGS CASE COMPROMISE

New York-The wife whom Clare Briggs, cartconist, divorced and the woman who says she was his common law mate, Thursday were advised to protect his name by compromising their legal battle over his estate.

"It is a sad thing," said Surrogate O'Brien, offering his services as medfator, "to delve into his private af- lows: fairs and to drag forth a grinning chimera into the spotlight of unwelcome notoriety. Clare Briggs was more than a mere cartoonist. He was a public character. His cartoon entered into every home, and by them we grew to love the character of

# **Prevent Oats SMUTS**

Oars smuts cause heavy yield losses. Prevent them by using Ceresan as a seed treatment. Prevents seed rotting. Improves stands. Harmless to seed. Easily and quickly applied as a dust. Yield increases of from 13.3 bushels per acre to 19.1 bushels per acre have been obtained in addition to perfect smut control. Ceresan is also effective in preventing covered smut and stripe of barley as well as many seed-borne diseases of wheat, cotton, rye, millet and sorghums. Treat now or before planting. Use three ounces per bushel of seed oats, barley and cotton; two ounces per bushel of seed wheat, rye, millet and sorghums. Five pounds, \$3.00; twenty-five pounds, \$12.50.

Use Semesan Jr. for seed corn; Semesan Bel for seed potatoes; Semesan for vegetable and flower seeds and bulbs.
