Murdock Drug-gist Dies from Heart Attack

Harry McDonald Stricken With Heart Malady While Playing Golf at Ashland

The funeral services were held Tuesday at Murdock of Harry McDonald, well known resident of Cass county and for many years engaged in the drug business at Murdock, the interment being at the Wabash cemetery.

The death of Mr. McDonald occurred very suddenly, he being at the time of death Sunday, playing a round on the Ashland golf course and the attack of heart trouble was swift and fatal. He had not been in the most robust health but his condition was not considered grave by the members of his family. Death occurred before medical aid summoned by his golfing companions could reach his side.

The McDonald family have lived in Cass county for the past forty-six years, coming to this state from Wisconsin. Mr. McDonald was sixty-five years of age and was a gentleman held in the highest esteem by a very large circle of friends and was a man of high standing and a character beyond reproach.

He is survived by his widow, three sons and one daughter.

CELEBRATES BIRTHDAYS

A very pleasant gathering was held at the country home of Mr. and Mrs. B. W. Livingston near this city on Sunday, July 13th, the occasion being the birthday celebrations of four of the members of the family whose anniversaries occurred within a few days of this date.

The members of the family whose birthdays were in such a short period of each other were Mrs. B. W. Livingston, two sons-in-law, Jay D. Rising of New York City, John S. Valley and the youngest daughter, Miss Vivian Livingston.

Four lovely cakes with the glowing candles decorating the toothsome birthday reminders were prepared by four daughters of the family, Mrs. John S. Valley, Mrs. Jay D. Rising, Mrs. Myron Wiles and Miss Grace Livingston, the cakes forming the center piece of the table where the dinner was enjoyed in picnic style.

All of the members of the family were in attendance, the first time in eleven years. Those attending being: Mr. and Mrs. B. W. Livingston and children, Grace, Richard, Vivian and Towner, Mr. and Mrs. J. S. Valley and children, Mary Ellen, Janet, Jack Robert and Margaret Ann; Mr. and Mrs. Jay D. Rising, Mr. and Mrs. Myron Wiles, Mr. and Mrs. J. B. Livingston and sons, John Benton and Dickie, Mrs. Helen Richardson and children, Eugene, Jimmie and Mary Marjorie, Miss Jane Christianson and Hugo Heyne of Omaha, friends of the family.

Many pictures were taken of the family and the individual members of the party and the guests of honor received many happy returns of the day from the relatives present.

HOLD VERY FINE MEETING

The W. C. S. U. held a very fine meeting Monday afternoon at the charming country home of Mrs. S. A. Wiles just south of this city and where a very large number were in attendance.

The meeting was in the line of the S. T. I. work and in charge of Mrs. Robert B. Hayes, county S. T. I. chairman, who discussed the work of this important branch of the temperance training.

Mrs. Emma Olson, chairman of the Weeping Water Union, was present and gave a very fine talk on the work of the Union in her portion of the county as well as a general discussion of the plans of the various units.

Mrs. Hayes favored the ladies with a fine solo number, "The Plains of Peace," in her usual charming manner.

Little Miss Lois Troop of Nehawka also gave a delightful reading and the popular song hit, "Springtime in the Rockies," which was much enjoyed.

Miss Olive Gass gave a very fine reading on the visit of Mrs. Boole, national president to Porto Rico.

At the conclusion of the afternoon Miss Wiles assisted by Miss Olson of Weeping Water served the dining refreshments for the hostess, Mrs. Wiles.

DOING SOME SHINGLING

President C. C. Wescott of the Chamber of Commerce is doing some shingling—not on the roof of his home, but right on his person—he having been for the past several days suffering from an attack of shingles, that painful and annoying cutaneous malady that while not dangerous, is very disagreeable to the person who has them. The attack has kept the president largely from his work at the clothing store as well as his civic activities. It is hoped that the malady will pass away in a few days and permit him feeling in his usual good health.

ENJOYS A VISIT HERE

Harry Matthews of Omaha, who has just closed an engagement on the R-K-O circuit and is enjoying a short rest, was here Monday with his friend, Roland Thomas, visiting at the Herman L. Thomas home. The young men enjoyed a very fine time and following the visit at home Roland is leaving for Gulfport, Mississippi, where he will spend a three or four weeks vacation at this popular golf resort.

CARNERA-WRIGHT FIGHT PICTURE TO BE SHOWN AT RITZ

G. G. Griffin, manager of the Ritz theatre, was in Omaha yesterday to book for immediate showing, the recent fight pictures of the bout between Primo Carnera (The mountain of Italy) vs. Bearcat Wright (Colored heavyweight champion of the world). He was fortunate to secure these pictures for the first out-state showing—the whole fight and knockout will be shown. This will be in addition to the regular program for this coming Friday and Saturday, July 25th and 26th, at the Ritz theatre, all for regular admission. See the fight as it actually happened. A real treat for the fans.

Julius Neumeister of Avoca was a visitor in the city Tuesday afternoon for a few hours being called here to attend to some matters of importance.

Would Dig 12 Wells Near the Platte River

Lincoln Board Favors Asking \$3,000,000 Bond Issue at Election to Assure Future

Lincoln, July 21.—Serious attention is expected for City Commissioner William Schroeder's proposal that Lincoln go to the Platte river for an inexhaustible future water supply.

This was seen Monday when members of the water board advisory committee went on record as favoring the submission at the November election a \$3,000,000 water bond issue.

Drouth Menace
A constantly threatened drouth during the last few weeks, which at one time became so serious that Commissioner Schroeder advocated police control to prevent lawn watering, has brought the city council to poignant realization of the situation.

Several proposals for procuring the supply of the future have been recommended by engineers but Commissioner Schroeder favors going to the Platte.

That the water will not come directly from the river, but rather indirectly, was explained by the commissioner.

Dozen New Wells
"It is my plan to have a dozen new wells, spread over 80 acres, dug within a half mile of the river," he said. "The exact locations will be determined later."

"The water will then be pumped through 30 to 35-inch mains to the city reservoirs."

"We would like to get the underground water near the Platte because then we would not have to do any extra filtering or cleansing to speak of other than that which is done prior to entrance of the water in the storage reservoirs."

Another water supply has been suggested at Beaver Crossing, according to Mr. Schroeder.

Although the city has five reservoirs of a total capacity of 23,000,000 gallons, the recent heat

spells have almost drained the storage tanks dry, the commissioner said. There are 24 wells from which the supply is drawn, but all have not been operating during the past few weeks because of trouble with the pumps. For that reason the reserve was nearly exhausted.

ARRANGING NEW PARKING

The city street department is arranging the new parallel parking on both north and south Sixth street as per the resolution of the city council. This parking is being arranged with spaces of eighteen feet which will be ample to permit the car getting in and out and also for the trucks that may be parked along the street.

The arrangement will permit twelve cars in a block on both sides of Sixth street instead of the present parking system on the west side of the street only.

Th parking on Main street will remain as at the present as no change was ordered in this by the city council.

Mrs. R. B. Hayes and daughter, Miss Jean, were visitors in Omaha today, going to that city on the early Burlington train to spend a few hours with friends.

Wheat Senators Urge Farm Board Action

Capper Leads Group in Call on Legge for Immediate Relief—Howell in Group.

Washington, July 22.—Chairman Legge's statement that criticism of the farm board's wheat policy is mostly "political bunk" has not stilled demands for the board to take action to increase the price of grain.

Senators from four wheat growing states, led by Capper of Kansas, called on him today to urge that the board broaden its present program, which is chiefly centered on crop reduction. Pine of Oklahoma; Allen of Kansas; Howell of Nebraska and McMaster of South Dakota accompanied Capper.

After the conference, Senator Capper said the group had emphasized the need for action to "aid the present critical situation." They expressed the hope, he added, that something better be done "to give the farmer a better price while the wheat is still in his hands and before it gets into the hands of speculators."

Asks Big Purchase.
Senator Capper again presented his plan for the purchase of 100 million bushels of wheat by board agencies. Legge had previously disapproved this suggestion, the board could do little unless the farmer aided in reducing the surplus.

Capper said the government could take some loss in purchasing the wheat. The possibility that it could be sold at low prices or even given to China or India, Capper added, was suggested to the chairman.

Capper said the senators had "a most sympathetic discussion," with Legge. The chairman differed "with us on the proposition that the farm board, through its stabilization corporation, should go on the market at this time," he added.

Reduction Not Discussed
The senators said they did not discuss acreage reduction proposals. Legge, however, Capper said, expressed the opinion that if it became known that farmers were reducing acreage it would have a beneficial effect on wheat prices.

Senator Allen left the board for the White house. He said he did not plan to discuss the wheat situation with President Hoover.

The proposal of Senator Thomas (dem., Okla.) that President Hoover call an international conference of wheat growing countries with a view to a world wide wheat reduction was not discussed at the conference.—World-Herald.

MCCORMICK PAPERS SUPPORT PINCHOT

Harrisburg, July 22.—The Harrisburg newspapers controlled by Vance McCormick, former national chairman of the Democratic party, the Patriot and the Evening News, announce they will support Gifford Pinchot for governor of Pennsylvania in the November election.

22 Counties are Affected by Tax Changes

State Board Decides Equitable Assessment Requires New Deal; Eighteen Increased.

Lincoln, July 22.—Determining that an equitable assessment of Nebraska farm lands could not be made without revising the valuations adopted by the state board of equalization Tuesday agreed upon increases in 18 counties and decreases in four others.

Following are the counties and the valuations they reported, together with the percentage of increase or decrease as ordered by the board:

30 Per Cent Hike.

Banner county valuation, \$6.59 per acre; increased 30 per cent over that amount; Boyd county, \$28.71, increased 10 per cent; Box Butte county, \$11.32, increased 60 per cent; Burt county, \$102.86, increased 8 per cent; Cedar county, \$93.29, decreased 10 per cent; Chase county, \$12.92, increased 10 per cent; Clay county, \$68.61, increased 10 per cent; Custer county, \$19.11, increased 5 per cent.

Dawson county, \$40.42, increased 5 per cent; Dixon county, \$71.22, increased 15 per cent; Dodge county, \$110, increased 5 per cent; Grant county, \$4.38, increased 60 per cent; Keith county, \$11.90, increased 30 per cent; Knox county, \$9.45, increased 10 per cent; Perkins county, \$15.12, increased 5 per cent.

July 28 Final Day.

Saunders county, \$106.21, increased 5 per cent; Sheridan county, \$6.20, increased 15 per cent; Thayer county, \$53.10, increased 20 per cent; Thurston county, \$90.13, decreased 5 per cent; Wheeler county, \$10.32, decreased 10 per cent; One county, \$105.07, decreased 2 per cent.

Accompanying the valuation charges, Tax Commissioner Scott advised each county July 28 was the final day on which appeals from that ruling might be entered.—Omaha Bee-News.

MOSES REACHES ACCORD IN SENATORIAL GROUP

Washington, July 22.—One of the two trouble spots in the republican national machine was cleared up today as Senator Moses (N. H.) came to an understanding with the irritated members of the senatorial campaign committee.

The other republican worry—Claudius Huston's chairmanship of the republican national committee—was still a worry tonight to that faction of the party which is insistent upon his resignation.

Ears were attuned at the capital for the statement Mr. Huston promised as soon as the senate adjourned. But the chairman was not even here.
