

# MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

## CLEMENTS & CO.

Undertakers and Ambulance Service. We solicit your kind patronage. Over thirty years experience!

Taking advantage of the warm days the first of the past week, Henry Oehlerking and family were all busy getting in their potatoes and oats.

Mrs. Henry A. Tool, accompanied by Miss Jessie Baldwin, of Weeping Water, were over to Mynard on last Tuesday in attendance at an achievement meeting.

Attorney A. L. Tidd and Elbert Wiles, both of Plattsmouth, were in Murdock on Tuesday of last week, where they were looking after some business matters.

Mrs. Wm. Heier, Sr., who has been sick for some time past, is at this time mending rapidly and hopes to be well again soon. This will be good news to her many friends.

Arthur Heier departed last week for Savannah, Mo., where he goes to take treatment for a growth on his lip, which has been giving this gentleman some trouble for some time past.

A. J. Bauers was plowing the gardens of the citizens of Murdock and getting them ready for the potatoes and other garden stuff, and with all making garden it really looks like spring was near at hand.

Attorney J. A. Capwell, of Plattsmouth, was visitor in Murdock on last Wednesday and was interviewing a number of the residents of this city and community on some matters regarding a suit that is to come up in the district court soon.

Fred Stock, Sr. shipped a herd of some thirty white face cattle to the South Omaha stock yards and in the lot were two which he had raised from calves. They sure were fine looking critters and should find a sale place near the top of the market.

A young woman tipping the scale at ten pounds arrived at the home of Mr. and Mrs. Fred Reickmann, on last Friday, bringing with her a big bunch of joy to the happy parents, and with her mother, she is getting along very nicely. The father is also doing fairly.

Mrs. J. E. Hendrix, of Tecumseh, came up to the directors' meeting of the Farmers & Merchants Bank, as did also Joseph Johnson and Carl Ganz. Reports showed that all obligations of the F. & M. bank have been paid, and all notes now outstanding, will be divided, when collected, among the stockholders.

While Harvey Heier was driving along the highway a car from Omaha driven by a representative of the Omaha grain exchange hit the car of Mr. Heier and damaged his car considerably as well as giving both gentlemen a severe shaking up, the fault evidently being with the car from Omaha. Settlement had not been made when the writer was in Murdock the latter part of the week.

### Entertained Friends

Dr. and Mrs. L. D. Lee entertained last Sunday and had as their guests for the occasion Professor and Mrs. J. P. Semming, of the University of Nebraska, where the Professor is a teacher of Political Science. The Lee families have been friends for many years and this visit was one of much pleasure to all.

### Receives Many Bad Cuts

Arthur Lindall son of Mr. and Mrs. A. A. Lindall, accidentally fell through a glass door and received many wounds, which required some twenty-two stitches to close. The lad, who is 16 years of age and a member of the Murdock High school, is getting along as well as can be expected, but suffering much from the effects of his injuries. Dr. L. D.

### All Out of Quarantine

The family of Henry Oehlerking, who were under quarantine for scarlet fever for a number of weeks, are all out again as they are all well again and find it nice to be out again.

### Card of Thanks

We desire to express our appreciation of the every act of kindness which our many friends have extended to us during the time when we were kept in with scarlet fever and for the words of sympathy and for all kind words and the sympathy of our friends.—Henry Oehlerking and Family.

### Hatching Eggs for Sale

### Death of Little Boy

Richard Reickmann, whose mother died when he was only eight days old, and who would have been seven years old in July, was taken with the measles some time since and as the disease became complicated with peritonitis, grew steadily worse, was taken to the hospital in Lincoln, at which place it was decided nothing but an operation could save the life of the lad. Accordingly he was operated on, the most skillful medical aid and best of nursing being employed in his care. Despite this, the youth passed away at the hospital on last Wednesday morning. The father and other members of the family have the sympathy of a host of friends with whom the Journal joins.

### Burial Vaults.

We have the only self sealing burial vaults, automatically seals itself, excluding water or any other substance. We deliver them on call to any place in Cass or Otoe counties.

MILLER & GRUBER, Nehawka, Neb.

### Making Improvements on Church

The members of the Louisville church, or what was for a long time thus known and located a few miles northeast of Murdock, have been making some very worth while improvements on the church building. The building is over forty and perhaps over fifty years old and has been treated to a new roof and a new heating plant, with the building raised and a new room dug out under the main floor for use of the Bible school. When this is completed, it will make a very fine workshop for the church and Bible school.

### Murdock Holds Election

The city of Murdock and the Consolidated school district No. C-7 held their election on last Tuesday with the following results: Judge Herman R. Schmidt was elected police judge, Henry A. Tool and Henry Amgwert were elected as city dads or aldermen, while those selected for members of the Board of Education were Frank Buell and Gust Ruge, all good men for their places.

### 4-H Sewing Club Meets

The 4-H Sewing club of Murdock met for the first time Saturday afternoon, March 29th, at the school house. We chose the name, "The Priscillas" for our club. A Constitution was formed and approved and signed by fourteen girls. We are glad to say that all members were present and hope we can keep this record.

We studied the first projects on seams and all members are to make a pair of overalls for next meeting, which will be held on Saturday, April 19. The officers of our club are Marie Ostblom, president; Bernice Reickmann, vice president; Catherine Bornemeier, secretary-treasurer; Irene Stroy, reporter; Mrs. H. J. Amgwert, leader.

IRENE STROY, News Reporter.

### 4-H Cooking Club is Active

The 4-H Cooking club, of Murdock met Saturday afternoon, March 29th. We chose "Jolly Chefs" for our club name.

The Constitution of the club was read and approved. Food selection was scored and we took up Problem No. 1.

Our next meeting will be held on Saturday, April 19th, at the school house.

### Some Mountains of the Bible

H1.—MOUNT HOREB. Deut. 5:2. In the great economy of God the time had come to bring His people out of Egypt into the promised land. The leader for this work had been in training for 40 years in Egypt to learn statecraft and the art of government, then 40 years a sheep herder in Median, where he learned patience, endurance and leadership. All these qualities of character were needed in the work Jehovah had for him to do the next 40 years.

One day Moses led his flock far into the desert, near Mount Horeb. Here Jehovah meets Moses. God appears to him in a burning bush. The bush represents the Israelites in Egypt; the burning, the misery and hard life in slavery; burning and not consumed, God's protecting care. Here a partnership was formed that was never severed. This was Holy ground for Moses; he could never doubt his call.

In less than 2 months Moses led

the children of Israel safe into the Sinai desert to the foot of Mount Horeb. This mountain, 1,500 feet in height, the middle one of three peaks, was chosen of Jehovah as the place of greatest moment—a never-to-be-forgotten event in the life of this people. Here, after much preparation, Jehovah gave his people a law that has never been abrogated, repeated nor changed to this day and is the fundamental law of all civilized people. When we read under what natural phenomena, such as smoke, fire, lightning and thunder, this law was given, then we wonder how these people could ever forget. But such is the case with man today. A great catastrophe may frighten and terrify us, but it soon wears off and is forgotten. Every man ought to have an experience some time in his life where God writes His law into his heart so indelibly that nothing can ever eradicate it. Every man has some time got to meet God, and that on Holy ground, where his life and conduct is changed; where he makes a full surrender to God, and is ready to go where God wants him to go. That blessed experience he can have by going to Mount Horeb.

### RAIL MERGER UNDER FIRE

Washington—Seeking to block the pending merger of the Great Northern and Northern Pacific railways, Representative Knutson, republican, Minnesota, Friday introduced a resolution to suspend the powers of the interstate commerce commission to approve railroad mergers until congress had acted to protect the public interests.

Branding the proposed consolidation of the two northern lines as unjustified on the ground that they are parallel and competing roads," the Minnesotan said he would attempt to obtain an early hearing on his proposal by the interstate commerce committee.

### BUTTER MAKING INCREASES

Chicago—Nebraska's butter output has gained an average of 3,600,000 pounds annually for the last ten years, a report released here Friday by the American Research foundation reveals. In the same period the state's cheese production rose from 36,000 pounds yearly to an annual total of 3,000,000 pounds, the figures indicate. The ice cream production increased from 2,000,000 to 3,000,000 gallons annually.

"From 42,000,000 pounds of butter produced ten years ago, Nebraska's butter output has grown to 98,000,000 in 1929, according to a compilation made recently by food distribution," says the bulletin.

## Athletic Field Takes Another Step Forward

Board of Education Secures Property of George Mann to Connect Up With Park

The final arrangements have been completed by the board of education for the purchase of the property of George B. Mann, just north of the grounds of the high school and Central buildings and the tourist park.

The plans that have been made for the park contemplate the tearing of the present steep bank, into the Mann property and which will make a very attractive looking park from the north, while in the future the erection of concrete seats in the natural stadium also will add to the appearance of the field.

The first work necessary will be the moving of some of the dirt in the park to the low places, the leveling up of the ground, making it possible to have a track for races made and also providing for a football field in the fall season of the year.

This location of the park near the school fills a long felt want for the athletic department of the school and the park also can be used for the May Day festival and other outdoor activities of the school. The school will be a great convenience to the members of the track and football teams who can easily reach the school before and after games without the necessity of a long trip across the city.

### GOES TO NEW CHARGE

Mr. and Mrs. Isaac Cecil, who have been spending the winter at Des Moines, Iowa, with their son, Rev.
