Greenwood is Again Scene of Trouble Saturday

Differences in Community Lead to Quarrel and Complaint Filed Against Marshal

Sheriff Bert Reed and Deputy Sheriff Rex Young spent the greater part of Saturday night and early Sunday morning at Greenwood where they were called over another disturbance that had grown out of an apparent community division, this time a complaint having been lodged against George Trunkenboltz, town marshal.

It is claimed that Marshal Trunkenboltz and a man named Rouse had some words that grew into a riotous and as the result a complaint was sworn out by Rouse against Mr. Trunkenboltz before the Greenwood justice court and as the marshal, the only officer of the law could not serve the papers, the sheriff was called to the scene to do the service.

With the arrival of the sheriff the situation was quieted down a great deal, the complaint was served and Mr. Trunkenboltz at once arraigned before Justice Newkirk and entered a plea of not guilty, furnishing a bond of \$200 for his appearance and was released to go on with his duties until the case is heard.

It is thought that the defendant will ask a change of venue into one of the nearby courts and which would probably lead to the case being heard before Judge Schmidt at Murdoch or the justice court at Louisville. The hearing of the case has been set for Wednesday of this week.

Local Post Joins Message Barrage
Telegrams Sent to Senators Norris and Howell and Representative Morehead Friday.

Along with other posts over the country that have been bombarding congress with a barrage of telegrams asking that pending legislation on behalf of disabled war veterans be considered before adjournment of the present session, the local post yesterday sent the following message to Senators George W. Norris and R. B. Howell and to Representative John W. Morehead, of the First Nebraska district:

"Request you exert efforts on behalf pending Veterans' legislation before permitting Congress to adjourn. Our disabled comrades are entitled to every consideration this government can give and two million Legion members stand united in favor of increased facilities for their care and general relief legislation for them."

With the tariff bill fight over, it is conceded to be a matter of only a few days until congress will adjourn and in the last minute scramble the national Legion leaders foresee possibility of this important legislation being sidetracked, so sent out a request that all posts wire their senators and congressmen.

Telegraphic replies to the above message have been received from Senators Norris and Howell, as follows:

"I am in favor of legislation suggested and am opposed to congress adjourning until both houses have acted on it.—George W. Norris."

Senator Howell's wire:

"Veterans' legislation which you refer reported to Senate for consideration at this session and matter will have my sympathetic attention.—R. B. Howell."

WORLD COURT IS DISCUSSED
Denver—Turning from the diversion of a "play day" in the Colorado Rockies west of Denver, delegates to the twentieth biennial convention of the general federation of women's clubs prepared Wednesday night for the more serious discussion Thursday of the possibility of United States entrance into the world court.

Declining to take the entire day for rest and recreation, the delegates met to meet a convention hall Wednesday night for a program prepared by state presidents and the junior organization.

Discussion Thursday will be preceded by the report of election of officers, the polls having been open all day Tuesday with the balloting proceeding quietly.

Wyoming, one of the strong-holds of woman suffrage, will send its governor, Frank C. Emerson, of the federation Thursday to discuss "Woman's Service from the Legislative Standpoint."

Outlook for Corn Very Poor
Corn 85 Per Cent of Normal; Milk Production Has Shown Steady Raise in Year.

Des Moines, June 12.—Iowa's corn crop is 85 per cent of normal, three points ahead of a year ago, Leslie M. Carl, federal agricultural statistician, reported Thursday.

Nine important crops average 89.4 per cent of normal compared to 84.9 per cent for the 1920-29 average, Carl said.

Carl estimated that the Iowa winter wheat crop may total about 8,580,000 bushels, compared to 8,018,000 bushels produced last year. He based this prediction on the reported condition of 89 per cent of normal June 1, and on weather factors.

With a reported condition of 90 per cent of normal June 1, spring wheat is ahead of last year and the 10-year average. Oats are reported at 92 per cent, 5 per cent higher than 1929 and the 10-year average. Rye is two points below last year's condition of 91 per cent.

Need for warmer weather has delayed hay crops in their growth, Carl said. Clover and timothy hay is 86 per cent of normal, 6 per cent lower than a year ago, but 8 per cent above the average. Alfalfa hay equals last year's condition of 92 per cent, and exceeds the 10-year average by five points. Tam hay is 87 per cent, or five points less than a year ago and five above the 10-year average.

Warm Weather Aids.
The warm weather and the moisture supply has aided other conditions in bringing the corn crop to the 85 per cent mark. Cultivation has advanced generally over the state, Carl said, and forecast that with recognized corn weather thru out the rest of June, the large acreage of replanted corn should make more progress.

Carl reported that milk production has increased steadily. The average daily production of milk per cow was 22.8 pounds April 1, and 26.7 pounds on June 1.—Omaha Bee-News.

FLORIDA BANK FAILS; CAUSES OTHER RUNS
Miami, Fla., June 11.—The Bank of Biscayne Bay, oldest and one of the largest financial institutions in south Florida, failed to open its doors Wednesday.

A notice posted said the bank was closed to protect creditors. It had \$11,000,000 in deposits.

Runs were immediately started on the Third National bank, City National bank, backed by J. C. Penny, chain store magnate; the First National and others.

The entire police department was on duty to maintain order.

It was reported money was being rushed here by airplane from New York and Atlanta.

The Third National paid withdrawals with city bonds.

The crisis came while Mayor C. H. Reeder and City Director of Finance Griffin were in New York attempting to obtain funds to stave off the city's bankruptcy.

New York bankers promised aid if Miami banks loan the city \$150,000 as an exhibit of faith.

Millions Sent by Plane
It was announced that Edward Rompf, president of the First National bank, will receive \$2,000,000 cash from Jacksonville by airplane Wednesday and \$4,000,000 from Atlanta on Thursday.

Large depositors in the Miami banks, it was said, were not withdrawing their funds.

CHINESE REBELS VICTORS
Shanghai—Sweeping the nationalist government troops aside, the victorious Kwangsi province rebel armies Wednesday advanced northward in three columns upon Yangtze river cities. The progress of these southern rebels and the continued onslaught of the northern rebels in Shantung and Honan provinces combined to make the situation extremely serious for China's government.

The Kwangsi forces, augmented by thousands of bandits, routed the nationalists at Yochow Tuesday and continued on toward Hankow, Wuchang and Anyang, industrial and strategic center of north China. One column moved directly toward this objective. Another column swung around Lake Tungting, unopposed to ward Shasi, Yangtze river city about 250 miles above Hankow, and a third body of rebels penetrated to within twenty miles of Kiukiang, important city about 150 miles down river from Hankow.

Raiders Find Still at Rural Parsonage

Pastor Pleads Guilty Following Seizure Near Schuyler—'Only for Callers'

Schuyler, Neb., June 11.—Rev. Antonio Falta, pastor of the Holy Trinity of Heun church, 12 miles north of Schuyler, pleaded guilty in county court here today, after his parsonage had been raided and a still and a quantity of liquor seized.

The raid was conducted this morning by State Deputy Sheriffs Weygint and Batten.

One complete still and a part of another and two hundred gallons of mash were found in a shed near the parsonage. Thirty-one gallons of whiskey and an aging plant were in the basement of the parsonage.

He pleaded guilty when arraigned on charges of possession of a still immediately after he was brought to Schuyler in a shed near the parsonage. The minimum sentence for the offense is 30 days in jail and a fine of five hundred dollars.

Action in district court is expected to be taken Monday, county officials said. Rev. Mr. Polta was released on his own recognizance.

State agents had been working on the case for two months, they said. There is a dance hall near the parsonage, and they had been told that liquor was being sold there.

Today they obtained a warrant and proceeded to the church. Rev. Mr. Polta confessed when they showed him the warrant, they said. He took them on a tour of the place, and showed them the stills, mash and liquor. He told them that he had been making liquor for about one year. He has been at the church for 11 years.

No Hard Feelings.
As he parted with the agents at the courthouse he shook hands with them and said: "I have no hard feelings. You boys upheld your oaths of office and did your full duty. I am glad you are upholding the law."

He gave them no explanation of his actions. He did not deliver the liquor, he said, but gave it only to those who called at the parsonage.

The church, parsonage and dance pavilion are new and are among the finest country church properties in this section of Nebraska.

In a statement to the court following the normal arraignment Father Falta said that he had intended only to make a good supply for himself. Agents said that there was no belief that he had sold liquor.—World-Herald.

START OREGON TRAIL TRIP
Hastings—Bishop George Allen Beecher of the west diocese of the Episcopal church and three Nebraska boys Tuesday were en route to Ft. Laramie, Wyo., traveling over the Oregon Trail by horseback and covered wagon.

The trip, organized by Bishop Beecher, will be in the nature of a historic study of Nebraska and a vacation outing, and will require the greater part of the summer.

The boys accompanying the bishop on the trip are Tom Davis, son of Mr. and Mrs. Clarence Davis, of Holdrege; Fred Clarke, son of Mr. and Mrs. F. W. Clarke of Omaha; and Bob Barclay, son of Mr. and Mrs. A. C. Barclay of Hastings.

Besides the horses the quartet are riding they are accompanied by a covered wagon and two pack horses.

DIAL PHONE USE MADE OPTIONAL
Washington, June 11.—"To dial or not to dial?"

In an effort to settle that question which has agitated the senate for several weeks, Senator Tydings of Maryland, offered a resolution Tuesday to enable senators to dial or not as they please.

The telephone company was ordered under a resolution by Senator Glass to remove the dial telephones from the senate wing of the capitol and Senate Office building.

STOCK MARKET HARD HIT

New York—The stock market took one on the chin Thursday, went down for a brief count and then staged a rally that eliminated the loss. However, profit taking and fresh professional selling in the final dealings, based apparently on the prospects of favorable tariff action by the senate Friday reduced the recovery and most of the active issues closed a dollar or two lower.

Liquidation during the forenoon sent prices spinning downward and at the bottom declines of \$2 to \$14 were rather numerous. A rally followed closely on the announcement that the German loan had been oversubscribed and also on the reduction of call money to 2 1/2 per cent for the first time since March 20. Before the liquidation had been absorbed 162 stocks were sent into new low grounds for the year. Observers were not inclined to regard this figure as unduly alarming, however, for it was pointed out that the entire market is not far from its 1930 bottom and that new lows are easily attained on further declines.

American Telephone, New York Central, B. & O., Chesapeake & Ohio, Sears Roebuck, Simmons, International Telephone, Lambert, Chrysler, Fullman and Gillette Safety Razor, were among the day's weak spots.

FARM WOMEN TO CONVENE
Sioux City—The eighth annual conference of interstate farm women will convene in Sioux City June 17 for a two day meeting. Delegates will come from Iowa, Missouri, Nebraska and South Dakota. The farmers' wives will devote their time and attention to ways and means of helping their men folks build a bigger and better farm bureau in their home states.

W. F. Schilling, member of the federal farm board, and Mrs. Charles W. Sewell, director of the home and community department of the American Farm Bureau federation, are expected to address the conference. Mrs. George Heikes of Dakota City, Neb., is the farm woman.

W. H. Brokaw, director of the Nebraska extension service will discuss the relationship between the farm bureau and the agricultural colleges. His topic will be "The Need of a Public Acknowledgment of Faith in the Farm Bureau." Committee chairman for the three states are: Iowa, Mrs. A. Earl McNeill of Onawa, Nebraska; Miss Mary Way, Waterbury; South Dakota, Mrs. Nettie Dennison of Vermillion.

Bates Book and Gift Shop is exclusive Dennison decorative supplies dealer in this vicinity.
