Second Gas Line is Starting Toward City

Assembling of Material at Hollis, Kansas, for Start North—Have the Same Contractors

The second natural gas line projected from the fields of Amarilla, Texas, is being arranged for and the contractors are getting the material on the grounds at Hollis, Kansas, where fifty-four car loads of iron pipe and supplies have been unloaded preliminary to the work being started.

The contract for the construction of the line has been let to the Smith Brothers and the Dunn Brothers, of Fort Worth, Texas, who have been engaged in extending the line of the Missouri Valley Pipeline Co., from Texas to this city.

The new line will follow the same territory as that of the Missouri Valley company and enters Nebraska near Steel City, running northeasterly to this city where it is planned to cross the Missouri river and then over into Iowa, extending on to Chicago.

Shipments of pipe for the construction work will be received at Hollenberg and Agenda, Kansas; Steel City, Beatrice, Adams, Douglas, Avoca, Murray and Plattsmouth in Nebraska.

The line will cover a distance of 125 miles in Nebraska to reach the Missouri river at this place. The company that is building the new line is expecting to rush the work on the job and hope to reach this territory in the early fall as it is hoped to have the work all completed by the coming of winter.

The work being in the hands of the Smith and Dunn companies will bring back to this city many of the men who have been here for the past several weeks on the job for the Missouri Valley company.

LINCOLN VISITORS HERE

The home of Mr. and Mrs. Robert Troop was the scene of a very pleasant gathering on Sunday when Mr. and Mrs. Charles Sherman and their nephews, Howard and Harold Nelson of Lincoln and Mrs. Harvey Holloway of Los Angeles, California, a sister of Mr. Sherman, were here for the day.

Mr. Sherman, who is the sporting editor of the Lincoln Star, has just returned from a trip to California and had a very fine time in Los Angeles and Long Beach where so many of the old time residents of this city and vicinity reside. While in the west Mr. Sherman was the guest of his sister, Mrs. Holloway, formerly Miss Mary Sherman, and who came home with him for a visit in the once familiar scenes.

The old friends here will regret to learn of the death of S. P. Holloway, a pioneer resident of this county, who died some time ago at the home of his son, Harvey, on the west coast.
