

WEEPING WATER

John Cole and Homer Sylvester were over to Omaha on last Tuesday, where they went to home a couple of the fine new model A Ford cars.

Mrs. Bernice Rector who returned from the hospital but a short time since was compelled to return for further treatment on last Tuesday morning.

V. C. Miller and Thomas Dickson were over to Plattsmouth on last Tuesday where they were called to look after some business matters for a short time.

Mrs. Henry McNett who has been spending the winter at the Soldiers Home at Milford returned to Weeping Water a few days since and will make her home here during the summer.

C. C. Baldwin who has been having plenty of grief with his teeth, a few days since had them all taken out and when his mouth has gotten well again will have some bran new ones.

County Agent D. D. Wainscott was over to Union on last Tuesday looking after some state work in the line of farm bookkeeping, and was accompanied by Mr. A. M. Houke from the state agricultural college.

Harry H. Mark and wife of Union were visiting and looking after some business matters in Weeping Water on Tuesday of this week. Mr. Mark getting his car looked after and Mrs. Mark visiting at the home of her friend, Mrs. George Gussup.

Leonard Klemme who drives the oil truck for the Elmwood oil company was in Weeping Water on last Tuesday and made the purchase of the Dowler Brothers of a new Chevrolet truck which he will use for the delivering of gasoline over his route.

Herbert Lohnes and wife were here for a shooting gallery and in the old town purchased a new Chevrolet from the Dowler Bros. which they drove home, Mrs. C. C. Baldwin accompanying them. Mrs. Lohnes being a daughter of Mr. and Mrs. Baldwin. She will visit for some time at the home of the daughter at Sioux Falls, South Dakota.

The Johnson case installed a very fine large refrigerator, the product of the General Electric company and which will serve this institution very nicely, and the capacity of the refrigerator is very ample for all requirements. This institution is doing a fine business and this added convenience will aid in the proper caring for their business.

George E. Rodman and wife, who were formerly in Weeping Water with a shooting gallery and who went from here to Elmwood where they have been for a number of weeks, returned to Weeping Water this week and installed their shooting gallery as well as installing a bowling alley for the entertainment of the fun loving public.

Frank Wood, the manager of the electric light and water plants of the city of Weeping Water in an effort to make the plants look the very best, was planting out Bridal Wreaths about the two plants, not that Frank expects to start a matrimonial institution but he does want the place to look nice. He calls the flowers by another name but his friends insist on calling them Bridal Wreaths.

Wilson Gilmore who has concluded to allow the other fellow to do the farming was spending Tuesday afternoon in town, and naturally dropped into the office of E. F. Marshall, as they have known each other for over a half century and got to talking over old times and recalled a time fifty years ago when they were younger and loved running around in the woods, they found a bee tree well loaded with honey. They cut the tree, and while they did not say they were not stung, they did find plenty of honey and sure as long as it tasted good they ate at it, and they do say they did not care for honey for a long time afterwards. Honey is a good thing, but not when you eat too much.

Mrs. Johnson Buys Property. To close the estate of O. A. Johnson, who died last fall, a piece of property belonging to the deceased was sold on last Tuesday, the same being bought by Mrs. Johnson for the sum of \$1,150.

Entertained the Kensington. Mesdames J. S. Williams, Ole Olsen, Charles Joyce and G. R. Binger were hostesses at a Kensington which was held on last Tuesday afternoon at the Williams home in the east portion of Weeping Water, and was held in the interest of the Congregational church. A delightful time was had and much good work done for

the church. A delightful luncheon was served by the capable hostesses.

Rebekahs Will Meet. The Daughters of Rebekah of the seven lodges in this district, will meet at Elmwood on April 22nd when they will have a very worthwhile program which will be started the coming week. There will be represented at the meeting the lodges of Weeping Water, Avoca, Nebraska City, Nehawka, Avoca, Syracuse and Talmage.

Many Attend Funeral. Many people of Weeping Water were over to Omaha on last Monday to attend the funeral of the late Mrs. E. A. Munson, who formerly resided in Weeping Water but who has been a resident of Omaha for a number of years. Mrs. Munson was formerly Miss Switzer and was known by a host of friends here, and to know her was to love her for her kindly ways. The funeral was held on last Monday afternoon.

Mrs. Robert Cole in Hospital. Mrs. Robt. Cole of Oshkosh, where they have been residing and who has been troubled with appendicitis, went from their home to Scotts Bluffs where she underwent an operation for relief. Walter A. Cole and wife went out to the home of Robert Cole to look after things while Mrs. Cole is at the hospital. They also have a number of other children there whom they will visit as well.

Will Celebrate Golden Wedding. Mr. and Mrs. J. H. Henegar living northeast of Weeping Water will very quietly celebrate the passing of their golden wedding anniversary, on April 24th, when they will have been married just fifty years. They were both born in the Old Dominion state, Virginia, and near the border of Tennessee. There was some objection to their marriage on the part of the parents of Mrs. Henegar, whose maiden name was Miss Susan Borman. There, then it was a very popular way of travel to go horseback and the ladies were expert equestrians, and could ride a horse as well as any one. The young lovers each mounted, rode to the west, and never stopped until they had crossed the state line and arrived at Taylorville, Tennessee, where they secured a permit and were duly married. They returned to Old Virginia where they lived for some eight years and then taking the advice of Horace Greeley came to Nebraska and settled in Cass county, having resided here for forty-two years. About fifteen years ago they purchased the eighty acre farm where they now reside and have lived there since.

MILWAUKEE WOMAN IS SLAIN IN BEDROOM. Milwaukee—Three roomers in the boarding house of Mrs. Anna Holme, fifty-two years old widow, were held by police Sunday for questioning in connection with her slaying. Mrs. Holme was found dead in her bedroom. Her head had been struck with a hammer and marks on her throat indicated that she had been choked.

READS OF OWN DEATH IN COAST NEWSPAPER. Pana, Ill., April 1.—Clinton P. Newcomb, 60, of Los Angeles, Cal., former Pana resident, Tuesday notified Pana relatives that he had read in a Los Angeles newspaper of his death, given in a press story from Pana.

MOONEY AT CHICAGO AFTER FLIGHT FAILS. Chicago, April 6.—Albert W. Mooney, whose attempted transcontinental flight ended Saturday near Fort Wayne, Ind., after he had flown eastward for approximately 2,000 miles, arrived in Chicago Sunday.

FARM BUREAU NOTES Copy for this Department furnished by County Agent

Club Week The Boys and Girls Club Week will be held at the Agricultural College campus, University of Nebraska, Lincoln, June 2-7, 1930.

4-H Clubs Nebraska boys and girls club enrollment for 1930 will reach 15,000 according to the total of county goals announced in the April "Stemwinder" official paper sheet for Cass county. This figure is 4,500 over the 1929 goal, 2,500 over the actual enrollment last year, and almost double the enrollment in 1928. Actual total of the county goals is 13,740. Non-agent counties are expected to add over 1,000 to the enrollment. Actual enrollment in 1929 was 15 per cent above the goals set.

Lancaster county with 900 members is far in the lead again this year. Cass, Custer, Dawson, Fillmore, Saunders and Thayer counties all have goals of 500 members. Duell with 200 and Kimball with 300 members will probably have the largest percentage of their eligible boys and girls in club work.

There is a growing tendency for each club to have an assistant leader to look after reports, the club paper says. No new office has been created and the responsibility is most often left to one of the older members of the club.

Local leaders are urged to attend Club Week. If desirable the regular fee may be paid and have quarters assigned similar to the club members. Monday, June 2, will be known as Local Leader's Day. Notice Club Members—For every 5 delegates representing 5 different clubs that attend club week, a free trip will be given a local leader from the county. Does your club plan to send a delegate?

All Projects Represented Each week shows a gradual increase in 4-H enrollment. 33 clubs have been enrolled in twelve different projects. Applications have come in for the Maple Grove clothing club of Nehawka with Evelyn Wolph as leader; Ellsworth Dorrill's potato club of Eagle and the Practical Poultry producers of Eagle under the leadership of Lloyd Vance.

To Eliminate Fish Odors Most people use a good deal of fish during the Lenten season, because the markets have a greater and more varied supply than at any other time. Many people have remarked that they would like fish but hesitate to cook it because of the odor it leaves in the house and on the dishes. The following suggestions were heard in Mrs. True Homemaker's radio talk: "In handling fish wash your hands in strong salt water if they smell fishy. Put in a generous handful of salt in the dishwater when you wash the utensils in which the fish has been cooked. If a fishy odor fills the house, burn some sugar in a pan and the fish smell will soon disappear.

Group Achievement Programs The project clubs have had six training centers this year and the final achievement programs are to be held at these six centers. The dates and places are as follows: April 18, at Louisville M. E. church; April 23, Weeping Water Congregational church; April 24, Murray church; April 25, Greenwood M. E. church; April 29, Nehawka Auditorium; April 30, Elmwood Community building. The programs will start at 1:30 and are open to the public. Many exhibits showing what the women have been doing this year will be on display. Keep these dates in mind and plan to visit at least one of the group meetings.

alfalfa buyer should require the seller to supply definite and reliable information as to when the seed was raised. In the past much of the unhardy seed came from foreign countries and from southwestern states. The Nebraska Farmer has several ways to get about getting seed of known origin, according to Mr. Stewart. He can ask for verified seed which has been checked in the U. S. D. A. to show wits origin. The tag on verified seed gives the state in which the seed was grown. This, needless to say, should be a northern state.

Nebraska farmers this year for the first time, can buy "hardy approved alfalfa seed" which is seed carrying the tag of the Nebraska Crop Growers Association. Such seed must come from fields at least 8 years old and many of these producing hardy approved seed are as old as 25 years. They are also inspected in the field for weeds and sweet clover and the seed must be up to certain specifications. Between 2 and 4 carloads of this seed is available this year thru regular seedmen and also direct from the growers.

For average Nebraska conditions northern alfalfa of the common variety has been found very satisfactory according to careful tests. The alfalfa seed grower and the man who wants some particularly hardy may be interested in Grimm or Cass county alfalfa. When buying either of these varieties insist on getting genuine certified sealed seed carrying the tag of some state crop improvement association, or the state department of agriculture. Beware of the so-called "Affadivit Grimm" is Mr. Stewart's advice.

4-H Clubs Nebraska boys and girls club enrollment for 1930 will reach 15,000 according to the total of county goals announced in the April "Stemwinder" official paper sheet for Cass county. This figure is 4,500 over the 1929 goal, 2,500 over the actual enrollment last year, and almost double the enrollment in 1928. Actual total of the county goals is 13,740. Non-agent counties are expected to add over 1,000 to the enrollment. Actual enrollment in 1929 was 15 per cent above the goals set.

ASKS PROTECTION OF DEPOSITORS Lincoln, April 5.—Claiming that Secretary Clarence G. Bliss of the state commerce department cannot act as receiver of two failed banks because their interests are adverse, J. Jay Marx, local attorney, filed a petition in district court Monday asking protection for depositors of the First State bank here against claims filed by the Nebraska State bank of Milford. The state laws designate the commerce department secretary as receiver of all failed state banks.

ROSENWALDS RETURN New York—After a wedding trip to Italy, Greece and Egypt, Julius Rosenwald, Chicago philanthropist, returned to New York Wednesday with his bride, to whom Mrs. Adelaide Goodkind, to whom he was married last January.

Christian Science Sanatorium in California

SAN FRANCISCO: Under articles of incorporation already filed with the Secretary of State of California, permanent trustees took over on March 26 the ownership of the property and buildings which are to accommodate the Christian Science Benevolent Association for Pacific Coast. The Association, which will open its doors to guests about the middle of May, was established in accordance with Section 8 of Article I of the Manual of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

The Benevolent Association for Pacific Coast is the third large charitable institution established by The Mother Church, totaling an investment of over \$4,000,000. The Christian Science Benevolent Association, located in Chestnut Hill, Mass., was chartered in 1916, and The Christian Science Pleasant View Home, located in Concord, N. H., in 1925. While

all three of these corporations are independent from a legal point of view they are under the control and supervision of The Christian Science Board of Directors.

The California property, known as Arden Wood, is a thickly timbered, 16 acre, piece of rolling land situated on the edge of San Francisco, its general location being between Twin Peaks and the Ocean. The Sanatorium is sheltered from the prevailing winds by the hill which forms the principal topographical feature of the property. No public roads or ways cross it, but paths will be arranged extending from the Sanatorium through the woods, making a feature of a small ravine which runs along the east boundary.

The Sanatorium, designed by Henry H. Guterson, Architect, is of steel and reinforced concrete done in a modernized Breton style, with high central pavilion, tall classic

French windows and steep-sloping, red tiled roof. It will contain accommodations for 120 guests and associates.

Within the last few weeks a substantial piece of property jutting into the principal tract, formerly held by the city of San Francisco for school purposes, has been purchased to secure additional quiet and freedom from outside disturbances.

The Board of Trustees of the San Francisco institution will be in constant touch with The Christian Science Board of Directors as are the Boards of the two New England institutions.

The three Trustees of the new corporation are Mrs. Gertrude M. Glass, George D. Greenwood, and Marvin R. Higgins. Wilson D. Clark has been appointed Manager-Treasurer. All of these officers have been actively interested in Christian Science work for many years.

W. C. T. U. HOLDS MEETING The members of the W. C. T. U. were entertained very pleasantly at the home of Mrs. C. C. Westcott on Monday afternoon and with a very large number of the membership in attendance to take part in the meeting.

The devotions of the afternoon were led by Mrs. C. R. Troop who selected Mark 15th as the subject. Mrs. Troop also gave "The Youth's Roll Call" as a part of the program of the day.

The members enjoyed a number of most pleasing papers along the line of the work of the society, Mrs. C. C. Westcott, "Busy Women and the W. C. T. U.," Miss Olive Gass, "Women Patriots, America Calls for You"; Mrs. J. E. Wiles, "Poll Parrott Propaganda"; Mrs. Jessie Hall, "My Thank Offering" and Mrs. Nancy Rice, "Opportunity Beckons."

After the informal discussion the members of the society enjoyed the fine refreshments that had been arranged by the hostess.

RITCHIE SEEKS NEW TERM Baltimore—Governor Ritchie Monday night announced his candidacy for a fourth term in the Maryland executive chair, already having served longer than any Maryland executive in history, and one of the longest consecutive times of any governor in the United States.

Elected first in 1919, Governor Ritchie will have served eleven years when his present term expires.
