

Wreck Near Greenwood to be Investigated

Inquest on the Death of Paul McCauley in Auto Wreck to Be Held Here Thursday.

From Monday's Daily—

The inquest on the death of Paul McCauley, Council Bluffs youth, which occurred in an auto accident on the L. D. highway near Greenwood Friday, will be held here on next Thursday following the investigation by State Sheriff W. C. Condit and County Attorney Kieck and Sheriff Bert Reed.

The young man with a party of friends from Omaha and Council Bluffs had been attending the Creighton Prep-Beatrice game at Beatrice Friday and were on their way home when their car was wrecked near the J. C. Lemon farm north of Greenwood in collision with a truck driven by Peter Ditbenber of Lincoln.

The truck was coming from Omaha. Mr. Ditbenber operating a line from Lincoln to Omaha and was on one of the regular trips at the time. The truck had come across an overhead bridge and the driver claims to have been blinded by the lights of an approaching car and coming on the car driven by McCauley struck the rear portion of the left side of the car overturning it. A Ford roadster was close behind the McCauley car and which was also overturned and the truck then crashed into the ditch on the right hand side of the road.

There were six of the occupants of the two cars injured and McCauley so severely that he died a few hours later at the hospital at Council Bluffs where he was taken.

Shortly after the accident State Sheriff W. C. Condit, returning from Omaha, came on the scene and at once started an investigation of the accident and reported the matter to the office of Sheriff Bert Reed here. Yesterday County Attorney Kieck had a jury impaneled composed of William Starkjohn, C. A. Rosencrans, George Born, Pat Reed, John Livingston and Carl Kunsman and who were taken to Council Bluffs to view the body of the dead youth.

Witnesses were summoned to be here on next Thursday when the inquest will be held and the facts in the case determined as to the causes or liability for the accident.

PLATTS TIES VALLEY

The Plattsmouth town football team Sunday again tied with their ancient foes, the Valley, Nebraska, team on the enemy court, the final score being 6 to 6.

The Valley team was battling with the wind in their favor and were able to punt into Plattsmouth territory, holding the locals for downs and by their battering attack were able to advance to within striking distance of the Plattsmouth goal where on the fourth down the ball was shoved over the line.

The Plattsmouth score came as the result of a drive down the field in which the Platts veterans looked much better than their foes and the interference and fight of the local linemen, Chet Renner, Dick March, Katie, Frank Sedlacek, Louis Svoboda, Bernard Smith, Henry Krejci, Don Schneider and Carl Keil, made it possible for the backfield to advance with the ball. The score was made when George Sedlacek plunged seven yards through the Valley defense for the coveted six points.

The game was largely straight football, altho the locals completed a beautiful pass from Herold to March for a great gain.

The work of Smith and Svoboda on the line and Herold and Sedlacek in the backfield were factors in the scoring as well as in the defense of the locals.

The date this year is somewhat earlier than last year and better road conditions over the three counties point to large attendance from distant points.

The poultry show is one of the big things of the year and it will draw a very large number of the poultry enthusiasts of this part of Nebraska and with the new bridge over the river the poultry raisers of Mills, Fremont and Montgomery counties in Iowa will be able to drive over and enjoy the showing of the fine poultry which this event will bring here.
