## Some Suggestions

Lime and Whitewash

LIME for your gardens and lawns. It builds  
up the soil. Use WHITEWASH freely. It's  
cheap, serviceable and easily prepared.

Genuine Hard Coal

for Brooder Stoves. Keep the baby chicks  
warm this changeable weather. It pays!

Glass Cloth

Admits the sun's ultra-violet rays. Makes  
hens lay more eggs; makes baby chicks thrive  
and is ideal for hot beds, barn, hog house and  
garage windows. Transparent, water-proof.
