Graveling of New Bridge Road in Iowa Under Way

Gravel From the Bell Co. Pits Here Being Hauled on Roadway From New Bridge to P. J.

From Tuesday's Daily—
The newly constructed highway leading from the eastern end of the new traffic bridge over the Missouri river to Pacific Junction and Glenwood was underway today in full force.

The contractors on the work have secured the gravel from the Bell gravel pits north of this city and the gravel is being conveyed in trucks to the scene of activity and spread along the highway to give it a hard surface and to provide an all weather road from this city to Glenwood and joining the paved highway at that place.

The road has been graded up in fine shape by the Iowa and Mills county authorities and is well up above any possible overflows of river and in the construction of the new road all possible curves and turns have been avoided, making it a fine straight piece of road from the bridge until the turn into Pacific Junction.

The contract for the work from Glenwood to Pacific Junction is being let and assured by the coming of winter that this road will be up in the very best of shape and open for travel at all times and under all conditions.

The completion of the gravel will be a great boon for the Iowa farmers and stock raisers as it gives them the nearest and best route into the great stock markets and wholesale centers of Omaha with their cattle, hogs and produce.

SALES HEAVIER TO CLOTHIERS

Retail buying among merchants is ahead of last year, according to members of the Allied Clothiers and Jobbers association, who opened their meeting at the Paxton hotel at Omaha Sunday. Cold weather has improved business, they reported.

"Optimism is prevalent among the retailers," declared Edward Gugenheim of Lincoln, president of the association. "Dealers have been a little cautious in the past, but they are buying good quantities for immediate consumption as well as for spring. They are buying more quality goods than ever before. People want good merchandise and are willing to pay for it."

Business conditions are good in the vicinity of Toledo, Ia., according to Karl Kupka and Reuben Shaw. "We can't complain," they stated. "A good part of our trade comes from farmers and they are in the market for everything the need. Crops look good in Iowa."
Business seems steady to Jean McCammon, who has an exclusive men's store in Des Moines. He looks forward to an improvement.

It is believed the association is stimulating business in this part of the country," stated John H. Conley, Watertown, S. D., exclusive director.

EAGLE LADY INJURED

Mrs. Henry Snoke, wife of one of the most prominent residents of the vicinity of Eagle was injured Sunday when she was struck by the auto driven by V. L. Parish, of Elkhart, Iowa while she was with Mr. Snoke was walking on highway No. 11 near Eagle.

Mrs. Snokes suffered a fractured nose, minor cuts and numerous bruises about the arms and was rendered unconscious. She was taken to the nearby farm home of her son, Elmer Adams, Dr. E. M. Stewart, Eagle, who attended her, told relatives her injuries probably would not prove serious.

Parish, who is a traveling salesman, assisted the woman to her son's home and reported the accident to the county sheriff's office on reaching Lincoln. He said the couple was walking along the right side of the road and he was blinded by an approaching car.

ROBERT PROPT HONORED

A six o'clock dinner was given to Robert Propt in honor of his birthday occurring October 15. A goodly number of friends and relatives were present at the dinner at 119 North N street.

Mr. Propt claims to be of age—21 past. But the mammoth cake contained 76 candles.

The evening was spent in social visits and conversation. At a late hour the guests departed for their various homes, wishing Mr. Propt many returns of the day. A toast in honor of the occasion:
Be happy today, and gather good cheer;
Another fair year dawns before you.
May all that you love on your birthday be near.
With the sunshine of joy shining o'er you.

Organize Democratic Club in Rock Bluffs

Albert Wheeler Named as President and Mrs. E. B. Hutchinson as Secretary of Club

The democratic voters of East Rock Bluff Precinct last night organized a club composed of practically a hundred members. The school house was filled to its seating capacity. County Chairman, D. O. Dwyer presided and made the principal address after which the organization was perfected by selecting the following officers:

Albert Wheeler, President.
Mrs. Joe Campbell, First Vice President.
Mrs. Fred Campbell, Second Vice President.
Mrs. E. B. Hutchinson, Secretary.
Mike Kaffenberger, Treasurer.

A half dozen or more members were called on for short talks and responded enthusiastically for the cause.

The trend of the speaking being that extravagance and unnecessary expenditure of public funds must be stopped in order that there be reduction in taxes in the state and throughout the nation.

The club adopted permanent rules and regulations and will continue from year to year with monthly meetings at which will be discussed the various bills presented to the legislature and such action taken thereon as might meet the approval of a club. These organizations are bringing the control of governmental affairs closer to the people where they belong and if every precinct in the county and throughout the state would organize such as now exists in Eight Mile Grove and East Rock Bluff precincts, government would then be functioning by the will of the people. Other precincts are now considering the formation of similar clubs and with the success already attained there is no doubt, but it is only a question of time until the entire county is thoroughly organized.

DISTINGUISHED VISITORS HERE

From Tuesday's Daily—
This morning former Governor Adam McMullen and Mrs. McMullen arrived in the city to remain here as the guest of friends until Wednesday. Mrs. McMullen is the state regent of the Daughters of the American Revolution and her visit here is an official call on Fontenelle chapter of the society of this city. While here Mr. McMullen will be a guest of the local Rotary at their meeting this evening.

While in the city Governor and Mrs. McMullen will be guests at the home of Mr. and Mrs. E. H. Westcott, Mrs. Westcott being the chairman of the state community service department of the Daughters of the American Revolution.

Halloween masks, whistles, noise producing novelties for the observance of this occasion are to be found in large and attractive lines at the Bates Book & Gift Shop.

Pump or well irrigation has changed the lower Platte valley into a non-failure garden spot. There are over 300 such plants in Buffalo county alone.

Red Cross to Aid Service Men in Hospitals

New Officers of Cass County Chapter Start Out Work of the Year in Fine Shape.

Does Christmas bring good cheer to the men of the Army and Navy stationed in Alaska, China, Nicaragua, Philippines and other distant posts? The answer is the Red Cross Christmas Bazaar, made of gay colored materials and filled with an assortment of small articles that will be useful to a man in service. May be handkerchiefs, key containers, bill fold, soap, tooth brush and paste and like articles.

10,000 bags have been received up to Sept. 20th. The first shipment of 6,540 bags left San Francisco Sept. 10 for China, Guam and the Philippines. Other shipments go forward in October.

The Cass county chapter helps to supply a quota each year. This year 25 bags will be made by a group of women, a rural Aid Society of Avoca, Nebr. This group asked to do this work for Cass county Chapter Red Cross. The bags will be filled under the direction of Mrs. Henry Tool, secretary-treasurer of Cass county chapter at Murdock. Value of each bag not to exceed \$1.25.

Officers were elected as follows were elected for the ensuing year at the meeting at Union: Chapter chairman, Miss Augusta, Robb, Union; vice chairman, Mrs. George Sheldon, Nehawka; secretary-treasurer, Mrs. Henry A. Tool, Murdock. Every member of the Red Cross in Cass county is helping to send Christmas cheer to those in the service away from home.

For out of each \$1 membership fifty cents goes to the national organization for the big work of carrying on all the relief work of various kinds, twenty-five cents to your local chapter and the other twenty-five cents to the county chapter. If there is no local organization fifty cents stays in the county chapter.

So do not fail to renew your membership this year and get others to join when the Roll Call begins Nov. 11th.

The annual meeting at Union Oct. 15th was not as well attended as it would have been if rain had not interfered.

But it did not stop Col. Douglas from making the trip to talk about the Veterans Hospital that will open about Jan. 1st.

Four from Nehawka, 5 from Murdock with Union folks made up the audience.

This meeting went on record as approving and favoring a nutrition worker in the county, and so voted. This is a necessary work and we hope this may be accomplished within the year.

SIX FOUND DEAD IN HOME

Washburn, Wis.—A school boy's excuse for tardiness revealed Tuesday how a father had slain his wife and four children, then committing suicide. Robert Thorsen, on his way to school, stopped at the home of George Froseth, sixty, assistant postmaster to return a book. The door was locked and when he looked thru a window he saw the body of Mrs. Froseth. "There's something wrong at the Froseth home," he told his teacher, explaining why he was late.

The teacher went on with classes and at recess notified authorities. They first found the bodies of Mrs. Froseth, forty-five; George, jr., eleven; Adelaide and Nell, twins, nine and "Bootsie," six years old. The husband had beaten them to death with a hammer, and had slashed his own throat with a razor.

The authorities believe Froseth became suddenly insane in the night and went from room to room beating the sleepers, after which he went to an upstairs bath room and fatally wounded himself. He had staggered downstairs and as far as the living room, where the body was found. Froseth had held public office here for many years and had been active in political life.

WOODCOCK DENIES STORY

St. Louis—Amos W. W. Woodcock, director of prohibition enforcement, told reporters here Tuesday in reply to their inquiries that recent published reports quoting him as saying it is not unlawful to manufacture beer and wine in the home for home consumption were "absurd."

"I never made such a statement," he said, "because home manufacture of any beverage containing one-half of 1 per cent of alcohol is illegal and is specifically prohibited by the national prohibition act. What I have been trying to do is to direct enforcement activities against commercial violators of the law and liquor trafficking on large scales."

UNDERGOES OPERATION

From Wednesday's Daily—
This morning at the University hospital at Omaha Mrs. John Eppings, of near Murdock, formerly a resident of this city, was operated on, her case being a serious one and the operation of a very severe nature. The relatives here had not at noon received further word of the outcome of the operation. Mrs. Eppings is well known here and over the county, she being a sister of Mrs. Virgel Arnold of this city and Earl and Jarvis Lancaster of Murray.

Decorations for that Halloween party can be secured at the Bates Book & Gift Shop. The Dennison line of crepe paper solves the hostess' problem in decorating.

Gloria Swanson Files Suit for a Divorce

Charges Marquis with Desertion; Expects It, He Replies—'Pace Too Fast'

Los Angeles, Cal. 21.—Gloria Swanson, motion picture star, filed a divorce today against the Marquis Henri de la Palaise de la Coudraye, her third husband. She charged desertion. The marquis said he had expected the action.

"We have come to the parting of the ways," she said, "and if she wants a divorce I will accede to her every wish. We still are the best of friends. Everything moves too swiftly in Hollywood for a happy marriage."

The actress confined her complaint to a paragraph. The action said her titled husband "willfully and maliciously abandoned and deserted her and persisted in said desertion and abandonment against her will."

The desertion was said to have occurred September 18, 1929. The complaint said the two were married in Paris, January 28, 1925. It added that there were no children and no community property.

This was the actress' third matrimonial venture. Wallace Beery, screen actor, divorced her in 1919 on charges of desertion. Four years later her second husband, Herbert Somborn, wealthy Pasadena resident, her because "she placed her career above everything else."—World-Herald.

MERCURY TUMBLES IN EAST

New York—On the wings of a chilly west wind, tidings were brought to the east Saturday night that the advent of winter is only around the corner. From the Maine border to Maryland and from the Atlantic seaboard to the Alleghenies colder weather, but fair, was the prediction of government forecasts, with the possibility of snow in upper New York state. Temperatures tumbled, wintery blasts whistled and light blankets of snow came down in parts of this section.

LINCOLN MAN RE-ELECTED

Omaha—Ed Gugenheim, Lincoln, merchant, Tuesday was re-elected president of the Allied Clothiers and Jobbers, Inc., which is holding its annual convention here this week.

Other officers elected were: John Flynn, Omaha, vice-president, and John H. Conly, Watertown, S. D., secretary. He already holds the position of executive director.

Gugenheim reported that merchants in the Nebraska territory are more optimistic than at this time last year and are buying goods in larger quantities.

The organization of clothiers and jobbers is composed of executives of more than 100 concerns in Nebraska, Iowa, Missouri and South Dakota, banded together for co-operative buying purposes.

TWO ACCUSED OF FORGING

Detroit—Warrants were issued here Tuesday against two members of a gang of five alleged forgers, who according to police have operated a "charity racket" in Detroit and other large cities, forging the names of prominent persons. Walter Marks, alias Marx, under arrest in Buffalo, and Frank Ross, alias Carpenter, alias Louis Krohn, held by Cleveland police, are named in the warrants which were issued on complaint of the First National bank of Detroit and signed by Judge Kilpatrick of recorder's court.

The name of Mrs. Nell Ford Torrey, Grosse Pointe Shores society woman, was forged on two checks for \$500 and \$700, according to Lieut. Frank Yank. A woman who gave her name as Mrs. Mabel Marks was arrested with Marks and is held at Buffalo, Lieutenant Yank said. He said that Ross and Marks have admitted forging Mrs. Torrey's name.

FAIL TO RECALL MAYOR

Sioux Falls—An attempt to recall Mayor George W. Burnside and Alex Reider, street commissioner, failed in a special election Tuesday. Burnside, mayor for twenty-two years, defeated A. N. Graff, 5,248 to 5,026 votes while Reider easily was elected over Ellis O. Smith. Charges of inefficiency, improper government and political favoritism against Mayor Burnside brought about the recall election.
