

BEG YOUR PARDON

LAST WEEK END we ran out of those meaty neck bones that comprised part of our Neck Bone-Sauer Kraut combination. This week we have tried to order enough to supply everybody—and at the same low price quoted last week. Of course, to be sure of getting them, you should come early, for it's first come first served and it seems like everyone wanted in on this special last week. They will be on sale Friday and Saturday, along with other specials in the meat department.

6 pounds of NECK BONES and 3 pounds long thread Wisc. Kraut. **49c**

- Spare Ribs, loaded with meat, 2 lbs. **32c**

Bond Prices Firmer During Recent Week

Trend Is in Contrast With That Which Has Prevailed So Much of This Season.

New York—Contrasted with the unstable conditions that have prevailed virtually since fall arrived, bond prices were firmer last week but activity still suffered by comparison with the period when liquidation was in full swing. Domestic railroad and utility issues ignored the influence of the stock market and crept upward but industrial corporation bonds remained in the doldrums. Far more conspicuous was the United States government list which was well supported throughout the weeks of sagging and was considerably strengthened by the inquiry from banks throughout the week. Several issues climbed to new highs for 1930, reaching a peak higher than any attained in three years.

Signs of greater stability in Brazil, and encouraging news of a diverse character from some other foreign countries put new vitality onto the foreign market, and the widest gains of the week were in that section of the stock exchange list. Substantial recoveries reached several weeks ago. Many of the South American issues have recovered the largest portion of the losses suffered in the swift decline, and some are within a few points of the mid-September prices just before the decline set in. Peru 6s of 1960, Peru 7s of 1959, Chile 6s of 1961 and 1963, Bolivian 7s of

1869 and the 8s of 1869, Brazilian 8s, 7 1-2s and 6 1-2s which dipped as much as 30 points in some instances have come back strongly. German 7s which sagged 5 points to 100 1-8 at the end of the week around 103 and German International 5 1-2s, down 9 points to 73 1-2 a short time ago sold as high as 80. German municipals and industrials moved irregularly higher.—State Journal.

CHICKEN PIE SUPPER

Methodist church basement, Armistice Day, Nov. 11. Benefit W. H. M. S. The menu: Chicken Pie Mashed Potatoes Vegetables in Cream country style Cranberry Sauce Ribbon Salad Assorted Pickles Parker House Rolls Ginger Bread with Maca Sauce Coffee Serving from 5:30 to 7. Adults 50 cents plate, children 25 cents. Following the supper there will be a rousing community patriotic program in the church proper. Come for the supper and stay for the program. n6-3td-11w.

AUTO STRIKES STREET CAR

Huntington, W. Va.—Three men were killed Sunday in the collision of their automobile and a street car of the Ohio Valley Electric Railway company. William M. Parson, Huntington, riding in the rumble seat of the coupe, was thrown in front of the street car which passed over his body. Roy Kiser of Logan, and Raymond Terry, Huntington, died later in a hospital. Witnesses said the automobile attempted to pass another and crashed into the street car. The speedometer was found jammed at sixty-nine miles an hour.

Woman's Club Enjoys a Very Fine Meeting

Large Attendance at Session and Fine Program Is Presented by the Ladies of Club.

From Tuesday's Daily—The attendance at the meeting of the Plattsmouth Woman's club last evening was unusually large and the ladies enjoyed a very fine program that had been arranged by the committee in charge.

The meeting was at the home of Mrs. L. W. Egenberger on Vine street and who was assisted in the entertaining by Mrs. Frank Mullen, Mrs. W. H. Woolcott, and Mrs. Philip Hitz. The parliamentary class was held at 7:30 and presided over by Mrs. Robert B. Hayes, department chairman, in her usual able manner and the ladies followed with the greatest interest the procedure of conducting a meeting under the Roberts' Rules of order.

In the business session the ladies spent some time in the discussion of the plans for the card party to be given at the Main Hotel on Friday evening, November 7th. Mrs. R. E. Bailey gave a very interesting talk on the life of George Washington and the 200th anniversary of his birth which will be celebrated in the nation on February 22, 1932, plans for which are now being made in all sections of the country.

Miss Olive Jones, city librarian, was heard in a very interesting discussion of the librarian's meeting held recently at St. Louis and where she was in attendance.

Miss Mary Jane Tidball of the high school faculty, gave a very interesting review of the book, "Bambi" and which was followed with the greatest interest by the ladies.

In her offering on "German Music," Mrs. Robert Reed covered thoroughly the works of the great composers of this nationality who have given so much to the musical world in their compositions that will last for all time.

The club ladies voted to have two high school girls attend the club meetings and for this meeting there was present Miss Jean Hayes and Miss Maxine Cloldt.

At the close of the evening the ladies served very dainty and delicious refreshments that added to the pleasures of the occasion.

HOLD A FINE MEETING

The W. C. T. U. held a very largely attended and enthusiastic meeting on Monday afternoon at the home of Mrs. George Farnoff on Pearl street and with a most extensive program being given by the ladies. The occasion was "Red Letter Day" and the meeting was in charge of Mrs. W. L. Propst.

The devotions of the meeting was led by Mrs. Charles Troop. The program was as follows:

- "Ternal Vigilance Price of Prohibition"—Mrs. J. E. Wiles.
- "Liquor Arch Enemy of Man"—Mrs. A. L. Tidd.
- "What Four Professionals Think of Prohibition"—Mrs. Etta Barker.
- "Laboring Man on Prohibition"—Mrs. V. T. Arn.
- "A Conscientious Drinker"—Mrs. Frank Morgan.
- "Prohibition Enforcement"—Mrs. C. O. Troy.
- "An Ex-Service Man Speaks"—Mrs. Florence Elliott.
- "Prohibition Brings True Liberty"—Miss Ella Kennedy.
- "The Ballot Speaks"—Mrs. J. R. Stine.

As a feature of the afternoon a dialogue was given, "Rastus and Pete at the Y. P. D." with Mrs. V. T. Arn and Miss Margaret Mapes taking part.

At the close of the afternoon dainty and delicious refreshments were served by the hostess.

TO THE VOTERS

I wish to take this opportunity of expressing to my friends over the county the deep appreciation that I feel in their demonstration of friendship and the fine vote given me. While not securing a majority I cannot but wish to let you know how much I appreciate this support.

MICHAEL HILL.

NEBRASKA LOSES 1,000 IN FINAL FIGURES

Washington, D. C., Nov. 4.—Final population figures for Nebraska issued by the census bureau in a printed bulletin today, gave the state 1,377,963 inhabitants, which was slightly less than the preliminary population figure of 1,378,900. This total averaged 17.9 inhabitants per square mile as compared with 16.9 in 1920. It represented an increase of 81,591 or 6.3 per cent.

TO THE VOTERS

With feelings of the deepest gratitude I wish to thank each voter of the county who gave me their support and I shall strive to continue to give the people of Cass county the best and most business like administration of the county treasurer's office as is possible.

JOHN E. TURNER.

Highways of State Never Were Better

Good Condition Through the Freezing Weather Is Now a Certainty

Nebraska's highways are in splendid condition for the coming winter. A. C. Tilley, maintenance engineer for the state highway department, declared Saturday on his return from an inspection trip which carried him over more than half of the state's area and brought him into contact with conditions in practically every section of the state.

If freezing weather should begin now, the roads would carry through the winter in fine shape, according to Mr. Tilley. Unusually favorable weather all fall has made it possible to keep the roads up in good shape.

Surfaces at the present time are smooth and sound, Mr. Tilley stated, making them ideal for the onset of freezing weather. As long as they can be maintained in their present state, freezing will insure their good condition during the winter.

Hesitating to say that the state's highways were in the best condition that they had ever been in at this time of year, Mr. Tilley declared that they had certainly never been any better.

Comparison of the conditions Saturday with about the same time a year ago when a 6-inch snowfall descended on Nebraska at the time of the State Teachers' association meetings was made Saturday by A. T. Lobdell, chief of the bureau of roads and bridges.

Last year, the department was called constantly by marooned passengers in automobiles on state highways stranded on eastern Nebraska, in getting out of the drifts and into Lincoln. In contrast, Mr. Lobdell pointed out thousands were motoring into Lincoln Saturday morning for the Nebraska-Pittsburgh game over a network of improved hard surfaced highways which have not yet been touched with snow.

Unless freak storms should mar the present satisfactory conditions, officials in the highway department expect the roads to go into the winter in practically as ideal a condition as they fell they are now in.

CARD OF THANKS

We wish to express to the friends and neighbors our most heartfelt appreciation of the kindness shown us at the time of the illness of our loved one and for the words of sympathy and the beautiful floral remembrances at the time of our deep sorrow.—Mr. and Mrs. Frank Bergmann and Family. d&w

AN APPRECIATION

To the friends over Cass county I wish to take this opportunity of expressing thanks for the wonderful support given men in all parts of the county. I shall strive to repay this expression of confidence by striving in every way to make as good a member of the board of commissioners as lays within my power. E. B. CHAPMAN.

Evelyn Sumner Wins News Writing Contest

Evelyn Sumner, member of the Green Peppers Clothing Club of Avoca, placed first in the county 4-H News Writers contest. Nine members consisting of 8 girls and one boy, entered the contest, which consisted of writing at least four articles relative to their club work and club activities. As a reward, Evelyn will get a trip to the 1931 Club Week held at the College of Agriculture, Lincoln, the first week in June. Charles V. Seely, Editor of the Weeping Water Republican sponsored the contest. This is the third year that Mr. Seely has sponsored a 4-H News Writing contest within the county.

Achievement Day Radio Program

From 11:30 to 12:30 Saturday noon, November 18th, Secretary Hyde, Director Warburton and State Extension Agents, will broadcast a message to 4-H club members who have successfully completed their year work. This to be a recognition of their successful efforts during the year.

Club members and local leaders are urged to listen in. Tun in on KFAB and if your club is assembled to listen in, write C. W. Warburton, Director of Extension Work, U. S. Department of Agriculture, Washington, D. C., what they think of the program.

Wins County Leaders Trip

S. Ray Smith of Weeping Water is the winner of the county 4-H club leader's trip to the Ninth International Club Congress at Chicago, Nov. 29 to Dec. 6. The Cass County Farm Bureau Board is sponsoring the trip. All 4-H club leaders in the county were eligible to compete. The winner was judged on the following points: Percent of final reports filed, 10; interest shown in judging and demonstration teams, 25; leaders written summary, giving details of camp events and influences of their 4-H club or clubs, 15; number of members enrolled, 10; and cooperation in promoting 4-H club activities, 10.

The following report was submitted by Mr. Smith, giving a summary of his club's activities for the past year:

"The Weeping Water Splicers" is a rope club with eighteen members and all eighteen handed in their final reports, making a 100% club. This club did not exhibit at the state fair, but two members exhibited at the county fair and won three first and two second prizes.

Milford Smith and Keith Norton were our demonstration team. They have given five public demonstrations so far and have been asked to give several more this fall to help organize rope clubs. Their first public demonstration was given at Lincoln, at Mr. Frisbie's request, before the Home Economics girls who were there for Judging Day, so that they could see how a demonstration should be built up.

Later the boys demonstrated at the Cass-Otoe Club Camp at Bellevue, the Junior Fair at Eagle, the State Fair and the Cass county fair. The team won first prize rope demonstration at the state fair and were third high in all-team demonstrations. After each demonstration, the boys showed several individuals how to make rope and to tie the different knots. In this way the club had quite an influence in the community.

"The Up-N-Cum-N" Swine club has seventeen members and handed in seventeen reports. This club had two individual showing demonstrations and two judging contests. We also had a tour in conjunction with the dairy club and there were 35 people present. Five members showed pigs at the state fair and won one third, three fourths, two fifth, one six h, two sevenths, one ninth, one eleventh, one twelfth and one fourteenth places, making 14 ribbons in all.

At the Cass county fair, nine members showed and won nine firsts, eight seconds, four thirds, making 21 ribbons in all. All the winners are in the 4-H classes and do not show when we had in the open class. Five members are in the Junior Pork growing contest which has not ended. These boys and girls raised 108 pigs valued at \$3,410.00. Feed cost, \$871.78, profit above feed cost, \$2,538.22 as per reports.

"The Weeping Water Dairy Calf Club" has seventeen members, 14 boys and 3 girls. All handed in their final reports. They have 19 heifers, 11 Holsteins, 5 Jerseys and 3 Ayrshires, and showed 2 Holsteins, 5 Jerseys and 3 Ayrshires at the state fair, winning 8 ribbons, two firsts, four seconds, one fourth and one eighth. At the county fair we showed 5 Holsteins, 5 Jerseys and 1 Ayrshire, winning six firsts, one second and one third.

Some of these boys bought their calves last year when cattle were high and they had to stand a loss, but at that their calves are valued at \$2,060.

Our demonstration team was Champion Dairy team at the state fair and Champion Farm Demonstration team also, and won \$25 given by the Portland Cement Association for the use of cement in the demonstration. This \$25 is to be used for trips to Club Week next June.

With the Dairy Championship goes a trip to the National Dairy Exposition where the boys will represent Nebraska in the National contest, October 14th. This club had its tour with the swine club. We had two individual showing exhibitions given by Warren Fager. We also had two judging contests. In summing up the work and winnings of the three clubs we find we

raised 108 hogs valued at \$3,410.00, nineteen calves and heifers valued at \$2,060, we won 56 ribbons, had two first demonstrations teams, one of which was the State Champion Demonstration team. Our cash winnings from the county fair are \$230 which does not take into account any money given by breed associations. Two of our boys, Milford Smith and Vincent Rehmeier received the largest prize money given in this county, \$58.75 and \$54.00 respectively. My three clubs have 52 members which is one tenth of the total Cass county 4-H enrollment. We have handed in 52 final reports, making all three clubs 100% in finish-up. Beside conducting my own clubs, I helped to organize a Beef club at Mynard, a swine club at Lewiston Community Center and the Blue Ribbon Corn club, and gave a couple of talks to clubs at Eagle while attending meetings there. I also donated four days time helping out at the Cass-Otoe Club Camp at Bellevue, July 30, August 2. Yours for more and larger 4-H Clubs next year.—S. Ray Smith.—D. D. Wainwright, Cass Co. Extension Agent.

GIRL, 16, WHOSE GODFATHER WAS THE KAISER, IS DEAD

New York, Nov. 3.—Miss Bancroft Gherardi, 16, whose godfather was the former Kaiser of Germany, died Saturday night in the Medical Centre. Miss Gherardi, daughter of Rear Admiral Walter R. Gherardi, became ill while attending the Thomas school at Rowayton, Conn., and was removed to the hospital here where she failed to rally. She had complained of only a minor ailment at first, but later it was diagnosed as infantile paralysis.

Her father was a former naval attaché at Berlin and it was there the Emperor William acted as godfather at the christening of the infant girl. Rear Admiral Gherardi, then a captain, was active in the investigations that followed upon the sinking of American vessels by German submarines during the world war and after the war headed a political inquiry mission to Germany, later reporting to the American peace delegation on economic conditions in that country.

BAZAAR AND SUPPER

The Presbyterian ladies Auxiliary and the Q. Z. Society will hold a bazaar and supper at the Fellowship room of the church on Thursday evening, November 20th. The public is invited and all urged to bear this date in mind.

CARD OF THANKS

I wish to express my appreciation for the loyal support of my friends and for the efforts they put forth in helping me in this election. J. L. STAMP.

The Journal appreciates your interest in phoning us the news. Call No. 6 any time.

Six Million is Released to Aid Unemployed

Cities Co-ordinate of Resources to Keep Idle From Suffering from Unemployment Situation

Washington, Nov. 2.—Joining the navy in its \$14,000,000 broadside against unemployment, the War department has announced an immediate construction program of \$2,000,000 which will give jobs to thousands.

In addition to the reclamation service of the Interior department announced it will let contracts for \$2,000,000 in connection with construction of Boulder dam months in advance of the dates contemplated.

The Inland Waterways Corp. announced to be realized before next summer, forerunner to an even greater program.

Cincinnati planned co-ordination of all community resources in that region by organizing a committee representing industry, labor, welfare agencies, government and education. Mayors of surrounding municipalities and county commissioners will work with the committee.

The Proctor & Gamble Co. announced its 10,000 employees in eight cities will be given steady employment the year around. Its pay roll is \$1,000,000 a month.

Local labor will be given preference in construction of federal buildings throughout the country, it was announced, and wages will not be reduced. All these projects are expected to be under way before Jan. 1.

Perival White was appointed assistant to Edward L. Bernays, counsel of public relations to the president's emergency committee.

Commenting on the "buy now" campaign, Col. Arthur Woods, head of the Hoover unemployment committee, said those who can afford to buy should do so now, by all means, because restoration of normal buying is what is needed. But, he added, no one should urge people to spend a dollar when they have no dollar to spend.

Philip Fay of San Francisco protested against the proposed \$55,000,000 bond issue for construction of the Golden Gate bridge at San Francisco, saying it would cause 1,000 ferry boat employes to lose their jobs.—Omaha Bee-News.

Mr. and Mrs. Fred G. Morgan who were called to Little Rock, Arkansas, a few days ago returned this morning on the early Burlington train.
