Hoover Plans Tour of Western States

Washington, May 17.—President Hoover will go on his administration tour of the west this summer.

Political considerations as well as recreation will figure in his announcement of plan to tour the chief western national parks in August.

An immediate objective will be to bring to the attention of the public the value of the national parks in the west.

It will be Mr. Hoover's first trip beyond the Mississippi since he took office in 1929.

He will spend several weeks in the west, visiting the national parks and other points of interest.

He will also visit the chief western national parks in August.

He will spend several weeks in the west, visiting the national parks and other points of interest.

He will also visit the chief western national parks in August.
