

GREENWOOD

Mrs. Rex Peters was a visitor in Ashland, where she was looking after some shopping as well as visiting with friends for a few hours.

Walter Miller and Emil Meisinger were shelling and delivering corn to Greenwood from northwest of town on last Wednesday and Thursday.

L. C. Marvin was getting the election booths in readiness and erecting them at the garage of Matthews & Petersen, for the election which comes this week.

Leo Peters was over to Omaha on last Tuesday with a load of hogs for the market and which brought him a very fair price, as they were excellent porkers and well finished.

E. L. McDonald and the wife were over to Omaha on Thursday of last week, where they were visiting with friends and Mr. McDonald was making some purchases for the store here.

A. R. Birdsall was a visitor in Murdock last Wednesday, where he was called to look after some business matters for a short time, he driving over to the neighboring town in his auto.

Mrs. E. L. McDonald still remains very poorly and many days cannot get from her bed and home, but whenever she is feeling so she can, she likes to get out and see the sunshine and fresh air.

County Commissioner Fred H. Gorder, who is county commissioner for the west end, and who has also filed for re-election, was looking after some business for the county in Greenwood one day last week.

John Kelley was in town last Wednesday, looking after some business and getting ready for the farming season. The kiddies at the Kelley home have just gotten over the measles only to take the chicken pox, which has kept the home nearly like a hospital for some time past.

W. E. Newkirk is rustling over the county selling the wheel garden hoe or hand plow, as you deem best to call it, but one of the very finest of instruments for the cultivating of a garden and all small fruit and vegetables. He is meeting with good success in the sale of the utensils.

Herman Brunkow will operate a milk route in Greenwood and will be able to furnish milk in any quantity, which will be the best and fresh from the farm. This will be a convenience for the milk users of the community, for the milk will be delivered fresh every morning and evening.

The merry ring of the hammer at the shop of S. Petersen, both of himself and his workman, W. Cope, denotes that spring is here and that the farmers are getting after their spring work. There is also this, that Sophas is doing good work or they would not bring their work to him.

inserted an ad in a Los Angeles paper one evening, saying he would bring three passengers to Omaha for \$35 each, and the next morning had his passenger list filled.

After having visited here for a time, he will again return to the west, driving as he came.

Making a Beauty Spot The Burlington, which has some ground just across the track from their station in Greenwood, which is level, has had the same plowed and gotten in shape for landscaping.

Greenwood Transfer Line We do a general business—make trips regularly to Omaha on Monday and Thursday, also to Lincoln Tuesday and Friday. Pick up loads on these trips. Full loads at any time. FRED HOFFMAN.

Will Visit at Plattsmouth A delegation from the Greenwood Commercial club will on Thursday of this week be guests at the dinner which is given each Thursday by the members of the Plattsmouth Chamber of Commerce and will talk of things which interest the towns in common, including the securing of a good hard surfaced road.

Rush Work on Highway Link at Tecumseh

Will Connect No. 3 with No. 41; Requires 13 Miles of Grading; Complete Job This Year

Tecumseh, March 28.—Tecumseh and Johnson county people can thank the members of the board of county commissioners for having secured the promise of State Engineer Roy Cochran of Lincoln that work will start soon and be pushed to completion on the 13 miles of federal-state highway, linking highway No. 3, three miles north of Tecumseh, with highway No. 41, which runs west, via Sterling, Adams corner, and on north to Lincoln.

The road is now completed, including gravel, from Lincoln to Sterling, Highway No. 3, running north out of Tecumseh, is completed and graded three miles north, where it runs east to Auburn, Nebraska City, etc.

Taking up the link in the proposed graded road from Tecumseh to Lincoln will require 13 miles of grading and gravel and Mr. Cochran stated he expected to have the job completed this year. Engineers and surveyors are already on the ground.

This proposed road building will be to extend the Goldenrod, No. 3, four miles north of the present corner of the gravel, which is three miles north of Tecumseh, or, in other words a total of seven miles due north of Tecumseh, then nine miles west to the present completed road at Sterling.

By taking this route railroad crossings and much low ground road will be avoided, which is on the old survey of road No. 41. Later it is expected a north and south road will be built through territory from the Goldenrod highway, east of Vesta and starting at Limerick school house, north seven miles to connect with No. 41 four miles east of Sterling. This road will touch the town of Mary and take care of travel from that section.

Abandon Old Route. The county commissioners advise that the old survey of taking the gravelled road, No. 41 from the corner of No. 3, north of town, due west three miles to the Burlington right-of-way, and along this right-of-way six miles to the gravel at Sterling, has been abandoned. It is no longer shown as the proposed route on the state engineer's maps.

As the proposed link of 13 miles to complete the road from Tecumseh to Lincoln is a state and federal highway it will be done without financial aid from Johnson county. It is presumed that the first road building the county will engage in, and that as soon as funds are available, will be the extending of highway No. 98 through the county, the Topeka to Lincoln highway, coming north thru Dubois, Pawnee City, Tecumseh, and Syracuse. This year No. 98 will be built from Pawnee City to the Kansas line, a distance of some few miles.

CHARGE OF FRAUD IS MADE Chicago—The McCormick boulevard constructed by the Chicago sanitary district, is under investigation again, it was revealed Thursday when the state's attorney asked a grand jury for an order giving him the right to take certain records of the U. S. A. company, the construction company which did much of the work.

"The profits were magnificent," said John E. Northrup, first assistant state's attorney in presenting his plea before Chief Justice Normoyle. "Even monumental," he continued.

"It appears," his petition set forth, "that the profits of the said U. S. A. company under its contract ran from 50 to 200 percent and that the labor expense and material charges were so grossly padded that said sanitary district was defrauded of vast sums, running into millions of dollars in 1927 and 1928. Justice Normoyle continued the hearing until Friday when attorneys for the U. S. A. company promised to produce the records asked.

FARM STORAGE BINS LOADED Lincoln, March 24.—Nearly 100,000 bushels of corn and 11,000,000 of wheat that still remain in the hands of Nebraska farmers from last year's crops are an indication of changed conditions in this agricultural section of the west.

No longer does the producer have to rush his crop from the threshing or husking wagon to market. His own better financial resources, plus more readily available sources of loans, have made him more of a business executive.

ORDER

In the District Court of the County of Cass, Nebraska. In Re Application of Friederike Bluma Lange, guardian of Maria Katharina Bluma, Henry Frederick Clarence Bluma, and George William Bluma, minors, for license to sell real estate.

Now on this 27th day of March, 1930, it being one of the days of the November, 1929, term of this Court, there was presented the petition of Friederike Bluma Lange, guardian of Maria Katharina Bluma, Henry Frederick Clarence Bluma, and George William Bluma, minors, for license to sell the undivided two-ninths interest of each of said minors in the north half of the northeast quarter of Section 2, Township 11, Range 11, east of the 6th P. M., in Cass county, Nebraska, subject to the life estate of Friederike Bluma Lange, and to invest the proceeds thereof, and it appearing from such petition that it is necessary and will be beneficial to said minors that said interest be sold.

It is therefore ordered that the next of kin and all persons interested in the estates of Maria Katharina Bluma, Henry Frederick Clarence Bluma, and George William Bluma, minors, appear before the Judge of the District Court of the County of Cass, Nebraska, at the court house in the City of Plattsmouth, Cass County, Nebraska, on the 8th day of May, 1930, at 9 o'clock a. m., to show cause, if any there be, why license should not be granted for the sale of said interests.

It is further ordered that a copy of this order be served upon the next of kin of the said Maria Katharina Bluma, Henry Frederick Clarence Bluma, and George William Bluma, minors, and all persons interested in their estates, by publication of this order for three successive weeks in the Plattsmouth Journal, a legal newspaper published and of general circulation in the County of Cass, Nebraska, on this 27th day of March, A. D. 1930.

Manly to Have A New Building for School Use Board of Education Decided on Erection of More Adequate Building for the Town The members of the board of education and the residents of the school district in which Manly town is located, have decided to erect a new school building to replace the present structure which is in very bad shape. The new building will be a two room school and will enable the teaching of the ninth and tenth high school grades there when completed. While the exact plans for the building have not been formally adopted it is expected that the new building will cost in the neighborhood of \$12,000, and will be made a strictly modern and up to the minute in every way and one that will be adequate to serve the young people of that section of the county. The board has been here to consult Miss Alpha Peterson, the efficient county superintendent, who is giving them all the aid and advice at her command in arranging for the new structure.
